11:49 STEVE calls:
Says they've got the materials. DAVID is very upbeat, has a good attitude. "It looks better than it has in a long time."
DAVID is talking about the prophecy, "new moon" something's happening.

11:52 "I can see momentum, I've got something to work with, it helps. Last night I felt like I had no tools." He had a smile on his face.

11:55 DAVID is saying that the message is coming to him, just give us a little time.

11:56 STEVE: Give us a little time to look through these things... "It's starting to make some moves now."
Talk to you later

12:22 STEVE calls: DAVID has a request, play a new tape, they've heard KATHY's

12:23 Contact terminated

13:46 STEVE calls
DAVID on line:
There's alot of misunderstanding (based on the articles...)
Simply, here's what we're about; "There are things unseen that are realities"
...opening of the seals is the last event, it's a test...

13:49 "I know our views seem abstract or strange" "I know men have lost their lives," but we have been reconciling ourselves to God we have been preparing since '85 for, not you guys...

13:53 We're in the process now, these individuals are coming out, they need to understand...
(sermonizes) There are people here more afraid of God than you guys

MARCH 19, 1993 continued

13:55

We're satisfied with the system, we'll go thru your system, but there will always be a higher court...

Only the lamb can reveal the 7 seals.

"Amongst our ranks, there are those who need to know where they stand..."

"I need to go over the covenants with them. It could be as early as tomorrow evening (the Sabbath) some people will come out. That's a promise, a guarantee."

13:39

DAVID: I hope you'll respect our Sabbath...

BRAD and KEVIN have made some mistakes...(doesn't finish)

"I am a Cult Leader" ("so was Moses...")

"I'm ready to enter into my final phase" whatever that is. I've worked since 1985 to build...Christ failed didn't he?

14:03

If people within our ranks fail, then they need to face whatever retribution awaits them ...sermonizing...

"If I've done wrong, you need to give me the whole 9 yards," but if I'm the one you better watch it...

The guitar nebula - "I knew it was coming"

14:07

...sermonizing...

14:09

DAVID:

...still going...

14:13

"Nobody tipped us off" we have been expecting the tanks to roll up (before the raid) [implying that God told him]

14:16

You can't judge a person by the appearance of things...

14:17

My people are weak they're asking what have I been told to wait for? Thank you for giving us this time to unwind, for being lenient.

14:19

CP: How about sending someone out at 4:00 today? Someone who didn't learn? (referring to something DAVID had said while sermonizing)

DAVID: Well, it's not that they didn't learn, but... "I don't mean to preach"...starts preaching...

CP: Guitar nebula article astounded me...

DAVID: Well, there's more to it...preaches...

MARCH 19, 1993 continued

14:23 Who would want to face the Federal government?
They'd have to either be crazy or something
else. Well, the message was given to me
instantly, a full understanding...

14:25 There's going to be some weapons used on
mankind that we can't even conceive of.
There's no reason for that to happen, I may be
crazy, but someone has to listen to me. (or
else what happened to NOAH will happen to
you)...

14:28 DAVID: The events here have been bizarre,
cultic, but I haven't been raving, "give me a
helicopter!"

14:31 DAVID: If you start controlling the minds of
men, you've got them in the palm of your hand.
Like the ancient Romans...

14:33 DAVID: I just want to do the will of my
father, but I want to get out of here.
"Can the people bring out their Bibles?"

CP: Of course

DAVID: For sure 1 or 2 today
Realistically, I'll call you after worship,

14:36 CP: Give me a rough idea
DAVID: Could be a week, I don't know, it
depends on the people...sermonizes

14:38 ...still going...

14:42 CP: People are out here making money,
movies...
DAVID: Yeah, even my mother, she takes
\$75,000 as blood money for things she doesn't
even know...

"When they give me lethal injection, give me
the cheap stuff huh?"
I'll call you after the Daily.
