TAPE #149
3/21/93
6:19 A.M. - 11:37 A.M.

1 (Tape 149)
2 [Telephone dialed, then ringing.]
3 UNIDENTIFIED MALE SPEAKER 1: If disconnect
4 the phone, it'll still ring.
5 UNIDENTIFIED MALE SPEAKER 2: Going to let it
6 keep ringing.
7 [Gap.]
8 [Ringing for a continued period of time.]
9 [Busy signal]
10 [Telephone dialed, phone company recording.]
11 [Telephone dialed, then ringing for a
12 continued period of time.]
13 GRAHAM: Test one, two, three. Hello?
14 Hello? Why don't you --
15 JOHN-3: Hello?
16 GRAHAM: Hello? This is -- who is this
17 speaking?
18 JOHN-3: This John Hylar.
19 GRAHAM: John Hyslan (sic). Are you one of
20 the negotiators?
21 JOHN-3: Yeah. Who's this?
22 GRAHAM: My name is Graham. We're just
23 having a little bit of trouble with the phones for the
24 moment, so we're -- I just decided to tested it. You
25 want to speak to Steve?
JOHN-3: Yeah, if I could.

1 GRAHAM: All right. Just hang on one moment.
2 We -- he's been trying to get in contact with someone
3 too. So, just one moment.

4 JOHN-3: What's the problem with the phone,
5 Graham?

6 GRAHAM: We put two phones here on two
7 different lines. This is the one which David normally
8 speaks through and there's one downstairs which Wayne
9 speaks on and -- we want to get the one downstairs to
10 going out. I'm just trying to get that one going at
11 the moment.

12 JOHN-3: What's going on in there this
13 morning, Graham?

14 GRAHAM: Well, Steve was just giving a bit of
15 a study. Sorry. I'm just a bit out of my breath.
16 Would you -- if you'd like to just hang on a minute
17 I'll go get Steve for you.

18 JOHN-3: Yeah. Did, did you hear a ringing
19 though, Graham?

20 GRAHAM: No, I didn't.

21 JOHN-3: You didn't hear the phone ringing?

22 GRAHAM: No. Has -- have you been trying to
23 get through for some time?

24 JOHN-3: Yeah, we have.

25 GRAHAM: Well, I'm, I'm, I'm terribly sorry
about that. I'm just -- I just spent the last few

1 minutes trying to get the thing going. But at least,
2 least we've got through -- contact now.

3 JOHN-3: Well --

4 GRAHAM: Just, just hold on a minute. I'll
5 go get Steve for you. Okay?

6 JOHN-3: All right.

7 GRAHAM: Okay.

8 (Pause.)

9 STEVE: Hello?

10 JOHN-3: Steve.

11 STEVE: John.

12 JOHN-3: How are you?

13 STEVE: Not bad. How are you doing?

14 JOHN-3: I'm doing okay. We're ready to get
15 going today, huh?

16 STEVE: I'm disappointed. This crazy -- I
17 went down-- I was down at the other phone and the thing
18 was deader than a doornail. We're trying to work on
19 it. And then this one was dead. I'm amazed you got
20 through even. Because I picked it up and someone else,
21 and the thing was dead. So, I started --

22 JOHN-3: What --

23 STEVE: -- wondering if it wasn't a line
24 outside or what.

25 JOHN-3: What's the matter with the phone,
Steve? Did you --

1 STEVE: I, I don't know.

2 JOHN-3: -- hear it ringing?

3 STEVE: No. In fact, the one that I usually
4 use -- I was going to bring a number of people there to
5 talk with you today, and I got there with them and here
6 the crazy thing wasn't working. So, I -- they --
7 they're working on it and looking at it now. They say
8 the line is dead. So, they're trying to figure out
9 what's going on. And then they -- we went up to this,
10 this phone here and found out that it was dead. So,
11 I'm kind of surpri-- and that was only minutes ago.

12 JOHN-3: Steve, what, what's the problem with
13 it? Do you know?

14 STEVE: Not yet. He's still working on --
15 you know, like he -- what he's doing, we've got a guy
16 that's tracing that right from the beginning to see if
17 it, if it -- the line itself is hot or dead. So, I
18 told him well, get on it so we can get going with this
19 thing.

20 JOHN-3: Steve --

21 STEVE: I -- yeah?

22 JOHN-3: -- in, in that case, we ought to
23 keep somebody near each phone, because it's critical
24 that we keep in contact today.

25 STEVE: Right.

JOHN-3: Especially today. Okay?

1 STEVE: Okay. This is John-3 maybe?

2 JOHN-3: Yeah, you got it.

3 STEVE: Okay. Let's see. What happened at
4 to -- I thought Dolan told me he was going to be on the
5 phone today?

6 JOHN-3: He's not around here right now and
7 they asked me to come in and talk to you. He's
8 checking some things out with Mr. Jamarin at the
9 Courthouse.

10 STEVE: Okay. Yeah, I would like that.
11 There's a couple things I wanted to ask him still that
12 we were talking about. So, you know, as soon as he can
13 let him give me a call, would you?

14 JOHN-3: Well, I don't know when that's going
15 to be, Steve, so I think we -- you and I will be
16 talking here for awhile. And --

17 STEVE: Just, just a minute. Someone's
18 calling me. Just hang on one second.

19 JOHN-3: All right.

20 STEVE TO UNIDENTIFIED PERSON: Pardon?

21 UNIDENTIFIED PERSON TO STEVE: (Not
22 discernible).

23 STEVE TO UNIDENTIFIED PERSON: Are they --
24 I'm on the phone. They, they called now. I couldn't
25 get out because the line's been dead. I went down and
the other phone, it's dead, and even this one was

1 | picked up five minutes ago and it was dead also. I,
2 | I'm amazed that they got through. I'm talking with
3 | John-3 right now.

4 | UNIDENTIFIED PERSON TO STEVE: Well, what's,
5 | what's happening, you know?

6 | STEVE TO UNIDENTIFIED PERSON: I don't know.
7 | That's -- they're trying to check it out right now. I
8 | don't have any idea --

9 | UNIDENTIFIED PERSON TO STEVE: (Not
10 | discernible) called in?

11 | STEVE: Had you tried to call us before this,
12 | John?

13 | JOHN-3: I called a couple times, Steve.

14 | STEVE: And what happened?

15 | JOHN-3: It just rang several times and no
16 | one answered it. That's why it's critical that, that
17 | somebody --

18 | STEVE: No, I know.

19 | JOHN-3: -- be near the phone.

20 | STEVE: I realize that, John. Just a minute.

21 | JOHN-3: Yeah.

22 | STEVE TO UNIDENTIFIED PERSON: Yeah, he said
23 | he did call a couple times and it just rang, so that
24 | means that there's something up with the lines. I
25 | don't know what.

UNIDENTIFIED PERSON TO STEVE: (Not

1 | discernible).

2 | STEVE TO UNIDENTIFIED PERSON: I've got
3 | Graham. He's looking at the other one right now and I
4 | want him to look at this one too, check the line all
5 | the way through to the phone.

6 | STEVE: Yeah, it's strange, because --

7 | UNIDENTIFIED PERSON TO STEVE: (Not
8 | discernible).

9 | STEVE TO UNIDENTIFIED PERSON: Pardon?

10 | UNIDENTIFIED PERSON TO STEVE: Well, hang up
11 | and try to call --

12 | STEVE: All right. Let me -- hang up and let
13 | me try to call you, and if I don't call -- if you don't
14 | hear from me in one minute, give me a call back, John.

15 | JOHN-3: All right.

16 | STEVE: Okay. Hang on.

17 | *****

18 | JOHN-3: Hello?

19 | STEVE: Hello. John?

20 | JOHN-3: Yes, Steve.

21 | STEVE: Okay. Well, it's working now. I
22 | don't understand. At least this one is. I don't --
23 | the other one isn't still. And it's in a better
24 | location where I can have more people on the line.
25 | That's why I was hoping to use it. Yeah --

 JOHN-3: Steve, when we finish this

1 conversation, remind me, I'm going to call you back and
2 you check it out and see if it comes in. And then if
3 you don't --

4 STEVE: Well, why don't --

5 JOHN-3: -- get any --

6 STEVE: -- let's do it right now or -- so I
7 don't have to worry about at least this phone. Call me
8 right back and --

9 JOHN-3: All right.

10 STEVE: -- and if I don't hear you in, in one
11 minute, I'm calling you.

12 JOHN-3: Good enough.

13 STEVE: Okay. Bye.

14 JOHN-3: Bye.

15 *****

16 [Telephone dialed, then ringing.]

17 JOHN-3: Hello?

18 STEVE: Hello, John. Steve. Nothing
19 happened.

20 JOHN-3: Nothing, huh?

21 STEVE: Nothing.

22 JOHN-3: No ring at all?

23 STEVE: But this -- but you called just
24 minutes ago, right? And they answered the phone,
25 didn't they?

JOHN-3: Right.

1 STEVE: What is go-- I don't -- now, I --
2 that doesn't make sense to me. I don't understand it.
3 Okay.

4 JOHN-3: Well, Steve, why don't we do this.
5 It's im--

6 STEVE: Okay.

7 JOHN-3: -- imperative that we, we keep in
8 contact with each other. We can either leave the, the
9 line open today or we can call in every half hour or
10 every hour.

11 STEVE: No. John, I know -- look, if you
12 were around last -- yesterday and last night and you
13 heard the dialogue, the rapport, how it's been working,
14 you know, it's been going great. There's nothing on
15 either side that, that there's any -- no problems.
16 We're -- if you would have heard John Cox through the
17 night and so forth and --

18 JOHN-3: I'm aware of all of that.

19 STEVE: Okay. Good.

20 JOHN-3: Yeah.

21 STEVE: Good.

22 JOHN-3: So --

23 STEVE: So, you know, it hasn't changed with
24 us. So, you know, everything's fine now. You know,
25 I'm, I'm not going to be jumping on your bandwagon or
anything like that. You know, we're doing the best we

1 can and, and I'm just going to stay right at it. I
2 went to bed about 4 or 5 this morning, had a few hours
3 sleep, and I'm right at it again. So, you know, I
4 mean, like you say it's imperative --

5 JOHN-3: What --

6 STEVE: -- well, you know, I'm -- we're not
7 letting up either.

8 JOHN-3: What's going on in there today,
9 Steve?

10 STEVE: Okay. Right today, in fact I think
11 you're pretty quick, let -- I, I believe there's one or
12 two coming out right away. So, let me -- I'll even get
13 their names. I'll, I'll talk --

14 JOHN-3: Why don't you give them to me right
15 now so I can tell --

16 STEVE: Hang on. I'm leaving --

17 JOHN-3: -- these people here.

18 STEVE: -- the phone. I'm -- let me check
19 now, because I -- remember, now, I just have -- had a
20 little bit of sleep here and, and --

21 JOHN-3: Okay.

22 STEVE: -- all it was --

23 JOHN-3: That's fine.

24 STEVE: Hang on one -- hang on a second.

25 JOHN-3: I'll do it.

(Pause.)

1 STEVE: Okay. John?

2 JOHN-3: Yes, Steve.

3 STEVE: Okay. The ones that are coming out
4 within minutes will be Rita Riddle and Gladys Ottman.

5 JOHN-3: Gladys Ottman? Can you spell that
6 for me?

7 STEVE: I think it's, I think it's O-T-T-M-A-
8 N, I believe.

9 STEVE TO UNIDENTIFIED PERSON: Isn't it?

10 STEVE: Yes.

11 JOHN-3: Okay. Are they -- she, she's an
12 older woman also. Are they U. S. citizens?

13 STEVE: Rita is and Gladys, I believe, is
14 from Canada.

15 JOHN-3: Canada?

16 STEVE: Yes.

17 JOHN-3: Okay. Is -- have we had any contact
18 with her relatives?

19 STEVE: I don't believe so, from what -- I'm
20 pretty sure not. I don't think so.

21 JOHN-3: Okay.

22 STEVE: I don't remember -- in fact, I heard
23 that -- I was told, John, that I was to get back with
24 you people this morning, which I've been trying to do,
25 and it was left to us that there were messages left for
individuals here?

1 JOHN-3: Yeah. We do have some. I'll try to
2 get a hold of them, Steve, but --

3 STEVE: Okay. Yeah. And, and let me know
4 who they are, because I'll start getting people
5 together. I've already got together like Sherry and
6 Scott. I hear that there were messages for them?

7 JOHN-3: I, I'm not sure on that, but I'll
8 get them together and I'll get you an answer here as
9 soon as I can.

10 STEVE: So, Dolan, will he be around today
11 then?

12 JOHN-3: Steve, John Dolan has expressed to,
13 to me personally that he would like to be available
14 when, when all of you come out of there. And --

15 STEVE: Right.

16 JOHN-3: -- we're going to try to make that
17 happen, but it has to be soon. Okay?

18 STEVE: No, no, no. John, you've got --
19 there's something about you. I -- now, you're okay,
20 but you're extre-- I don't know if you know it, but you
21 come across extremely pushy. It doesn't help me. It
22 honestly doesn't help you.

23 JOHN-3: Steve, I don't --

24 STEVE: You -- lis--

25 JOHN-3: -- mean to be that way.

STEVE: -- listen, you use words like

1 | imperative and, and, and so forth. I -- believe me,
2 | I'm with you. But, you know, again, if you would have
3 | heard the conversations, if you listen to them, you'll
4 | -- I -- we won't have to go through this whole thing
5 | all over again.

6 | JOHN-3: We're going to work this out.

7 | STEVE: All right.

8 | JOHN-3: All right?

9 | STEVE: Okay. So, right now --

10 | JOHN-3: Me and you.

11 | STEVE: Okay. These two are going to be
12 | coming out and we're talking minutes now.

13 | JOHN-3: Okay. You're going to call us and
14 | let us know when they're ready to come out?

15 | STEVE: Yes.

16 | JOHN-3: All right.

17 | STEVE: I'll call --

18 | JOHN-3: And you say it's --

19 | STEVE: -- I'll call for sure.

20 | JOHN-3: And I just want to make sure that,
21 | that it's within minutes, Steve.

22 | STEVE: Yes, it is.

23 | JOHN-3: Right?

24 | STEVE: Yes, it is. Because I went and
25 | checked just now and they -- they're getting ready
right now, so that means it won't only take them, you

1 know, but just a moment of time here and they'll be
2 right out the door.

3 JOHN-3: Okay. Steve, to help you on your
4 end --

5 STEVE: Okay.

6 JOHN-3: -- I've got some names. You got a
7 pen and a piece of paper there?

8 STEVE: Yes. Let, let me grab -- I do have a
9 pen.

10 STEVE TO UNIDENTIFIED PERSON: Would, would
11 you give me that pad right there, please? Right by
12 where the phone was sitting? Thank you.

13 STEVE: Okay. I got it here. Let's see.
14 Now to get this pen going. Okay. What do you have,
15 John?

16 JOHN-3: And if you have any problems with
17 the spelling, let me know. Okay?

18 STEVE: Okay.

19 JOHN-3: First, let me ask, any of the people
20 in there have any health problems right now?

21 STEVE: Well, you know, Judy, of course.
22 Scott. I think -- well, David.

23 STEVE TO UNIDENTIFIED PERSON: Is anyone sick
24 hereOR have any other kind of health problems that
25 you're aware of?

STEVE: Did you find out what Vicky's

1 | condition was, the -- one of the older women that went
2 | out last night? Do you know -- I mean --

3 | JOHN-3: We're, we're going to check on that
4 | and I'll give that for you as soon as I can.

5 | STEVE: All right.

6 | JOHN-3: Probably real soon here.

7 | STEVE: Okay.

8 | JOHN-3: How about Rita and Gladys? How
9 | about they're health problems?

10 | STEVE: They're both fine. They're both
11 | healthy. They have no problems.

12 | JOHN-3: How old is Gladys?

13 | STEVE TO UNIDENTIFIED PERSON: How old is
14 | Gladys? Find out. That's what I'm asking. How old is
15 | Rita? Find out, please.

16 | STEVE: You know, a lot of these people I, I
17 | know by first names, so even the last names sometimes
18 | escapes me. I've even -- most of the times I've not
19 | even heard.

20 | JOHN-3: Steve, is she middle-aged or --

21 | STEVE: Yeah. Gladys is middle-aged. Rita
22 | is in her 30s. Probably, I, I would guess, anywhere
23 | between 33 to five or six, somewhere in there.

24 | JOHN-3: Okay. And Gladys is middle-aged?

25 | STEVE: Yeah. Yeah. She would be in her
50s, late 50s maybe.

1 JOHN-3: Okay. Steve, have you got a pen and
2 a piece of paper there?

3 STEVE: Yes, I do.

4 JOHN-3: Okay. Like -- let's see. How about
5 cars? Do they have cars?

6 STEVE: Rita does. She's got a -- about an
7 '84 or '85 Prelude, but I don't know what the condition
8 is because Friday the tank went into it. So, I don't
9 know if it just did cosmetic damage or -- it would seem
10 --

11 JOHN-3: Okay.

12 UNIDENTIFIED PERSON TO STEVE: (Not
13 discernible).

14 STEVE TO UNIDENTIFIED PERSON: They're how
15 old?

16 UNIDENTIFIED PERSON TO STEVE: 35 and (not
17 discernible).

18 STEVE TO UNIDENTIFIED PERSON: Oh, really?

19 STEVE: 35 and 67. So, Rita, of course, is
20 35 and Gladys is 67.

21 JOHN-3: Okay. So, Rita's car, you're not
22 sure whether it's drivable or not?

23 STEVE: It may, it may be. She --

24 JOHN-3: Okay.

25 STEVE: I think she would definitely like to
take it out or use it, if it's possible.

1 JOHN-3: Yeah. That's what I was thinking.

2 We can --

3 STEVE: Yeah.

4 JOHN-3: -- we can work on that. Okay?

5 STEVE: Okay. That would be great.

6 JOHN-3: Okay. Can you tell me where it is
7 and what color it is?

8 STEVE: It's a red car and it's -- let's see.
9 I guess it would be on the south side of the building.

10 JOHN-3: Okay.

11 STEVE: When you come ar-- when a lot of
12 times the Bradleys enter the property through that
13 gate, they come around -- it bends around. It's that
14 corner that's closest to them as they come around the
15 corner. That --

16 JOHN-3: Is --

17 STEVE: -- end of the building. There's --

18 JOHN-3: Oh, okay.

19 STEVE: -- there's a red Prelude right there
20 by the side of that window, or pretty close.

21 JOHN-3: All right. All right. When, when
22 we -- they're ready here. I'll talk to her personally
23 or you can --

24 STEVE: Okay.

25 JOHN-3: -- pass the message. Steve, let me
give you these names --

1 STEVE: All right.

2 JOHN-3: -- before I forget about it. Okay?

3 STEVE: Okay. Sure.

4 JOHN-3: Family members of -- who have called
5 in, Ursula Gehrmann.

6 STEVE: Okay.

7 JOHN-3: G-E-H-R --

8 STEVE: Yes. I know who she is even.

9 JOHN-3: -- M-A-N-N.

10 STEVE: She's from Hawaii.

11 JOHN-3: Okay. Galenda Ganem, G-A-N-E-M.

12 STEVE: Oh, but -- Belinda?

13 JOHN-3: G-A -- G as in golf.

14 STEVE: Okay.

15 JOHN-3: A, Adam.

16 STEVE: Uh-huh.

17 JOHN-3: L-E-N-D-A. And then the last name
18 I've got is G-A-N-E-M, as in Mike.

19 STEVE: Okay.

20 JOHN-3: Let's see. The next one is Linda
21 Campion.

22 STEVE: These have call-- I mean, see --
23 these are messages, I, I'm aware, that have come in
24 already and tapes. Have they brought in more messages?
25 Is that it or --

JOHN-3: Some of -- you know, they may be

1 repeats. I'm not sure, Steve.

2 STEVE: Okay.

3 JOHN-3: The next one is somebody that I've
4 personally talked to.

5 STEVE: Okay.

6 JOHN-3: Is Sue Johnson.

7 STEVE: That's my sister.

8 JOHN-3: Right.

9 STEVE: All right.

10 JOHN-3: Right. And she's a very nice woman,
11 Steve.

12 STEVE: Okay.

13 JOHN-3: She's concerned about you.

14 STEVE: Well, definitely. She always has
15 been.

16 JOHN-3: Yeah. And I, I think John mentioned
17 yesterday that the attorneys are -- have a good
18 reputation.

19 STEVE: Okay.

20 JOHN-3: All right? Next one, Joe S-A-N-T-O-
21 Y-O.

22 STEVE: Joe Santoya (sic)?

23 JOHN-3: Santoyo.

24 STEVE: Some-- is that what -- I guess so.

25 JOHN-3: Got it?

STEVE: Yeah.

1 JOHN-3: Okay. Solomon Malcolm, Junior.
2 STEVE: Okay.
3 JOHN-3: Next one, Gloria Hootman, H-O-O-T-M-
4 A-N.
5 STEVE: Okay. Okay.
6 JOHN-3: Next one, Karen Doyle.
7 STEVE: Okay.
8 JOHN-3: The next one, Herman Williams.
9 STEVE: Oh, I know who that is now or who
10 they're --
11 JOHN-3: I'm not sure, but we can always
12 check on it --
13 STEVE: Right.
14 JOHN-3: -- Steve, when we have a question on
15 it. All right?
16 STEVE: Okay.
17 JOHN-3: Next one, Denise Johnson.
18 STEVE: All right.
19 JOHN-3: Next one, Kim Lambart.
20 STEVE: All right.
21 JOHN-3: Okay. Albert Vaega, but it's an A-
22 E-G-A?
23 STEVE: Yeah. Neil, your broth-- where's
24 Neil? Okay. His brother Albert has left a message for
25 him.
JOHN-3: Who is it, Neil Vaega in there?

1 STEVE: Yeah.

2 JOHN-3: Okay. Next one is Ruth Mosher, M-O
3 S-H-E-R.

4 STEVE: Right. That's Sherri Jewell's
5 mother.

6 JOHN-3: Is that Carrie Jewell's mother also?

7 STEVE: Grandmother.

8 JOHN-3: Okay. Next one, Michael Sommers.

9 STEVE: Hmm. Okay.

10 JOHN-3: Next one is Mary Jones.

11 STEVE: Just a minute.

12 STEVE TO UNIDENTIFIED PERSON: Could you get
13 out of the light there? Thank you.

14 STEVE: Okay. Mary Jones.

15 JOHN-3: You got that one, Steve?

16 STEVE: Yeah.

17 JOHN-3: Okay. The next one is Samuel Henry.

18 STEVE: Yeah.

19 JOHN-3: Okay. Sharon Clark Kidd, K-I-D-D?

20 STEVE: K-I-D-D. Okay. Got it.

21 JOHN-3: All right. And there's another one
22 here, and I'm not sure if this is a misspell or not,
23 but it's N-E-S-E is what I've got.

24 STEVE: N-E-S-E. Nese. Oh, yes.

25 JOHN-3: Vaega.

STEVE: Yep. Okay. Is that it?

1 JOHN-3: Okay. And then the tapes that have
2 gone in are your sister's --
3 STEVE: Okay.
4 JOHN-3: -- Nese's --
5 STEVE: Right.
6 JOHN-3: -- Ursula Gehrmann's --
7 STEVE: Right.
8 JOHN-3: -- Ruth Mosher --
9 STEVE: Okay.
10 JOHN-3: -- and Galenda Ganem.
11 STEVE: Okay. Got it. Okay. So, these --
12 this other list, this real long list you gave me, are
13 people that called in? Did they all leave messages?
14 JOHN-3: Yeah. These are people that -- a
15 list of people who have called or written to date.
16 STEVE: Okay. Would you know -- I was told
17 by one -- yourself or one of you -- I can't remember.
18 It's so long ago, I mean, in time, the way it passes.
19 I was told that a, a -- an acquaintance of mine or a
20 friend of mine from the University of Hawaii called for
21 me. His name was David Sheidler.
22 JOHN-3: I remember that call --
23 STEVE: You do?
24 JOHN-3: -- Steve, but I'm, I'm not sure --
25 STEVE: Did you take -- or did you take the
call yourself?

1 JOHN-3: No, I didn't, but I remember it
2 being discussed.

3 STEVE: Uh-huh. Okay. Yeah, the reason I
4 was wondering, I was still trying to figure out, you
5 know, when I come out if there's a way -- did he leave
6 a phone number, if I could contact him of, of any way
7 or --

8 JOHN-3: We can work on it, Steve. You know,
9 you'll --

10 STEVE: All right.

11 JOHN-3: -- be able to call him anyhow.

12 STEVE: Really?

13 JOHN-3: You know that and I --

14 STEVE: Not if I --

15 JOHN-3: -- know that.

16 STEVE: -- not if I don't have a phone
17 number. I mean, I don't know -- I --

18 JOHN-3: We'll --

19 STEVE: -- can I --

20 JOHN-3: -- we'll get it for you.

21 STEVE: All right.

22 JOHN-3: All right?

23 STEVE: Okay.

24 JOHN-3: Steve, when Rita and Gladys come
25 out --

STEVE: I'm going to give you a call.

1 JOHN-3: Well, no. I just want to explain --
2 STEVE: Okay.
3 JOHN-3: -- this to you.
4 STEVE: All right.
5 JOHN-3: When they come out, drive to the end
6 of the driveway.
7 STEVE: Okay.
8 JOHN-3: Okay? And go straight across that
9 road out there.
10 STEVE: Okay.
11 JOHN-3: And just park right across the road.
12 STEVE: Like in -- like go across the road
13 into the, the property that's across the road. Is that
14 what you're saying?
15 JOHN-3: You got it.
16 STEVE: All right.
17 JOHN-3: On the left side as they're heading
18 up that way.
19 STEVE: Okay.
20 JOHN-3: Okay? So, they just --
21 STEVE: All right.
22 JOHN-3: -- drive up, go across the road, and
23 just park on the left. And they'll instruct them the
24 same way as we have before.
25 STEVE: Okay. Very good.
JOHN-3: All right. Now, it's got to be

1 | pretty quick, because we're going to call them in to,
2 | to --

3 | STEVE: Right. Yes.

4 | JOHN-3: Hold on one second.

5 | STEVE: Okay.

6 | JOHN-3: Hold on one --

7 | STEVE: All right.

8 | JOHN-3: -- second, Steve. I'm just getting
9 | a message here.

10 | STEVE: Okay.

11 | (Pause.)

12 | JOHN-3: Steve?

13 | STEVE: Yes.

14 | JOHN-3: What they just told me is have her
15 | drive to the normal pickup spot. Do you know where
16 | that is? I haven't been out there so --

17 | STEVE: I believe --

18 | JOHN-3: -- I don't know where it is.

19 | STEVE: -- I believe it's by -- I think
20 | they've been dropping things off inside the complex
21 | area -- I mean, inside the gate by a tree on the left,
22 | I think right up th-- in that area. So, they have --

23 | JOHN-3: Okay.

24 | STEVE: -- to drive right about there and
25 | stop maybe --

 JOHN-3: Yeah. And, and there will be a

1 | vehicle there. Okay?

2 | STEVE: Okay. Their vehicle already will be
3 | waiting.

4 | JOHN-3: Right.

5 | STEVE: Okay.

6 | JOHN-3: Okay?

7 | STEVE: And I, and I will call you right back
8 | when they're about ready to go out the door and get in
9 | the car then.

10 | JOHN-3: Because of this phone problem,
11 | Steve, you've got to --

12 | STEVE: Yeah.

13 | JOHN-3: -- call me right back. Okay?

14 | STEVE: I, I will.

15 | JOHN-3: Okey-doke.

16 | STEVE: Okay.

17 | JOHN-3: Bye.

18 | STEVE: Bye.

19 | *****

20 | JOHN-3: Hello?

21 | STEVE: Hello. John?

22 | JOHN-3: Yes, Steve?

23 | STEVE: Yeah, they're having -- I think
24 | they're going to -- I -- it's almost apparent now that
25 | she's not going to be able to use the car. I guess
 | there has been transmission damage from the -- you

1 | know, it being shoved around and I think that car is
2 | inoperable.

3 | JOHN-3: Steve, are -- is there any other car
4 | that she could drive out of there?

5 | STEVE: It, it -- you know, they're so shot-
6 | up full of bullet holes. They got flat tires. The one
7 | that they were using in the beginning, say back a
8 | couple weeks ago, that's one out of gas. Even it has,
9 | you know, the window, it, it's actually -- you know,
10 | it's got glass all over the seats. How about if they
11 | -- I guess, that they just walk out wherever that --
12 | you know, would be acceptable?

13 | JOHN-3: They both can walk all right --

14 | STEVE: Yeah.

15 | JOHN-3: -- Steve?

16 | STEVE: They can. They can.

17 | JOHN-3: Okay.

18 | STEVE: Even though the one's 67, she's
19 | healthy and, you know, they take walks. They used to
20 | take walks daily. So, yeah, they're okay.

21 | JOHN-3: Okay. Why don't we have them do the
22 | same thing. Are they ready to go out now?

23 | STEVE: Yeah. They're -- in fact, they're
24 | pretty near the door. I was still up here talking to a
25 | couple more people, so I didn't realize that they were
already apparently at the door. Maybe they were going

1 | to get something to drink, but other than that they are
2 | ready to come out and walk up to the gate or whatever
3 | they could do.

4 | JOHN-3: Okay. Can you just check on that?
5 | See if, if they're ready to go out the --

6 | STEVE: Okay.

7 | JOHN-3: -- door. Leave, leave us on the
8 | hook here together.

9 | STEVE: Okay. Hang on then and I'll -- and
10 | I'm still hoping that we can get the other phone going,
11 | because it's, it's closer to that door. So --

12 | JOHN-3: Okay.

13 | STEVE: Hang on a minute.

14 | JOHN-3: All right.

15 | (Pause.)

16 | UNIDENTIFIED FEMALE SPEAKER: Hello?

17 | JOHN-3: Hello.

18 | UNIDENTIFIED FEMALE SPEAKER: Hi. Steve has
19 | the phone working downstairs now. You can talk to him
20 | on that phone. Okay?

21 | JOHN-3: Okay. Now, is -- could you just ask
22 | him to call me from that phone?

23 | UNIDENTIFIED FEMALE SPEAKER: To call you?

24 | JOHN-3: Yeah.

25 | UNIDENTIFIED FEMALE SPEAKER: Okay.

 JOHN-3: Okay?

1 UNIDENTIFIED FEMALE SPEAKER: I'll, I'll hang
2 it up. Okay.

3 JOHN-3: Okey-doke.

4 UNIDENTIFIED FEMALE SPEAKER: Okay. Bye.

5 JOHN-3: Bye.

6 *****

7 STEVE: John?

8 JOHN-3: Yes, Steve?

9 STEVE: Yeah, I've got a new line here
10 apparently. The other one is -- for some unknown
11 reason, it's totally dead. He tried to check
12 everything on it, so we can't just pick up the phone
13 anymore. I just had to dial out. But it's okay. The
14 two women, they're ready to come out the door now.

15 JOHN-3: Okay. Same as, same as before,
16 Steve.

17 STEVE: Yeah.

18 JOHN-3: And --

19 STEVE: I'll keep -- are the -- so, the
20 Bradleys will come about halfway? Is that the idea or
21 --

22 JOHN-3: Yeah, the, the same way that Brad
23 and Kevin and --

24 STEVE: Okay.

25 JOHN-3: -- the others were. Okay?

STEVE: Okay. So, they'll come driving up.

1 As soon as they do, the two women will come walking
2 out.

3 JOHN-3: Yeah. That's --

4 STEVE: Okay.

5 JOHN-3: -- fine.

6 STEVE: Okay. They're ready.

7 JOHN-3: Okay. And Steve --

8 STEVE: Yeah?

9 JOHN-3: -- what'll -- I'll do is, as soon as
10 they're, they're in, in the Bradley and as soon as
11 they're okay --

12 STEVE: Okay.

13 JOHN-3: -- I'll give you a buzz right back.

14 STEVE: Thank you.

15 JOHN-3: And you -- what, what number?

16 STEVE: I don't know what the number is here.

17 JOHN-3: But I mean what phone?

18 STEVE: Oh, I think it's 5979 is what it used
19 to be. I don't know what it might be now.

20 JOHN-3: Yeah, but, I mean, whose phone are
21 you on?

22 STEVE: Wayne Martin's.

23 JOHN-3: Wayne's.

24 STEVE: Yeah.

25 JOHN-3: Okay.

STEVE: Okay.

1 JOHN-3: Good enough.
2 STEVE: Talk to you when you call.
3 JOHN-3: Okey-doke.
4 STEVE: Thank you.
5 JOHN-3: Bye.
6 STEVE: Bye-bye.
7 *****
8 JOHN-3: Hello?
9 STEVE: Hello, John?
10 JOHN-3: Yeah.
11 STEVE: Yeah. I just was told that -- to
12 make a correction here. I guess the number was 863-
13 5252, whatever line that would be now. I'm not sure.
14 JOHN-3: Okay. We'll figure it out, Steve.
15 STEVE: Okay. Thanks.
16 JOHN-3: But, but, listen, if you --
17 STEVE: Yeah.
18 JOHN-3: -- stand right by there, I'll, I'll
19 call you right back --
20 STEVE: All right.
21 JOHN-3: -- and we'll make sure it's working.
22 STEVE: Verify --
23 JOHN-3:- Hold on -- hold, hold on one second.
24 STEVE: Sure.
25 (Pause.)
UNIDENTIFIED MALE SPEAKER: -- out what his

1 number is.

2 JOHN-3: Steve?

3 STEVE: Yeah?

4 JOHN-3: Are you on Wayne's old phone or did
5 you bring another phone down -- cord down?

6 STEVE: Well, you mean the phone itself or
7 the line?

8 UNIDENTIFIED MALE SPEAKER: The line.

9 JOHN-3: The line.

10 STEVE: The line, it's -- see, there were
11 always two in here. One was called 5252. The other
12 was 5979.

13 JOHN-3: Okay.

14 STEVE: And, apparently, one of them for -- I
15 don't know. It went dead totally. And, so, what he
16 did is pull the other cord, stuck it into the phone,
17 and it's now working, but it doesn't dial directly --

18 JOHN-3: Yeah.

19 STEVE: -- when you pick it up anymore, I
20 guess.

21 JOHN-3: Okay. Steve, let me just make sure
22 I can ring you now --

23 STEVE: Okay. I'll be right --

24 JOHN-3: -- so that --

25 STEVE: -- by the phone right now.

JOHN-3: Stand right by the phone, okay?

1 STEVE: Okay.

2 JOHN-3: And then --

3 STEVE: I'll do so. And if I --

4 JOHN-3: And then --

5 STEVE: -- don't hear from you within a
6 minute, I'll call you back.

7 JOHN-3: Within two minutes call me back,
8 okay?

9 STEVE: Okay. Very good.

10 JOHN-3: All right.

11 *****

12 [Telephone dialed, then ringing.]

13 STEVE: Hello, John.

14 JOHN-3: Steve. Phone check.

15 STEVE: It works.

16 JOHN-3: All right. So, we got a -- we got
17 some communications. I'll call you. Send them out and
18 I'll call you as soon as they're, they're up the road.

19 STEVE: Okay. Sounds good.

20 JOHN-3: All right.

21 STEVE: Thank you.

22 JOHN-3: Bye.

23 STEVE: Bye-bye.

24 *****

25 JOHN-3: Hello?

STEVE: Hello. John?

1 JOHN-3: Yes, Steve?

2 STEVE: So, what's happening?

3 JOHN-3: Are they out yet?

4 STEVE: The women have been waiting, but
5 there's no vehicle.

6 UNIDENTIFIED MALE SPEAKER: Oh --

7 JOHN-3: No. Have them walk out there,
8 Steve, and then the vehicle is going to come up.

9 STEVE: Oh, okay. I thought you were --

10 JOHN-3: Okay.

11 STEVE: You said like the -- see, what
12 they've been doing is they've had the vehicle come
13 halfway and then they go out to them. That's why when
14 you said just like with Kevin and Brad, but so --

15 JOHN-3: Yeah.

16 STEVE: -- see, that's not like Kevin and
17 Brad.

18 JOHN-3: Yeah.

19 STEVE: Okay. So, you want them to what,
20 walk halfway out, then, and then the Bradley --

21 JOHN-3: Hold --

22 STEVE: -- will meet them?

23 JOHN-3: Hold on one second, Steve.

24 STEVE: All right.

25 JOHN-3: I'll get this confirmed and --

STEVE: All --

1 JOHN-3: -- then we'll start from here.
2 Okay?
3 STEVE: All right.
4 JOHN-3: Hang on.
5 (Pause.)
6 STEVE TO UNIDENTIFIED PERSON: That's the way
7 I see it also.
8 (Pause.)
9 JOHN-3: Steve?
10 STEVE: Yeah?
11 JOHN-3: Just have them walk out there and
12 the Bradley will meet them. Okay?
13 STEVE: Okay. So, just keep on walking until
14 the --
15 JOHN-3: Yeah.
16 STEVE: -- Bradley kind of -- okay. All
17 right. Yeah.
18 JOHN-3: Okay?
19 STEVE: Yeah.
20 JOHN-3: There won't be any problems. And
21 when I call you back, we'll get working on some others.
22 STEVE: Okay.
23 JOHN-3: All right?
24 STEVE: Talk to you then.
25 JOHN-3: Okay.
STEVE: Bye.

1 *****

2 [Telephone dialed, then ringing.]

3 [Gap.]

4 JOHN-3: Hello? Hello?

5 [Telephone dialed, then ringing.]

6 STEVE: Hello?

7 JOHN-3: Hello.

8 STEVE: Hello. Strange connection here.

9 JOHN-3: I know it, Steve. What went on?

10 Is, is that at your end?

11 STEVE: Could, could you hear me, when I was

12 saying hello, hello, hello?

13 JOHN-3: No, I couldn't.

14 STEVE: Oh, okay.

15 JOHN-3: Yeah. I didn't get anyth-- that's

16 why I hung up and dialed again, Steve.

17 STEVE: I see. Okay. So, they're apparently

18 down there now or --

19 JOHN-3: Yeah.

20 STEVE: Okay.

21 JOHN-3: They just called me. It went

22 smooth. No problem.

23 STEVE: Great.

24 JOHN-3: All right?

25 STEVE: That sounds good.

JOHN-3: Okay.

1 STEVE: I just wanted -- I was talking to
2 David. I don't know if you realize, but he was up all
3 through the entire night right in through the morning,
4 and the guy is totally wiped out. And what I'm doing
5 right now, I'm just going to get a bite to eat. I
6 haven't eaten yet today, and I only had one meal
7 yesterday. But, anyway, I'm going to be eating now and
8 I'm going to continue -- I just started talking with a
9 number of people, because, you know, they've got
10 interest now and we're, we're starting to get this
11 thing going.

12 JOHN-3: That's great --

13 STEVE: Yeah.

14 JOHN-3: -- Steve.

15 STEVE: And what it -- and if you can, so I
16 don't have to repeat it, if you can kind of remember if
17 you got to get briefed by John Cox -- you know, these
18 people are wanting to be confirmed in what they've
19 looked at. They've got still some pretty strong
20 questions. You know, not about the political arena or
21 anything of that nature. It's, you know, it's their
22 souls and how -- and looking at the Bible and God's
23 word and is, is it true, you know. We're, we're
24 repeating foundational beliefs and things of that
25 nature. So --

 JOHN-3: Okay. Steve?

1 STEVE: Yeah?

2 JOHN-3: Listen. I just want to be able --
3 if they come up with questions regarding the system out
4 here --

5 STEVE: Okay. I'll --

6 JOHN-3: You know.

7 STEVE: -- refer them to you. I'll tell --
8 what I'll do is -- how about me -- that I call and let
9 you talk to them. Would that help?

10 JOHN-3: That would be fine.

11 STEVE: Okay.

12 JOHN-3: I'll talk to any one of them.

13 STEVE: All right.

14 JOHN-3: And I'm not going to mislead them.
15 I just want to --

16 STEVE: Oh, right.

17 JOHN-3: -- you know, assure them that --

18 STEVE: If you have, too, any new messages or
19 anything like that, you let me know. You know, I'll
20 put, I'll put on anybody that, you know, that messages
21 or anything of that nature comes through for, you know.
22 Or if they have any questions, I'll call you and, and
23 stick them on the phone, which may be even today, you
24 know. Different ones are starting to talk to me again
25 and I'll just make a list and jot down a few things and
I'll tell them they can call you. They don't ev--

1 well, they always know they don't need me, of course,
2 but they, they get the feeling that, you know, I have
3 a, a rapport with you individuals. So.

4 JOHN-3: Yeah. Yeah. And you know, Steve,
5 I, I'm of the same opinion as, as John Dolan and John
6 Cox. They're both good friends of mine and we can work
7 this out today and it'll be a good day.

8 STEVE: Okay.

9 JOHN-3: All right? And we'll get some
10 people out and everybody will be happy. Okay? Are
11 other ready, ready to go now?

12 STEVE: Just one minute. No, there aren't.
13 In fact, I see David. He's laying down right now and,
14 and there's a few that want to talk to him still. So,
15 he has to open up a few things to them to answer some
16 of their questions. So, I just -- give it a little
17 rest now for just a few moments. I'm going to eat.
18 I'm going to be talking to them more so that they can
19 be prepared, and then he's going to be talking to them.
20 And it could be more. I don't even know who. I know
21 that right now he's not sleeping yet, but he himself
22 is, is talking to individuals even now.

23 JOHN-3: David is?

24 STEVE: Yeah.

25 JOHN-3: Oh, okay.

STEVE: So, he --

1 JOHN-3: That's good.

2 STEVE: -- so he -- so, he hasn't had any --
3 remember, he hasn't been to sleep now for -- and, and,
4 you know, in his condition --

5 JOHN-3: I know you're working on it, Steve,
6 and --

7 STEVE: I'll tell you the truth --

8 JOHN-3: -- and we're going to --

9 STEVE: -- I'm worn out. I mean, I went to
10 bed like -- if, if you heard John, he -- the poor guy
11 was up for quite a long time with us, and I finally
12 went to bed. It was near 5:00.

13 JOHN-3: Okay.

14 STEVE: Okay. Just one second, John. I, I
15 -- someone's asking me a question, so I'll, I'll --
16 hang on the line just a minute here.

17 JOHN-3: All righty.

18 (Pause.)

19 STEVE: John?

20 JOHN-3: Yo.

21 STEVE: Yeah, there's, there's a major
22 request here, and that's the men -- see, we're -- as a
23 body -- as people that believe in the Bible, we're,
24 we're -- believe it or not, contrary to rumors and all
25 that, we're extremely modest, even when it comes to
dress and all the rest. And we're concerned because we

1 observed, as when the women Rita and Gladys, because
2 it's daytime, went out there, that they were frisked
3 over.

4 JOHN-3: Uh-huh.

5 STEVE: Do you have FB-- female FBI agents
6 that could --

7 JOHN-3: That's correct. We do.

8 STEVE: You do have?

9 JOHN-3: Yeah.

10 STEVE: Because any -- from -- in the future,
11 if we send out women, could they --

12 JOHN-3: Yeah.

13 STEVE: -- take care of that?

14 JOHN-3: Steve?

15 STEVE: Yes.

16 JOHN-3: They're -- women are searched by a
17 female agent. Okay?

18 STEVE: Okay. So, then -- but we saw --

19 JOHN-3: That -- but -- you know what, in
20 that stuff that they have on, you couldn't tell and I
21 couldn't tell. I'll tell you that.

22 STEVE: Right. But, no, we noticed a man,
23 though, a, a male --

24 JOHN-3: Yeah.

25 STEVE: -- that was going over both of the
females out front, so that's what our concern is. If

1 | you have a --

2 | JOHN-3: Yeah.

3 | STEVE: -- a female FBI agent that could do

4 | that?

5 | JOHN-3: Yep. There's, there's one out

6 | there.

7 | STEVE: Okay. Good.

8 | JOHN-3: Okay?

9 | STEVE: Thank you.

10 | JOHN-3: All right --

11 | STEVE: And I'll be --

12 | JOHN-3: -- Steve.

13 | STEVE: -- talking to you in awhile.

14 | JOHN-3: Listen, we'll get going in about an

15 | hour maybe?

16 | STEVE: Hopefully. But, you know, it -- I

17 | don't know for sure. But, you know, let me -- because

18 | I'm going to be talking, you know. I'm, I'm already

19 | tired and hoarse, but I'm not going to quit.

20 | JOHN-3: All right. You keep working. I'll

21 | keep --

22 | STEVE: I have.

23 | JOHN-3: -- working.

24 | STEVE: I am.

25 | JOHN-3: All right?

 STEVE: Okay. I'll --

1 JOHN-3: We'll get it going.
2 STEVE: -- talk to you in awhile. Okay.
3 Bye.
4 JOHN-3: Bye.

TAPE #150

3/21/93
11:37 A.M. - 3:57 P.M.

1 (Tape 150)

2 JOHN-3: Hello?

3 STEVE: Hello. John?

4 JOHN-3: Yes, Steve?

5 STEVE: Yeah. Could you do me a favor?

6 Right now David, he hasn't gone to sleep yet, and he's
7 trying to talk to a few more people to move them out
8 yet today. In fact, we're, we're planning on doing
9 that as soon as possible.

10 JOHN-3: That's great, Steve.

11 STEVE: And, well, the problem is, though,
12 he's, he's trying to talk to them and he, he's being
13 drowned out by the tape that's being played over the
14 speaker. Is it possible you could have it turned down
15 a little bit?

16 JOHN-3: We'll send somebody to, to see what
17 they have -- hold on just one second.

18 STEVE: Okay. Sure.

19 JOHN-3: All right?

20 STEVE: Yeah.

21 JOHN-3: Hang on.

22 (Pause.)

23 JOHN-3: Steve?

24 STEVE: Yes?

25 JOHN-3: That's -- we're going to check on
that, but they just wanted to know what numbers we're

1 | talking, and I --

2 | STEVE: Well, I know right now he's got -- I
3 | just walked in by his -- you know, he's in a real small
4 | room. He's always laying in bed, because that one day
5 | that he got up to talk to Byron --

6 | JOHN-3: Yeah.

7 | STEVE: -- he started bleeding again, so he's
8 | not been up since then.

9 | JOHN-3: Okay.

10 | STEVE: But he's laying in a, in a small room
11 | and he's got three people in there. So, I know at
12 | least two are coming out, and, and probably three. And
13 | he's trying to get as many as he can there. It's
14 | difficult for him. But that's who he's working with
15 | right now.

16 | JOHN-3: Yeah. I understand you're working
17 | hard in there, Steve. The boss wanted to know though.

18 | STEVE: Yeah.

19 | JOHN-3: Okay?

20 | STEVE: Okay. I'll keep -- I'll try to keep
21 | you posted as much as possible. In fact, let me give
22 | you some even names, and I'll, I'll get back to try and
23 | get more information on them, because I -- remember
24 | now, I don't -- I know, you know, the faces --

25 | JOHN-3: Okay.

 STEVE: -- and a lot of times first names,

1 but --

2 JOHN-3: Okay. Give us what you think and
3 then --

4 STEVE: Okay.

5 JOHN-3: -- we'll go on from there.

6 STEVE: Ophelia, Ophelia.

7 STEVE TO UNIDENTIFIED PERSON: What's her
8 last name?

9 UNIDENTIFIED PERSON TO STEVE: Santoyo.

10 STEVE: Santoyo.

11 JOHN-3: Okay.

12 STEVE: Ophelia Santoyo. And then there is
13 James Lawter. James Lawter is --

14 STEVE TO UNIDENTIFIED PERSON: How old would
15 James be?

16 UNIDENTIFIED PERSON TO STEVE: (Not
17 discernible).

18 STEVE: Mid-60s, anyway. But I'll find out.

19 STEVE TO UNIDENTIFIED PERSON: And she,
20 Ophelia, how old would she be, in her 50s, six--

21 UNIDENTIFIED PERSON TO STEVE: (Not
22 discernible).

23 STEVE: About mid-50s, I would guess.

24 JOHN-3: Okay.

25 STEVE: And, and there's a possibility of
another person. I'm not sure, but I saw her sitting

1 and I just haven't talked to her myself, but David must
2 have -- or she might have come in on her own. Her name
3 is -- well, what's -- oh, Sheila Martin.

4 JOHN-3: Okay.

5 STEVE: But I'm not certain now. You know,
6 but I'm giving that name anyway, but I'll let you know
7 for a fact about her. But the other two I'm sure
8 about.

9 JOHN-3: Approximate age on Sheila?

10 STEVE: Ah -- boy, let's see. I would guess,
11 I would guess about 40 -- late 30s or about 40,
12 somewhere in there.

13 JOHN-3: Okay. How do you spell Lawter's
14 last name, Steve?

15 STEVE TO UNIDENTIFIED PERSON: How do you
16 spell Lawter's last name?

17 UNIDENTIFIED PERSON TO STEVE: (Not
18 discernible).

19 STEVE TO UNIDENTIFIED PERSON: L-A-W-T-E-R?
20 Okay.

21 STEVE: Lawter, I guess, is the --

22 JOHN-3: Okay. Because you sounded like L-A-
23 U-D-E-R.

24 STEVE: I, I -- tell you the truth, I always
25 thought it was.

JOHN-3: Okay.

1 STEVE: Just like you, I thought that's what
2 the spelling was.

3 JOHN-3: Okey-doke. Anybody else that --

4 STEVE: At the moment, I know that, you know,
5 like myself, I'm talking to quite a few people here,
6 and then I'm trying to encourage them to get over to
7 David. And, so, you know, it's quite a process.

8 JOHN-3: Yeah.

9 STEVE: And if the room was larger, if he
10 could speak a little louder -- but he's, he's tired and
11 hoarse. But, you know, he's trying to talk to as many
12 as he can handle here. Because they've got questions
13 always and, you know, the same old thing there.

14 JOHN-3: Okay. Hold on one second.

15 STEVE: Yeah.

16 (Pause.)

17 JOHN-3: Steve?

18 STEVE: Yes?

19 JOHN-3: I ain't pushing you, you know that.
20 But I do --

21 STEVE: Oh, okay.

22 JOHN-3: And I appreciate everything you're
23 doing in there. But what I want to do is, if you could
24 just tell me, does it look like any more today might --

25 STEVE: I --

 JOHN-3: -- be coming out?

1 STEVE: In honesty, I don't know. I --
2 because, you know, I'm always concerned -- I wished he
3 had a lot more energy, because, you know, I mean, I
4 wish he could handle more people. I -- what I'm doing
5 is talking to people all over the place. And some are
6 choosy. You know, they all, a lot of them want to talk
7 to him, they've got questions about the Bible still,
8 and, you know, things of --

9 JOHN-3: Yeah.

10 STEVE: -- that nature. You've got to
11 remember, a lot of those that came here, if not the
12 majority, came to learn the Bible, and also now that's
13 been disrupted a number of weeks ago.

14 JOHN-3: Yeah.

15 STEVE: And all the more so now, they're
16 concerned because they never have another chance or
17 whatever. But, you know, so that's, that's what kind
18 of causing it to be slower than maybe a person -- even
19 myself. You know, I'd like to see it done and all the
20 rest.

21 JOHN-3: Yeah.

22 STEVE: So, I'll just keep right on talking
23 and talking and talking.

24 JOHN-3: Okay, Steve. Listen. You know, if,
25 if --

 STEVE: If I know anything, though, I'll, you

1 | know, leave you a note as, as quickly as possible.

2 | JOHN-3: Yeah. Here's the thing, Steve. If
3 | you can give me an approximate time when those people
4 | will be out, and then they said that they would check
5 | on the speakers and --

6 | STEVE: Well, let, let me get back --

7 | JOHN-3: -- and then we'll be all set.

8 | STEVE: Well, let me get back on you on that,
9 | because I, you know, just myself got -- the two of
10 | them, they're going to his room to talk with him.

11 | JOHN-3: Yes.

12 | STEVE: Then there was a third in there.
13 | See, I didn't know about her.

14 | JOHN-3: Yeah.

15 | STEVE: So, that's why I still don't know,
16 | that they're just in there now talking. So, I, I don't
17 | have a time yet. But as soon as I know anything, and I
18 | don't think it will be too long, but as soon as I know
19 | anything, I'll let you -- I'll come right back to the
20 | phone and let you know.

21 | JOHN-3: Yeah. Steve, how, how -- le-- you
22 | know, the -- they -- if we can give them some
23 | significant number, you know, that they'll turn the
24 | speakers off and then we'll be able to --

25 | STEVE: Oh, no. I mean --

 JOHN-3: -- get going --

1 STEVE: -- it's that -- no, it's just -- no.
2 Understand, this has nothing to do with bargaining,
3 negotiations.

4 JOHN-3: No. I, I realize that.

5 STEVE: We're, we're doing it anyway.

6 JOHN-3: I realize that.

7 STEVE: It's just that -- let me just tell
8 you this. It'll just -- once -- because the speakers
9 are so loud, they can't hear him talk. He's competing
10 against the speaker.

11 JOHN-3: Yeah. I got --

12 STEVE: So, what's going to happen is it'll
13 just take longer for them to come out --

14 JOHN-3: Yeah.

15 STEVE: -- for him to be heard. That's --
16 so, it's up to you what you want to do. If you want to
17 -- I mean, if you want to leave it on loud, it's just
18 that it'll --

19 JOHN-3: No. Listen. This isn't coming from
20 me. Don't shoot the messenger.

21 STEVE: No, no, no.

22 JOHN-3: Okay?

23 STEVE: I just wanted to -- you know. I
24 mean, I -- you know, it has nothing to do with my
25 feelings or --

 JOHN-3: Yeah.

1 STEVE: -- you know, I'm just telling you,
2 you know, is --

3 JOHN-3: Because we're going to -- we're,
4 we're going to keep working with you, Steve.

5 STEVE: Exactly. Exactly, John.

6 JOHN-3: You know that. Okay.

7 STEVE: I'm just trying to let you know what
8 his problem is. You know, he just said to me let them
9 know I'm having a real hard time. It's hard to talk
10 because I'm being drowned out.

11 JOHN-3: Yeah.

12 STEVE: So, I just says okay, I'll let, I'll
13 let them know, and, and I, I, I was in there myself. I
14 realized it was a problem. It's real -- it's a very --
15 you know, it draws the attention away. And we don't --
16 you know, you can play it -- like we said, we don't
17 mind what tapes are played anyway. It's --

18 JOHN-3: Yeah.

19 STEVE: -- never bothered us for that.

20 JOHN-3: Okay. Yeah. That --

21 STEVE: Other, other --

22 JOHN-3: -- that's not the issue.

23 STEVE: -- other than that, John, I wouldn't
24 even mind hearing your voice on a tape. I mean, if we
25 didn't have to hear the same one with Byron over and
over. Nothing against Byron --

1 JOHN-3: We'll --

2 STEVE: -- but --

3 JOHN-3: We'll, we'll be talking all day
4 today, Steve. All right?

5 STEVE: Okay. Okay.

6 JOHN-3: Okay. But how, how long do you want
7 the speakers off so that he can talk to them? That's
8 what --

9 STEVE: Well, you don't even --

10 JOHN-3: -- they're asking me.

11 STEVE: -- have to have them off, if you
12 want. Just so they're turn, turned -- I mean, because
13 people can still hear, hear them, even if they're
14 turned down. It's just that they're so loud that he
15 can't really communicate too well.

16 JOHN-3: Okay.

17 STEVE: That, that's all. If you have the
18 ability to turn the volume down, that would be fine
19 even.

20 JOHN-3: Okay.

21 STEVE: Or, or if you want to turn them off
22 for just a couple hours. I think what he's going to do
23 is just continue to talk to people.

24 JOHN-3: Okay.

25 STEVE: So, the more he talks to people, the
more that are going to be coming out. That's really

1 | what's been happening.

2 | JOHN-3: And, Steve, again, if anybody has
3 | any questions or anything that -- any fears that we can
4 | allay --

5 | STEVE: Okay.

6 | JOHN-3: -- you'll let me know and you'll --

7 | STEVE: I will.

8 | JOHN-3: -- put them on with me?

9 | STEVE: Sure.

10 | JOHN-3: All right.

11 | STEVE: I will. Sure. I, I posted a number
12 | of things even on the wall already and had told them
13 | that -- you know, gave the message out that those --
14 | those that have contacted, left messages, I put all
15 | those names where they could see it. So, you know --

16 | JOHN-3: Okay.

17 | STEVE: -- I told them that they always have
18 | that opportunity, of course.

19 | JOHN-3: Okay. Maybe we can get --

20 | STEVE: Okay.

21 | JOHN-3: -- something significant going and
22 | we'll, we'll keep on working on it.

23 | STEVE: That's what we're working on.

24 | JOHN-3: All right.

25 | STEVE: I'll, I'll be getting back with you
as soon as I know more.

1 JOHN-3: All right, Steve.
2 STEVE: Okay.
3 JOHN-3: Bye.
4 STEVE: Talk to you later. Bye.
5 JOHN-3: Bye.
6 *****
7 [Telephone dialed, then busy signal.]
8 UNIDENTIFIED MALE SPEAKER 1: Busy?
9 UNIDENTIFIED MALE SPEAKER 2: Busy.
10 [Telephone dialed, then busy signal.]
11 [Telephone dialed, then busy signal.]
12 [Telephone dialed, then busy signal.]
13 [Telephone dialed, then busy signal.]
14 [Telephone dialed, then busy signal.]
15 UNIDENTIFIED MALE SPEAKER: You got -- he's
16 got --
17 [Telephone dialed, then busy signal.]
18 [Telephone dialed, then busy signal.]
19 [Telephone dialed, phone company recording.]
20 [Telephone dialed, then ringing.]
21 UNIDENTIFIED MALE SPEAKER: Is it working?
22 JOHN-3: Hello? Hello?
23 STEVE: Hello?
24 JOHN-3: Hello.
25 STEVE: Oh, it's -- what -- it's strange.
I'm -- here I'm trying to call out and I -- all of a

1 sudden I hear my name on the loudspeaker.

2 JOHN-3: We must be picking the phone up at
3 the same time or something, Steve.

4 STEVE: That's what it could be.

5 JOHN-3: I tried a few times --

6 STEVE: I can't hear you too well, John,
7 though. So -- I don't know why, but it's, it's the
8 worst connection I've had.

9 JOHN-3: Yeah. Same here.

10 STEVE: Well, you can't hear me either too
11 well?

12 JOHN-3: No. Hold on one second.

13 STEVE: All right.

14 JOHN-3: Is that better?

15 STEVE: Yes.

16 JOHN-3: Okay.

17 STEVE: It's a little better. Still not like
18 we had before, but I, I've got a confirmation of the
19 three names that I gave you, are so, and they're going
20 to be coming out in minutes.

21 JOHN-3: Okay.

22 STEVE: And let me go through the names
23 again. There, there was, of course, you've got them,
24 James Lawter, and he's 70 years old.

25 JOHN-3: Okay.

STEVE: And there's Ophelia Santoy-- San--

1 | what, what do we have? Santoyo. And she is 62.

2 | JOHN-3: Okay.

3 | STEVE: And then there's Sheila Martin, who
4 | just turned 46.

5 | JOHN-3: Okay. And they'll be coming out in
6 | minutes, Steve?

7 | STEVE: They'll be coming out in minutes.

8 | JOHN-3: Okay.

9 | STEVE: In fact, now David's talking to all
10 | three of them and they're getting their things
11 | together. And I'll call you just about when they're
12 | ready to come to the door -- or when you -- you know,
13 | when we start getting the Bradley back in this area, or
14 | whatever.

15 | JOHN-3: Okay. And I just --

16 | STEVE: And, by the way, David had a --
17 | another request -- or another statement. You know,
18 | they played that Paul Harvey bit about the nebula. The
19 | truth of the matter is David never did hear it on the
20 | radio himself directly. He had told me before anything
21 | came out in the news, this is the truth, he had told me
22 | about a star -- and he didn't tell me, though, about
23 | what it was shaped like or anything, but he told, told
24 | me of a star coming through the Milky Way. And the
25 | night I brought it up to John Cox, I think it must have
 | been at least a week ago Friday, it was John that then

1 told me about the Houston Chronicle, about an article
2 in there that he had noticed or was aware of. Well,
3 that -- I was quite surprised, because of what David
4 already had told me himself. But he had not heard it
5 on the radio. So, he just wanted to make sure that
6 Byron or whoever else was mentioning -- giving the
7 information, that's actually the way it came.

8 JOHN-3: Okay. Steve, I--

9 STEVE: --

10 JOHN-3: Huh?

11 STEVE: You have a, you have a question or
12 something?

13 JOHN-3: No. I just, I just wanted to
14 mention. I just tried to call you a few times --

15 STEVE: Okay.

16 JOHN-3: -- to ask about the speakers, and I
17 got a busy signal. So, I don't know if it was off hook
18 or --

19 STEVE: I think maybe I was on, trying to get
20 a hold of you, because I've been dialing for about the
21 last five minutes maybe?

22 JOHN-3: Huh.

23 STEVE: It's the weirdest thing. I picked it
24 --

25 JOHN-3: Well --

STEVE: -- up and it was kind of like dead.

1 I put it back down. It seemed to ring, and then I
2 heard some clicking. But then it went, it went back to
3 the --

4 JOHN-3: Yeah.

5 STEVE: -- dial tone.

6 JOHN-3: Well, like I say, if you don't hear
7 from me for -- you know, in a -- every few minutes --

8 STEVE: I think -- I've got the other phone
9 also, John. So, I can always go down there, because
10 that one is working too.

11 JOHN-3: Okay. And -- what, are the speakers
12 down? I asked them if they would do that.

13 STEVE: Yes. They, they weren't down until
14 Byron's voice came back on. Then it was quite loud
15 again. But, you know, he was actually almost over
16 talking with them anyhow.

17 JOHN-3: Okay.

18 STEVE: But, but it did help. You know, I
19 mean, see how much quicker it can go when, you know,
20 you can communicate. It does help.

21 JOHN-3: We'll keep working on it.

22 STEVE: Okay.

23 JOHN-3: All right, Steve.

24 STEVE: Okay. I'll be calling you right back
25 here in just minutes even.

JOHN-3: Okey-doke.

1 STEVE: Okay. And I'm, I'm -- but I tell you
2 what, I'm keeping on talking myself around here. So.

3 JOHN-3: Yeah.

4 STEVE: Okay. I'll be at it. I'll talk to
5 you momentarily.

6 JOHN-3: All right.

7 STEVE: Okay. Bye.

8 JOHN-3: Bye.

9 *****

10 JOHN-3: Hello?

11 STEVE: Hello. John?

12 JOHN-3: Yes, Steve?

13 STEVE: Yeah. They're about -- get --
14 they're getting ready now. They're going to be coming
15 out the door. One major request from Sheila Martin.

16 JOHN-3: Okay.

17 STEVE: She's got three children on the
18 outside. There's Daniel -- little Daniel. I think
19 he's my -- like six years old. He's -- there's Kimmy.
20 I think she's four. And then there's also Jamie. She
21 wants to know what happened to him, where he might be.
22 Jamie's the one that ha-- is handicapped.

23 JOHN-3: Okay.

24 STEVE: And she wants to have it clear --
25 she'd like to at least see them when she comes out. Is
there any problems with that?

1 JOHN-3: I'll do everything I can.
2 STEVE: Okay.
3 JOHN-3: Okay?
4 STEVE: Can you let, can you let me know
5 ahead of time?
6 JOHN-3: It -- hold on just one second.
7 STEVE: Okay. Thank you.
8 JOHN-3: All right?
9 STEVE: Yeah. Because that --
10 JOHN-3: Go ahead, Steve.
11 STEVE: Okay. So, what --
12 JOHN-3: Yeah.
13 STEVE: Are your checking --
14 JOHN-3: Listen --
15 STEVE: Okay.
16 JOHN-3: -- we're going to call Child
17 Protective Services and we will arrange that. Okay?
18 STEVE: That will be done then?
19 JOHN-3: Yep.
20 STEVE: Okay. And, then, maybe you could
21 have her call back after she has seen the children and
22 Wayne Martin can speak with you or, or -- I mean her.
23 JOHN-3: Speak with her?
24 STEVE: Yeah, just to make sure she's there
25 and that the children are okay.
JOHN-3: I don't see a problem.

1 STEVE: Okay. Real good, John.

2 JOHN-3: Hey --

3 STEVE: Yeah?

4 JOHN-3: -- Steve?

5 STEVE: Yeah?

6 JOHN-3: Listen, we got a lot of people here
7 running around, but I just wanted to mention to you one
8 thing.

9 STEVE: All right.

10 JOHN-3: When they come out, -- the Bradley
11 is there right now. Okay?

12 STEVE: Okay.

13 JOHN-3: And when they --

14 STEVE: You mean they're right in the bend of
15 our road maybe or --

16 JOHN-3: Well, just have them do -- the word
17 I'm getting is have them do the same thing that the two
18 did just awhile ago. Okay?

19 STEVE: Okay. Just kind of like walk out
20 there and the Bradley will probably come forward maybe
21 or --

22 JOHN-3: You got it.

23 STEVE: All right.

24 JOHN-3: You got it. Okay?

25 STEVE: Okay. Sure.

JOHN-3: And there's, there's a --

1 STEVE: So, they're actually ready their--
2 themselves.

3 JOHN-3: One thing, are there any medical
4 difficulties with these people, any medical problems?

5 STEVE: James is -- let's see. He's 70.
6 He's missing one eye. He doesn't have the best
7 eyesight. He seems -- they all seem to be healthy.
8 They're all okay. I don't believe there's any medical
9 problems that --

10 JOHN-3: But they can all walk --

11 STEVE: Yeah.

12 JOHN-3: -- unassisted --

13 STEVE: They -- yeah --

14 JOHN-3: -- and everything?

15 STEVE: Right.

16 JOHN-3: Okay.

17 STEVE: The bad thing is, you know, is these
18 Bradleys are, morning, noon, and night, even in the
19 nighttime, since it's rained they're running around
20 here. It's so tore up and full of mud --

21 JOHN-3: Yeah.

22 STEVE: -- that the people are having
23 difficulty --

24 JOHN-3: With the footing?

25 STEVE: Ye-- exactly.

 JOHN-3: Yeah. Okay.

1 STEVE: It, it's extremely muddy. So, even
2 with their footwear and all the rest, so these -- the
3 guys inside the Bradleys are always telling them well,
4 come on through here and so forth. I mean, they mean
5 well, but, you know, they, they got to take a little --

6 JOHN-3: Yeah.

7 STEVE: -- time getting out there.

8 JOHN-3: Yeah. Okay.

9 STEVE: It, it is really bad footing.

10 JOHN-3: Okay, Steve.

11 STEVE: Okay. I'll, I'll, I'll, I'll be
12 sending them out in --

13 JOHN-3: Let me ask you, will they be --

14 STEVE: Yeah.

15 JOHN-3: -- carrying -- they're going to
16 carry some belongings with them or --

17 STEVE: I think most --

18 JOHN-3: -- their Bibles?

19 STEVE: -- of them have been told by David --
20 he's not into -- he says that they'll take care of them
21 when they get there.

22 JOHN-3: Yeah.

23 STEVE: So, he's trying to encourage a lot of
24 them --

25 JOHN-3: Okay.

 STEVE: -- don't take --

1 JOHN-3: And, like I say, if they need any
2 assurances on, on treatment and things like that, we'll
3 be all set, and I'll, I'll make those assurances to
4 them. But if they're ready to go -- let's see. Go to
5 the Bradley. That's what I got.

6 STEVE: Okay.

7 JOHN-3: Go right --

8 STEVE: Okay.

9 JOHN-3: -- to the Bradley.

10 STEVE: Will do that.

11 JOHN-3: Same as before.

12 STEVE: But --

13 JOHN-3: Okay?

14 STEVE: -- at this time there's going to be a
15 woman agent to frisk Sheila and Ophelia then, right?

16 JOHN-3: Hold on --

17 STEVE: All right.

18 JOHN-3: -- one second.

19 (Pause.)

20 JOHN-3: Women officers will do the search is
21 what I'm told.

22 STEVE: Okay. So, just --

23 JOHN-3: All right?

24 STEVE: -- so it'll be -- in the past, you
25 know, like the first step when they get into the
Bradley, it's been men doing that.

1 JOHN-3: Yeah. Okay.

2 STEVE: So --

3 JOHN-3: Well, yeah -- Steve --

4 STEVE: Yeah?

5 JOHN-3: That is just a pat-down just to make
6 sure that they have no weapons.

7 STEVE: Okay. So, they're not going to --

8 JOHN-3: It's -- procedure.

9 STEVE: -- touch -- they won't be touch--

10 JOHN-3: No. No.

11 STEVE: Well, see, the whole thing is -- you
12 know, I mean, it, it -- the -- really, their, --
13 they're concerned about having men touching the women
14 anyway in the first place.

15 JOHN-3: Yeah. I understand that.

16 STEVE: So, if you -- I mean, after this, you
17 know, if any more women come out, if you can have an
18 FBI agent in the tank for even doing that --

19 JOHN-3: Well, I -- hold on one second.

20 STEVE: I mean, that, that'll be a major
21 problem. It will be.

22 JOHN-3: Yeah. Okay.

23 STEVE: It will slow things down immensely.

24 JOHN-3: Hold on one second.

25 (Pause.)

JOHN-3: Steve?

1 STEVE: Yeah.

2 JOHN-3: We'll work on that and we'll --

3 just, just have them come out, though. Okay?

4 STEVE: We'll do that.

5 JOHN-3: Okay.

6 STEVE: Okay.

7 JOHN-3: And, and we'll try to arrange that

8 other thing for -- Sheila?

9 STEVE: Okay.

10 JOHN-3: All right?

11 STEVE: Okay.

12 JOHN-3: Now, listen --

13 STEVE: I'm counting on you. Yes?

14 JOHN-3: -- when, when they're all set there,

15 I will give you a call back in there.

16 STEVE: Thank you.

17 JOHN-3: All right?

18 STEVE: Okay.

19 JOHN-3: Bye-bye.

20 STEVE: Bye.

21 *****

22 [Telephone dialed, then ringing.]

23 SHERRY: Hello?

24 JOHN-3: Hello. Who is this?

25 SHERRY: This is Sherry.

JOHN-3: Sherry.

1 SHERRY: Um-hum.
2 JOHN-3: This is John, John Hylar.
3 SHERRY: Who?
4 JOHN-3: John Hylar.
5 SHERRY: Oh. John-3?
6 JOHN-3: Right. How are you?
7 SHERRY: Yeah. Fine.
8 JOHN-3: Sherry, is Steve there?
9 SHERRY: Yeah. He's running right now.
10 JOHN-3: Okay.
11 STEVE: John-3?
12 JOHN-3: Yes.
13 STEVE: What's up?
14 JOHN-3: Steve --
15 STEVE: Yes?
16 JOHN-3: We've arranged to have a -- we don't
17 have a lot of women SWAT team members. I want you to
18 appreciate that.
19 STEVE: Okay.
20 JOHN-3: We've arranged, you know, in
21 response to your concern --
22 STEVE: Okay.
23 JOHN-3: -- arranged to have one come in the
24 Bradley. Okay?
25 STEVE: Great.
JOHN-3: Okay. And she's going to do the,

1 the pat-down.

2 STEVE: Great.

3 JOHN-3: All right? And then there --

4 STEVE: Super.

5 JOHN-3: And then there are other female
6 officers that will conduct a search, so there won't be
7 any men.

8 STEVE: Super.

9 JOHN-3: Okay?

10 STEVE: I appreciate -- I mean, that's part
11 of our whole belief system and I really -- you know, I
12 appreciate your respect for that.

13 JOHN-3: Now, listen, Steve.

14 STEVE: Okay.

15 JOHN-3: I want you to know that she's got
16 short hair and she's dressed like those other ones, but
17 she is --

18 STEVE: Okay.

19 JOHN-3: -- a woman. Okay? We don't have
20 any pink --

21 STEVE: John, that --

22 JOHN-3: -- helmets for them.

23 STEVE: Okay.

24 JOHN-3: All right?

25 STEVE: Right. All right.

JOHN-3: Okay.

1 STEVE: That, that's all right.

2 JOHN-3: And the second question that --

3 STEVE: Yeah.

4 JOHN-3: -- you had about -- is it Sherry's?

5 STEVE: Sherry?

6 JOHN-3: Or Sheila's.

7 STEVE: Sheila, yes.

8 JOHN-3: Yeah. It's being arranged for the

9 children to be taken to the sheriff's place to meet

10 with her.

11 STEVE: Say, that's -- Sheila will appreciate

12 that immensely.

13 JOHN-3: And then she can call back. Okay?

14 STEVE: Okay. Very good.

15 JOHN-3: All right. So, we're on a roll

16 here. Let's keep --

17 STEVE: Good.

18 JOHN-3: -- it going.

19 STEVE: They're, they're, they're going to be

20 coming out the door pretty quick. I think they're all

21 about finished up here now.

22 JOHN-3: All right.

23 STEVE: So, we will be getting them out the

24 door.

25 JOHN-3: And, listen --

STEVE: Yeah?

1 JOHN-3: Get them ready and, you know --

2 STEVE: Just getting them walking down there.

3 JOHN-3: Yeah. And then when we've got them,
4 we will call you back. Okay?

5 STEVE: Super.

6 JOHN-3: Okay?

7 STEVE: Okay, John.

8 JOHN-3: All right.

9 STEVE: Talk to you a little later.

10 JOHN-3: Right.

11 STEVE: Bye.

12 JOHN-3: Bye.

13 *****

14 [Telephone dialed, busy signal.]

15 [Telephone dialed, busy signal.]

16 [Telephone dialed, busy signal.]

17 [Telephone dialed, busy signal.]

18 [Telephone dialed, busy signal.]

19 [Telephone dialed, busy signal.]

20 [Telephone dialed, then ringing.]

21 UNIDENTIFIED FEMALE SPEAKER: Hello?

22 JOHN-3: Hello.

23 UNIDENTIFIED FEMALE SPEAKER: Hi.

24 JOHN-3: This is Sherry? Sheila?

25 UNIDENTIFIED FEMALE SPEAKER: No.

JOHN-3: Sherry?

1 UNIDENTIFIED FEMALE SPEAKER: No.
2 JOHN-3: Oh. Is Steve there?
3 UNIDENTIFIED FEMALE SPEAKER: Just a minute.
4 [Dial tone.]
5 JOHN-3: Hello?
6 UNIDENTIFIED FEMALE SPEAKER: Got
7 disconnected there.
8 JOHN-3: I know. Did you hang up on me?
9 UNIDENTIFIED FEMALE SPEAKER: No, I -- we
10 have a hold button here and I put it on hold and it
11 didn't take, for some reason.
12 JOHN-3: Okay.
13 UNIDENTIFIED FEMALE SPEAKER: Sorry.
14 JOHN-3: That's all right.
15 UNIDENTIFIED FEMALE SPEAKER: Just a minute.
16 (Pause.)
17 UNIDENTIFIED FEMALE SPEAKER: Hello?
18 JOHN-3: Hello.
19 UNIDENTIFIED FEMALE SPEAKER: Is this John?
20 JOHN-3: Yes.
21 UNIDENTIFIED FEMALE SPEAKER: He said that
22 he's talking with people and he's trying to get things
23 moving. If he comes to the phone, it's just going to
24 take all that much longer.
25 JOHN-3: Okay. Can you tell me if Sheila and
James and Ophelia have left yet?

1 UNIDENTIFIED FEMALE SPEAKER: I just saw
2 Sheila standing outside the front of the door. She was
3 speaking with her husband before she left.

4 JOHN-3: Okay. But they're, they're ready to
5 leave right now?

6 UNIDENTIFIED FEMALE SPEAKER: Yeah. She's at
7 the door and he's just -- they were just --

8 JOHN-3: Okay.

9 UNIDENTIFIED FEMALE SPEAKER: -- talking then
10 for a minute.

11 JOHN-3: If -- you know, just for
12 information, if you can get the word to them before
13 they walk down the road, the female SWAT member is in
14 the second Bradley.

15 UNIDENTIFIED FEMALE SPEAKER: Uh-huh.

16 JOHN-3: Okay?

17 UNIDENTIFIED FEMALE SPEAKER: Okay.

18 JOHN-3: SWAT agent.

19 UNIDENTIFIED FEMALE SPEAKER: So, they're
20 supposed to go to the second Bradley? Is that what
21 you're saying?

22 JOHN-3: Pardon me?

23 UNIDENTIFIED FEMALE SPEAKER: So, are they
24 supposed to go to the second Bradley?

25 JOHN-3: Yeah, but they'll be directed --

UNIDENTIFIED FEMALE SPEAKER: Okay.

1 JOHN-3: Okay. Just walk towards them. But
2 I just wanted to assure that there was a, a female
3 agent in the second Bradley.

4 UNIDENTIFIED FEMALE SPEAKER: Okay.

5 JOHN-3: All right?

6 UNIDENTIFIED FEMALE SPEAKER: All right.

7 JOHN-3: And do you know off-- can you find
8 out for me the nationalities of Sheila, James Lawter,
9 and Ophelia?

10 UNIDENTIFIED FEMALE SPEAKER: They're
11 American.

12 JOHN-3: They're all Americans?

13 UNIDENTIFIED FEMALE SPEAKER: Yeah.

14 JOHN-3: Okay. You understand, the press
15 asks and legats and things like that, okay?

16 UNIDENTIFIED FEMALE SPEAKER: Yeah.

17 JOHN-3: All right. So, would you have Steve
18 call me in awhile?

19 UNIDENTIFIED FEMALE SPEAKER: Okay.

20 JOHN-3: Okay?

21 UNIDENTIFIED FEMALE SPEAKER: All right.

22 JOHN-3: All right. And we'll -- just tell
23 them, the three of those, to leave.

24 UNIDENTIFIED FEMALE SPEAKER: Okay.

25 JOHN-3: Okay?

 UNIDENTIFIED FEMALE SPEAKER: Okay.

1 JOHN-3: Bye-bye.

2 UNIDENTIFIED FEMALE SPEAKER: Bye.

3 *****

4 [Telephone dialed, then ringing.]

5 UNIDENTIFIED FEMALE SPEAKER 2: Hello?

6 JOHN-3: Hello. Is Steve there, please?

7 UNIDENTIFIED FEMALE SPEAKER 2: Yes. Who's
8 calling, please?

9 JOHN-3: This is John.

10 UNIDENTIFIED FEMALE SPEAKER 2: John? One
11 moment, please.

12 (Pause.)

13 STEVE: Hello?

14 JOHN-3: Steve.

15 STEVE: Yes.

16 JOHN-3: This is John.

17 STEVE: Okay.

18 JOHN-3: Any problems with the way that that
19 last one went? Were they assured about that?

20 STEVE: It seems like everything went okay,
21 didn't it?

22 JOHN-3: I thought so.

23 STEVE: Okay. Good. Good.

24 JOHN-3: That's what I heard from this end.

25 STEVE: Okay. Well, that's -- we're, we're
trusting you on that.

1 JOHN-3: Okay.

2 STEVE: Okay. So, has Sheila gotten to where
3 the kids are still yet or --

4 JOHN-3: That's being arranged right now.

5 STEVE: Okay. Well, do you, you -- right now
6 what I'm doing is talking to some people, so I had to
7 come quite a distance even to get to the phone right
8 now. They're all waiting on me still. So, I'll keep
9 on talking and spending time with them.

10 JOHN-3: Okay, Steve. Do you have a --

11 STEVE: And, and David, let me tell you, he
12 just passed out. You know, he's been up for more than
13 -- I think it's been about 36 hours.

14 JOHN-3: Uh-huh.

15 STEVE: We went all through last night,
16 through right into the afternoon. He probably went out
17 about an hour ago. If he's -- I don't even know if
18 he's out yet, but he finally closed the door and
19 there's no candle or anything burning by his bed where
20 he can see. So, hopefully, he's getting some rest.
21 But, you know, it's -- he's just -- he wanted to get
22 more taken care of with these people and -- so, I'm,
23 I'm deci-- what I'm doing is trying to talk to --

24 JOHN-3: That's good.

25 STEVE: -- as many as I can.

JOHN-3: Yeah. Steve --

1 STEVE: Yes?

2 JOHN-3: Have you got any names on these few
3 that you're talking to now or are these people --

4 STEVE: Do I, do I what now?

5 JOHN-3: Do you have any names on these
6 people --

7 STEVE: Not yet, because --

8 JOHN-3: -- that you're talking to?

9 STEVE: -- I'm talking to a pretty large
10 group. So, you know --

11 JOHN-3: Okay.

12 STEVE: -- I'm trying to encourage them. You
13 know, like some might choose to come out on their own.
14 That's what I'm trying to do.

15 JOHN-3: Okay.

16 STEVE: And saying, you know, now, let's look
17 at the principles and what's -- you know, and, and just
18 going through all of it.

19 JOHN-3: Steve, if you can do that, that
20 would really help us on this end. And, like I say, any
21 assurances that they need personally, I will talk --

22 STEVE: Right.

23 JOHN-3: -- to them personally. And if you
24 could get a list and get it back to me, that would be
25 great.

STEVE: Well, I -- you know, I will try my

1 best, you know. And, and usually what they want to do
2 is, you know, talk to him, of course. So, I'm going to
3 keep on working. I'm not going to let anything stop
4 me. I'll just keep right on going and talking to them
5 and try to alleviate anything. And what they don't
6 know, they can, they can -- I'll tell them again. They
7 can call you or talk to you or I'll put them on,
8 whatever. So, you know, when -- Sheila's there, you
9 know, I, I -- if you want to call on the other line,
10 it'll be easier for -- Wayne could answer or something
11 and he can -- or any, any one of us can, you know, just
12 so everything's fine, you know. But I'll -- on my
13 part, I'll just keep on working.

14 JOHN-3: Okay. Is there anything that I can
15 do to explain to them that we should continue our good
16 work together?

17 STEVE: I guess -- see, they already know,
18 actually. You know, I told them and I told them they
19 have access -- they already know they can call you
20 anytime. I've -- you know, we've written a number on
21 the board, and right on the wall even, directly to the
22 wall, which is no big deal when you see the place.
23 But, anyway, you know, they, they know what the number
24 is. They can call you anytime. The phones are free.
25 You know, there's -- no one ever stands nearby. That's
why sometimes it takes awhile for someone to answer.

1 | But, yeah, I'll, I'll encourage them and tell them when
2 | -- what's open to them. But the only thing I can do
3 | right now is just keep on showing them the principles
4 | and trying to encourage them to, to make a move.

5 | JOHN-3: Okay, Steve. Listen, we'll keep
6 | working on this and I'm going to call you back when
7 | that patch is ready. Okay?

8 | STEVE: Okay. Thanks much.

9 | JOHN-3: Sheila's ready, but we've got to get
10 | something squared --

11 | STEVE: Right.

12 | JOHN-3: -- away here.

13 | STEVE: Okay.

14 | JOHN-3: Okay?

15 | STEVE: Real good, John. Talk to you later.

16 | JOHN-3: All right.

17 | STEVE: Bye.

18 | JOHN-3: Bye.

19 | *****

20 | [Telephone dialed, then ringing.]

21 | UNIDENTIFIED FEMALE SPEAKER: Hello?

22 | JOHN-3: Hello?

23 | UNIDENTIFIED FEMALE SPEAKER: Yes. Hello.

24 | JOHN-3: Hello. Is Steve there, please?

25 | UNIDENTIFIED FEMALE SPEAKER: And who's
calling?

1 JOHN-3: This is John.

2 UNIDENTIFIED FEMALE SPEAKER: Okay, John.

3 Hold on a second.

4 (Pause.)

5 UNIDENTIFIED FEMALE SPEAKER: John?

6 JOHN-3: Yes.

7 UNIDENTIFIED FEMALE SPEAKER: He's working
8 with some people right now. He said he can't get away,
9 but if I could take a message, he can call you back
10 when he can.

11 JOHN-3: I -- did -- were you aware that they
12 wanted a call from Sheila?

13 UNIDENTIFIED FEMALE SPEAKER: Yeah. He said
14 it might be Sheila.

15 JOHN-3: That's, that's what's -- that's what
16 it is, and we've got her standing by right now.

17 UNIDENTIFIED FEMALE SPEAKER: Okay. Well, he
18 said if he could take a message and call you back --

19 JOHN-3: Okay.

20 UNIDENTIFIED FEMALE SPEAKER: He said, you
21 know, if he keeps running back and forth, he's not
22 going to get anywhere.

23 JOHN-3: Okay.

24 UNIDENTIFIED FEMALE SPEAKER: So --

25 JOHN-3: All right. So, you want us to wait
awhile then?

1 UNIDENTIFIED FEMALE SPEAKER: Yeah. Can I
2 have him call you guys back?

3 JOHN-3: Why -- hold on just one second.
4 Hold on. Hold on one second. How about Wayne? Is
5 Wayne there?

6 UNIDENTIFIED FEMALE SPEAKER: Let me go --
7 hold on a second.

8 JOHN-3: Okay.

9 (Pause.)

10 UNIDENTIFIED FEMALE SPEAKER: John?

11 JOHN-3: Yes.

12 UNIDENTIFIED FEMALE SPEAKER: Wayne's on his
13 way. Please hold on.

14 JOHN-3: Oh, okay.

15 (Pause.)

16 WAYNE: Hello?

17 JOHN-3: Wayne?

18 WAYNE: Yes.

19 JOHN-3: This is John.

20 WAYNE: Hello, John.

21 JOHN-3: How are you?

22 WAYNE: Okay.

23 JOHN-3: I've got a call for you here.

24 WAYNE: Yes, sir.

25 JOHN-3: Okay. Hold on while I patch you
through. We're going to be on the line, Wayne. Go

1 | ahead.

2 | WAYNE: Hello?

3 | DICK: Hello?

4 | WAYNE: Hello. This is Wayne.

5 | DICK: Okay. Now, this is Dick Renn. I'm
6 | here with your, with your wife Sheila and two of your
7 | children. And we're on the speakerphone here. And
8 | she's got a couple things that she wants to say to you
9 | here. Can you hear me all right?

10 | WAYNE: Yes, I can.

11 | DICK: All right. Go ahead. Yeah, could you
12 | just, just --

13 | SHEILA: (Not discernible).

14 | DICK: -- just talk into that.

15 | SHEILA: Say hi to dad. Do you want to say
16 | hi to Daddy, Kimmy? Do you want to say hi to Daddy?

17 | DICK: Go ahead. He can hear you.

18 | WAYNE: Hello.

19 | SHEILA: Say hi. It's Kimmy.

20 | WAYNE: Kimmy, can you hear me? Kimmy? It's
21 | Daddy.

22 | SHEILA: Say hi to Daddy.

23 | DICK: Real loud, Kimmy.

24 | KIMMY: Hi, Daddy.

25 | WAYNE: Is that you, Kimmy?

 SHEILA: Say it again. Say it's you.

1 KIMMY: Guess who, Dad.

2 WAYNE: Well, Kimmy --

3 SHEILA: Daddy will be able to guess who.

4 WAYNE: Daddy certainly has been thinking
5 about you. I saw you on a videotape and --

6 SHEILA: (Not discernible).

7 WAYNE: Well, that's not too important. I
8 saw her and that's what counts. Is Daniel taking good
9 care of you?

10 KIMMY: Yes.

11 SHEILA: She said yes.

12 WAYNE: Is he being a big brother for you?
13 You tell Daniel I want him to be a big brother for you.

14 KIMMY: I will.

15 WAYNE: You will?

16 KIMMY: Yes.

17 WAYNE: Okay. And I still have your books.
18 You know those books you like to take a look at?

19 KIMMY: Yes.

20 WAYNE: Yeah. They're still here. I'll take
21 care of them for you.

22 KIMMY: Okay.

23 WAYNE: Okay. And Daddy wants you to pray to
24 God every day, okay?

25 KIMMY: Yes.

WAYNE: God's taking care of you. Even when

1 I'm not there, God's looking after you. Okay?

2 KIMMY: Yes.

3 WAYNE: And be nice to Daniel. And I want
4 him to be nice to you.

5 KIMMY: Okay.

6 SHEILA: (Not discernible) -- can you wake up
7 Danny (not discernible)?

8 WAYNE: Let me talk to Daniel.

9 KIMMY: He's in the same room.

10 SHEILA: That's great.

11 WAYNE: Hello. Daniel?

12 DANIEL: Hi.

13 WAYNE: Hi. Well, you know, I've been
14 thinking about you every day. Are you doing okay?

15 DANIEL: Yes.

16 WAYNE: Tell me something, how long has it
17 been since you saw Jamie?

18 DANIEL: Oh. I (not discernible).

19 WAYNE: They don't let you see Jamie, huh?

20 SHEILA: (Not discernible).

21 DANIEL: I saw him once.

22 WAYNE: Uh-huh. Was he okay?

23 DANIEL: Yeah.

24 SHEILA: He's a long way from here (not
25 discernible).

DANIEL: He looked --

1 DICK: Yeah. Wayne, this is, this is Dick
2 once again. We tried to get Jamie down here, but the
3 child is up in Rosebud, which is about an hour's
4 distance from here, and apparently the folks in -- went
5 out for a, for an outing today and are not going to be
6 back till approximately 5 or 6 tonight. So,
7 unfortunately we couldn't, we couldn't get together.
8 Your wife -- I, I've told her that and she understands
9 that.

10 WAYNE: All right. I understand. Daniel,
11 are you still there?

12 DANIEL: Yes.

13 WAYNE: I want you to be a big brother for
14 your sister Kimmy, okay?

15 DICK: Do you want to tell dad that you're
16 going to go back then with, with Nancy?

17 DANIEL: I'm going to go back to the, the
18 home that we were staying at with Nancy.

19 WAYNE: Okay. Have you seen your grandpa or
20 your grandma?

21 DANIEL: Not yet. But all the kids are, you
22 know, rode up to go to their grandma and grandpa.

23 WAYNE: Okay. Now, give your sister a hug
24 every day and let her know that you're going to be her
25 brother. Okay?

 DANIEL: Okay.

1 WAYNE: Very good.

2 SHEILA: She's on the way out the door.

3 WAYNE: Okay.

4 SHEILA: Wayne --

5 WAYNE: Danny?

6 SHEILA: -- say good-bye.

7 WAYNE: You be a good boy, okay?

8 DANIEL: Okay.

9 DICK: See you later, buddy. Wayne, Sheila
10 is here and will speak with you here -- the -- while --
11 as, as the kids leave. You still there, Wayne?

12 WAYNE: Yeah, I'm here.

13 DICK: Okay. Can you hear us well?

14 WAYNE: Yes, I can.

15 DICK: Okay.

16 WAYNE: Hello, Sheila?

17 SHEILA: Hello. Bye-bye Kimmy. Good-bye.

18 WAYNE: Tell them to keep praying to God.

19 SHEILA: They, they seem happy, very happy.

20 She cried for a little bit, couldn't tell what was
21 wrong, but she eventually stopped, I guess about after
22 five minutes.

23 WAYNE: Yeah.

24 SHEILA: She didn't need me as much. Out the
25 door. She's doing okay. They look like they're really
eating well.

1 WAYNE: Okay.

2 SHEILA: Though he was kind of chubby. Dick?

3 WAYNE: And are you going to be able to see
4 Jamie?

5 SHEILA: I think later on they said they were
6 going to -- another day.

7 WAYNE: Okay.

8 DICK: I don't -- the Child Welfare --

9 SHEILA: Okay.

10 DICK: -- the Child Care Services will have
11 to arrange -- make those arrangements. I'm not sure at
12 this point what's, what's going to be done there.

13 SHEILA: We, we didn't have time to let them
14 know on that, like a short amount of time. Do you hear
15 me?

16 WAYNE: Me?

17 SHEILA: Yes.

18 WAYNE: I can hear you just fine. I'm just
19 concerned that, you know, nothing we say is private.
20 It's another one of those Constitutional rights. I've
21 seem to have lost it someplace. I don't know. Like
22 when, when I get back to my room, I'm going to look all
23 around and see what happened to my Constitutional right
24 of privacy.

25 DICK: Wayne, we explained that to Sheila,
that, that we are here. This is on a speakerphone, a

1 speakerphone, and that there is an agent on the other
2 end, and it's being recorded as well. And your wife
3 knows that and she found that acceptable.

4 WAYNE: Well, I, I just wanted to raise an
5 objection to it.

6 DICK: Noted.

7 WAYNE: And I hope the disk jockey won't be
8 playing this tape. Keep your faith strong, Sheila.

9 SHEILA: Everything went well.

10 WAYNE: Uh-huh.

11 SHEILA: The ride was a little bumpy at
12 first, around the corners, but other than that it was
13 fine.

14 WAYNE: It could get bumpy down the road too.

15 SHEILA: Saw a lot of people, a lot of -- you
16 know, the media was there and the people on the end of
17 the road, signs and things like that. But -- some were
18 protesting and -- I, I really couldn't understand half
19 of the things that were there.

20 WAYNE: I wished I knew more about the seven
21 seals.

22 SHEILA: Yes.

23 WAYNE: And that it's not a lot of garbage
24 and it's not a false hope. I wish they knew that time
25 is short, that God is angry, and that God's in total
control of what's going on.

1 well-treated and has had no problems to this point,
2 doesn't expect any. And Sheriff Hardwell wanted me to
3 pass on to you that he personally is watching and
4 making sure that the jail is, is prepared for the folks
5 properly, and he wanted to pass that on to you. Sheila
6 and the others are here. We're in the sheriff's office
7 now. And we're going to go ahead and go on with some
8 of the things that we have to get accomplished here.
9 And she will be in touch. She will have a telephone
10 and -- it's my understanding, and will be in touch with
11 her children and those sorts of things. So, we're
12 going to say good-bye now. I'll leave Sheila with you
13 for a moment here and we hope that, we hope that we'll
14 see you and, and get together with you soon.

15 WAYNE: Sheila, are you there?

16 SHEILA: I, I, I'm here.

17 WAYNE: Okay. So --

18 SHEILA: You take care, okay? And --

19 WAYNE: Yeah. We --

20 SHEILA: -- I'll see you soon. I don't want
21 to --

22 WAYNE: We may be out of touch for awhile, I
23 don't know, but --

TAPE #151

3/21/93

3:57 P.M. - 6:14 P.M.

1 (Tape 151)

2 UNIDENTIFIED MALE SPEAKER: Hello. Wayne?

3 JOHN-3: Hello --

4 [Dial tone.]

5 [Telephone dialed, then ringing.]

6 UNIDENTIFIED FEMALE SPEAKER: Hello?

7 JOHN-3: Hello. Is Steve there?

8 UNIDENTIFIED FEMALE SPEAKER: Who's calling?

9 JOHN-3: John.

10 UNIDENTIFIED FEMALE SPEAKER: Hold on, John.

11 (Pause.)

12 UNIDENTIFIED FEMALE SPEAKER: John?

13 JOHN-3: Hello.

14 UNIDENTIFIED FEMALE SPEAKER: Hi. He's still
15 talking to people. Can he call you back?

16 JOHN-3: I, I, I've got something that, that
17 I should discuss with him, if it's all right.

18 UNIDENTIFIED FEMALE SPEAKER: Okay. Can I
19 just give him an idea of what it is?

20 JOHN-3: Yeah. Just -- yeah, how much longer
21 will he be? Do you have any idea?

22 UNIDENTIFIED FEMALE SPEAKER: I really don't
23 know.

24 JOHN-3: Okay. Would you ask him to call me
25 in ten minutes?

UNIDENTIFIED FEMALE SPEAKER: Ten minutes?

1 | Okay. Can I tell him what it's referring?

2 | JOHN-3: Well, it's the same thing we've been
3 | discussing all day.

4 | UNIDENTIFIED FEMALE SPEAKER: Okay.

5 | JOHN-3: Okay?

6 | UNIDENTIFIED FEMALE SPEAKER: All right.

7 | I'll give him the message.

8 | JOHN-3: Good enough.

9 | UNIDENTIFIED FEMALE SPEAKER: Okay.

10 | *****

11 | JOHN-3: Hello?

12 | STEVE SCHNEIDER: Hello, John?

13 | JOHN-3: Yes, Steve.

14 | STEVE SCHNEIDER: I heard you called. What's
15 | up?

16 | JOHN-3: Yeah, I just -- I'm getting asked
17 | here some questions from the boss on how many we should
18 | expect, just for planning purposes.

19 | STEVE SCHNEIDER: I, I don't even know yet,
20 | because, you know, I'm talking to a -- one of the
21 | biggest group of people that I've been able to talk to
22 | at one time. And they're asking me questions, because
23 | David's not around. So, you know -- dealing with the
24 | Bible. And --

25 | JOHN-3: Steve?

 STEVE SCHNEIDER: -- and when I'm -- you

1 | know, when I -- in fact, I need to actually keep on
2 | going with them, because as I go, it, you know, it
3 | speeds up things. But as to right now, you know, I
4 | don't have any names or no one's come forth or
5 | anything, but I'm trying to answer any and all
6 | questions and, and show them how it's worked so far,
7 | what's taken place, and, and all the rest of it.

8 | JOHN-3: Okay. Steve, tell me, how many
9 | people are you talking to, roughly?

10 | STEVE SCHNEIDER: I would say probably about
11 | 40.

12 | JOHN-3: Okay. And do they -- you know, give
13 | me a ballpark figure that you think might be coming
14 | out, just -- you know, I'm -- like I say, I'm
15 | getting --

16 | STEVE SCHNEIDER: I have no idea. I couldn't
17 | even -- I wouldn't even have the faint-- right now, in
18 | truth, I really -- I don't know. I don't even have the
19 | foggiest idea, because right now I'm working again
20 | with, you know, young and old and, and in between, and
21 | I'm just trying to find out who's showing an interest
22 | now. You know, I'm starting to ask some questions.
23 | First, I'm allowing them to ask me questions in regards
24 | to what's been opened and shared and all the rest.

25 | JOHN-3: Yeah.

 STEVE SCHNEIDER: So, you know, I -- right

1 | now -- that's why I didn't want to keep on running back
2 | and forth. The phone is actually quite a ways from
3 | where they're at. So, it takes a lot of time. I'll
4 | tell you what, I'm -- my mouth is even dry from talking
5 | so much.

6 | JOHN-3: Yeah. Okay.

7 | STEVE SCHNEIDER: But I'm going to --

8 | JOHN-3: Tell me this, Steve.

9 | STEVE SCHNEIDER: -- but I'm going to keep on
10 | working with them.

11 | JOHN-3: All right. Steve, tell me this.
12 | Has anyone shown any interest in coming out today?

13 | STEVE SCHNEIDER: Well, not yet, because -- I
14 | mean, no one's saying anything, because, you know, they
15 | are just asking questions in regard to the Bible right
16 | now and I'm trying to -- when I finish three pages
17 | here, I'm going to say well -- you know, I'm going to
18 | get back into that avenue in relation to all of this.

19 | JOHN-3: Okay. Because, you know, I'm
20 | getting some heat here, as you probably well know,
21 | and --

22 | STEVE SCHNEIDER: Well, you tell -- look it,
23 | look it, just like David said last night now, the mo--
24 | one of the most important things I can say right at
25 | this point of time is yesterday when I was talking with
 | John Dolan, I'm hoping that was taped, along with John

1 Cox --

2 JOHN-3: Um-hum.

3 STEVE SCHNEIDER: Those two last -- right
4 from Dolan into Cox, all that was said by myself and
5 David could -- it couldn't be made any simpler,
6 plainer, clearer as to how the program's going. We
7 can't -- he doesn't have -- he can't -- you know, he
8 can encourage people and show them, and he's trying to
9 do that. He's almost had to, like, take his hands
10 almost and push them out. And we're at a place --

11 JOHN-3: Yeah.

12 STEVE SCHNEIDER: -- where, you know, you
13 can't force the consciences. You know, it's in
14 violation to what we believe. So, that's why even now
15 I'm talking so much and showing what needs to be done,
16 and I'm not going to lay off it. I keep on working on
17 it.

18 JOHN-3: Yeah.

19 STEVE SCHNEIDER: But, but --

20 JOHN-3: And that, and that's --

21 STEVE SCHNEIDER: Yeah.

22 JOHN-3: -- appreciated, Steve. I just
23 wanted to let you know that, you know, they, they want
24 to make arrangements --

25 STEVE SCHNEIDER: Well, have, have them
listen to those -- some of those conversations we had

1 | last night and yesterday with the two Johns there, the
2 | other two.

3 | JOHN-3: Yeah.

4 | STEVE SCHNEIDER: And -- because that helps.
5 | I mean, I -- they're -- you know, I'm going as fast as
6 | I can. That's why I'm even talking to so many at once.

7 | JOHN-3: Yeah. David had said in the past,
8 | I'm sure, that he ca-- he, you know, had the power to,
9 | to send these people out. He told me that he had --

10 | STEVE SCHNEIDER: But, see, then it would be
11 | in violation according to, you will hear on the tape
12 | yesterday, according to what his whole work has been.
13 | He came with the seven seals. People have come to hear
14 | where they're located in the Bible, what it means to
15 | this word called salvation which people have used for
16 | thousands of years. And it all has to do with that.
17 | Like three weeks ago when our whole life was disrupted,
18 | you know, he was still opening those up, even to Robert
19 | Gonzalez. You know, even though we suspected who he
20 | was, that wasn't to take away from the man, if he has a
21 | choice. Who are we to say the guy isn't truly
22 | interested or maybe isn't even convicted to a small
23 | degree even now.

24 | JOHN-3: Yeah.

25 | STEVE SCHNEIDER: You know, I mean, there
 | could be shame involved because, you know, we appeared

1 to be so bizarre, weird, and, and I don't blame
2 anybody. If I was on the outside and had no inside
3 contact, having an opportunity to hear if there's any
4 logic or sense to all this, I would probably be apt to
5 judge the same as the rest. But, you know, this is
6 what we're trying to say. If we only can ha-- you
7 know, we're trying to open up and answer questions of
8 these people. Ultimately, we hope --

9 JOHN-3: Steve?

10 STEVE SCHNEIDER: Yeah?

11 JOHN-3: Is this connection all right? It
12 just --

13 STEVE SCHNEIDER: Yeah. You know, it ain't
14 one of the better again. It's just --

15 JOHN-3: All right.

16 STEVE SCHNEIDER: -- that the phone is back
17 like it should be. I don't know what's happened
18 before --

19 JOHN-3: Okay.

20 STEVE SCHNEIDER: -- but it -- yeah, it's
21 working, well, you know, like it had been.

22 JOHN-3: Okay. Because this is the thing,
23 Steve. I, I believe David indicated that we'd probably
24 have a big group today. Okay? And that's what, that's
25 what we're going on here. And I, and I just have to
mention that a significant movement would go a long

1 way --

2 STEVE SCHNEIDER: Well, I'm --

3 JOHN-3: -- to keep everybody --

4 STEVE SCHNEIDER: You know --

5 JOHN-3: -- here in --

6 STEVE SCHNEIDER: In my part -- you know, you
7 know, John, I'm trying to do everything --

8 JOHN-3: Yeah.

9 STEVE SCHNEIDER: -- I can.

10 JOHN-3: Yeah.

11 STEVE SCHNEIDER: But, you know, when it
12 comes down to it, I can suggest and try to talk these
13 people into it like I have been.

14 JOHN-3: Yeah.

15 STEVE SCHNEIDER: And then some of them,
16 maybe a couple here or there, might go and talk to him.
17 That's what -- but at the same time, you know, I --
18 there's -- what it comes right down to, they always
19 want to talk to him and say: well, then hey, I'm
20 thinking about it, I, I -- can I ask you a question or
21 two? They always -- so -- they go through that whole
22 thing, it seems, every time.

23 JOHN-3: Yeah.

24 STEVE SCHNEIDER: Now, some, some not so much
25 as others, you know, but almost every one. So, that's
where the difficulty lies.

1 JOHN-3: Yeah, and you understand that we're
2 a distance from there, Steve, and, and the reason we
3 need to know this, and if you could keep giving us some
4 figures, is because we need to arrange transportation
5 and --

6 STEVE SCHNEIDER: Right. I, I --

7 JOHN-3: -- and handling by the Sheriff's
8 Department. You know what I mean?

9 STEVE SCHNEIDER: Right. I've been aware of
10 that.

11 JOHN-3: Okay. And that -- it doesn't happen
12 overnight. I mean, we have to, you know, we have to
13 have a little bit of time.

14 STEVE SCHNEIDER: Exactly.

15 JOHN-3: Okay. Now, we, we, we won't have to
16 wait for David to wake up for these people that came --

17 STEVE SCHNEIDER: Probably --

18 JOHN-3: -- coming out?

19 STEVE SCHNEIDER: Yeah, and I'm going to tell
20 you the truth, probably will have to.

21 JOHN-3: Well, we, we -- do you know when
22 that will be?

23 STEVE SCHNEIDER: No. I, I always have
24 someone trying to keep an eye on him, because, you
25 know, sometimes he'll sleep only a couple hours and
then will be back awake. The thing is last --

1 | yesterday, he was awake all through the day. I don't
2 | know if he slept the night before, but he was through
3 | the whole day, all through last night, and right into
4 | this afternoon he was still awake. So, because of that
5 | very reason, I, I've got a feeling he might sleep for a
6 | number of hours here. And, as soon as I can start
7 | getting some of these people to go talk to them, I can
8 | get something going here.

9 | JOHN-3: Okay. Steve --

10 | STEVE SCHNEIDER: So -- but, you know, of
11 | course, like I've told you and the others before, I'm
12 | always keeping an eye -- I'll tap at the door or I'll
13 | look in or call his name and see if I can get a
14 | response. I wish -- you know, obviously --

15 | JOHN-3: If you could do thi-- Steve, listen.

16 | STEVE SCHNEIDER: I, I do. That's something
17 | I have been doing from day one.

18 | JOHN-3: Oh, I know that. I know you have.

19 | STEVE SCHNEIDER: And I --

20 | JOHN-3: Yeah.

21 | STEVE SCHNEIDER: -- will tell you this. You
22 | know, if it wasn't for his illnesses, being sick, you
23 | know, the wound, you know, he wouldn't -- it wouldn't
24 | -- man, he would be up talking to them, you know, the
25 | whole group, but he can't handle it.

 JOHN-3: Yeah.

1 STEVE SCHNEIDER: He can't handle it. So,
2 even his room is so small he gets only -- he only can
3 fit a couple people in there. And I was trying to hope
4 that, that he could come out and talk to a larger
5 group, but he just -- you can't even -- he made a
6 mistake by coming down to where I was at and talking to
7 Byron that day. You know, I thought he was kind of
8 strong, and all of a sudden I looked toward the end of
9 the conversation. He was trying to tell them he needed
10 to use the facilities. He actually did. Along with,
11 man, talk about bleeding. And I'm afraid he opened up
12 the wound inside again, because then he -- he's, he's
13 not been up since then.

14 JOHN-3: Okay.

15 STEVE SCHNEIDER: But I, I -- he made a -- I
16 think he made a mistake by getting up and moving around
17 like he did.

18 JOHN-3: Yeah. Well, Steve, you know, the
19 thing of it is, if this is a large group, we need to,
20 to wake him up if it's -- because we want it to be
21 before dark. You know what I mean?

22 STEVE SCHNEIDER: Well, I -- you know, in
23 honesty, I don't think it's going to happen, if I'm to
24 be truthful with you. I -- bec-- I mean, he -- they've
25 got to talk to him. I -- you know, there's nothing I
can do. I can go down there and say hey, why don't you

1 -- let's, let's all get out of here now and, you know
2 -- I mean, I could do that, but they'd just look at me,
3 I mean, and say Steve, look, we didn't come here to
4 hear you and -- they -- I'm telling you, that's what
5 they'd say to me. I al-- I already know. You know,
6 I've tried to a small degree and, and the reaction I
7 got, it was clear enough.

8 JOHN-3: Yeah. Because, see --

9 STEVE SCHNEIDER: So --

10 JOHN-3: -- you've, you've got to appreciate,
11 Steve, I don't know what, what these other people in
12 here have in mind. They don't always tell us. And,
13 and all they --

14 STEVE SCHNEIDER: Right.

15 JOHN-3: -- told me was that a significant
16 movement would go a long way to keeping things in
17 progress. You know what I mean?

18 STEVE SCHNEIDER: Well, we're doing real well
19 right now. I think we -- you know, as it goes on, it
20 seems like it can and is picking up. You know, like
21 today even from even Friday, and, and I think it's
22 going to get better. I really do. You know, and --

23 JOHN-3: Well --

24 STEVE SCHNEIDER: -- and, and, you know,
25 what's funny is, you know, like the position I'm in
right now, is I'm talking to people all the time.

1 Yeah, I've got myself convinced from day one I need to
2 get out of here myself, but, you know, it's like I need
3 -- it was kind of like -- even when I was talking with
4 -- I can't remember who I talked to that Tuesday when
5 it seemed like we were all coming out. But I was asked
6 to stay back, and it wasn't something I wanted to do,
7 but I guess I -- since that time, I've more or less
8 accepted, well, until everybody gets out, if I've got
9 to be the last one or if I can come out with a group,
10 fine. But, you know, in your mind, you know, you want
11 to come out and just get it over with and get on, on
12 with things. But I know I can do better just by
13 talking to these people and, and just get-- keeping the
14 process going.

15 JOHN-3: Okay. Steve, I just want to -- you
16 know, I just want to -- I don't want any
17 misunderstanding here.

18 STEVE SCHNEIDER: Yeah.

19 JOHN-3: What I, what I've been told, okay,
20 and, and -- well, what they say, it, it doesn't help
21 when only a few come out. You know, they were looking
22 for a big group because that's what they were led to
23 believe and that's what --

24 STEVE SCHNEIDER: Well, see, if that's true,
25 I don't know anything about it, you know. I mean, I'm
al-- I've got my hopes, you know, of course. But if

1 | you listened to the tapes, you would hear -- I mean, I
2 | would -- if I had the tapes, I'd turn them back on and
3 | hear, and then I'd probably --

4 | JOHN-3: Yeah.

5 | STEVE SCHNEIDER: -- play on that. But I
6 | don't have, so I don't know.

7 | JOHN-3: You know, I'm trying to help, but
8 | the bosses are frustrated. It's been 21 days and they
9 | want to see some real progress today.

10 | STEVE SCHNEIDER: Yeah.

11 | JOHN-3: You know?

12 | STEVE SCHNEIDER: See -- yeah, you've got to
13 | remember, though, that these people have been here,
14 | some for 20 --

15 | JOHN-3: Well --

16 | STEVE SCHNEIDER: -- 30 years. And, you
17 | know, 21 days to them, now, they're -- you've got to
18 | remember, you know, there's a fear of God. They're
19 | afraid of salvation and souls, not so much -- you know,
20 | they're going out into this system now, of course, and
21 | they were --

22 | JOHN-3: And you know they've been well-
23 | treated, don't you?

24 | STEVE SCHNEIDER: Pardon? Well, that --

25 | JOHN-3: You know they've been well-treated
and --

1 STEVE SCHNEIDER: Yeah.

2 JOHN-3: -- and --

3 STEVE SCHNEIDER: And we hope, to the very
4 last person, that that'll be made -- that'll be so all
5 the way through, you know. We, we -- one always hopes
6 that'll remain that way.

7 JOHN-3: Well, we haven't been inconsistent
8 yet. I haven't --

9 STEVE SCHNEIDER: No. No.

10 JOHN-3: -- promised you anything.

11 STEVE SCHNEIDER: You guys -- of you 11
12 negotiators, whatever it's been, I mean, if you were
13 involved completely during the whole process of how
14 long it ever takes, I mean, I would trust that. But,
15 of course, you know, there's other elements involved
16 here, and so one doesn't always know. But with you
17 guys, you've proven yourselves and -- I mean, that's
18 not been a problem by any means. But if you -- can you
19 -- I'm still always curious as to what the ATF has to
20 do with all this. When the Texas Rangers come in to do
21 an investigation or -- and to look over the building
22 and so forth, what they needed to do with the search
23 and all that, are the ATF going to be involved at that
24 point of time also, or is that just going to be the
25 unbiasedness of the Texas Rangers?

JOHN-3: I ha--

1 STEVE SCHNEIDER: Or of yourselves even?

2 JOHN-3: Yeah. Steve, it's my understanding
3 that the Rangers are going to be doing the
4 investigation there.

5 STEVE SCHNEIDER: Okay.

6 JOHN-3: Okay?

7 STEVE SCHNEIDER: Are the ATF at all -- are
8 they going to be involved? Can you give me a word, or
9 tell me for a fact they will or won't be or --

10 JOHN-3: To some extent they will, but, like
11 I say, the evidence is -- you know, the evidence is
12 there. Do you know what I mean?

13 STEVE SCHNEIDER: Yeah. Yeah. I know that.
14 But I still -- I -- I'll be honest with you. I --
15 well, from what I've heard from the spokesperson and
16 from many things that have been stated since then, it
17 -- I'll tell you the truth, it bothers me. It bothers
18 me.

19 JOHN-3: Was that you or me?

20 STEVE SCHNEIDER: I'd rather have the
21 unbiased control of the Texas Rangers or someone like
22 yourselves or whatever else.

23 JOHN-3: Yeah. And that's, that's going to
24 be taken care of, Steve, so --

25 STEVE SCHNEIDER: Okay.

JOHN-3: I just, I just want you to unders--

1 | you know, the bosses, they don't understand, you know,
2 | why they don't come out since you said from the
3 | beginning that they are coming out, and --

4 | STEVE SCHNEIDER: Well, remember now,
5 | remember since John Dolan got back on the line that we
6 | started getting this momentum go-- remember how he had
7 | dropped off all those items, in that mor-- what
8 | morning? See, I'm losing track of time. But from that
9 | morning that that -- I told him -- I mean, I tried to
10 | use every kind of language and, and way possible to let
11 | them know if I had something to work with. You see how
12 | it worked? Along with talking with David and all the
13 | rest. But, you know, that's what helps, all those kind
14 | of things. And now that we've got this relationship
15 | building again --

16 | JOHN-3: Yeah, I know.

17 | STEVE SCHNEIDER: -- you know, watch, watch
18 | it come. But, you know, if they start pushing and all
19 | that, and then it, it always goes against these people.
20 | They get a little leery again. So, that's why I don't
21 | like even saying anything to them, that, hey, the
22 | bosses are pushing. They want you'all -- if I do that,
23 | I'm going to go -- it -- they'll go backwards on what
24 | I'm doing and how I'm working with them now.

25 | JOHN-3: Okay.

 STEVE SCHNEIDER: I, I realize your

1 frustration and I -- I mean, I, I -- believe me, I
2 sympathize, because I'm involved in it myself.

3 JOHN-3: Steve, let me mention --

4 STEVE SCHNEIDER: Yeah, I'm anxious --

5 JOHN-3: -- something to you.

6 STEVE SCHNEIDER: -- I'm anxious.

7 JOHN-3: I am too. But, listen, let me call
8 you.

9 STEVE SCHNEIDER: Okay.

10 JOHN-3: The other day you said give me
11 something to work with, didn't you?

12 STEVE SCHNEIDER: That's right.

13 JOHN-3: Huh?

14 STEVE SCHNEIDER: And you guys did fin--

15 JOHN-3: Okay.

16 STEVE SCHNEIDER: Finally come through.

17 JOHN-3: All right.

18 STEVE SCHNEIDER: And I said --

19 JOHN-3: Now you --

20 STEVE SCHNEIDER: -- hey, this is what I've
21 been waiting for.

22 JOHN-3: You've got to do the same thing for
23 us. Okay? Because, you know, I'll tell you --

24 STEVE SCHNEIDER: Haven't I been? If you
25 know how I've been talking and not getting sleep -- I'm
run down. You guys take switches and you get off the

1 phone and get back on and different ones and have
2 different shifts and all that. That's not so for me,
3 John. You know, I, I tell you what, you know, the, the
4 ability of a human being to concentrate, to think,
5 awareness, you know, you become very dull after awhile,
6 you know, lacking the sleep and, and with all the
7 pressures, the circumstances. It, it's so different.
8 And I realize, you know, you guys have come from all
9 over America and you need to get back and you want to
10 get back to your homes. You know, I -- believe me.

11 JOHN-3: Not my home; my family, yes.

12 Steve --

13 STEVE SCHNEIDER: Well, you know --

14 JOHN-3: -- you know what I mean?

15 STEVE SCHNEIDER: That's -- that's what I'm
16 talking -- when I say home, I -- that's what I mean is
17 family.

18 JOHN-3: Yeah. I've got a six-year-old that
19 called me yesterday and he said he didn't remember what
20 I looked like, but I'm committed to helping you get
21 through this --

22 STEVE SCHNEIDER: Oh, good.

23 JOHN-3: -- as is John Dolan, all right?

24 STEVE SCHNEIDER: Yeah.

25 JOHN-3: So, that's what I told my six-year-
old son. But I just wanted to mention to you that we

1 need something to work with because, I'll tell you,
2 John Dolan and some others, you know, we're getting to
3 the point where they're --

4 STEVE SCHNEIDER: When am I going to be
5 talking to --

6 JOHN-3: -- going to start --

7 STEVE SCHNEIDER: -- Mr. Dolan again?

8 JOHN-3: I, I don't know, because he may be
9 rotating out of here. You know.

10 STEVE SCHNEIDER: Well, you know, before he
11 leaves, have him give me a call?

12 JOHN-3: Yeah. And I --

13 STEVE SCHNEIDER: I had a --

14 JOHN-3: -- he wanted to greet --

15 STEVE SCHNEIDER: -- I had a --

16 JOHN-3: -- he wanted to greet you and the
17 others when, when they --

18 STEVE SCHNEIDER: Exactly.

19 JOHN-3: -- came out.

20 STEVE SCHNEIDER: I had -- I've had -- not to
21 say anybody -- but, you know, there's certain -- I
22 liked his personality.

23 JOHN-3: Yeah.

24 STEVE SCHNEIDER: It goes along with some
25 more of what I see myself as. I mean, I really -- I
had a real good rapport with the man and --

1 JOHN-3: Yeah.

2 STEVE SCHNEIDER: -- so, it's -- I was hoping
3 to actually, like you said, meet him. I'd, I'd like to
4 at least talk to him again, but --

5 JOHN-3: And he would like the same. I'll
6 tell you that. But I think he's going to be rotating
7 tomorrow. So.

8 STEVE SCHNEIDER: Well, you know, have him
9 call me for sure. If he's around there today, I
10 wouldn't mind talking to him, but, you know, let -- I'm
11 going to go back down and, and continue to talk with
12 these people.

13 JOHN-3: Steve, we don't want to push, but
14 the bosses don't want this to keep going on and on with
15 -- you know, the real progress today is, is going to be
16 critical.

17 STEVE SCHNEIDER: I thought it was pretty
18 good, to be honest with --

19 JOHN-3: You know?

20 STEVE SCHNEIDER: -- you, John.

21 JOHN-3: But, Steve, it's a good start, but,
22 I'll tell you, we've got --

23 STEVE SCHNEIDER: Well, then --

24 JOHN-3: -- some medical assistance for these
25 people --

STEVE SCHNEIDER: I'm al-- you know, you --

1 JOHN-3: You know what I mean?

2 STEVE SCHNEIDER: John, I -- you know it, I
3 apprec-- golly. Isn't this awesome? I mean, it's like
4 -- what you ought to do is record this and just play it
5 for me on the outside over and over again, because I,
6 I'm going to agree with you all the way --

7 JOHN-3: Um-hum.

8 STEVE SCHNEIDER: -- but I still, unless --
9 should, should I maybe get some kind of a -- I don't
10 know what I should do. If I should just grab hold of
11 these people by the neck and try to pull them out or me
12 come out and just grab one -- I -- what am I to do?

13 JOHN-3: Steve, just assure them that they
14 are --

15 STEVE SCHNEIDER: I have been.

16 JOHN-3: -- going to be treated well and
17 that --

18 STEVE SCHNEIDER: Hey, I'll -- I'll tell you
19 what. I'll get a tape recording of me talking to them
20 so you can even hear, so you can believe me. But, you
21 know, I can't force them out. The one that has -- you
22 know, that really can tell them something that can
23 encourage them to move along is David. Now that he's
24 passed out or he's sleeping, you know, it makes it
25 difficult for me. But I don't, I don't quit even then.

JOHN-3: I know.

1 STEVE SCHNEIDER: I don't quit even then.

2 JOHN-3: Steve, listen. It's a good start.
3 I'm not diminishing today's progress. But I'm just
4 telling you that at, at five or six a day it's going to
5 take a long time and, and that's unacceptable --

6 STEVE SCHNEIDER: Well, no. Wait, wait --

7 JOHN-3: -- to these people.

8 STEVE SCHNEIDER: But don't you -- don't -- I
9 mean, if you guys can't see that it, it's picked up in
10 numbers, even little -- but -- you know, I was telling
11 -- this was -- would have continued on from that Friday
12 when the electricity was cut off. Do you realize that
13 over probably two-thirds would have been out already?

14 JOHN-3: Oh, Steve --

15 STEVE SCHNEIDER: If not, if not all of them?
16 And that's because we're trying to rebuild on that good
17 communication, the rapport, all of that, and that's --
18 now, it's starting to snow -- but so let's not go --
19 you know, if they start threatening or forcing, then I
20 lose the ability to talk to them again.

21 JOHN-3: Steve, a lot of those people respect
22 you in there and I think a lot of them would even
23 follow you out because they, they think well --

24 STEVE SCHNEIDER: No --

25 JOHN-3: -- of you.

STEVE SCHNEIDER: I mean, you're going to,

1 | you're going to find out one of these days when we're
2 | all out -- you can talk to them and ask them. You're
3 | going to find out that is not true. I, I'm telling you
4 | the truth. They -- it's -- it doesn't work that way
5 | with them. They came here to hear this man, not me. I
6 | came to learn from the guy myself. He's got an ability
7 | I don't have. I mean, look, I've spent my life with
8 | theologians and very highly educated human beings and
9 | there's been no one that's had the consistency of
10 | answers when it comes to sciences and religion and
11 | health and all the other subjects that there are. You
12 | know, if you ever have the opportunity, try to nail him
13 | down on any topic. And he'll tell you the anatomy of
14 | the body and what it needs and how by eating certain
15 | foods and staying to a certain program you will keep
16 | free of disease and you can recover. I mean, you know,
17 | he'll get into any aspect. It's, it's quite
18 | phenomenal. The man has only got a ninth-grade
19 | education. But, you know, these people have come to
20 | hear him. That's what I'm telling you. They didn't
21 | come to hear me. I don't have the answers he has. He
22 | doesn't have to go pull a book out or say I learned it
23 | from this doctor, this professor, or this is my own
24 | education. It didn't come like that by him. He says
25 | he's divinely inspired. Pictures are shown to him. I
mean, that can be a bunch of nonsense or maybe it's

1 true. You know -- I mean, the prophets of old, they
2 either ate pizza late at night and had bad dreams and
3 wrote them down and people are believing them to this
4 day or -- and, I mean, everybody's got to decide that.
5 But that's why these people are here, are, are because
6 of listening to him and -- you know, I do my best to
7 try to encourage and all the rest, but that's all I can
8 do. But, you know, let me get back to them. I'm going
9 to keep on going. I'll keep on trying to work, you
10 know. I mean -- you know, I'm, I'm worn out from even
11 talking there and on the phone and, you know, it -- I
12 mean, I want a lot of things too. I do.

13 JOHN-3: You know, Steve, I -- you know, you
14 may not realize it right now, but I'm, I'm acting as a
15 true friend and I'm trying to work with you to get a
16 solution, and I mean soon. Okay? Do you understand
17 what I mean?

18 STEVE SCHNEIDER: Yes, I do.

19 JOHN-3: Okay. I mean, the, the five or six
20 a day has been told me that it's unacceptable and, and
21 I'm trying to work --

22 STEVE SCHNEIDER: Well, what does that --
23 now, what does that mean now? It's -- and -- it's not
24 acceptable? Then what --

25 JOHN-3: I'm just telling you that they, they
were told -- they, they assumed that Sunday was --

1 STEVE SCHNEIDER: Well, what, what should --

2 JOHN-3: -- going to be a good day.

3 STEVE SCHNEIDER: Look it. They shouldn't be
4 assuming anything. I've said that for -- John Dolan
5 knows that. John Cox knows that. I, I've spoken very
6 plainly and clearly. So has David. Really, we have --
7 I mean, especially me. I can't do anything, John. I
8 mean, look, here I am doing something that normally --
9 I mean, on my own, if, if I just came out, then I don't
10 even know how -- what you do about getting the -- it'd
11 be slower yet. I know it would be already. I know it
12 would be. If that's not acceptable, what do you guys
13 want to do? That -- well, let me ask you, what do you
14 want to do?

15 JOHN-3: Steve, don't -- I'm the messenger
16 here. All right? But I'm just --

17 STEVE SCHNEIDER: No, no. I'm just saying --

18 JOHN-3: -- trying to get --

19 STEVE SCHNEIDER: -- I don't know what --

20 JOHN-3: -- my point across and --

21 STEVE SCHNEIDER: I -- no, and you are. You
22 have been for -- I mean, for three weeks now, believe
23 me, it's been the same -- if you go back and listen to
24 all the things that have been said by the negotiators,
25 nothing's changed. I, I've heard very well from the
beginning and I don't disagree with you. I really

1 | don't. But I'm just saying I don't -- what else can I
2 | do? What else can I do?

3 | JOHN-3: I just wanted you to know that
4 | several days ago David said that it would all be over
5 | in a few days and everyone would be out of there, and
6 | it keeps going on and on. You know?

7 | STEVE SCHNEIDER: Well, I can lay down and
8 | take a good sleep here. I don't know what else to do.
9 | Honestly. I'm --

10 | JOHN-3: Keep working on them.

11 | STEVE SCHNEIDER: I am.

12 | JOHN-3: All right?

13 | STEVE SCHNEIDER: I am.

14 | JOHN-3: Call me back with some numbers.

15 | STEVE SCHNEIDER: I -- if I have them I will.
16 | If I can, you know, I know that I'm going to need to
17 | try to get them to him, because they all already told
18 | me if they do they want, they want to know some things.
19 | And I says, well, what do you want to know? You know,
20 | I'm even asking that: What do you want to know? Give
21 | me an opportunity, because maybe I've heard it myself.
22 | You know, I mean, I'm tr-- no matter what aspect it is,
23 | it's been that way.

24 | JOHN-3: I just wanted to mention that it's
25 | really important, okay? And help me with this, okay?
Just help me keep them, you know, on the, on the right

1 track here. I don't want -- you know, I don't want
2 anything to, to goof up this progress.

3 STEVE SCHNEIDER: Well, I don't -- hey,
4 that's why I -- you know, like coming to the phone
5 right now, it would have been, it would have been to
6 your advantage if I'd have been staying even the last
7 10, 20 minutes with those people talking to them while
8 he's sleeping, because the minute he wakes up there
9 could be five going to talk to him or ten or hanging
10 outside the door. I don't even know. I don't know.
11 So far, no one's come forward and said anything. So --

12 JOHN-3: Okay.

13 STEVE SCHNEIDER: -- so that's why I'm down
14 there still trying to figure it out myself who might --
15 you know, if it's going to be an older person. Maybe
16 some young person might want to just get done and go on
17 out, or whatever. You know, there's so many different
18 kinds of personalities here. Extreme, you know, from
19 one to another. So, it's like a guessing game
20 actually. And I just keep on talking to, you know,
21 this one and that one. First I was going through the
22 hall. I'd sit down with them. And then I asked them
23 if I couldn't talk to as many as possible. And, you
24 know, about half of them -- less than -- well, close to
25 half maybe -- or I was able to talk to at one time.
But of a lot of them, now that I've been called to the

1 | phone, have gone and taken off. So, when I get back to
2 | where they're at, maybe there will be only five, ten of
3 | them. I don't know.

4 | JOHN-3: Steve, will you do what you can for
5 | me?

6 | STEVE SCHNEIDER: That's why, you know --

7 | JOHN-3: Huh?

8 | STEVE SCHNEIDER: -- I told -- that's why I
9 | told the persons to tell you that I was busy with them.

10 | JOHN-3: Yeah.

11 | STEVE SCHNEIDER: For that very reason.

12 | JOHN-3: Okay. But I --

13 | STEVE SCHNEIDER: But now it's --

14 | JOHN-3: -- just wanted to stress how
15 | important it is. Okay?

16 | STEVE SCHNEIDER: Yeah, they're going to
17 | probably pass me off saying well, we gave you time,
18 | Steve. You know, we came and sat down. And now, when
19 | I get back, I know there's not going to be -- I know
20 | that they -- because they're going to take off to do
21 | what they think they've got to do. And whatever's
22 | left, well, I'll keep on talking with them.

23 | JOHN-3: Okay. Well, keep on plugging.

24 | STEVE SCHNEIDER: Okay.

25 | JOHN-3: All right.

 STEVE SCHNEIDER: Talk to you later.

1 JOHN-3: Bye.

2 STEVE SCHNEIDER: Bye.

3 *****

4 UNIDENTIFIED MALE SPEAKER: Dialing.

5 [Telephone dialed, then ringing.]

6 NICOLE: Hello?

7 JOHN-3: Hello. Is Steve there?

8 NICOLE: Who's calling?

9 JOHN-3: This is John again.

10 NICOLE: Okay. Hang on a moment. I'll go

11 get him.

12 JOHN-3: Okay.

13 UNIDENTIFIED MALE SPEAKER: You should be in

14 now. Byron?

15 BYRON SAGE: Yes?

16 UNIDENTIFIED MALE SPEAKER: You should be in

17 now, buddy.

18 BYRON SAGE: Okay. Hello?

19 UNIDENTIFIED MALE SPEAKER: Not yet. They,

20 they went to get him.

21 BYRON SAGE: Hello?

22 UNIDENTIFIED MALE SPEAKER: Not yet. I'll

23 tell you when he comes on.

24 BYRON SAGE: We asked for Steve or David?

25 JOHN-3: Steve.

UNIDENTIFIED MALE SPEAKER TO BYRON SAGE:

1 | Okay. You, you, you're on with John now, John Hylar,
2 | and then when he comes to the phone you'll be on with
3 | him.

4 | BYRON SAGE: Okay.

5 | UNIDENTIFIED MALE SPEAKER: Okay?

6 | (Pause.)

7 | NICOLE: John? Hello?

8 | JOHN-3: Hello.

9 | BYRON SAGE: Hello.

10 | NICOLE: John, Steven's going to take a
11 | message because he's still trying to talk to people
12 | downstairs.

13 | JOHN-3: Is David there?

14 | BYRON SAGE: Okay. This is Byron Sage. Is
15 | David up?

16 | NICOLE: No, he's not.

17 | BYRON SAGE: Okay. This is, this is real
18 | important. Is there any way that you can go ahead and,
19 | and ask -- or get the phone to Dave if he can't make it
20 | to the phone, just briefly?

21 | NICOLE: Oh --

22 | BYRON SAGE: Steve is still talking with the
23 | people downstairs?

24 | NICOLE: Yeah.

25 | BYRON SAGE: Okay. I don't, I don't
necessarily want to interrupt him with that. But if

1 | you could get the phone to David, I would appreciate
2 | it.

3 | NICOLE: Oh. Hang on.

4 | BYRON SAGE: Thank you.

5 | (Pause.)

6 | NICOLE: Hello?

7 | BYRON SAGE: Hi.

8 | NICOLE: Is this Byron Sage again?

9 | BYRON SAGE: Yes, it is.

10 | NICOLE: Oh, look. I tried to call -- wake
11 | him up twice and he is -- I called his name and he's
12 | not responding. He's been up for like 24 or 25 hours.

13 | BYRON SAGE: Yeah. That's, that's two of us.
14 | Is this -- this isn't Rachel, right?

15 | NICOLE: No.

16 | BYRON SAGE: Okay. Aisha maybe?

17 | NICOLE: Sorry?

18 | BYRON SAGE: What, what was your name?

19 | NICOLE: This is Nicole.

20 | BYRON SAGE: Nicole. Okay. I, I thought
21 | maybe it was Ollie's sister. It's very important that
22 | I talk to him. It probably won't take very long. I
23 | understand that, that he's been up at -- frankly, we've
24 | got a, we've got a lot of people, including myself,
25 | that have been up nearly that long as well.

 NICOLE: Yeah.

1 BYRON SAGE: Is there any way that you could
2 possibly just --

3 NICOLE: I tried. I really tried. I mean,
4 he's wounded and he hasn't slept and he's just totally
5 out of it. I, I, I'm not going to go in there, you
6 know. I, I, I called. I knocked on the door. I spoke
7 very loudly. I, I can't get him up.

8 BYRON SAGE: Okay.

9 NICOLE: Okay?

10 BYRON SAGE: Is there any way that you can
11 get -- go down and talk to Steve, let him know that,
12 that -- I'm not trying to be, you know, overly
13 insistent, but then I wouldn't ask you to do this if it
14 wasn't important. I need to talk to him. I think
15 there's some, some things we need to work through, for
16 both of our --

17 NICOLE: Well, Steve --

18 BYRON SAGE: -- best interests.

19 NICOLE: -- Steve said that he didn't want to
20 be interrupted any more because he's trying to get
21 something important across to the people downstairs,
22 and a lot of them is down there listening.

23 BYRON SAGE: Okay. What --

24 NICOLE: And he's already been -- John rang,
25 I think it was fi-- he's just been interrupted so many
times and --

1 BYRON SAGE: Right.

2 NICOLE: He doesn't -- you know, he just
3 doesn't -- he's trying to get something across to --
4 you know, he's talking to them.

5 BYRON SAGE: Right.

6 NICOLE: And they're talking --

7 BYRON SAGE: Nicole, I --

8 NICOLE: -- to him and I --

9 BYRON SAGE: Nicole, I understand. I
10 understand the predicament we're both in. But I need
11 to talk to either Steve, or David, and I'll just kind of
12 -- well, would you mind going up and trying to wake up
13 David again? Tell him that it's Byron Sage, that I
14 just came back from talking with, with the commanders
15 and I need to discuss some matters with him that are
16 important and that, that he needs to address pretty
17 quick.

18 NICOLE: Okay. I'll try.

19 BYRON SAGE: Thank you very much. I'm sorry
20 to run you all over here.

21 (Pause.)

22 NICOLE: Hello?

23 BYRON SAGE: Yes.

24 NICOLE: I, I tried. He's not ans-- I've
25 banged. I, I've ca-- I yelled. He's just not
responding.

1 BYRON SAGE: Do you have any suggestions as
2 to how -- Steve's in his meeting.

3 NICOLE: Yes.

4 BYRON SAGE: And David is, is --

5 NICOLE: He's --

6 BYRON SAGE: -- completely out of it.

7 NICOLE: Yeah, he is. The only thing -- I, I
8 mean, I'm sorry, you know. I've tried. I've done my
9 best.

10 BYRON SAGE: No. And I appreciate it,
11 Nicole, but --

12 NICOLE: The only thing I can suggest is if
13 you call back in, say, half an hour to an hour when
14 Steve might be done talking.

15 BYRON SAGE: Okay. Did -- the key thing is I
16 need to talk to David more than I need to talk to
17 Steven.

18 NICOLE: Yeah. Well, like I'm saying,
19 apparently David has been up for a, a long time, you
20 know. Steve was saying 25, 26, 27 hours --

21 BYRON SAGE: Um-hum.

22 NICOLE: -- straight. And he's -- with his
23 wounds and everything, he's just out.

24 BYRON SAGE: When do you anticipate he will
25 -- this even-- he's normally up by this time of the day
is why I was, I was wondering why he was still down.

1 NICOLE: Well, Steve said that he didn't go
2 to sleep until like -- I don't know, until 2:00 or
3 something in the afternoon, and then the, the things --
4 messages have been playing here as well.

5 BYRON SAGE: Right.

6 NICOLE: Which --

7 BYRON SAGE: Yeah. That's, that's me
8 broadcasting them at you and I, I hope, I hope my name
9 or voice doesn't become an irritant to -- let me ask
10 you this, Nicole, if you don't mind. Are you still
11 there?

12 NICOLE: Um-hum.

13 BYRON SAGE: Okay. Do you have any -- hello?

14 NICOLE: Yes.

15 BYRON SAGE: Okay. Our, our phones are
16 getting a little messed up or something. Do you have
17 any indication as to how many people are going to be
18 coming out this evening?

19 NICOLE: I really couldn't tell you. I have
20 no idea.

21 BYRON SAGE: Okay. Well, will you be one of
22 them, hopefully?

23 NICOLE: I don't know.

24 BYRON SAGE: Okay. Well, I, I sure hope you
25 will be, because we're trying to get this thing, you
know, resolved just as quickly as we can and, and, more

1 | importantly, to be able to, to get the kind of
2 | treatment that, that you all need. And I'm, I'm sure
3 | this has been a long 22 days for you as well as it has
4 | been for me. Can you get a message to Steve then
5 | and --

6 | NICOLE: Yeah, sure. I'll take it. I've got
7 | a pen here.

8 | BYRON SAGE: Okay. Tell him, if you would,
9 | that Byron Sage called, S A G E.

10 | NICOLE: S -- sorry. What was that?

11 | BYRON SAGE: S A G E --

12 | NICOLE: Right. That's --

13 | BYRON SAGE: -- like sagebrush.

14 | NICOLE: -- I've already written your name
15 | down here.

16 | BYRON SAGE: Okay. That I called and he can
17 | reach me through the, through the negotiation number
18 | that he has.

19 | NICOLE: Okay.

20 | BYRON SAGE: Okay? And -- but it's very
21 | important that I talk primarily to David.

22 | NICOLE: Right.

23 | BYRON SAGE: Okay?

24 | NICOLE: Yeah.

25 | BYRON SAGE: All right. And please let him
 | know that I called at this time.

1 NICOLE: What -- let me just check my wa--

2 BYRON SAGE: I've got about 5:24. Let me
3 see.

4 NICOLE: Well, yeah, my watch says 5:25.
5 Yours is --

6 BYRON SAGE: Okay.

7 NICOLE: Okay. I'll write that down.

8 BYRON SAGE: Okay. If you would, please, I
9 would appreciate it. And, and if Steve gets there
10 first, I need to talk to him too. So, ask either one
11 of them, but preferably David, if you can wake him up.

12 NICOLE: Okay.

13 BYRON SAGE: Okay?

14 NICOLE: Okay.

15 BYRON SAGE: Nicole, thank you. I hope, I
16 hope we see you soon.

17 NICOLE: Okay.

18 BYRON SAGE: All right.

19 NICOLE: Bye.

20 BYRON SAGE: Bye-bye.

21 *****

22 JOHN-3: Hello?

23 STEVE SCHNEIDER: Hello. John?

24 JOHN-3: Yes.

25 STEVE SCHNEIDER: Yeah. Okay, Steve calling
back. Did you -- someone said you called? Did you

1 call for me or did someone call for me?

2 JOHN-3: Yes, Steve. Byron wanted to talk
3 to you. He wanted to talk to David. Is David still
4 asleep?

5 STEVE SCHNEIDER: I just checked there just
6 now. Yeah, he's still out.

7 JOHN-3: Hmm. Byron had called for, for
8 David. He --

9 STEVE SCHNEIDER: Oh, he did.

10 JOHN-3: -- he wanted to talk to him. Yeah.

11 STEVE SCHNEIDER: Okay. Someone -- I, I
12 couldn't tell. There was somebody down at the end of
13 the hall there and they, they motioned, and then I says
14 what, and they said the note, I guess it's for David or
15 something, so I didn't know. So, then, finally when I
16 finished with them, I came up to check on him, and I
17 see he's out cold.

18 JOHN-3: Okay. Steve, how are you doing in
19 there?

20 STEVE SCHNEIDER: Well, I was talking for,
21 you know -- like since I left you I was down there that
22 whole time talking to them. And they're saying to me,
23 well, okay, we see a lot of these things now and they
24 say can we go talk to him. And I says, well, he's
25 sleeping. I says what can you do? I said he, he
hasn't had any sleep for 24, 36 hours, somewhere in

1 there. And, you know -- I mean, I was amazed how late
2 he's -- I was kind of -- I wish he wouldn't have stayed
3 up so late last night, you know. He was with --
4 talking with John Cox for quite some time and --

5 JOHN-3: Right.

6 STEVE SCHNEIDER: So, I stayed right there
7 myself and then listened and -- I really -- the truth
8 is, from yesterday, even last night, I thought it was
9 really a good rapport. We were really picking up. I
10 could tell by how they were both talking and acting and
11 -- and then, of course, you know, now, I'm, I'm
12 starting to wonder if it's -- what, what's going on
13 again. I thought we were really going somewhere.

14 JOHN-3: Yes, Steve. You've got to
15 appreciate that, you know, we're, we're under a lot of
16 pressure here too. You know that, right?

17 STEVE SCHNEIDER: Yeah.

18 JOHN-3: And that's, that's the thing that I
19 wanted to impart to you anyhow. And I think that is
20 what Brian (sic) wanted to mention -- or Byron wanted
21 to mention to David.

22 STEVE SCHNEIDER: Uh-huh.

23 JOHN-3: You know what I mean?

24 STEVE SCHNEIDER: I see. Okay. Well, you
25 know, I'm going to keep my eyes on him. And when --
so, you guys, you have different shifts then? It's at

1 | 6 or something?

2 | JOHN-3: Well, it, it varies.

3 | STEVE SCHNEIDER: Oh, it does, huh?

4 | JOHN-3: Steve, like I say, you know, we're
5 | all committed to, to trying to --

6 | STEVE SCHNEIDER: Well, yeah, I --

7 | JOHN-3: -- resolve this.

8 | STEVE SCHNEIDER: -- understand. No, I just
9 | wondered --

10 | JOHN-3: You know?

11 | STEVE SCHNEIDER: -- because, you know, one's
12 | talking to one and, you know, you know, it's how it
13 | goes, but --

14 | JOHN-3: So, can you give me some names as --

15 | STEVE SCHNEIDER: I'm exhausted. Huh?

16 | JOHN-3: Can you give me some names of some
17 | people that you've talked to?

18 | STEVE SCHNEIDER: A lot of them you already
19 | have, you know, a good share of them. And, and there
20 | would not be anything new. I've talked to -- well, I
21 | -- you know, like, say, there must have been like 30,
22 | maybe 40 in there. I just asked the -- I -- what I did
23 | was earlier said hey, look, can I get as many people
24 | together as, as possible here? So, I said, it's so
25 | tiring going all over the place talking to two or three
 | here and there. I said give me an opportunity. And,

1 | you know, there's, there's -- with that many, you know,
2 | I, I almost have to sit down and try to think of some
3 | of the faces that were in there. But most of them, I
4 | think you have them all, because we, you know, over
5 | time have, have given them to you. Those that were --
6 | I was trying to encourage and saying a few things to
7 | them, were saying to me, well, we'd like to go and talk
8 | with David. And I says, well, you know, that's what I
9 | told them, well, he's sleeping right now. And I says
10 | what do you need to know or what do you -- what do
11 | have? And they asked me a couple questions I had
12 | difficulty with and that's when they mentioned that
13 | again. And, so, I -- about that time, that's when I
14 | came up to the phone here.

15 | JOHN-3: Steve, can, can you give me an idea
16 | if anybody will be coming out tonight?

17 | STEVE SCHNEIDER: I don't know, because what
18 | I need to do, see, is talk with David, because I, I
19 | don't know who else he talked to. I was going to try
20 | to find out if he talked to a few more, if they were
21 | getting ready, or just what was going on. Wouldn't you
22 | know in the process he up and passes -- or, you know,
23 | falls asleep, passes out, you know, from being so
24 | exhausted from going -- I, I wished he wouldn't have
25 | done that, you know, go through the night like he did.
But, you know, he did and, and I don't know what he

1 | worked out with somebody or, or what they got going
2 | there. But I, I was trying to find that out just
3 | before I even came to the phone.

4 | JOHN-3: Yeah. Steve, can, can -- you know,
5 | we, we'd like to know, because, you know, it's going to
6 | be getting dark here in another, what, half-hour, 45
7 | minutes?

8 | STEVE SCHNEIDER: Yeah. Probably.

9 | JOHN-3: Yeah.

10 | STEVE SCHNEIDER: So, I don't, I don't --
11 | what time is it even? I don't -- I've gone so long I
12 | -- the whole day's like disappeared on me so quickly.

13 | JOHN-3: It's about ten of 5, five of 5 --

14 | STEVE SCHNEIDER: Okay.

15 | JOHN-3: -- or ten of 6, five of 6.

16 | STEVE SCHNEIDER: Oh, is it really?

17 | JOHN-3: Yeah.

18 | STEVE SCHNEIDER: Oh, wow. Okay. Yeah. Let
19 | me keep on working, you know, and going at it.

20 | JOHN-3: Okay. Can you hold on one second?

21 | STEVE SCHNEIDER: Yeah.

22 | JOHN-3: Okay.

23 | (Pause.)

24 | JOHN-3: Steve?

25 | STEVE SCHNEIDER: Yes.

 JOHN-3: I've just been told that,

1 | apparently, they're going to be moving some vehicles.

2 | You know as you face the front of the house?

3 | STEVE SCHNEIDER: Uh-huh.

4 | JOHN-3: Okay. The left side and the right
5 | side, as you face the house.

6 | STEVE SCHNEIDER: Well, are they, are they --
7 | how are they moving them?

8 | JOHN-3: I'm not sure. I'm not out there, so
9 | I don't know, but --

10 | STEVE SCHNEIDER: Probably running them over,
11 | huh?

12 | JOHN-3: Probably a bulldozer, I imagine.

13 | STEVE SCHNEIDER: Okay.

14 | JOHN-3: But they'll, they'll -- you know,
15 | they don't want to hurt anything. They're going to
16 | move them as gently as possible and they aren't going
17 | to monkey with the motorcycles. Okay?

18 | STEVE SCHNEIDER: I -- the on-- I wasn't even
19 | aware there were motorcycles out there. There are --
20 | there's some out in the front, you're saying?

21 | JOHN-3: Go-carts? Are they go-carts or
22 | something?

23 | STEVE SCHNEIDER: Oh, go-carts. Oh, I see.
24 | Over on the --

25 | JOHN-3: Yeah.

 STEVE SCHNEIDER: -- side of the building.

1 JOHN-3: Yeah. Yeah, that's --

2 STEVE SCHNEIDER: Well --

3 JOHN-3: -- that's where they just --

4 STEVE SCHNEIDER: -- over -- against the
5 building. So, I -- you know.

6 JOHN-3: It's -- no. They aren't -- you
7 know, it's not offensive. They're just moving them
8 out, and that's all I know.

9 STEVE SCHNEIDER: Okay.

10 JOHN-3: Okay?

11 STEVE SCHNEIDER: Yeah.

12 JOHN-3: All right. Now, are you going to go
13 w-- talk to David now or --

14 STEVE SCHNEIDER: Well, I'm going to keep my
15 eye open. You know, I'm still trying to see if I can't
16 get a -- see if I can't get him either woke up or see
17 if he's not coming around still. You know, I'm going
18 to see if -- how long it's going to take here.

19 JOHN-3: Yeah. And if you could continue to
20 talk to those people, I'll tell you, Steve --

21 STEVE SCHNEIDER: Yeah, that's -- well,
22 that's what I've --

23 JOHN-3: -- it's really important.

24 STEVE SCHNEIDER: -- been doing. That's what
25 I've been --

JOHN-3: All right?

1 STEVE SCHNEIDER: -- doing. Yeah.

2 JOHN-3: And if you can get some people out
3 of there tonight, it would be great.

4 STEVE SCHNEIDER: Oh, I'm working.

5 JOHN-3: Yeah. I know you are.

6 STEVE SCHNEIDER: Okay.

7 JOHN-3: Okay.

8 STEVE SCHNEIDER: Bye.

9 JOHN-3: Bye.

TAPE #152
3/21/93
6:14 p.m. - 11:36 p.m.

1 (phone ringing)

2 SHERRY: Hello, hello.

3 JOHN COX: Hello. This is John.

4 SHERRY: Hello.

5 JOHN COX: Can you hear me?

6 SHERRY: Vaguely.

7 JOHN COX: Who's this?

8 SHERRY: This is Sherry.

9 JOHN COX: Sherry. This is John. Is Steve
10 around?

11 SHERRY: Well---

12 JOHN COX: Oh. Never mind. Sherry. Don't
13 run off. I've got a message for you. This is John,
14 your friend.

15 SHERRY: John Cox.

16 JOHN COX: How are you?

17 SHERRY: Hi.

18 JOHN COX: How are you?

19 SHERRY: Fine.

20 JOHN COX: And I don't know if I passed it on
21 to you before about contact we had from your mother.
22 I'm just trying to contact a bunch of people in there
23 an let them know that some folks have called and asked.

24 SHERRY: That's good. Did you just get on?

25 JOHN COX: I'm sorry.

SHERRY: Did you just get on?

1 JOHN COX: Well, I've been here for a while.

2 SHERRY: When did you get there?

3 JOHN COX: What time is it? 8:20. Around 6.

4 SHERRY: Well, that's good.

5 JOHN COX: What I wanted to tell you is she
6 indicated that she was in Texas for a while. Hoping
7 you'd come out please. Let me know you're okay. We
8 have a phone number to call her. She'll be in Texas
9 until Wednesday. She left a mobile telephone number
10 and a phone number where we can reach her. An 817
11 number. Where is that, do you know?

12 SHERRY: 817?

13 JOHN COX: Yeah.

14 SHERRY: That's here.

15 JOHN COX: Oh. Okay. It's been a long time.
16 So, we'll give her a call. We'll have somebody give
17 her a call and let her know that we talked to you, we
18 spoke to you, you're doing okay.

19 SHERRY: Yeah.

20 JOHN COX: Any message that you want passed on
21 to her?

22 SHERRY: Um --

23 JOHN COX: And I need something else from you
24 too kid. All this note says is mother. What's her
25 name?

SHERRY: Ruth Moser.

1 JOHN COX: Okay. Got you.

2 SHERRY: Yeah. Let's see. Have her read --

3 all mixed up -- have her read Mark 13.

4 JOHN COX: Okay. That's it?

5 SHERRY: Luke 21.

6 JOHN COX: Okay.

7 SHERRY: Yeah. Well, I'm glad you're back

8 on.

9 JOHN COX: Me too.

10 SHERRY: Yeah.

11 JOHN COX: Enjoy it.

12 SHERRY: Huh?

13 JOHN COX: I enjoy talking to you all.

14 SHERRY: One of these days I'll meet you face

15 to face.

16 JOHN COX: You will. You betcha. I'm

17 looking forward to it.

18 SHERRY: Well, I don't know where Steve is.

19 JOHN COX: Any other message for your mom?

20 SHERRY (aside): This is John Cox.

21 SHERRY: I think he's coming.

22 JOHN COX: Okay because I've got a bunch of

23 messages for other people and --

24 SHERRY (aside): I guess he's got a bunch of

25 messages. Yeah.

SHERRY: Here he is.

1 STEVE: John. It's a pleasure to hear your
2 voice. I'm serious. Oh, brother, I'm worn out.

3 JOHN COX: Oh, no. I'm going to let you get
4 a good night's sleep tonight.

5 STEVE: Yeah. I've been talking since early.
6 I mean I went to bed and I sat up there -- remember how
7 you were talking with them and --

8 JOHN COX: No. I was doing a lot of
9 listening.

10 STEVE: That's true, John, you were.

11 JOHN COX: There was one principal talker and
12 I couldn't believe it that he had you and Rita awake
13 too.

14 STEVE: That's true. I was there until at
15 least 4, I think it was later, 5 by the time I turned
16 in. I slept for about 2 hours.

17 JOHN COX: Just goes to show you. We all
18 have our cross to bear.

19 STEVE: Well, this is it. Well anyway, the
20 whole day I've been trying to -- well, when I'm not on
21 the phone with John-3 --

22 JOHN COX: Listen. It sounds like it was a
23 very successful day.

24 STEVE: Not according to your commanders
25 John-3 and Byron. It sounded like it was a big flop.
David and I, by the time -- he passed out. You know,

1 | because he, he was already working with more -- he told
2 | me to go work with more people which I was doing.

3 | JOHN COX: Between you and me and John-3 and
4 | David, it was quite an improvement. Now, that doesn't
5 | mean everybody is happy but --

6 | STEVE: Yeah, I actually thought that now
7 | that we're getting the momentum, you know, we're
8 | getting going here, I mean, to tell you the truth, I
9 | thought that was really going to be working well.

10 | JOHN COX: It is.

11 | STEVE: It would have even been going further
12 | today but he up and passed out. I talked to these
13 | people. They look past me and say, well, Steve, we
14 | don't mind talking with you, but you know, you're not
15 | going to be answering a whole lot for us.

16 | JOHN COX: We're not going to keep you awake
17 | tonight at all.

18 | STEVE: I told them I wasn't easily insulted.
19 | I mean, what are you going to do.

20 | JOHN COX: You can't be thin skinned, can
21 | you?

22 | STEVE: That's just it, but you know, I'm
23 | saying give me an opportunity to answer some of these
24 | things. I've been around him, I've heard a lot. So, I
25 | mean, I talked and talked and talked. I had as many as
 | somewhere between 30 and 40 sitting down.

1 JOHN COX: Is that right.

2 STEVE: Yeah.

3 JOHN COX: Oh great.

4 STEVE: And then they got the idea John is
5 saying we're supposed to send 30, 40 out. I don't know
6 where -- I says, look --

7 JOHN COX: That seems like a good idea.

8 STEVE: Well, yeah. I told them I agreed
9 with him. I didn't disagree with him at all. I
10 finally came to the place he was so adamant, I says,
11 what do you want me to grab one of these guys by the
12 neck and try to pull him out the door or something.
13 You know --

14 JOHN COX: No. they've got to listen to a
15 little Micah and a little Nam first. We understand
16 that.

17 STEVE: Well, that's it. But --

18 JOHN COX: What I wanted to touch base with
19 you tonight, and I hope you and David both get a good
20 night's sleep tonight, is, I mentioned it to David and
21 I guess I mentioned it to you before, that we've got
22 several people that have either written letters, have
23 contacted us, and we wanted to pass the word to folks
24 in there.

25 STEVE: Well, that sounds good.

JOHN COX: Do you have something that you can

1 write with if I give you some names?

2 STEVE: Yeah, let me get a flashlight --
3 could someone come and hold a flashlight on over here.
4 Thanks. -- I'll write this on a piece of paper here.
5 Grab a pen. Maybe I'll grab this. Okay. Okay. what
6 do you got?

7 JOHN COX: Okay. I'll just give you the
8 names of the people in there and -- that you can
9 contact and if they want to talk to me, I'll pass on
10 the messages. Okay?

11 STEVE: All right.

12 JOHN COX: Jean Borst, B-O-R-S-T.

13 STEVE: Got it.

14 JOHN COX: I presume a female.

15 STEVE: Correct.

16 JOHN COX: Sandra Hardial, H-A-R-D-I-A-L.

17 STEVE: What's the last name?

18 JOHN COX: H, as in Henry, A-R-D, as in
19 dog --

20 STEVE: Harding?

21 JOHN COX: I-A-L.

22 STEVE: I-A-L. Oh, Hardial.

23 JOHN COX: I believe she is British.

24 STEVE: Yeah, she would be.

25 JOHN COX: Sandra, maybe, I don't know.

 STEVE: Right. I remember the first name.

1 JOHN COX: And there is another Brit, I
2 presume, Mike Malcolm, Livingston Mike Malcolm.

3 STEVE: Livingston, okay, Livingston.

4 JOHN COX: Well, we got something from a
5 brother that said Livingston Mike Malcolm. Melissa
6 Morrison. She should be young, I guess. A young girl.

7 STEVE: What's her name?

8 JOHN COX: Melissa Morrison.

9 STEVE: Okay. Melissa. Yeah.

10 JOHN COX: Got a couple messages for David
11 Thibodeaux, Marguerita Vega. I'm pronouncing that
12 right, huh? Scott Senobe. And Jeff Little. And I
13 gave you one last time, I guess.

14 STEVE: Well, the more the merrier. I don't
15 mind.

16 JOHN COX: Well, I know I told you that your
17 sister would be out here and a Wayne Peterson --

18 STEVE: Wayne Peterson?

19 JOHN COX: Who would be Judy's brother.

20 STEVE: Brother. He called or something or
21 what? Not quite called but --

22 JOHN COX: He didn't leave a phone number,
23 that's all. He just called to say hello, wants to make
24 sure everything is all right in there. That's all that
25 was about. But we've had no phone number so I don't
know. I don't know. We would have to try to contact

1 | him somehow and then Shirley Putterman called. That's
2 | Judy's mom.

3 | STEVE: Right.

4 | JOHN COX: Okay. And, yes, I do have a
5 | number for Wayne, 608 area codes for both of them.
6 | That number for Wayne is on the Shirley Putterman call
7 | and there was an Earl Peterson.

8 | STEVE: He called too?

9 | JOHN COX: Called from Madison, Wisconsin.

10 | STEVE: When did they all call? Is this just
11 | lately or --

12 | JOHN COX: Yeah.

13 | STEVE: Just lately. Okay.

14 | JOHN COX: Yeah. And some of them just
15 | trickle in. One of them was the 18th. But we have
16 | phone numbers we can call back and give messages and
17 | then -- I don't have it in front of me but I had the
18 | one that we passed on to you the other night about some
19 | student out in, somebody out in Hawaii that was a
20 | student --

21 | STEVE: Yeah. You had a number for him.

22 | JOHN COX: But you said it didn't --

23 | STEVE: Scheidelman or Schneidler.

24 | JOHN COX: You said the name didn't mean
25 | anything to you.

 STEVE: I think I know who it is now but it

1 seems strange because the person is so long ago that
2 I'm amazed that he would remember me.

3 JOHN COX: Well, he may have seen your name,
4 seen or heard your name in a news conference.

5 STEVE: What a shame. I'm sure he's calling
6 to say hey, I don't believe that you're involved and --

7 JOHN COX: Well, I'm imaging that most of the
8 people that called are just calling to let folks know
9 that they're supportive.

10 STEVE: Is that it then? You don't have a
11 number for this David Scheidler from the University of
12 Hawaii, do you?

13 JOHN COX: I could probably find one. I don't
14 have it in front of me here. But, you know, if there
15 is some kind of message, I'm sure that we could get it
16 back.

17 STEVE: Okay. Thanks.

18 JOHN COX: If you can round up any of those
19 folks, I sure won't hassle you during the night and let
20 you get a good night's sleep.

21 STEVE: Okay. Let me do that. I'm going to
22 pass this around and have them, you know, whoever wants
23 to come here for the messages or to talk to you, you
24 know, that would be fine.

25 JOHN COX: How are things looking? Okay?

STEVE: Yeah, you know, there were until, you

1 | know he fell asleep and --

2 | JOHN COX: Well, maybe he'll get a good
3 | night's sleep.

4 | STEVE: Well, I'm hoping so. You know, I
5 | actually -- he was awake right until, I think it was,
6 | early afternoon. He never got any sleep, so --

7 | JOHN COX: Oh, I know, he'll wake up about 2
8 | o'clock in the morning then.

9 | STEVE: Yeah. How many went out today? Five
10 | it was, huh?

11 | JOHN COX: Yeah, yeah.

12 | STEVE: I know they weren't happy but I
13 | thought we were starting to pick up some steam here
14 | and, I mean, tell you the truth, I was quite surprised
15 | about the reaction. Even at that time I'm down there
16 | talking to people like constantly. Never let up.

17 | JOHN COX: Yeah. We know you are. Maybe
18 | we'll have another good day tomorrow.

19 | STEVE: I'm hoping so. I really am.

20 | JOHN COX: He talked to quite a few today or
21 | you just had a chance to talk?

22 | STEVE: You know, he was, like I was telling
23 | John-3, if it wasn't for his wounds, you know, he wears
24 | -- I mean, he was talking to you for so long --

25 | JOHN COX: Well, he sure was on a roll.

 STEVE: Oh, he was. He was. I got to hear a

1 | lot of what he was saying and, I mean --

2 | JOHN COX: It sounded like he had plenty of
3 | energy.

4 | STEVE: Can you imagine the guy going up
5 | against any scholar in the world. I mean, he can go on
6 | for hours and hours without a Bible, in total context
7 | of the chapter and logical progression and I mean, I
8 | was hoping that while he was talking he was going to
9 | get into some physics or astronomy.

10 | JOHN COX: You were, huh?

11 | STEVE: Oh yeah. Because those are the
12 | things I like to hear myself and it really gets deep
13 | and --

14 | JOHN COX: At 3 o'clock in the morning?

15 | STEVE: That's why I was staying awake. I'm
16 | telling you. I mean, I've had engineers and
17 | psychologists with me to the guy and they walk away
18 | saying where on earth did the guy get this information
19 | and there's been a number that have really tried to hit
20 | him hard and that's what I enjoy. I like to sit back
21 | and observe and watch it. I mean --

22 | JOHN COX: We got some more folks that he's
23 | finally going to talk to tomorrow morning?

24 | STEVE: Oh, yeah. I know he is. Because he
25 | -- just before he passed out he was going to do that.
That's why when I talked to John-3, you know, he wanted

1 | all these people out. And, I, I'm like stuck, as I
2 | say, I'm going to just keep on talking to him. Then
3 | he'd call me back and forth to the phone all afternoon.
4 | He meant well, I know. They're all anxious. I said,
5 | the only thing I could do really, I suppose, is grab --
6 | I mean I tried to wake him up. He wouldn't wake up for
7 | anything. I said I suppose I could grab somebody and
8 | try to yank them out of here but I wouldn't be able to
9 | get them down the road, certainly, you know --

10 | JOHN COX: Maybe it's best you get a good
11 | night's sleep and let him get a good night's sleep and
12 | maybe he can have, have some prayer sessions with some
13 | folks in the morning and --

14 | STEVE: And right after 9 we'll call or you
15 | can call or --

16 | JOHN COX: Sure. Sure.

17 | STEVE: I'll tell you what though, honestly,
18 | it's a pleasure to talk to you again, it really is.
19 | I've always enjoyed spending some time with you and --

20 | JOHN COX: Whether it's me or anyone else out
21 | here, we're all working towards the same thing.

22 | STEVE: Well, you know, there's different
23 | tactics, different psychologies and what you do helps
24 | me. I mean, you know, I'll tell you, it is hard. It
25 | really is. And I'm just going to keep right on going
 | anyway but when I'm called back and forth to the phone

1 every so many minutes and all that, it's like I'm
2 getting absolutely nowhere. And like I had 30 to 40
3 people together, called to the phone, got back, there
4 was less than half of them still sitting there. You
5 know, they didn't wait. So --

6 JOHN COX: Well, I just wanted to get with
7 you early this evening so you can get a chance to
8 contact some of these people and have them call me and
9 we can talk to them.

10 STEVE: Okay. I'll go pass this out. I'll
11 go try to find as many as I can. I'll hand them the
12 list and ask them if they can't get a hold of the rest
13 of the people.

14 JOHN COX: Okay, of there's some problems,
15 are you going to let me know or going to let one of
16 them let me know, or something?

17 STEVE: All right.

18 JOHN COX: You know.

19 STEVE: Yeah, for sure, I'll do that.

20 JOHN COX: And if you need me for something,
21 give me a call and if I'm not here, one of the other
22 fellows will be here to talk to you.

23 STEVE: I appreciate it. I really -- I'll
24 tell you the truth, do you know why all those people
25 came out? Well, you know, he's a -- well, he explained
it to you on the phone but it's a person like yourself,

1 I mean, whether you believe it or not, at least you
2 have the politeness and the decency, I mean, it's hard
3 on a person like you. I know it would be. Especially
4 if you don't buy it. I really -- I sympathize with
5 anybody that would sit for hours. If you --

6 JOHN COX: Well, we've all been very patient.

7 STEVE: Maybe you can keep a reserve in the
8 back of your mind when you start seeing things happen.
9 I'm not saying they're going to happen immediately, but
10 I don't know, I see something to these prophecies, so
11 --

12 JOHN COX: Hope so.

13 STEVE: Oh, yeah, you know that or I'd have
14 been out of here -- I'd have flow out of here long ago.
15 But anyway --

16 JOHN COX: Sure, sure. But give us a call
17 and see if you can run down some of those folks for us.

18 STEVE: Okay. We'll do it.

19 JOHN COX: Okay, thanks a lot.

20 STEVE: No problem.

21 JOHN COX: Appreciate it.

22 STEVE: 'bye.

23

24

* * * * *

25

JUDY: Hello.

1 JOHN COX: Hello.

2 JUDY: Hi. I got something in my mouth.

3 JOHN COX: I can't hear you too well. Can
4 you hold on?

5 JUDY: Oh, you want me to call back?

6 JOHN COX: How is that?

7 JUDY: Yeah, I can hear you. Can you hear
8 me?

9 JOHN COX: Not hardly at all.

10 JUDY: Really, oh.

11 JOHN COX: Are you on the -- shoot -- I don't
12 know what the problem is. Who is this?

13 JUDY: Judy.

14 JOHN COX: Judy, are you on the regular phone
15 there at Steven's?

16 JUDY: Is this the regular phone, Steve?
17 Steve, is this the regular phone, he wants to know.

18 JOHN COX: I got you.

19 JUDY: You got me now?

20 JOHN COX: I got you.

21 JUDY: Hear me all right?

22 JOHN COX: Yeah, go ahead. I'm sorry.

23 JUDY: I'm supposed to call you and get a
24 message from my mom and brother and dad.

25 JOHN COX: Okay. What is your name again?

JUDY: Judy.

1 JOHN COX: Judy. Judy, Judy, Judy -- oh,
2 that Judy. Let me see. I've got to believe that I'd
3 already passed that thing on to you.

4 JUDY: Uh-huh. When did it come in?

5 JOHN COX: I had an old message that I may
6 have passed it on to Steve or to you. Okay, let me do
7 that. I've got several of them here all right.

8 JUDY: For who? Me?

9 JOHN COX: Yeah. Shirley Putt-Kerman.

10 JUDY: Yeah. Put-Kelman.

11 JOHN COX: Put-Kelman and both, and Wayne
12 Peterson. They've called several times.

13 JUDY: They have?

14 JOHN COX: Several times to, you know,
15 express their concern, see how you are doing, and left
16 their phone numbers.

17 JUDY: What did they say?

18 JOHN COX: And, well, all I have is, you
19 know, express willing to cooperate, and talk to Steve
20 and you and then got a message from Earl Peterson up in
21 Madison. Just was calling for information about you.
22 And, let me see, Shirley, another message -- we got a
23 bunch of them. Advised that she had a message for you.
24 Said that she loves you. Didn't want to record a
25 message but just wanted to pass on that she loves you
and she's praying. And then, we had another message

1 | also from Wayne, you know, same message. Just wanted
2 | to pass them on, kiddo. How are you feeling?

3 | JUDY: Great.

4 | JOHN COX: Are you? That's good.

5 | JUDY: Yeah. Who is this?

6 | JOHN COX: John.

7 | JUDY: You're John-3 or -2 or -1?

8 | JOHN COX: One.

9 | JUDY: You're the number one. Good.

10 | JOHN COX: No. I'm just John-1. I'm not the
11 | number one guy.

12 | JUDY: I'm only kidding.

13 | JOHN COX: But you are feeling better?

14 | JUDY: Yeah.

15 | JOHN COX: Oh, super.

16 | JUDY: So how is this going to work now? Am
17 | I going to say something and you're going to write it
18 | down or do you want me --

19 | JOHN COX: If you want me to pass on a
20 | message to any of them, give me the word and I'll --

21 | JUDY: Yeah, I do. I have something to say
22 | to my brother and --

23 | JOHN COX: -- write it down. Go ahead.

24 | JUDY: The message to my mom and brother can
25 | be combined and then my dad is separate.

JOHN COX: Hang on -- on Wayne. Okay.

1 JUDY: Okay, you ready?

2 JOHN COX: You bet.

3 JUDY: All right. Dearest Mom and brother
4 Wayne and family -- you tell me when you're ready --

5 JOHN COX: Go ahead.

6 JUDY: Thanks for calling. Are you ready?
7 Take shorthand?

8 JOHN COX: Okay. Thanks for calling.

9 JUDY: Please remember what they did to
10 Christ 2000 years ago. Okay? Got it?

11 JOHN COX: Um-hum.

12 JUDY: I will be detained for a while. So I
13 trust that you will take care of your granddaughter
14 Mayanah -- and her name is spelled M-A-Y-A-N-A-H. But
15 is sounds like Min--

16 JOHN COX: Do it again, will you.

17 JUDY: Okay. There is an A after every
18 consonant.

19 JOHN COX: M-A-Y-A-N-A-H.

20 JUDY: Yeah. Sounds like Mina, M-I-N-A.

21 JOHN COX: Yeah.

22 JUDY: Okay. -- for me until this is over.
23 She's adorable and you will love her -- just don't
24 spoil her too much. I have that in a note already.
25 They already know that. Okay. And then --

JOHN COX: Hang on.

1 JUDY: -- just write comma and then H-A, you
2 know, ha, something like that, ha.

3 JOHN COX: Got you.

4 JUDY: She's going to get spoiled anyway so I
5 have to say ha.

6 JOHN COX: It always happens, doesn't it?

7 JUDY: Yeah. Okay. You'll be seeing
8 David's, (our) side of the story and then quote -- are
9 you ready?

10 JOHN COX: Hang on. I don't take shorthand.
11 Go ahead.

12 JUDY: You'll be seeing David's (our) side of
13 the story, "the truth" -- no offense John --

14 JOHN COX: Okay. Go ahead.

15 JUDY: -- soon.

16 JOHN COX: Okay.

17 JUDY: Trust in God. Study the Bible. Don't
18 worry. I love you forever. Judy. I don't want to
19 make you write a whole book here.

20 JOHN COX: Thanks. Okay.

21 JUDY: (indiscernible) and then my dad.

22 JOHN COX: And then for Wayne?

23 JUDY: Well, see that was --

24 JOHN COX: Okay. I've got that. For Mom and
25 Wayne. Okay.

JUDY: Yeah, and, you know, granddaughter,

1 niece, they can figure it out, you know.

2 JOHN COX: You got it. All right. For your
3 father.

4 JUDY: My dad. Dearest Dad -- sort of the
5 same thing -- Thanks for calling. Remember what they
6 did to Christ 2000 years ago. Same thing. You will be
7 seeing David's (our) side of the story, "the truth"
8 soon. Don't worry, trust in God. Can you hear that in
9 the background?

10 JOHN COX: I just hear somebody talking. I
11 can't --

12 JUDY: That's the speaker.

13 JOHN COX: I didn't know if it was somebody
14 in there talking.

15 JUDY: No. Okay. Don't worry. Trust in
16 God. You'll be seeing your granddaughter soon -- I
17 don't know if you know how to spell this word. I really
18 don't know how to spell it.

19 JOHN COX: Hang on. Hang on. Okay.

20 JUDY: You've got, You'll be seeing your
21 granddaughter soon.

22 JOHN COX: You bet.

23 JUDY: And then, this is funny, put, comma
24 Poopykins Number 2. You figure it out. I don't know
25 how to spell it either.

 JOHN COX: Say it again.

1 JUDY: Poopy-kins. Like, you know.

2 JOHN COX: I've got you.

3 JUDY: Poopykins Number 2.

4 JOHN COX: P-O-O-P-Y-K-I-N-S Number 2.

5 JUDY: That's how I spelled it.

6 JOHN COX: Number 2. Whatever that means,
7 he'll know.

8 JUDY: He knows. That what he still calls me
9 and I'm plenty out of that stage.

10 JOHN COX: Okay.

11 JUDY: Okay. Then just, I love you, Judy.

12 JOHN COX: Okay.

13 JUDY: Can you read to me what you've got?

14 JOHN COX: You bet. Hang on, I'm just
15 putting something down here. Dearest Mom and brother
16 Wayne and family, Thanks for calling. Please remember
17 what they did to Christ 2000 years ago. I'll be
18 detained for a while so I trust that you will take of
19 Mayanah for her --

20 JUDY: Oh, wait. Your granddaughter Mayanah.

21 JOHN COX: -- care of Mayanah for you until
22 this is over.

23 JUDY: Wait. For me.

24 JOHN COX: Yeah.

25 JUDY: For you, for me.

JOHN COX: Well, I have written down "for

1 her" but that's for you, until this is over.

2 JUDY: Okay.

3 JOHN COX: She's adorable and you will love
4 her -- just don't spoil her too much. Ha. Ha. You'll
5 be seeing David's (our) side of the story, "the truth"
6 soon. Trust in God. Study the Bible. Don't worry. I
7 love you forever. Judy. How's that?

8 JUDY: Very good.

9 JOHN COX: How's that. The other one, to
10 your dad. Dearest Dad, Thanks for calling. Remember
11 what they did to Christ 200 years ago. You'll be
12 seeing David's (our) side of the story soon. Trust --

13 JUDY: Don't forget -- "the truth."

14 JOHN COX: -- Trust in God.

15 JUDY: Don't worry. Trust in God.

16 JOHN COX: Hang on. Hang on. Trust in God.
17 You'll be seeing your granddaughter soon. Poppykins
18 Number 2. I love you, Judy

19 JUDY: Poopykins.

20 JOHN COX: Well, P-O-O-P-Y-K-I-N-S Number 2,

21 JUDY: Okay. Yeah. He'll know it, if you
22 say 'kins, I guess.

23 JOHN COX: Okay?

24 JUDY: All right. Appreciate it. You got
25 their phone numbers? Right?

JOHN COX: You betcha. You want to -- do you

1 | have them off the top of your head? I've got your
2 | mom's 608/635-4428.

3 | JUDY: Yeah. I don't have my dad's off the
4 | top of my head.

5 | JOHN COX: I got it. 608/221-1775.

6 | JUDY: Exactly.

7 | JOHN COX: How's that?

8 | JUDY: That's it. Okay.

9 | JOHN COX: And you're feeling better?

10 | JUDY: Yeah.

11 | JOHN COX: Sounding pretty good.

12 | JUDY: I feel fine. Tell them I feel fine.

13 | JOHN COX: You sound pretty good.

14 | JUDY: Yeah, we're just waiting to get this
15 | all worked out.

16 | JOHN COX: Hey, aren't we all.

17 | JUDY: Yeah.

18 | JOHN COX: Everything went well today from
19 | what I can see and --

20 | JUDY: You know what though, hey, that guy
21 | was getting pretty obnoxious and aggressive towards the
22 | end.

23 | JOHN COX: Who's that?

24 | JUDY: Byron.

25 | JOHN COX: Why?

JUDY: On the, over the speakers. He was

1 | like, I mean, David sent out 7 people, you know, were
2 | apprehensive already to go out and then he is like a
3 | tiger, I want 30 people out. We're going to mow down
4 | the south side of -- you ran out (indiscernible) your
5 | head up -- he didn't say that but that's what he meant.
6 | And he was just screaming. Anyway. It was kind of
7 | wild.

8 | JOHN COX: It will all be over soon, won't
9 | it, and I just wanted to tell you when Vicky came out
10 | she was taken over to the Hillsboro Hospital.

11 | JUDY: Oh, she was. Yeah. She seemed kind
12 | of --

13 | JOHN COX: They wanted to make sure that they
14 | got, I guess, an IV in her and get some -- make sure
15 | they got some liquids in her and take care of her.

16 | JUDY: Oh, yeah. She did not want to go out
17 | at all.

18 | JOHN COX: Well, from what David told me, she
19 | had been pretty ill. You know, really bedridden.

20 | JUDY: Yeah. She had some kind of high or
21 | low blood pressure.

22 | JOHN COX: She probably needs a pretty
23 | complete physical so that's what she was getting.

24 | JUDY: Okay.

25 | JOHN COX: Better there than someplace else.

 JUDY: Yeah.

1 JOHN COX: Yeah. Well, listen, I'm glad to
2 talk to you.

3 JUDY: Okay. Well, I've got somebody else
4 here for you too.

5 JOHN COX: Great.

6 JUDY: Okay. Appreciate it. Take care,
7 'bye.

8 ROSE: Hello John Number 1.

9 JOHN COX: Who's this?

10 ROSE: This is Rose. Maurice and Melissa's
11 mother.

12 JOHN COX: Hang on. Let me get the right
13 message here now.

14 ROSE: Okay. I'll hold the phone.

15 JOHN COX: I've got a stack of them.

16 ROSE: You have?

17 JOHN COX: Yeah. A bunch of different people
18 called in. Okay, I've got a message -- and your name
19 is Rose?

20 ROSE: That's right.

21 JOHN COX: You sound like you're a Brit.

22 ROSE: Pardon?

23 JOHN COX: You sound like you're a Brit.

24 ROSE: I do. Wow.

25 JOHN COX: This is from the British Vice-
Consul in Houston and it was a message to Melissa from

1 her grandmother and it's, in quotes, we are longing for
2 you to come out safely and to see you. I will look
3 after you. Your cousin, Nicola --

4 ROSE: Nicola.

5 JOHN COX: All I have is Nicola.

6 ROSE: Yeah.

7 JOHN COX: -- is anxious to see you. Love,
8 Grandma.

9 ROSE: Okay.

10 JOHN COX: Do you have any message that you
11 want delivered?

12 ROSE: Well, that she'll see her soon and she
13 is looking forward to seeing them too.

14 JOHN COX: Who is -- what's this?

15 ROSE: Melissa is looking forward to seeing
16 them all soon and she will do it and for them not to
17 worry. It is all written in the Book.

18 JOHN COX: Hang on, hang on. I'm trying to
19 write this down.

20 ROSE: Okay. -- seeing them soon.

21 JOHN COX: Okay.

22 ROSE: Say she's fine, she's great and --

23 JOHN COX: What did you say about the Book?

24 ROSE: Say not to worry what's happened, it's
25 written in the Book.

JOHN COX: Okay.

1 ROSE: So there's no concern for me there.
2 There's no concern for me there at all. Is that the
3 end of message.

4 JOHN COX: Yeah. And you're Rose's mom?

5 ROSE: Melissa's mom.

6 JOHN COX: I'm sorry -- you're Melissa's
7 mother. Okay. Now. Let me just -- I haven't talked
8 to you before, I have? Do you think I've talked to you
9 before?

10 ROSE: I don't think so, no.

11 JOHN COX: Okay. I'll pass that on and, how
12 old is Melissa, about 9, 10, something like that?

13 ROSE: No, 6.

14 JOHN COX: 6. Okay. Let me make something
15 perfectly clear to you, if you didn't already know it,
16 okay, because I haven't talked to you -- have you
17 talked to any of our fellows out here before?

18 ROSE: Well, yes.

19 JOHN COX: Do you know who you talked to?

20 ROSE: I think it was the other John.

21 JOHN COX: Okay. As long as, we just want to
22 make sure that you're doing well, you're healthy,
23 Melissa is doing well. She's healthy.

24 ROSE: Yeah.

25 JOHN COX: You don't have any medical
problems that we should be aware of?

1 ROSE: Not at all, no.

2 JOHN COX: That you are free to leave, and
3 it's strictly your decision not to leave.

4 ROSE: That is true.

5 JOHN COX: Okay, fine, and you understand
6 that, you know, if you want to leave --

7 ROSE: That I can do that at any time I want.

8 JOHN COX: -- you can and you'll be cared
9 for. All you got to do is come down the road and
10 you'll get some medical attention and you'll get other
11 attention and take care of you.

12 ROSE: Yeah.

13 JOHN COX: I just wanted to make sure that
14 you understood that and you can rest assured that we
15 will make a contact with the British Consulate in
16 Houston because we've got the phone number and get the
17 word to them that not only is Melissa healthy but that
18 you are and we'll pass on what you said.

19 ROSE: Okay. Thank you very much.

20 JOHN COX: Okay. You take care of yourself.

21 ROSE: Sure. There's someone else who wants
22 to speak to you.

23 JOHN COX: Fine.

24 JUDY: Okay, 'bye-bye.

25 SANDRA: Hello.

JOHN COX: Hi.

1 SANDRA: Hi.

2 JOHN COX: Who is this?

3 SANDRA: This is Sandra. Sandra Hardial.

4 JOHN COX: Sandra. I haven't spoken to you
5 before.

6 SANDRA: No.

7 JOHN COX: Let me find the message that we
8 have for you. Boy, sounds like Steven has been out
9 working. Rounding everybody up. I have a message.
10 Lloyd Hardial called from Manchester, England -- and
11 I've got the phone number -- to enquire about you. And
12 he's your brother?

13 SANDRA: That's right. Yes.

14 JOHN COX: It doesn't say. That's why I'm
15 just trying to presume. And he said that your mother,
16 Una, sends her wishes that everything is all right and
17 that she loves you. And so, all I want to know is
18 there a message that you have to be returned, because
19 we have the phone number, 226-9550, and we'll be happy
20 to call Lloyd and give him a message if you have one.

21 SANDRA: All right. When will you be doing
22 that?

23 JOHN COX: Probably in the morning.

24 SANDRA: All right. Okay. --

25 JOHN COX: And we realize there's a time
difference over there.

1 SANDRA: Yeah, they're 6 hours ahead.

2 JOHN COX: Yeah, I've been over there before,

3 SANDRA: Just say that I'm thinking of them
4 as well and just tell my mom that she's got to keep on
5 striving on with the weaknesses in her body and I'm
6 thinking (indiscernible) and my father --

7 JOHN COX: Hang on. Hang on. I can't write
8 too fast now.

9 SANDRA: Okay.

10 JOHN COX: Tell mom to --

11 SANDRA: Keep working on her legs.

12 JOHN COX: Okay.

13 SANDRA: I'm thinking of my brother and my
14 father.

15 JOHN COX: And you're thinking of your
16 brother and father.

17 SANDRA: Yes, and my auntie.

18 JOHN COX: And who?

19 SANDRA: My Auntie Joyce.

20 JOHN COX: Hang on. And Auntie Joyce. Okay.

21 SANDRA: And lots of love.

22 JOHN COX: Pardon me.

23 SANDRA: Lots of love,

24 JOHN COX: Lots of love.

25 SANDRA: And that's it.

JOHN COX: Let me ask you something. All of

1 | the people that we're contacting in there, first of
2 | all, we want to make sure that you don't have any
3 | medical problems that we should be aware of, or if you
4 | do have some that we should be aware of, we would be
5 | prepared to give you some medication, some treatment,
6 | when you come out. Do you have any problems at all?

7 | SANDRA: No, not whatsoever.

8 | JOHN COX: Not on any medication or anything
9 | like that?

10 | SANDRA: No.

11 | JOHN COX: Okay. And that you are in there
12 | on your own free will and that you are aware that you
13 | are free to leave anytime that you want and that we'll
14 | welcome you right down the road.

15 | SANDRA: Yeah.

16 | JOHN COX: And you're aware of that.

17 | SANDRA: Yeah, I am.

18 | JOHN COX: Okay, fine. Anything else?

19 | SANDRA: No, that's it.

20 | JOHN COX: Anything I can answer for you?

21 | SANDRA: I'm okay.

22 | JOHN COX: Okay. I enjoyed talked to you.

23 | SANDRA: Thanks very much.

24 | JOHN COX: Bye-bye.

25 | SANDRA: Bye.

* * * * *

1 (phone ringing)

2 JOHN COX: Hello.

3 STEVE: Hello, John.

4 JOHN COX: Hey. I thought you were down for
5 the count.

6 STEVE: Were you?

7 JOHN COX: No, I was in the other room.

8 STEVE: Oh, you were, okay. Yeah -- no, he
9 said he was in the other room. David's here, sitting
10 right by my.

11 JOHN COX: He is?

12 STEVE: Yeah.

13 JOHN COX: I thought he was asleep.

14 STEVE: He probably got a few winks. He
15 still looks tired, but, I doubt that he probably got
16 even that much.

17 JOHN COX: You sound like you just woke up.

18 STEVE: I was just laying down there for just
19 a few moments.

20 JOHN COX: Well, I got to talk to Sherry and
21 Judy and Melissa Morrison's mom, and Sandra Hardial.
22 So, that was nice.

23 STEVE: Good.

24 JOHN COX: Maybe talk to some of the others
25 tomorrow, I guess.

STEVE: Yeah, there -- apparently some must

1 | have turned in already. I passed it out to a couple of
2 | people to get it around so.

3 | JOHN COX: Well, it was good to talk to some
4 | of them.

5 | STEVE: Yeah, David, he's got a couple of
6 | questions for you, I think.

7 | JOHN COX: Okay.

8 | STEVE: Here he is.

9 | JOHN COX: All right.

10 | DAVID: Did you get a good night's rest?

11 | JOHN COX: Well, a good day's rest.

12 | DAVID: A good day's rest.

13 | JOHN COX: Yeah. Start losing track of night
14 | and day.

15 | DAVID: Yeah, we tried to sleep a little bit
16 | the day after going all night with these people and, of
17 | course, I kept dreaming about having this radio on all
18 | day long.

19 | JOHN COX: I thought you dreamt about meeting
20 | me down that road.

21 | DAVID: No, not yet. It's coming.

22 | JOHN COX: Good.

23 | DAVID: Do us a favor.

24 | JOHN COX: Yes, sir.

25 | DAVID: It's very distracting, you know, I'm
fixing to go to another session with some people who

1 | will be out in the morning and, do me a favor, see if
2 | you can get John Dolan and these guys to kind of cut
3 | that radio out. We've heard it. We've heard each one
4 | of those things at least, what eight or nine or ten
5 | times, or. I mean, you know, it's more effective for
6 | these people to get the last of these scriptures down
7 | than it is to hear what they've already heard over and
8 | over again. We haven't yet found the book of John
9 | Dolan in the scriptures yet. So --

10 | JOHN COX: Not yet, huh.

11 | DAVID: John -- is it John-3?

12 | JOHN COX: Who, me?

13 | DAVID: No, no. -- oh -- this one guy you've
14 | got there. What's his last name, Steve. John-3, I
15 | mean, he's a finger up the gill, you know what I mean.

16 | JOHN COX: What's he do, strike a nerve or
17 | something?

18 | DAVID: I mean --

19 | JOHN COX: I've never heard that one before.

20 | DAVID: This guy seems to -- it's hard to
21 | explain.

22 | JOHN COX: Uh-huh. He's a good ol' boy
23 | though.

24 | DAVID: I don't know.

25 | JOHN COX: Maybe you're just taking him the
wrong way. You don't know?

1 DAVID: Well, that's serious if we take him
2 the wrong way.

3 JOHN COX: It is, it is. He's well meaning
4 though.

5 DAVID: Oh, well.

6 JOHN COX: You going to be up tonight then?

7 DAVID: Yeah, all night long. Just like last
8 night.

9 JOHN COX: Okay. Okay.

10 DAVID: See if you can't have him back in the
11 back getting refreshments for you all. We don't want
12 to talk to him no more.

13 JOHN COX: Okay. Let me talk to some folks
14 and I guess you're going to be talking to some folks.

15 DAVID: You and Dolan, you know, we'll work
16 this out. I'll personally put in a statement that I
17 want y'all guys to get a raise.

18 JOHN COX: Oh, terrific.

19 DAVID: But, you know, like I said, we must
20 have our understanding and if we don't have that, like
21 I said, it's going to be catastrophe. I can't
22 understand that, okay, if the President was to send you
23 overseas on a mission, right, you know, a serious FBI
24 mission, and you know, you're dealing with another
25 nation, other laws and all this kind -- it's top
secret, all right. He has to brief you the last few

1 | steps before you go, right?

2 | JOHN COX: Um-hum.

3 | DAVID: Okay, so the thing of it is that, you
4 | know, that is a very serious matter for you as an FBI
5 | agent considering everything that is involved. So the
6 | same as here. You know, we don't just teach the good
7 | ol' Gospel, you know, the old four square thing you've
8 | heard for years and years. You know, the fields are
9 | more in depth than that. And, you know, we've been
10 | talking about it. I don't want to belabor the issue
11 | here tonight.

12 | JOHN COX: Sure. Yeah. You got me last
13 | night. Didn't you.

14 | DAVID: Well, no. The thing of it is, is
15 | that we're both gotten. Aren't we?

16 | JOHN COX: Sure.

17 | DAVID: I mean. We both stand before the
18 | same Father, don't we?

19 | JOHN COX: Well, I want to give you the
20 | opportunity to do what you want to do this evening, or
21 | this morning, or --

22 | DAVID: What I've got to do so that we can
23 | get more people out to you.

24 | JOHN COX: Sure.

25 | DAVID: How did Rita, how did Rita act when
she came around? Was she nervous?

1 JOHN COX: Well, I didn't see her.

2 DAVID: Oh, you never got to see her.

3 JOHN COX: No, I didn't see her when she came
4 out and as far as I know, everybody came out and there
5 wasn't any problems and everything worked well.

6 DAVID: Well, those five people that came out
7 today, that's on your credit. Don't put the stars next
8 to John-3's name. He didn't do -- as a matter of fact,
9 he almost hindered it.

10 JOHN COX: We all share. We all share.
11 We're all part of the same big team.

12 DAVID: You caught the fish on that one.
13 Don't tell no fish stories.

14 JOHN COX: We're all part of the same team.

15 DAVID: All he brought back home was the bait
16 on his hook. I mean, that's -- let's be real. I mean,
17 the guy needs to go back to school.

18 JOHN COX: Well, we have different
19 personalities but we have the same purpose in mind, to
20 get things done and --

21 DAVID: Well, so do I. So do I. But you
22 guys can't fight amongst yourselves over there, can
23 you?

24 JOHN COX: We try not to.

25 DAVID: Okay. So we can't -- so if I'm going
to be on your side too, to the degree that you're

1 | trying to obtain the same purpose, then I can't be
2 | fighting with y'all either.

3 | JOHN COX: Well, let me talk to some people
4 | and I'll give you a call back.

5 | DAVID: All right. And if you want to call
6 | back and get in on the study, you're more than welcome
7 | to.

8 | JOHN COX: I hear you.

9 | DAVID: Okay. All right. Thanks, John.

10 | JOHN COX: Sure.

11 | DAVID: Bye.

12 | JOHN COX: Bye

13 |

14 | * * * * *

15 | JOHN COX: Hello.

16 | STEVE: Hello, John.

17 | JOHN COX: Hey Steve.

18 | STEVE: I can't even keep a straight face
19 | here. Listen to this. Of course it's -- sounds like a
20 | Catholic monastery or something.

21 | JOHN COX: What is it?

22 | STEVE: Well, your friends are playing some
23 | unique music here. I suppose now it's going to be a
24 | psychology game or something.

25 | JOHN COX: It's over the --

 STEVE: They must have borrowed this from

1 | Siberia.

2 | JOHN COX: -- PA system?

3 | STEVE: Yeah.

4 | JOHN COX: Is it music or voices or what?

5 | STEVE: You know what it is, of course. You
6 | were there when they chose it, I'm sure, but, anyway --

7 | JOHN COX: I'm not out there privy to what's
8 | going on out there.

9 | STEVE: Let me just share something with you?

10 | JOHN COX: Uh-huh.

11 | STEVE: After all these years of studying all
12 | these religions, listening to the philosophies of men,
13 | in the Bible, in Isaiah 65, it talks about a hundred-
14 | year period where those that don't do God's way in the
15 | final days, they take the mercy that's offered by all
16 | the prophets, what they stated. They get to live a
17 | hundred years of no intercession of God, no holy
18 | angels, all the thoughts of men, they will do unto each
19 | other whatever comes into the minds of men. The tides
20 | of evil will not be held back. Chapter 66 gets into
21 | more detail. All the nightmares, all the things that
22 | men have created through their existence on this earth
23 | becomes a reality for them. This kind of thing that
24 | they're playing for us right now, Halloween will become
25 | a reality for hundred years and men can't die to get
away from it. So you know, what is happening to us

1 | now, we accept it. We probably deserve it because of
2 | our lives, but at the same time, I'm telling you the
3 | truth, you know, it'll become a reality for people for
4 | a hundred years.

5 | JOHN COX: Well, the only thing I can do is
6 | pass on what you're telling me. And let --

7 | STEVE: Okay. You know, whatever comes, you
8 | know, it's fine. Really, it's fine. My concern is not
9 | for myself, here now, not in the flesh. My concern is
10 | for people that are involved in this kind of thing
11 | right here. This country of America that I've loved
12 | all my life, like all the prophets talk about. The one
13 | great nation. A merchandizing nation in the final
14 | days. Very powerful. Very strong. Based on freedom
15 | of speech, religion, all that. It's going to repudiate
16 | those values and it's going to be brought down as an
17 | example to all the world. It's not something I chose,
18 | something I like, but it's in the prophesies and it's
19 | all called Assyria, but there was no Assyria in the
20 | days of Ezekiel. It had long passed away in 620 B.C.
21 | and Ezekiel wasn't written until 570 B.C. So a nation
22 | in the final days has an eagle as it's symbol that
23 | overspreads the lands. So we're finally here. It's
24 | the most powerful nation on earth but all the prophets
25 | talk, in the final days, what's going to happen to this
nation, so highly blessed.

1 JOHN COX: Steve, can you tell me something
2 that would facilitate me convincing some people to
3 knock off what is going on now. I mean, I can try.

4 STEVE: What are you suggesting? I don't
5 mind --

6 JOHN COX: I'm not suggesting --

7 STEVE: If they'd like, they can turn it on
8 louder and leave it on morning, noon and night. I
9 mean, it won't have any effect other than people --
10 it's just going to ruin my opportunity --

11 JOHN COX: I talked to David, you know, and
12 he said --

13 STEVE: He just told me now. Just right now.
14 He said no one is coming out. Nobody.

15 JOHN COX: Yeah. Well, I talked to him
16 earlier and he -- about, I guess there were some
17 recording on then and he said, you know, we've heard
18 the recordings nine or ten time, or whatever and see if
19 you can get somebody to turn them off. I was going to
20 check on that and then you called and said it's not
21 recordings, it's something else on now, so --

22 STEVE: Yeah.

23 JOHN COX: So all I can do is go talk to
24 people --

25 STEVE: There is --

(end of tape)
