TAPE #190

4/2/93

1 (Tape 190)

2 DICK: Hello?

3 HENRY: Hello?

4 DICK: Yeah, who is this?

5 HENRY: This is Henry.

6 DICK: Henry, I'm sorry, this is Dick. Do  
7 you happen to know the number on the Intel side over  
8 there, Henry?

9 HENRY: Hum --

10 DICK: Anything going on?

11 HENRY: No.

12 DICK: Nothing going on, huh?

13 \* \* \* \*

14 UNIDENTIFIED MALE SPEAKER: Hello?

15 UNIDENTIFIED FEMALE SPEAKER: Hello?

16 UNIDENTIFIED MALE SPEAKER: Hello?

17 UNIDENTIFIED FEMALE SPEAKER: Yes. May I  
18 please speak with Kelly Treemont?

19 UNIDENTIFIED MALE SPEAKER: Yeah, I can  
20 barely hear you.

21 UNIDENTIFIED FEMALE SPEAKER: May I please  
22 speak with Kelly Treemont?

23 UNIDENTIFIED MALE SPEAKER: Can you, can you  
24 call back?

25 UNIDENTIFIED FEMALE SPEAKER: Sure. Have a

1 pleasant evening. Good-bye.

2 UNIDENTIFIED MALE SPEAKER: Okay.

3 \* \* \* \*

4 UNIDENTIFIED MALE SPEAKER: Hello?

5 DICK DeGUERIN: This is Dick DeGuerin. We're  
6 -- we need some more time. We don't want to interrupt  
7 what we're doing right now.

8 \* \* \* \*

9 UNIDENTIFIED MALE SPEAKER: Hello?

10 JOHN-3: Hello, is Dick DeGuerin there,  
11 please?

12 UNIDENTIFIED MALE SPEAKER: Who's this  
13 speaking, please?

14 JOHN-3: This is John Hylar.

15 UNIDENTIFIED MALE SPEAKER: Hold on one  
16 second, please.

17 (Pause)

18 DICK DeGUERIN: Hello?

19 JOHN-3: Hello, Dick?

20 DICK DeGUERIN: Yes.

21 JOHN-3: John Hylar.

22 DICK DeGUERIN: Yes, John.

23 JOHN-3: How ya doing? I just --

24 DICK DeGUERIN: All right. I've been coming  
25 out and signaling that we, we're making some real

1 UNIDENTIFIED FEMALE SPEAKER: Oh, I'm sorry to  
2 bother you at all.

3 JOHN-3: No problem.

4 UNIDENTIFIED FEMALE SPEAKER: Thank you.  
5 Have a pleasant evening.

6 JOHN-3: Uh-huh.

7 UNIDENTIFIED FEMALE SPEAKER: Good-bye.

8 \* \* \* \*

9 PHIL: Good morning.

10 JOHN-3: Hello, is -- who's this?

11 PHIL: This is Phil Henry.

12 JOHN-3: Phil, this is John Hylar. Is David  
13 there?

14 PHIL: John -- sorry?

15 JOHN-3: John Hylar. Is David there?

16 PHIL: Well, hold on. I'll see if I can get  
17 him.

18 (Pause)

19 STEVE: Hello?

20 JOHN-3: Hello, Steve?

21 STEVE: Yes.

22 JOHN-3: John Hylar. How ya doing this  
23 morning?

24 STEVE: Do I know you?

25 JOHN-3: Yeah.

1 all his questions answered because, you know, there  
2 were times he was alone and I don't know exactly what's  
3 taken place.

4 JOHN-3: Oh, are you going to talk to him  
5 pretty quick here?

6 STEVE: Yeah, I'll be talking to him today.  
7 I'm, I'm still waiting for him to come out because he  
8 was -- they tell me he wasn't feeling well. He was  
9 back to being kind of down and out again. So, I  
10 thought -- he's been trying to take -- I think they  
11 found like iron here for him and some other things that  
12 -- he was just gulping it down yesterday. I think  
13 that's the thing that helped him. He -- I know he  
14 needs to get the blood -- I don't know how long it  
15 takes to replace like three, three to four pints of  
16 blood. I'm not certain about that sort of thing.

17 JOHN-3: Well, is he still -- what did you --  
18 you mentioned weeping or oozing or some --

19 STEVE: No, he hasn't really being doing that  
20 so much anymore. It's more -- he says -- in the  
21 beginning he didn't have pains around it really. Now  
22 he's getting pains. He's starting to wonder if there's  
23 not parts or fragments in there that are festering or  
24 that are somewhat infected because he says he just  
25 can't understand why now, after all this time, there's

1 | been that we are but we realize whatever information  
2 | has come to us, it has not been controverted by  
3 | scholars of the world. It's come from this guy, David.  
4 | And right along he said that he's had things revealed  
5 | to him. So, the word "wait" is, is a common thing.  
6 | And right now even the attorney -- I'll tell you, I  
7 | don't know what I'm supposed to say but I'm sure this  
8 | is no big deal but the attorney even himself asked  
9 | David. Well, now, it seems like the majority of things  
10 | are, are settled. I mean, you know, there's still  
11 | always some things that need to be worked out.

12 |               There was a major thing David wanted settled  
13 | and I'm not sure where that's at. You know, I mean I  
14 | don't know what the details is but it was a big deal to  
15 | him.

16 |               But the one thing has always been God and  
17 | this thing of time. And he tried to explain that to  
18 | these guys also. It's not that one ever thumbs their  
19 | nose at the system, not that at all because we  
20 | appreciate the people that are involved, how they've  
21 | tried to work and -- but it's always been -- we've  
22 | looked forward for a long time to, to this period of  
23 | time right here. And even the attorney said to David,  
24 | well, can you ask your God for an answer or to show you  
25 | something? You know, he's talking about right away,

1 you know, like 24 hours, 48 hours. And --

2 JOEN-3: That's the indication that we got,  
3 Steve.

4 STEVE: Yeah, and David said in honesty, he  
5 says, I am going to do that. I will do that. He says,  
6 I understand all that you're saying. I appreciate what  
7 you're saying. Through the eyes of man, through,  
8 through, through you being the -- my attorney. I got  
9 to hear that part. He said, you being my attorney, the  
10 FBI negotiators, all these people, he says. I like  
11 these people, he says. That's not the problem, he  
12 says. But I've -- he says since '85 he -- what he told  
13 them, he says, from '85 I've listened and been -- he  
14 said I was a dumb kid with dyslexia. I couldn't speak.  
15 I stuttered. I this, I that. He says, I was stupid.  
16 And he says, in '85, bingo, overnight, he says, I have  
17 all this knowledge, information, able to speak. Nobody  
18 can controvert what I have from a book that a lot of  
19 people say they believe in. So, that's basically what  
20 he said. And he says, I can't go -- there's, there's  
21 this powerful God that I believe has shown me these  
22 things. And that was the problem.

23 So, then they said, well, can you ask him?  
24 He says, I most definitely will be. And that's when  
25 they said to him, well, let us be the first to know.

1 And he says, I will.

2 JOHN-3: Uh-huh.

3 STEVE: So, see, I haven't seen --

4 JOHN-3: That's what he told his attorney?

5 STEVE: Yeah.

6 JOHN-3: Yeah.

7 STEVE: So, I haven't seen him since myself  
8 and I'm, of course, you know, wondering what's  
9 happening. So, --

10 JOHN-3: Well, you're going to talk to David  
11 then this morning?

12 STEVE: Yeah, most definitely. And a lot of  
13 times -- well, just lately there's been a few times in  
14 the last three, four days he's called me to his room.  
15 So, I'm kinda waiting for him to do that, you know,  
16 when he feels well enough where he can think, he can  
17 really talk clearly.

18 It has been -- I'll tell you the truth, it's  
19 been a problem, you know, with his health, with being  
20 really run down. I, I don't know that he's been -- I  
21 don't know how serious it's been. I, I got a feeling  
22 it's just a recovery of where he doesn't have enough  
23 iron or enough blood or I, I don't know, you know. But  
24 I can tell that he's weak. And a lot of times it takes  
25 him a lot of effort to, to make some plain clear

1 statements. And the attorney really noticed it the day  
2 before yesterday. In fact, he had to leave a couple of  
3 times. He just couldn't handle it. And the attorney  
4 did notice that. So, I just kind of talked with him  
5 for a little bit until he could recover. That's why  
6 especially then did I request -- not that there's going  
7 -- this is going to be turned into some kind of a  
8 circus with 1000 attorneys here because we're not even  
9 into that.

10 JOHN-3: Yeah.

11 STEVE: And that's why I requested more  
12 clearly that Zimmerman come because I thought if I  
13 could answers to share with these people, at least we  
14 could get some movement going. So, that did help.

15 JOHN-3: So, you were satisfied with  
16 Zimmerman?

17 STEVE: Yeah. He's, you know -- I, I really  
18 believe that he's a person that wants to see it done  
19 right and, you know, he's concerned for all involved  
20 and, and I -- you know, I don't have any -- I'd be more  
21 than happy to continue with the man. I don't have any  
22 problems there. So, --

23 JOHN-3: Well, I understand he's got a good  
24 reputation. I've told you that before, Steve.

25 STEVE: Yeah. See, that's -- I don't know

1 anything about, you know, Texas or anything. So, you  
2 know, what I hear, I guess it's -- you know, you only  
3 can go by a little bit of what you hear and -- so,  
4 other than that, I don't know a whole lot about it.

5           JOHN-3: Regretting David's medical attention  
6 and, and anybody else in there that needs it, I know  
7 that we've told you and I know that the attorneys  
8 probably mentioned that you were going to have ample  
9 medical attention for him when he comes out of there.  
10 So, --

11           STEVE: Right. Well, see, that's been, you  
12 know, right, right from the beginning that's been a  
13 problem because the way he is with his God, even though  
14 he knows he needs the attention, he's, he's, he --  
15 honestly, well, I know you wouldn't buy it but in '81-2  
16 he had an experience that he -- man, he's tried to  
17 explain to people. This is why he fears that God  
18 first. I mean even over the loss of life to himself.  
19 I mean for not other people but his own physical being.  
20 And he said he was taken through just a lot of terror  
21 and he looked at himself in a very bad light. And it  
22 was a real horrendous experience he had. And he  
23 learned to put God first, to, to walk in whatever he  
24 saw to be the best thing according to the principles of  
25 the Bible. And he said he had never wish that

1 experience on any human being. He does not have an  
2 enemy that he'd ever want to see go through an  
3 experience like he did. And every now and then, once  
4 in a great while, he'll refer to it. It's written the  
5 Psalm. So, I mean, you know, that's why he's the way  
6 he is and that's why his experience is how it is. But,  
7 you know, like right now, of course, I'm waiting to  
8 hear the details of what he might have today.

9           JOHN-3: Has anyone else in there mentioned  
10 to you, Steve, about coming out?

11           STEVE: Mostly they've been waiting to hear,  
12 you know, what kind of details and information has come  
13 from all this. They're also real concerned, too,  
14 because we have talked about for a long time the  
15 Passover. You know, that was something long before  
16 this came about, which was extremely important. And  
17 they've been wondering -- and, of course, you people  
18 have, have offered -- I don't remember if it was Byron  
19 or who -- about maybe even working something out once  
20 one came out. And they've been trying to figure out  
21 how that could be. Even the attorneys, we were  
22 talking. I believe David might have talked to DeGuerin  
23 about that. I don't know. And then all of a sudden,  
24 here he is again so weak, he can't communicate again.  
25 I mean that -- you know, that -- it's like there's

1 always a hurdle there. So, that's why I'm again  
2 anxious to sit down and, and seen what he might have  
3 now.

4 JOHN-3: Steve, you know, regarding Passover,  
5 you know, we -- you've mentioned that several times in  
6 the past but --

7 STEVE: Yeah.

8 JOHN-3: -- I'd just like to know, when are  
9 you --

10 STEVE: Oh, can I ask you, John, can I ask  
11 you a favor?

12 JOHN-3: Go ahead.

13 STEVE: Can you call me back at 11:00 and --  
14 I wanted to kinda hear this -- I've missed this press  
15 conference for like a week?

16 JOHN-3: Yeah. Well, --

17 STEVE: Is that, is that a problem or --

18 JOHN-3: -- Steve, --

19 STEVE: Yeah.

20 JOHN-3: -- no, that's no problem. Would you  
21 do me a favor?

22 STEVE: Yes.

23 JOHN-3: Call me back just to make sure that  
24 your line is working all right?

25 STEVE: All right. Sure, I'll do that.

1 JOHN-3: Okay.

2 STEVE: I'll call you right after 11:00.

3 JOHN-3: All right.

4 STEVE: Okay. Talk to you then, John.

5 JOHN-3: Yeah.

6 STEVE: Bye.

7 JOHN-3: Bye.

8 \* \* \* \*

9 JOHN-3: Hello?

10 STEVE: Hello, John?

11 JOHN-3: Yeah, Steve.

12 STEVE: Yeah, I was just viewing that. Wayne  
13 Martin called me aside, the attorney here, and he said  
14 that -- well, first of all, I just want --

15 JOHN-3: Hold on. Let me switch phones here,  
16 Steve.

17 STEVE: All right. All right.

18 JOHN-3: Okay. Here we go.

19 STEVE: He reminded me that --

20 JOHN-3: Okay. Go ahead.

21 STEVE: Yeah, he reminded me that apparently  
22 your spokesperson there said that there would be no, I  
23 guess, communication until we initiated it. He  
24 reminded me, also, that he happened to overhear that my  
25 attorney told me I'm not to be speaking to anyone. But

1 | what I'm going to do -- of course, you know, I'm just  
2 | as interested as yourselves to get it resolved. So,  
3 | I'll try to call you when there's something happening  
4 | or when I can find out what we can get going.

5 |               JOHN-3: Steve, the thing I wanted to mention  
6 | to you, you know, what you and your attorney discussed  
7 | is, you know, that's between you and he but I just  
8 | wanted to make sure that we had a line of communication  
9 | here.

10 |               STEVE: No, I realize that. I realize that.

11 |               JOHN-3: Okay?

12 |               STEVE: Yeah.

13 |               JOHN-3: And --

14 |               STEVE: And I'll get back to you as soon as I  
15 | got something.

16 |               JOHN-3: Okay. Steve, --

17 |               STEVE: Yeah.

18 |               JOHN-3: -- before you go, can you tell me  
19 | what are, you know, when, when do you observe Passover?  
20 | Is that something that's, you know, could be a time  
21 | point here when we can get this resolved?

22 |               STEVE: That's what I'm hoping.

23 |               JOHN-3: Yeah.

24 |               STEVE: Truly hoping.

25 |               JOHN-3: What, what are the times that you

1 observe it or the day?

2 STEVE: Well, let me -- I'll try to get it --  
3 as soon as I have it together -- I'm going to try to  
4 get as much information. I'll probably, you know, try  
5 to see what can't be worked out and get you that  
6 information along with any or all other --

7 JOHN-3: Okay. Now, is -- are, are the dates  
8 -- I mean if David says that we will observe it these  
9 dates, is that what -- is that what the indication is  
10 and you just haven't talked to him about it?

11 STEVE: Well, it, it always seemed like there  
12 was something to that but at the same time, you know,  
13 because the attorney requested of him, like I had told  
14 you, I'm wanting to hear myself, you know, what he's  
15 got on that.

16 JOHN-3: Uh-huh.

17 STEVE: So, a lot's going to depend upon his  
18 own communication, I guess. So, as soon as I know  
19 something, definitely make it known.

20 JOHN-3: So, you know, David will be telling  
21 you maybe today what --

22 STEVE: I'm -- that's what I'm totally hoping  
23 for.

24 JOHN-3: You know, the observance time. We  
25 just want it for, you know, logistical purposes, --

1 STEVE: I understand that.

2 JOHN-3: -- you know, to --

3 STEVE: Believe me, I understand that.

4 JOHN-3: Okay. So, --

5 STEVE: Okay.

6 JOHN-3: -- but like I say, Steve, you know,  
7 we just want to make sure in case there's something  
8 that you want, you know, want answered or whatever,  
9 that we keep some communications open. Okay?

10 STEVE: Right. I agr-- I do realize that.  
11 And we'll make sure that the line is working.

12 JOHN-3: Okay.

13 STEVE: Okay. Thank you.

14 JOHN-3: So, we'll talk to you later.

15 STEVE: Okay.

16 JOHN-3: Bye-bye.

17 STEVE: Bye.

18 \* \* \* \*

19 JOHN-1 -- though, huh?

20 NICOLE: No.

21 JOHN-1: No?

22 NICOLE: No.

23 JOHN-1: But some of the other mothers are,  
24 are feeling the same way you feel?

25 NICOLE: Yeah, 'cause we have, you know,

1 | quite a few babies here.

2 |           JOHN-1: When did you run out of milk?

3 |           NICOLE: Well, see, the last lot that you

4 | sent in, five of them went off because we didn't have

5 | any ice for them.

6 |           JOHN-1: Uh-huh.

7 |           NICOLE: And they went sour.

8 |           JOHN-1: Huh.

9 |           NICOLE: Though I guess we ran out about four

10 | days ago.

11 |           JOHN-1: Okay.

12 |           NICOLE: Something like that.

13 |           JOHN-1: Because I was under the impression

14 | that you were -- that you probably had some ice in

15 | there.

16 |           NICOLE: No, we don't.

17 |           JOHN-1: No?

18 |           NICOLE: No.

19 |           JOHN-1: Well, I thought you had a

20 | refrigerator going in there?

21 |           NICOLE: Well, our electricity is turned off.

22 |           JOHN-1: Yeah.

23 |           NICOLE: So, --

24 |           JOHN-1: Well, --

25 |           NICOLE: -- we don't have any ice.

1           JOHN-1:  -- we got the impression that there  
2 was a generator going in there because somebody was  
3 given a cold Coca-Cola the other day when he went in.

4           NICOLE:  Oh, I don't know anything about  
5 that.

6           JOHN-1:  You might want to ask David or Steve  
7 because I think they gave their attorney some ice water  
8 and a cold Coke.

9           NICOLE:  Can you hold for a second?

10          JOHN-1:  You bet.

11          (Pause)

12          (Indiscernible voices talking in the  
13 background).

14          NICOLE:  Hello?

15          JOHN-1:  Hi.

16          NICOLE:  Yeah.  No, they said it was  
17 underground.

18          JOHN-1:  It was what?

19          NICOLE:  The Coca-Cola was underground.  We  
20 do not have any ice.

21          JOHN-1:  Oh, you don't?

22          NICOLE:  None.  Well, you know we don't have  
23 electricity.

24          JOHN-1:  You, you don't have any  
25 refrigeration at all in there?

1 NICOLE: None.

2 JOHN-1: Hum.

3 NICOLE: Nothing, not at all.

4 JOHN-1: Well, I can, I can pass it by some  
5 people in here, Nicole. If you're going to be around  
6 for a while, I'll be happy to call you back.

7 NICOLE: Yeah, okay.

8 JOHN-1: You know.

9 NICOLE: Yeah.

10 JOHN-1: Hold on just a second.

11 (Pause)

12 NICOLE TO OTHERS IN THE BACKGROUND: I want  
13 to get one thing at a time. Get one thing at a time.  
14 I wanted to get one thing at a time.

15 JOHN-1: Nicole?

16 NICOLE: Yeah.

17 JOHN-1: Listen, I'll have to call you back  
18 and I'll, I'll talk to some people --

19 NICOLE: Okay.

20 JOHN-1: -- and see what we can do.

21 NICOLE: Do you want me to stay here then and  
22 just wait around or I'll be upstairs or something.  
23 Okay?

24 JOHN-1: All right. Well, whoever answers  
25 the phone can get you, huh?

1 NICOLE: Okay.

2 JOHN-1: All right.

3 NICOLE: Oh, there's some other people here  
4 that want to talk to you, too.

5 JOHN-1: Sure, go ahead.

6 NICOLE: Some other mothers, okay?

7 JOHN-1: Fine.

8 NICOLE: Okay.

9 JUDY: Hello?

10 JOHN-1: Hi.

11 JUDY: So, are you going to be sending some  
12 milk, then?

13 JOHN-1: Who's this?

14 JUDY: This is Judy.

15 JOHN-1: Judy?

16 JUDY: Yeah.

17 JOHN-1: Well, all I can do is tell you,  
18 Judy, that I'll pass on the request to some people and  
19 see what they have to say.

20 JUDY: Oh, who's this?

21 JOHN-1: John.

22 JUDY: John --

23 JOHN-1: John-1.

24 JUDY: Yeah. Oh, that's good.

25 JOHN-1: And, you know, the, the opportunity

1 is always there for the mothers to bring the babies  
2 out. You know that?

3 JUDY: Oh, yeah, I know but we're waiting.  
4 God said to wait so, you know, we don't want to go  
5 against our religion, you know.

6 JOHN-1: Well, God tol -- we, we can get into  
7 that for, forever, can't we? God told somebody to  
8 wait.

9 JUDY: I don't think God's going to make us  
10 wait forever.

11 JOHN-1: You don't think so?

12 JUDY: No, no, no, no.

13 JOHN-1: But we asked Steven earlier today --  
14 I think John-3 asked Steven when Passover was and he  
15 couldn't get the answer from him. That -- he said he  
16 was going to have to check and call us back.

17 JUDY: Yeah, I know, because the calendars --  
18 the calendars are wrong.

19 JOHN-1: We're not too sure?

20 JUDY: It's not, it's not very far away but  
21 they don't have it right on the calendars. So, we  
22 weren't sure what day it was 'cause they --

23 JOHN-1: David doesn't know?

24 JUDY: -- they killed the guy that usually  
25 keeps up on that.

1 JOHN-1: David doesn't know when Passover is?

2 JUDY: No. Perry's the one that usually  
3 checks --

4 JOHN-1: Yeah.

5 JUDY: -- into it with the Jewish people and  
6 everything.

7 JOHN-1: Yeah, I know.

8 JUDY: And they have a record of it and he  
9 knew but then he got murdered. So, --

10 JOHN-1: What in the world is that?

11 JUDY: That's your -- that's the music you  
12 guys are playing for us.

13 JOHN-1: Oh, yeah.

14 JUDY: We've got it on 24 hours. Yeah, hold  
15 on. Isn't that neat?

16 JOHN-1: Yeah. That's different.

17 JUDY: Yeah. Yeah, it's nice.

18 JOHN-1: Well, all I can say is I can pass on  
19 the request and, and as we've told you before, the, the  
20 door is open.

21 JUDY: Yeah, we know, we know. We're coming  
22 out but we're waiting on God, you know. We believe in  
23 God and (Indiscernible).

24 JOHN: Well, I know you do. We -- hey, --

25 JUDY: You know.

1                   JOHN-1:  -- I don't have any argument there.  
2   We all believe in God.  
3                   JUDY:  I know.  Well, then, I mean this is  
4   America.  
5                   JOHN-1:  But we can't even find out what the  
6   date Passover is yet, can we?  
7                   JUDY:  Well, it's not very far off.  
8                   JOHN-1:  Huh?  Well, I hope not.  
9                   JUDY:  Yeah.  No, it isn't.  I think the  
10   calendar says it's the sixth.  So, it's, it's around  
11   there, a week --  
12                   JOHN-1:  I guess it depends -- I guess it  
13   depends which calendar we're on at the particular time,  
14   huh?  
15                   JUDY:  Really.  Are, are you from  
16   out East?  
17                   JOHN-1:  Huh?  
18                   JUDY:  Where are you from, your accent?  
19                   JOHN-1:  You mean originally?  
20                   JUDY:  Your accent.  
21                   JOHN-1:  Originally, up on the east coast.  
22                   JUDY:  Yeah.  Yeah.  
23                   JOHN-1:  Not from Wisconsin.  
24                   JUDY:  What's wrong with Wisconsin?  
25                   JOHN-1:  Cambridge, Cambridge, Wisconsin or

1 something like that?

2 JUDY: Cambridge, that's where Sue's from.

3 JOHN-1: Is that -- that's where Sue's from.

4 JUDY: That's not where I'm from.

5 JOHN-1: Where, whereabouts?

6 JUDY: Who?

7 JOHN-1: You.

8 JUDY: I was around Madison a lot but I, I  
9 grew up in a small town. I was a real sheltered kid.

10 My mom wouldn't let me out of the yard and, and --

11 JOHN-1: Uh-huh.

12 JUDY: -- she wouldn't let me go to school  
13 movies. I mean this is really --

14 JOHN-1: That's terrible.

15 JUDY: -- bizarre for me. Oh, no, it was  
16 great. I mean she protected me like everything. And  
17 then I spent about 12 years in Hawaii.

18 JOHN-1: That brought -- that was a culture  
19 shock, wasn't it?

20 JUDY: Yeah, it was kind of an awakening.

21 JOHN-1: That kinda bring ya right out of the  
22 shell. Lord. Well, I envy you for having those 12  
23 years.

24 JUDY: Oh, really?

25 JOHN-1: Oh, that had, that had to be great.

1 JUDY: Oh, yeah, okay. It was great, yeah.  
2 I only came here to learn from David. I mean I would  
3 have never left Hawaii if it hadn't been for David.

4 JOHN-1: Well, you were learning out there,  
5 weren't you?

6 JUDY: In Hawaii?

7 JOHN-1: And you were learning in California,  
8 too?

9 JUDY: Well, I came to California because of  
10 David, too.

11 JOHN-1: With Steve.

12 JUDY: Yeah. Because of --

13 JOHN-1: Sure.

14 JUDY: -- David. I mean we both left Hawaii  
15 because of David.

16 JOHN-1: Sure. Sure.

17 JUDY: Yeah. But we couldn't learn much in  
18 Hawaii because our phone bills were getting to be --  
19 I'm, I'm serious, 400 or \$500 a month. And it was like  
20 --

21 JOHN-1: Well, wait till you see what this  
22 month's phone bill is going to be. Huh?

23 JUDY: The phone bill? Oh, we've got a lot  
24 of bills. We're talking car repairs.

25 JOHN-1: Hey, the electric bill is going to

1 | be down, though, isn't it?

2 | JUDY: Yeah. That is one thing I really --

3 | JOHN-1: See, we helped you out there.

4 | JUDY: Yeah.

5 | JOHN-1: The -- you know, I, I understand  
6 | Nicole's plight and I certainly understand yours and  
7 | the childrens and we'll, we'll pass that on but --

8 | JUDY: Yeah.

9 | JOHN-1: -- as we mentioned many times, the  
10 | doors open. We're not kicking it in.

11 | JUDY: Hey, you know, --

12 | JOHN-1: Whenever you feel it's the  
13 | appropriate time, --

14 | JUDY: We know all that.

15 | JOHN-1: -- come, come on out.

16 | JUDY: We're, we're well aware of that.  
17 | That's what you guys want. And, you know, of course  
18 | we're going to come out. But if God says, wait. I  
19 | mean --

20 | JOHN-1: Just remember, --

21 | JUDY: You guys don't know --

22 | JOHN-1: -- God only told one person to wait.  
23 | He didn't tell everybody to wait.

24 | JUDY: But he's told him a lot of things that  
25 | we have seen revealed in the Bible, in the scriptures.

1 | I mean I believe David reveals the Bible. He has  
2 | opened the seven seals. And I believe he's the son of  
3 | God and he's the Lamb. And I could --

4 |               JOHN-1: Go on and on and on.

5 |               JUDY: Yeah, I could go on and on and on for  
6 | years.

7 |               JOHN-1: Well, --

8 |               JUDY: And that's what we've been doing here  
9 | is studying all the time. And I've learned so much. I  
10 | couldn't even give you a, a eyedropper full of it. But  
11 | I, I've another request, too.

12 |               JOHN-1: Let me tell you, I just got a card  
13 | handed to me.

14 |               JUDY: Yeah.

15 |               JOHN-1: And it says, FBI c/o of Koresh,  
16 | Waco, Texas. Dear FBI: God said tell David "Altoona"  
17 | and he will surrender.

18 |               Does that mean anything?

19 |               JUDY: Altoona?

20 |               JOHN-1: This is from the University of  
21 | Wisconsin of Green Bay.

22 |               JUDY: It says what?

23 |               JOHN-1: It says, Dear FBI: --

24 |               JUDY: Yeah.

25 |               JOHN-1: God -- you got a pencil there or

1 something?

2 JUDY: Yeah, I got one right here. Let me --

3 JOHN-1: Okay.

4 JUDY: -- let me write it down now.

5 JOHN-1: Okay.

6 JUDY: Okay. Hold, hold on, hold on.

7 JOHN-1: While you can still see.

8 JUDY: I gotta get a -- yeah. Okay, let me

9 grab a piece of paper here. All right. This looks

10 good. Okay. Now, this is -- tell me the -- okay. You

11 have a card there?

12 JOHN-1: It's, it's a postcard --

13 JUDY: Addressed to the FBI.

14 JOHN-1: -- and on the front of it it's

15 University of Wisconsin-Green Bay, a picture of the

16 University of Wisconsin-Green Bay, okay?

17 JUDY: Okay. And it's for -- it's from Green

18 Bay, Wisconsin?

19 JOHN-1: Well, --

20 JUDY: Is that where it's postmarked?

21 JOHN-1: Postmarked Green Bay, Wisconsin.

22 JUDY: Okay.

23 JOHN-1: And it's addressed to FBI c/o

24 Koresh, Waco, Texas.

25 JUDY: Okay. All right.

1 JOHN-1: Then it says, Dear FBI: --

2 JUDY: Uh-huh.

3 JOHN-1: -- God said tell David --

4 JUDY: Uh-huh.

5 JOHN-1: -- "Altoona", A-L-T-O-O-N-A, and he  
6 will surrender. Well, I have no idea what that's  
7 supposed to mean but maybe when you slip it to David --

8 JUDY: And it's not signed by anyone?

9 JOHN-1: Nothing.

10 JUDY: That's it?

11 JOHN-1: That's it.

12 JUDY: Nothing else on there?

13 JOHN-1: Well, nothing other than it tells  
14 you who took the photograph on the front of the  
15 postcard --

16 JUDY: Yeah.

17 JOHN-1: -- and it describes the University  
18 as Wisconsin-Green Bay.

19 JUDY: And what's the stamp?

20 JOHN-1: That's it.

21 JUDY: What's the stamp?

22 JOHN-1: The stamp?

23 JUDY: The stamp, yes.

24 JOHN-1: Just a 29 cent --

25 JUDY: Oh.

1                   JOHN-1:  -- U.S. stamp, and it's postmarked  
2 Green Bay, Wisconsin.  
3                   JUDY:  Oh, what's the picture on the stamp?  
4                   JOHN-1:  The American flag, I pledge  
5 allegiance.  
6                   JUDY:  The flag.  They used a 29 cent stamp  
7 for a postcard?  
8                   JOHN-1:  Obviously, some affluent people.  
9 Huh?  
10                  JUDY:  I'd say, you know.  
11                  JOHN-1:  You said you had some other  
12 requests?  
13                  JUDY:  Yeah.  This is from some birds out  
14 back, the chickens need some bird -- some chicken feed.  
15                  JOHN-1:  The chickens need chicken feed?  
16                  JUDY:  Yeah, we don't have anything to feed  
17 our chickens.  We used to feed them scraps, you know,  
18 lettuce and --  
19                  JOHN-1:  Have you thought about MREs?  
20                  JUDY:  Yeah, but we decided we'd rather eat  
21 them, the MREs, not the chicken.  
22                  JOHN-1:  Be charitable.  You don't want to  
23 eat the chickens either?  
24                  JUDY:  No.  The kids eat the eggs.  
25                  JOHN-1:  Well, that's one advantage, huh?

1 JUDY: Yeah.

2 JOHN-1: Fresh eggs.

3 JUDY: We need to feed those little things

4 'cause we don't -- we don't want them to croak.

5 JOHN-1: Well, you know they will eventually

6 and they're going to end up in the frying pan or on the

7 plate, right?

8 JUDY: Well, we've never eaten any of them.

9 JOHN-1: You haven't?

10 JUDY: Un-ah.

11 JOHN-1: Well, I know David doesn't have

12 anything against eating chickens.

13 JUDY: Oh, I know that, too, but we --

14 JOHN-1: Shellfish and pork.

15 JUDY: Huh?

16 JOHN-1: Shellfish and pork but nothing

17 negative about chickens.

18 JUDY: Yeah, I know --

19 JOHN-1: How many chickens you've all got

20 back there?

21 JUDY TO OTHERS: How many chickens do we

22 have?

23 JOHN-1: Fifteen or 20 of them or more?

24 JUDY: Approximately 25.

25 JOHN-1: Really?

1 JUDY: I don't know.

2 JUDY TO OTHERS: Do we have that many?

3 JUDY: I'd say 20, 25 chickens.

4 JOHN-1: You don't have any corn in there or  
5 anything?

6 JUDY: Corn?

7 JOHN-1: Yeah.

8 JUDY: No.

9 JUDY TO OTHERS: How many? Yeah, I said 25,  
10 about 25.

11 JUDY: No, we don't have any corn.

12 JOHN-1: Huh. Well, you know, Nicole was  
13 mentioning that you all don't have any refrigeration  
14 unit in there?

15 JUDY: Uh-huh.

16 JOHN-1: It's, it's funny when David's  
17 attorney, DeGuerin, was in the other day that he said  
18 he had ice water and a cold Coke.

19 JUDY: He didn't have ice water. We have  
20 cold water. It stays cold.

21 JOHN-1: Oh, it does?

22 JUDY: Yeah, 'cause it's cold in here. It's  
23 -- you know, we've all got sweaters on and everything.  
24 It's kind of -- I don't know why it's so cold in here  
25 but it's cold. Isn't it -- I guess -- it's sunny

1 out --

2 JOHN-1: You want me to tell you where it's  
3 warm?

4 JUDY: In the frying pan.

5 JOHN-1: I don't, I don't have to tell you  
6 where it's warm, do I?

7 JUDY: No.

8 JOHN-1: On the other side of that door.  
9 Would, would that be an effort in futility?

10 JUDY: Wait a minute. Now, you're talking to  
11 me and somebody else is talking to me. Hold on.

12 JOHN-1: Go ahead.

13 JUDY TO OTHERS: What were you saying? Yeah.

14 JUDY: Yeah. Once it gets hot outside, it  
15 warms up the building.

16 JOHN-1: Uh-huh.

17 JUDY: And then it takes a long time to cool  
18 off, too. So, in the summer we cook. Well, we used to  
19 anyway. But --

20 JOHN-1: 'Cause he was really impressed that  
21 --

22 JUDY: Yeah.

23 JOHN-1: -- he had a, a cold Coke.

24 JUDY: No, he, he didn't have a cold one. He  
25 had a --

1 JOHN-1: Well, it may have been --

2 JUDY: -- probably cool.

3 JOHN-1: It may have seem -- it may have  
4 seemed cold to him.

5 JUDY: He came -- he was here early in the  
6 morning.

7 JOHN-1: Yeah.

8 JUDY: And it, it's -- right now, it's, it's  
9 not -- it's cool right now --

10 JOHN-1: Well, this was a couple of days ago,  
11 not yesterday, the day before, I guess. It was in the  
12 afternoon.

13 JUDY: Well, anyway, we don't have any. I --  
14 we don't have electricity. We, we don't use the  
15 (Indiscernible).

16 JOHN-1: You mean the walk-in icebox down  
17 there doesn't -- it's not cold anymore?

18 JUDY: No, the door's wide open and when our  
19 electricity went out, it was warmer in there than it  
20 was everywhere else.

21 JOHN-1: Is that right?

22 JUDY: Yeah.

23 JOHN-1: Huh.

24 JUDY: Yeah. And that's why the milk spoiled  
25 last time.

1 JOHN-1: Anybody having any health problems  
2 in there?

3 JUDY: Health problems?

4 JOHN-1: Yeah. How's the finger?

5 JUDY: Nothing, nothing other than diaper  
6 rash and (Indiscernible).

7 JOHN-1: How's the finger? Huh?

8 JUDY: Oh, my finger's pretty good.

9 JOHN-1: Is it, really?

10 JUDY: Yeah. I think it's broke in two  
11 places which I didn't really (Indiscernible) before.

12 JOHN-1: I bet it is. I bet, I bet in front  
13 of the knuckle and behind the knuckle.

14 JUDY: Right.

15 JOHN-1: Yeah.

16 JUDY: Yeah.

17 JOHN-1: That's what it looked like looking  
18 at it on the video.

19 JUDY: I couldn't tell. It was -- I was just  
20 more concerned about getting that -- getting rid of the  
21 infection before I tried to straighten it.

22 JOHN-1: Well, something worked there, huh?

23 JUDY: Yeah, I got rid of the infection  
24 eating garlic.

25 JOHN-1: I don't, I don't think -- eating

1 | garlic?

2 | JUDY: Yeah.

3 | JOHN-1: I guess that's one way to do it,

4 | huh?

5 | JUDY: Yeah.

6 | JOHN-1: Do you rub the garlic on it, too?

7 | JUDY: I did that, too. It was pretty harsh.

8 | JOHN-1: The -- I don't know how in the world

9 | you're going to be able to set that bone without having

10 | a doctor do it for you.

11 | JUDY: Oh, I already got it straightened out.

12 | JOHN-1: You're kidding me?

13 | JUDY: No. I got splinters all around it.

14 | Yeah.

15 | JOHN-1: You, you straightened it out?

16 | JUDY: Yeah.

17 | JOHN-1: 'Cause it was sure bent.

18 | JUDY: Yeah, I know. It was really crooked.

19 | JOHN-1: You got a -- you got a splint on it

20 | now?

21 | JUDY: Yeah. I didn't want to put a splint

22 | on it until I got rid of all that infection.

23 | JOHN-1: Uh-huh.

24 | JUDY: Yeah, I couldn't -- I wouldn't want

25 | anybody to stick it in a cast while it was like that.

1                   JOHN-1: What'd you have, the girl that's in  
2 there that's a nurse straighten it out for you?

3                   JUDY: No, I did it myself. I just did it  
4 two days ago, maybe three, four days ago. Anetta was  
5 taking care of it and she's out now. She's not here.

6                   JOHN-1: Yeah, but you had the other, other  
7 nurse in there.

8                   JUDY: Sheila, yeah. She wasn't doing my  
9 finger, though.

10                  JOHN-1: No. Everybody else okay?

11                  JUDY: Yeah, as far as I know. I don't  
12 really talk to everybody.

13                  JOHN-1: Well, I know Scott --

14                  JUDY: Scott's all right.

15                  JOHN-1: -- was concerned about his hand and  
16 his thigh was all right, I guess.

17                  JUDY: His hand (Indiscernible).

18                  JOHN-1: How about David?

19                  JUDY: David seems to be getting better. I  
20 mean he has good days and bad days.

21                  JOHN-1: Yeah. Well, --

22                  JUDY: How are you guys?

23                  JOHN-1: Just great.

24                  JUDY: That's good.

25                  JOHN-1: Just great.

1 JUDY: You are?

2 JOHN-1: Yeah. I mean I always, you know,  
3 felt that I'd get to spend 35 days in Waco, Texas.

4 JUDY: Have you been here for 35 days?

5 JOHN-1: You betcha.

6 JUDY: Isn't this a lovely place?

7 JOHN-1: It is kinda, you know, spring like,  
8 balmy.

9 JUDY: Ohhhh, I hate it.

10 JOHN-1: People treat you real well up here.

11 JUDY: Really. I can't stand Waco, Texas.

12 JOHN-1: Well, would you like to go someplace  
13 else?

14 JUDY: Yeah.

15 JOHN-1: Come on out. I'll see to it that  
16 you go someplace else.

17 JUDY: Yeah. I'm free to go anywhere.

18 JOHN-1: You are.

19 JUDY: Before I came here, I was free to go  
20 anywhere.

21 JOHN-1: Well, --

22 JUDY: I chose to come here to learn the  
23 seals and the truth. More important, (Indiscernible).

24 JOHN-1: Well, now that you've learned them,

25 --

1 JUDY: Huh?

2 JOHN-1: Now that you've learned them, --

3 JUDY: Well, you're saying it's -- I, I'm  
4 done learning, huh?

5 JOHN-1: You're never done learning, right?

6 JUDY: That's right.

7 JOHN-1: I mean you could say, I'm going to  
8 stay in here for another 10 years 'cause I haven't  
9 learned yet, huh?

10 JUDY: I don't think it -- I don't think I  
11 want to stay for 10 years.

12 JOHN-1: Well, the bottom line is the door's  
13 open at anytime for anyone that wants to come out. And  
14 I know what your feelings are and you've already  
15 discussed that with me. And I hope that, that the  
16 talks that David and Steven had with their attorneys  
17 are -- were productive.

18 JUDY: Oh, yeah.

19 JOHN-1: Do you think they were?

20 JUDY: Oh, I think so, yeah. I talked to --  
21 I talked to him a bit, too.

22 JOHN-1: Yeah.

23 JUDY: Yeah.

24 JOHN-1: Well, that's great because they seem  
25 like a couple of pretty sincere attorneys.

1 JUDY: Yeah. Hold -- could you hold just a  
2 minute?  
3 JOHN-1: Sure.  
4 JUDY TO OTHERS: I'm on the telephone. What?  
5 Okay. Can somebody watch her a minute? Thanks.  
6 JUDY: Okay. Yeah. My little baby is saying  
7 she wants some milk and I --  
8 JOHN-1: Oh, I thought she wanted to talk to  
9 me.  
10 JUDY: You want her to talk to you?  
11 JOHN-1: No.  
12 JUDY: She would.  
13 JOHN-1: I bet she would.  
14 JUDY: She would.  
15 JOHN-1: Manayah?  
16 JUDY: You want to talk to her?  
17 JOHN-1: Well, I've talked to her before. I  
18 don't mind.  
19 JUDY: Okay. Hold on just a minute. I'll  
20 let you talk to somebody else. Hold on.  
21 JOHN-1: Go ahead.  
22 RACHEL: Hello. Is, is this John Cox?  
23 JOHN-1: You bet it is.  
24 RACHEL: Oh, she said John-1. So, I know you  
25 as John Cox.

1 JOHN-1: Who's this?

2 RACHEL: Ra -- oh, come one.

3 JOHN-1: Who's this?

4 RACHEL: You mean to tell me you don't  
5 recognize this voice. It's been a -- too long since  
6 you talked.

7 JOHN-1: I haven't been on the phone in  
8 several days.

9 RACHEL: Well, I haven't been on the phone  
10 probably in more than a week.

11 JOHN-1: I know.

12 RACHEL: Do you know who this is now?

13 JOHN-1: Rach?

14 RACHEL: Yeah.

15 JOHN-1: There you go.

16 RACHEL: Rach. Boy, that's getting --

17 JOHN-1: Rachel.

18 RACHEL: Usually my really good friends call  
19 me Rach.

20 JOHN-1: Well, I'm not your enemy.

21 RACHEL: No.

22 JOHN-1: You know that, don't you?

23 RACHEL: Yeah, I know you're not my enemy but

24 I, --

25 JOHN-1: Sure.

1 RACHEL: -- I heard you're getting really  
2 firm there about a week ago or so.

3 JOHN-1: Me?

4 RACHEL: Yeah. I was shocked to hear that it  
5 was you. I was like, John Cox, no way. He  
6 (Indiscernible) nice.

7 JOHN-1: I did get firm.

8 RACHEL: He was very friendly.

9 JOHN-1: Well, I did get firm because --

10 RACHEL: I heard you hung up or something.

11 JOHN-1: I did do that, too.

12 RACHEL: I, I was blown away when I heard  
13 that.

14 JOHN-1: Well, I was -- I had been insulted,  
15 you know. And how would you feel if, if you were  
16 trying to talk reasonable with someone and, and very  
17 calm and very matter of fact and you were insulted?

18 RACHEL: Oh, you were?

19 JOHN-1: Well, I mean I was trying to talk  
20 with David and he's playing his guitar and singing and  
21 --

22 RACHEL: I was there. That was the time,  
23 huh?

24 JOHN-1: Singing tunes and going --

25 RACHEL: Oh, was that the --

1                   JOHN-1:  -- going on and on and singing about  
2 the FBI and the ATF and going on and on.  And I'd say,  
3 David, now let's, let's settle down, let's talk about  
4 it.  And off he'd go again.  He had a buzz on that  
5 night, I guess.

6                   RACHEL:  No.  A buzz of what?

7                   JOHN-1:  Well, I don't know.

8                   RACHEL:  He did not have a buzz.

9                   JOHN-1:  He may -- maybe he was using too  
10 much garlic or something.  I don't know.

11                  RACHEL:  No, he hasn't eaten any garlic  
12 either.  I know 'cause I --

13                  JOHN-1:  Well, maybe he should.

14                  RACHEL:  Huh?

15                  JOHN-1:  Judy said it worked for her.

16                  RACHEL:  Well, yeah, he used to eat garlic a  
17 lot before, you know.  He's not really a health, you  
18 know, very healthy right now but (Indiscernible), I  
19 think.

20                  JOHN-1:  Well, how do you think the meeting  
21 went with the lawyer, pretty good?

22                  RACHEL:  I thought it did.

23                  JOHN-1:  Well, that's great.

24                  RACHEL:  I wasn't, you know, in there,  
25 though, the whole time but --

1                   JOHN-1: No, I didn't expect you would be  
2 but, you know, I'm sure that the -- he'd probably tell  
3 you whether he thought it was, you know, a positive  
4 meeting or, you know, a productive meeting or something  
5 that wasn't a --

TAPE #191

4/2/93

1 (Tape 191)

2 RACHEL: -- the news, you know, see what  
3 happened there.

4 JOHN-1: Yeah.

5 RACHEL: But, you know, after he's finished  
6 there, he usually, you know, is conked out and, you  
7 know, he's pretty worn out after that so -- did you,  
8 did you listen to the news last night?

9 JOHN-1: Yeah.

10 RACHEL: What --

11 JOHN-1: I try to, try to watch CNN whenever  
12 I get a chance.

13 RACHEL: Last night I happened to miss the  
14 10:00 news. I was tired so I didn't hear it.

15 JOHN-1: Uh-huh.

16 RACHEL: What did -- what, what did they say?

17 JOHN-1: Same, same, lawyers in, lawyers out.

18 RACHEL: Lawyers in, lawyers out?

19 JOHN-1: Yeah. I guess the lawyers went in  
20 yesterday morning to talk, what 10:00 yesterday  
21 morning, and came out late yesterday afternoon. And  
22 that's about the only thing they had to say. I mean  
23 the lawyers weren't making any comments to my  
24 knowledge.

25 RACHEL: Oh, really?

1 JOHN-1: Uh-uh.

2 RACHEL: Oh. So, was (Indiscernible).

3 JOHN-1: I, I think David's -- well, I think  
4 both of them went back to Houston. I think --

5 RACHEL: Oh, so they --

6 JOHN-1: -- they had court appearances today.

7 RACHEL: Oh, did they? Oh, I see.

8 JOHN-1: Yeah, you know, on other pending  
9 cases.

10 RACHEL: Uh-huh.

11 JOHN-1: Hey, that's really got a nice beat  
12 to it.

13 RACHEL: (Laughs) Oh, that, the, the noise  
14 out there?

15 JOHN-1: Yeah. Hum.

16 RACHEL: Hum. Yeah, it's different, you  
17 know.

18 JOHN-1: Well, Judy and Nicole said all out  
19 of milk, huh?

20 RACHEL: Oh, yeah. As a matter of fact, five  
21 of them spoiled.

22 JOHN-1: How come?

23 RACHEL: 'Cause we don't -- what do you mean  
24 how come? The milk doesn't last that long without, you  
25 know, it being chilled.

1 JOHN-1: I would think it'd be pretty cool  
2 down, down below.

3 RACHEL: Well, --

4 JOHN-1: Below ground down there.

5 RACHEL: You know, it's cool but it didn't  
6 last, you know, that long. It lasted until, you know,  
7 the last -- like, like I said, there was five. And I  
8 went to take one, you know, Bobbi wanted some milk.

9 JOHN-1: Uh-huh.

10 RACHEL: So, I opened it up and it was really  
11 thick, you know.

12 JOHN-1: Really?

13 RACHEL: Yeah. So, I opened up another one  
14 and they were all thick and sour smelling. It's like  
15 clabber, you know. You know what clabber is?

16 JOHN-1: No.

17 RACHEL: Clabber? Well, I guess if my dad  
18 was here he would have drank it. He likes clabber.

19 JOHN-1: It's just sour milk?

20 RACHEL: You leave it sit out.

21 JOHN-1: Uh-huh.

22 RACHEL: I mean if you want to make clabber,  
23 you leave it sit out just in, you know, room  
24 temperature and it gets real thick and then it starts  
25 separating. The thick, the thick part is on the bottom

1 and then the -- they call it whey, is on the top. It's  
2 like liquid, you know. It -- it's sour. It's very  
3 thick and you can almost eat with a spoon, you know.

4 JOHN-1: Well, then it would probably be  
5 better -- I think we sent 19 or 20 pints in.

6 RACHEL: Nine -- 19, yeah.

7 JOHN-1: And maybe we could try and send in  
8 less but on a more frequent basis. And that would be a  
9 little more helpful?

10 RACHEL: Yeah, unless you would just want to  
11 see ice 'cause when you sent ice that time when you  
12 sent the big gallons, --

13 JOHN-1: Uh-huh.

14 RACHEL: -- the, the ice in the cooler lasted  
15 a while.

16 JOHN-1: Well, --

17 RACHEL: But it's up to you. It doesn't  
18 matter.

19 JOHN-1: What do, what do we have, about, you  
20 know, about 17, 18, 19 youngsters in there that need  
21 the milk, huh?

22 RACHEL: Yeah.

23 JOHN-1: Yeah. Well, I know you're concerned  
24 that the kids are going -- could, could get sick if  
25 they, they don't have their milk also, huh?

1 RACHEL: Well, I mean, you know, babies in  
2 here are used to drinking milk especially, you know,  
3 the babies are used to drinking milk and then they  
4 don't have any. They get, you know, very upset.

5 JOHN-1: I betcha I could tell you how they  
6 could find a whole bunch of milk, though, real cold.

7 RACHEL: Oh, yeah, I know you could.

8 JOHN-1: Right outside, right down the road.

9 RACHEL: Yeah, I knew you would say that.

10 JOHN-1: Well, --

11 RACHEL: But I --

12 JOHN-1: -- isn't that the easiest way for  
13 the babies to get their milk --

14 RACHEL: The easiest --

15 JOHN-1: -- and for --

16 RACHEL: No, that's the hardest.

17 JOHN-1: Why?

18 RACHEL: Because I'm not ready to come out  
19 yet.

20 JOHN-1: Well, I didn't say you. I said the  
21 babies. It's the easiest way for all the, the children  
22 to get their milk.

23 RACHEL: If I'm not mistaken, you're the one  
24 that told me you couldn't understand how a mother could  
25 be, you know, send her child out, --

1 JOHN-1: That's right.

2 RACHEL: -- to be separated from her. So,  
3 they will come out when I come out.

4 JOHN-1: Well, basically, you have to look  
5 out for the welfare of your children, don't you?

6 RACHEL: Yeah. So, you know, --

7 JOHN-1: Huh?

8 RACHEL: -- then send us some milk in then.

9 JOHN-1: No, it's your responsibility, not my  
10 responsibility. And it's David's res--

11 RACHEL: Hey, I'm not the one that started  
12 this.

13 JOHN-1: I know.

14 RACHEL: You guys -- well, not you, the ATF  
15 is the one who came and started blasting --

16 JOHN-1: Look, basically, it's David's  
17 responsibility for the welfare of those people in  
18 there. If he wants to lead them out, they can all come  
19 out. All -- we're standing out here with open arms  
20 waiting to welcome everybody that comes out. But I'll  
21 be happy to pass the request on, you know.

22 RACHEL: Uh-huh.

23 JOHN-1: But if anything happens to any of  
24 those children in there, it's his responsibility.

25 RACHEL: Hey, --

1                   JOHN-1: The door's open.

2                   RACHEL: -- it's not, it's not hard for you  
3 to send in milk either.

4                   JOHN-1: The door's open, kiddo. You just  
5 take care of yourself, huh?

6                   RACHEL: Yeah, but --

7                   JOHN-1: And, and you let your conscience be  
8 your guide.

9                   RACHEL: And then if they refuse to do it,  
10 then they're the ones refusing to also give the milk.  
11 So, --

12                   JOHN-1: Well, all we're saying is the door's  
13 open. The milk's down the road. But I'll pass on the  
14 request. You know I'll do that. I'm not going to tell  
15 you I'll do something and not do it.

16                   RACHEL: Uh-hum.

17                   JOHN-1: But, basically, the way, the way we  
18 look at this is if, if anything happens to any of those  
19 youngsters in there, we're sitting out here. And David  
20 has said that he's ready to come out but he's waiting  
21 for the word. So, --

22                   RACHEL: What do you mean if anything  
23 happens?

24                   JOHN-1: And every, everybody has said that  
25 they're in there because of their own free will and

1 | their own volition.

2 |           RACHEL: Uh-huh.

3 |           JOHN-1: And the bottom line is that they can  
4 | come out whenever they want. So, they can bring their  
5 | children out whenever they want, you know. So, it's  
6 | the adult's responsibility in there. It's David's  
7 | responsibility to care for those youngsters. I can't,  
8 | can't impress that anymore upon you. But as I said, I  
9 | will pass the request on and, and I'm sure that  
10 | Nicole's concerned and Judy's concerned and you're  
11 | concerned for the welfare of your children. There's no  
12 | -- absolutely no question in my mind about that, that  
13 | you're loving parents. But you, you, you have to make  
14 | up your minds some day whether you're going to take  
15 | care of those children or you're just strictly --

16 |           RACHEL: We are --

17 |           JOHN-1: -- going to place it in God's hands.

18 |           RACHEL: Hey, now John, --

19 |           JOHN-1: Huh?

20 |           RACHEL: -- to me, that's a -- that, that  
21 | statement right there -- whether we're going to take  
22 | care of our children or whether we're going to put them  
23 | in God's hands. We are taking care of them and so is  
24 | -- you know, God is watching over, too.

25 |           JOHN-1: Well, that's good but --

1 RACHEL: They're not being neglected  
2 or -- nothing. They're healthy children.

3 JOHN-1: Well, I thought somebody just asked  
4 for milk.

5 RACHEL: Yeah, we did because --

6 JOHN-1: You don't think God's going to  
7 provide the milk for you? Huh?

8 RACHEL: I didn't say that.

9 JOHN-1: Well, God works in strange ways. He  
10 can provide the milk for you.

11 RACHEL: Uh-huh.

12 JOHN-1: All you have to do is walk down that  
13 road and he'll provide it for you.

14 RACHEL: Yeah. I --

15 JOHN-1: You don't believe me.

16 RACHEL: And you can send, send it in here  
17 just as simply.

18 JOHN-1: Hey, I said I'll pass it on, right?

19 RACHEL: Yeah.

20 JOHN-1: That's all I can tell you. And it's  
21 not our responsibility to take care of the people  
22 inside there.

23 RACHEL: Uh, --

24 JOHN-1: Somebody made a decision to stay in  
25 there and it's their decision, you know. And, and as

1 Livingston told us when we asked him to make a tape,  
2 that he wasn't, you know, a pawn for the government to  
3 do something. Well, we're not a delivery service.  
4 We're not a messenger service. We're just trying to  
5 get it resolved. You know that. And, and the other --  
6 the bottom line is we're -- if the milk went in, what  
7 assurances would we have that it went to the children  
8 and not to somebody else?

9 RACHEL: Oh, please.

10 JOHN-1: Huh?

11 RACHEL: The babies get the milk, believe me.

12 JOHN-1: Well, then, none of it should have  
13 spoiled then before they got it before. You should  
14 have been able at least use it up before it spoiled,  
15 huh? We'll see if we can get some in there.

16 RACHEL: I'm not lying to you, John. You  
17 make me --

18 JOHN-1: I'm sure you're not.

19 RACHEL: It sounds like you're, you're, you  
20 know, insinuating that I'm lying, you know.

21 JOHN-1: Absolutely not. Absolutely not.  
22 I'm sure that you tried to save some to use on another  
23 day and, and it spoiled. There's no question in my  
24 mind about that. I don't have any reason to believe  
25 that you'd lie to me. I've -- I never accused you of

1 | doing it before, have I?

2 |           RACHEL: You just said that you don't have  
3 | any assurance -- well, you know what your statement  
4 | was. And the way I thought --

5 |           JOHN-1: Sure.

6 |           RACHEL: -- it was, you were insinuating  
7 | that, you know, --

8 |           JOHN-1: Well, maybe we sent in too much last  
9 | time and we should send in less but maybe --

10 |           RACHEL: Well, --

11 |           JOHN-1: -- try and send it in a little more  
12 | often if we can do it, huh?

13 |           RACHEL: You know, for, you know, as far as  
14 | not having electricity. Otherwise, it would have been  
15 | fine. I mean you sent six gallons before with ice and  
16 | it didn't spoil, you know. The ice lasted in the  
17 | cooler so it was, you know, it never had a chance to  
18 | spoil.

19 |           JOHN-1: Well, I'll see what we can do. You  
20 | know, I certainly can't make any promises to you but  
21 | I'll, I'll certainly pass it on. And I'll see what  
22 | the, the powers to be decide they want to do. I, I, I  
23 | can tell you what they're, they're going to ask me, if  
24 | I asked you people if you were willing to come out.  
25 | And I have and you said, no. That's safe, huh? That's

1 fair.

2 RACHEL: Uh-huh.

3 JOHN-1: That's truthful.

4 RACHEL: Yeah.

5 JOHN-1: Any other problems in there?

6 RACHEL: Not that I'm aware of.

7 JOHN-1: David's not in a verbose mood today?

8 RACHEL: A what?

9 JOHN-1: A verbose mood.

10 RACHEL: What's that?

11 JOHN-1: Not real talkative.

12 RACHEL: I'm not sure. Why? Did you want to

13 talk to him or something?

14 JOHN-1: Huh?

15 RACHEL: Why? Did you want to talk to him?

16 Is that why you're saying that?

17 JOHN-1: Well, if he wanted to talk to me

18 about something, --

19 RACHEL: Well, he's, he's not even near the

20 phone. So, --

21 JOHN-1: Well, --

22 RACHEL: -- I mean just us girls here by the

23 phone.

24 JOHN-1: Well, I tell you what, it's 5:05.

25 Why don't you give me a call back at 6:00.

1 RACHEL: Okay. Mayanah's here.

2 JOHN-1: She is, huh?

3 RACHEL: Yeah.

4 JOHN-1: Did, did you -- well, I'll say,  
5 hello. Go ahead and you call me back at 6, 6:00.

6 RACHEL: Yeah. They'll probably say, no.  
7 That's what I'm expecting.

8 JOHN-1: Well, what do you have a ouija  
9 board in there or something?

10 RACHEL: Oh, John, what -- I don't understand  
11 you. Your attitude has changed.

12 JOHN-1: It's whether you're a pessimist or  
13 an optimist, huh? My attitude hasn't changed from the  
14 first day that I started --

15 RACHEL: Oh, I --

16 JOHN-1: -- talking to you on the phone, not  
17 at all.

18 RACHEL: Well, I guess you were just, you  
19 know, being -- you know, out here being political then.  
20 You were just trying to be nice. But now, you know,  
21 bring out the ouija board, I mean, come on, we're not  
22 Satan worshipers or anything like that.

23 JOHN-1: No, that's not what a ouija board  
24 is. You said that you presumed somebody would say, no.  
25 That's a, that's a guess, isn't it?

1 RACHEL: Yeah.

2 JOHN-1: Well, that's like having a ouija  
3 board. A ouija board is going to tell you what the  
4 answer is.

5 RACHEL: Well, I differ anyway. Here's  
6 Mayanah.

7 JOHN-1: Okay.

8 MAYANAH: Hello?

9 JOHN-1: Hi, Mayanah, how are you?

10 MAYANAH: Want some chicken food and milk.

11 JOHN-1: Why, you -- somebody did a good job  
12 of, of prompting you. You want some chicken food and  
13 you want some milk?

14 MAYANAH: We need milk.

15 JOHN-1: You need milk. I'm sure you do,  
16 darling. You, you tell mama that you --

17 MAYANAH: For my sister.

18 JOHN-1: And your sisters. Well, you, you  
19 tell your mama that I'll pass it on and I love you.

20 Okay?

21 MAYANAH: We need milk.

22 JOHN-1: Okay. You be a good girl and I'll  
23 pass it on. Bye-bye.

24 MAYANAH: (Indiscernible).

25 JOHN-1: What?

1 RACHEL: Hello?

2 JOHN-1: Hi.

3 RACHEL: Yeah, could you hear her?

4 JOHN-1: Yeah, you bet.

5 RACHEL: She talks (Indiscernible). That's

6 funny.

7 JOHN-1: You all take care and --

8 RACHEL: Okay.

9 JOHN-1: -- and give me a call back at 6:00.

10 RACHEL: At 6:00?

11 JOHN-1: Yeah.

12 RACHEL: Okay. Thanks, John.

13 JOHN-1: Okay.

14 RACHEL: Okay.

15 JOHN-1: Bye-bye.

16 RACHEL: Bye.

17 \* \* \* \*

18 JOHN-5: -- John O'Neil, John-5.

19 JUDY: Oh, John-5.

20 JOHN-5: How are you?

21 JUDY: A lot of Johns over there.

22 JOHN-5: Yeah. Who am I talking to?

23 JUDY: This is Judy.

24 JOHN-5: Hey, Judy, how's everything going?

25 JUDY: Pretty good. I don't think I've ever

1 talked to you before.

2 JOHN-5: I don't think so.

3 JUDY: Yeah.

4 JOHN-5: You were talking to John, John-1,  
5 and unfortunately he's not here right now.

6 JUDY: He left?

7 JOHN-5: Well, he had to go and talk to some  
8 folks about some things.

9 JUDY: Okay. So, is he coming back?

10 JOHN-5: Eventually.

11 JUDY: Tonight?

12 JOHN-5: Yeah, I'm sure he will.

13 JUDY: Yeah. Okay. Did he leave a message  
14 with you?

15 JOHN-5: Yeah. And this is concerning the  
16 milk and the chicken feed, is that correct?

17 JUDY: Yeah.

18 JOHN-5: Okay. We ran over to our folks  
19 here, to our bosses, and we let them know what your  
20 requests were.

21 JUDY: Uh-huh.

22 JOHN-5: And their feeling is those sorts of  
23 issues can be discussed after David and his attorney  
24 get their matters resolved.

25 JUDY: Oh, okay.

1 JOHN-5: So, that's where we are right now,  
2 Judy.

3 JUDY: So, I don't know when David's talking  
4 to his attorney again.

5 JOHN: Uh-huh.

6 JUDY: Do you?

7 JOHN-5: No.

8 JUDY: How does he get to talk to him? I  
9 really don't know how that --

10 JOHN-5: Well, what, what can happen in a  
11 situation like that, David can call us and we'll patch  
12 him through.

13 JUDY: Oh, okay.

14 JOHN-5: And we'll take care of that for him.  
15 We're -- we have the numbers for him to call and, and  
16 hopefully the attorney will be on the other end and we  
17 can locate him.

18 JUDY: Hum.

19 JOHN-5: So, how is everything else going in  
20 there for you?

21 JUDY: Oh, the music outside is terrible but  
22 --

23 JOHN-5: Uh-huh. What do they got going out  
24 there?

25 JUDY: Hold on. You hear it?

1 JOHN-5: Yeah. It --

2 JUDY: Yeah.

3 JOHN-5: It sounds like a tone coming forth  
4 and all that.

5 JUDY: A what?

6 JOHN-5: Sounds like a tone coming in there.

7 JUDY: Yeah. It's a tone, all right.

8 JOHN-5: Hey, getting back to David, he  
9 should have discussed most of the issues by now with  
10 his attorney. This thing should have been all  
11 addressed and a decision should have been made.

12 JUDY: Oh, I don't know anything about it.

13 JOHN-5: Has he discussed this with you at  
14 all?

15 JUDY: I know they're working on something.

16 JOHN-5: Uh-huh.

17 JUDY: But I don't -- I, I thought he was  
18 coming back today. I don't --

19 JOHN-5: No, well, I -- he had other matters,  
20 you know.

21 JUDY: Oh, that's right. He had to do some  
22 -- the attorney had other --

23 JOHN-5: That's true.

24 JUDY: -- commitments.

25 JOHN-5: In situations like this, you know,

1 | your attorney is your attorney but, unfortunately, he's  
2 | got to have -- make a living, too, at the same time.

3 | JUDY: That's right.

4 | JOHN-5: And --

5 | JUDY: Well, he'll be making a pretty good  
6 | living having this case.

7 | JOHN-5: Do you have any idea what the hold  
8 | up is on this thing?

9 | JUDY: Do I have any idea?

10 | JOHN-5: Yeah. What's the hold up with David  
11 | and with the attorneys and everybody else?

12 | JUDY: With the attorneys? Well, I guess the  
13 | attorney had other plans for today.

14 | JOHN-5: Yeah. And I think the attorneys,  
15 | from what I gather, have explained things pretty well  
16 | to David and probably outlined all his concerns. But  
17 | what's holding him up from making a decision?

18 | JUDY: The attorney?

19 | JOHN-5: No, David.

20 | JUDY: Yeah, I know. I, I really don't know.

21 | JOHN-5: Uh-hum.

22 | JUDY: I mean all I know is God told him to  
23 | wait and that's the last he's heard. He usually does  
24 | everything according to what God says.

25 | JOHN-5: Uh-huh. So, the idea is --

1 JUDY: Ever since I've known him, for the  
2 last seven years.

3 JOHN-5: I see. So, Judy, let me see if I  
4 understand this correctly. David is just waiting for a  
5 sign, is that correct?

6 JUDY: A sign? Oh, I don't know.

7 JOHN-5: Or telling him what to do or what's  
8 happening here?

9 JUDY: Yeah. He's just waiting on -- I, I  
10 don't really -- I don't want to speak for him. I don't  
11 know.

12 JOHN-5: Yeah, I can understand that.

13 JUDY: As far as I know.

14 JOHN-5: But we're just trying to get a fix  
15 on what's going on in there.

16 JUDY: Yeah. John-1 mentioned something  
17 about Cambridge, Wisconsin. And I gave a --

18 JOHN-5: Uh-huh.

19 JUDY: -- a card to the -- Steve's attorney  
20 to give to, you know, to mail. Is that, is that the  
21 card he's talking about?

22 JOHN-5: I don't think so.

23 JUDY: I think it --

24 JOHN-5: This, this is a postcard that was  
25 mailed from UW Green Bay --

1 JUDY: Green Bay.

2 JOHN-5: -- into here.

3 JUDY: What does that have to do with  
4 Cambridge, though?

5 JOHN-5: Cambridge?

6 JUDY: Yeah, Cambridge, Wisconsin.

7 JOHN-5: I don't know. I'll think about that  
8 for a second. By the way, speaking of attorneys as we  
9 were a few minutes ago, we have no information when the  
10 attorney is going to be returning here.

11 JUDY: What in -- oh, David's attorney?

12 JOHN-5: Right.

13 JUDY: Oh.

14 JOHN-5: Exactly. So, that's something you  
15 folks are going to have to look at.

16 JUDY: What about my attorney?

17 JOHN-5: Your attorney?

18 JUDY: Uh-huh.

19 JOHN-5: Who is your attorney?

20 JUDY: Zimmerman's partner, Levine, is mine.

21 JOHN-5: Uh-huh. Well, again, that's one of  
22 those situations that they're going to be resolved when  
23 they come out, that no more lawyer is going to be going  
24 in there, Judy.

25 JUDY: Oh, really.

1 JOHN-5: Yeah. They've --

2 JUDY: Oh, why's that?

3 JOHN-5: Because you can understand the  
4 situation being a reasonable lady. We're going to have  
5 100 lawyers waiting outside and everybody charge in.  
6 It's going to look like a bus terminal. You can't  
7 quite have that. So, what will happen, as you folks  
8 come out, then your attorney will be assigned to you.  
9 Then he can take it from there.

10 JUDY: But the court system couldn't handle  
11 everybody.

12 JOHN-5: Well, I -- there's going to be some  
13 sort of considerations how this is going to be handled.

14 JUDY: Pardon me?

15 JOHN-5: Excuse me? No, go ahead, why don't  
16 you repeat --

17 JUDY: You said, you said there was going to  
18 be some considerations. I didn't mean -- that doesn't  
19 explain anything to me, I mean.

20 JOHN-5: No, that definitely -- no, what will  
21 happen on this --

22 JUDY: A hundred people out there, you need  
23 100 attorneys. And there's only how many courtrooms  
24 here in Waco?

25 JOHN-5: Well, they'll probably spread it

1 around the country.

2 JUDY: Spread it around the country?

3 JOHN-5: Different venues. What will happen  
4 might be somebody up there -- this is a federal  
5 violation. So, what can happen on situations like  
6 that, you can go to Dallas, you can go to Houston, you  
7 can go down to St. Antonio, change of venue.

8 JUDY: Pardon me?

9 JOHN-5: Change of venue. And a lot of folks  
10 can be heard at the court at the same time. You've had  
11 trials along those lines.

12 By the way, let me -- let's get back to --  
13 let me see, somebody received a call from Steve's  
14 sister. Does Steve have a sister in Cambridge?

15 JUDY: Yeah.

16 JOHN-5: Oh, okay, that's what that was all  
17 about.

18 JUDY: Oh, he got a call from her?

19 JOHN-5: Uh-huh.

20 JUDY: Steve got a call from her?

21 JOHN-5: John Cox got a call from her.

22 JUDY: Oh, John Cox got a call from Steve's  
23 sister. Oh.

24 JOHN-5: That's correct.

25 JUDY: Oh, okay. So, is there any message?

1 Huh?

2 JOHN-5: No, that message will be given to  
3 Steve. It was given --

4 JUDY: Oh, okay.

5 JOHN-5: -- was given, was given to Steve.

6 JUDY: Oh, when did she call?

7 JOHN-5: Oh, a while back, I guess.

8 JUDY: Oh, yeah.

9 JOHN-5: Those sort of things. So, how's  
10 everything going with the kids now? I understand there  
11 was some concern about milk.

12 JUDY: Yeah.

13 JOHN-5: Why don't you tell me a little bit  
14 more about that.

15 JUDY: Well, now, wait a minute. You just  
16 told me that you're not going to send any milk or  
17 chicken feed in until --

18 JOHN-5: That's true but what I'm --

19 JUDY: -- the attorney and David's have  
20 resolved everything.

21 JOHN-5: That's right.

22 JUDY: Okay.

23 JOHN-5: I'm just trying to figure out how  
24 your --

25 JUDY: Well, what do you want to know about

1 it? Milk is white, you drink it, you know, cow's make  
2 it.

3 JOHN-5: Yeah, I can understand that.

4 JUDY: Babies drink it, you know. You know,  
5 it's really not the greatest thing for kids. I mean it  
6 was meant for cows.

7 JOHN-5: Right.

8 JUDY: So, --

9 JOHN-5: Sort of works out there. But the  
10 trick is on this thing is -- I'm trying to figure out  
11 how -- what your -- where your concern is for your  
12 child. And I'm hoping that you're aware of the damage  
13 that's going on with those kids in there.

14 JUDY: Yeah. Well, you know, she nurses,  
15 too, so she can --

16 JOHN-5: So, that's sort of coming from --

17 JUDY: My. my baby's is pretty healthy and  
18 (Indiscernible).

19 JOHN-5: How old is your child?

20 JUDY: She's two and four or five months.

21 JOHN-5: Uh-huh. And what do they do all day  
22 while they're in there?

23 JUDY: They play with each other.

24 JOHN-5: Uh-huh. Do you have a nursery-type  
25 thing in there or what?

1 JUDY: Well, Mayanah is pretty advanced.  
2 I've got her playing with a stamp kit that's --

3 JOHN-5: Uh-huh.

4 JUDY: And she plays with paints, water  
5 colors and markers.

6 JOHN-5: Well, Mayanah, how old is Mayanah  
7 now? She's what --

8 JUDY: Two and five month, four or five  
9 months.

10 JOHN-5: Wow, she's doing colors along that  
11 line?

12 JUDY: Yeah, she's really smart. She's  
13 advanced. She has me read to her, read her Bible  
14 stories.

15 JOHN-5: Uh-huh. Well, that's good, keeps  
16 her mind going.

17 JUDY: Yeah.

18 JOHN-5: And the --

19 JUDY: Potty trained. So, we go to the  
20 bathroom quite a lot.

21 JOHN-5: Yeah. Yeah, how do you handle that  
22 with a child back there?

23 JUDY: What?

24 JOHN-5: Is the -- do you have -- you don't  
25 have -- obviously, you don't have running toilets?

1 JUDY: No, she has a potty chair.  
2 JOHN-5: Oh, she has a potty chair and --  
3 JUDY: Yeah, she would have that no matter  
4 where, you know.  
5 JOHN-5: Uh-huh.  
6 JUDY: A little potty chair.  
7 JOHN-5: And everything is -- I'm just  
8 (Indiscernible) with the situation, Judy. I'm just  
9 thinking --  
10 JUDY: Pardon me?  
11 JOHN-5: I'm just thinking of the problems  
12 here with this kid. See, my --  
13 JUDY: (Laughs).  
14 JOHN-5: -- wife is a kindergarten teacher.  
15 JUDY: Yeah, I, I was doing that for a while,  
16 too.  
17 JOHN-5: And then you can understand the  
18 social and emotional damage that's going on here with  
19 this kid. And my wife was always under the theory that  
20 -- I think she uses the term "developmentally  
21 impairing" or --  
22 JUDY: Hum. Well, I think it's all relative,  
23 you know, I mean where you grow up and --  
24 JOHN-5: Uh-huh.  
25 JUDY: -- and what type of experience you

1 have. I don't know what -- how you grew up or how many  
2 wives you've had or girlfriends --

3 JOHN-5: Uh-huh.

4 JUDY: -- you've gone to bed with or anything  
5 like that.

6 JOHN-5: I see.

7 JUDY: You know what I'm saying? I mean  
8 everybody's damaged in this earth. I mean this earth  
9 damages everyone.

10 JOHN-5: Uh-huh.

11 JUDY: See what I'm saying?

12 JOHN-5: But what you like to do is sort  
13 of --

14 JUDY: People that you are around, influenced  
15 by, the schools you go to --

16 JOHN-5: Uh-huh.

17 JUDY: -- and, you know, people just fall into  
18 all kinds of dangers these days. There's drugs out  
19 there. There's sex maniacs.

20 JOHN-5: Uh-huh.

21 JUDY: There's --

22 JOHN-5: Oh, there's all that running around  
23 out there.

24 JUDY: -- murderers. There's car accidents  
25 and --

1 JOHN-5: Uh-huh.

2 JUDY: -- plane accidents. I mean you -- so

3 --

4 JOHN-5: What you like to do, though, --

5 JUDY: Yeah, we're not in a real great

6 situation right now getting stormed and then --

7 JOHN-5: Uh-huh.

8 JUDY: -- trapped in here but --

9 JOHN-5: What you would like to do is keep  
10 those dangers to a minimum. And what you got -- what  
11 you're --

12 JUDY: You mean like farm her out to somebody  
13 else to watch her with a whole house full of kids?

14 JOHN-5: Well, there's a possibility of that  
15 --

16 JUDY: I mean she loves me and I love her and  
17 --

18 JOHN-5: Uh-huh.

19 JUDY: -- and she loves everybody here.  
20 We're all family and to her, this is quite normal. She  
21 doesn't know anything else.

22 JOHN-5: Yeah.

23 JUDY: Me, now, -- me, on the other hand, I  
24 know a lot nicer conditions.

25 JOHN-5: Uh-huh. Yeah, this type of a

1 situation can be a little on the awkward side, though.  
2 It isn't exactly what you would want for your child, is  
3 that correct?

4 JUDY: It's, it's not what she's going to  
5 have. She's going to have everything. I mean --

6 JOHN-5: What do you mean by she's going to  
7 have everything?

8 JUDY: According to the prophecies. I, I  
9 wouldn't really be able to explain it all to you right  
10 now but --

11 JOHN-5: I see. Is -- have everything in  
12 this life or the next life?

13 JUDY: Like I said, I can't really explain it  
14 to you.

15 JOHN-5: Uh-huh. Okay. Why can't you  
16 explain it to me? We may have a little time here and  
17 we can chat. I'd love to hear you talk. You have a  
18 very nice sounding voice.

19 JUDY: Okay. Well, --

20 JOHN-5: Without getting too heavily into the  
21 scriptures.

22 JUDY: Well, you know -- do you know Psalm  
23 127, Psalms 8, Psalm 49?

24 JOHN-5: Unfortunately, I'm a little rusty on  
25 that type of thing.

1 JUDY: See what I mean -- I mean, to me, just  
2 say these psalms and I, I get a picture of what's going  
3 on.

4 JOHN-5: Uh-huh.

5 JUDY: But maybe David can -- Dave will  
6 probably explain it.

7 JOHN-5: Uh-huh. Is David going to be  
8 talking with us a little bit later on?

9 JUDY: Oh, I imagine he will, yeah.

10 JOHN-5: Sometime tonight?

11 JUDY: Tonight? I don't know about that.

12 JOHN-5: How's he feeling these days?

13 JUDY: Pretty good, I guess. I don't -- I  
14 mean I see him when he's feeling good. If he's not  
15 feeling good.

16 JOHN-5: Uh-huh.

17 JUDY: If he's not feeling good, he just kind  
18 of stays away.

19 JOHN-5: You guys have a Bible --

20 JUDY: Like, you know, I'm busy too. So, --

21 JOHN-5: Have you had a Bible study today?

22 JUDY: Today?

23 JOHN-5: Yeah.

24 JUDY: Yeah, we did.

25 JOHN-5: Okay. Was David in there for you?

1 JUDY: Yeah, uh-huh.

2 JOHN-5: And is he still conducting them?

3 JUDY: Not regularly. He did today.

4 JOHN-5: Uh-huh.

5 JUDY: He -- well, he's always -- he's always  
6 giving a Bible study to someone.

7 JOHN-5: Somebody.

8 JUDY: Maybe not to, to the whole group or to  
9 everyone.

10 JOHN-5: Oh, he has individual as opposed to  
11 group sessions then?

12 JUDY: Well, we always used to have group  
13 sessions and we'd have group sessions and then he'd --  
14 I mean he gives Bible studies 24 hours a day. Wherever  
15 he is, he is a Bible study.

16 JOHN-5: Uh-huh.

17 JUDY: I mean he doesn't think about anything  
18 except what's going on spiritually and in the  
19 scriptures.

20 JOHN-5: I see.

21 JUDY: You know, whatever he's talking about  
22 has to do with the scriptures.

23 JOHN-5: I see. Twenty-four hours a day he's  
24 constantly --

25 JUDY: Well, if he's awake, whoever he's

1 talking to. He's right on target. Ever since I've  
2 known him -- he doesn't take a vacation. He doesn't  
3 say, well, let's go and, you know, go to the zoo or go  
4 --

5 JOHN-5: Uh-huh.

6 JUDY: -- off to Marriott's Great America or  
7 something --

8 JOHN-5: Or something along that line.

9 JUDY: Yeah, he doesn't -- he's always right  
10 on target.

11 JOHN-5: Yeah. So, he -- who did -- how does  
12 he designate who he's going to give private instruction  
13 to?

14 JUDY: I think it's whoever requests it or  
15 needs it or --

16 JOHN-5: I see. Do they come approach him on  
17 that?

18 JUDY: Sometimes he'll approach them or  
19 sometimes they'll approach him or --

20 JOHN-5: Uh-huh.

21 JUDY: -- someone else may say, you know,  
22 listen, this person, you know, had a question they  
23 asked me about. And I couldn't answer it. And they'll  
24 say, oh, well, tell him to come over here or I'll go  
25 see him, whatever.

1 JOHN-5: Uh-huh.

2 JUDY: But he's really --

3 JOHN-5: Yeah. So, he's sort of --

4 JUDY: -- available.

5 JOHN-5: He's available. I guess he's got a  
6 lot of time on -- did he -- getting back to talking  
7 with --

8 JUDY: I mean he doesn't have time on his  
9 hands. We are his hands, you know. I mean we are on  
10 his hands.

11 JOHN-5: I see.

12 JUDY: He's, he's always baby sitting us, you  
13 know.

14 JOHN-5: Uh-huh.

15 JUDY: He takes care of us. He cares about  
16 us.

17 JOHN-5: Yeah.

18 JUDY: He loves everyone.

19 JOHN-5: Yeah, David does have a lot on his  
20 mind, a lot on his shoulders. As a matter of fact I  
21 think when he was talking with the attorney, he kinda  
22 got the idea -- or at least the attorney, I assume, had  
23 everything just about resolved. Is, is that your  
24 understanding?

25 JUDY: I really -- I, I don't know anything

1 about it to tell you the truth.

2 JOHN-5: Yeah.

3 JUDY: I wasn't in the room when they were  
4 talking.

5 JOHN-5: Uh-huh.

6 JUDY: And David didn't consult me.

7 JOHN-5: Does David share with everybody what  
8 went on?

9 JUDY: Maybe a few, you know, sentences or so  
10 --

11 JOHN-5: Uh-huh.

12 JUDY: -- but he's always talking about the  
13 scripture.

14 JOHN-5: Okay. Then what --

15 JUDY: And how everything relates to the  
16 scripture. He doesn't talk about those things that,  
17 you know, that's something he takes care of himself.  
18 And it's always been that way.

19 JOHN-5: No, I think it was probably an  
20 interesting issue that was resolved here and -- see,  
21 one problem is we can't quite understand what the delay  
22 is. If he understands the attorney and he --

23 JUDY: I don't, I don't see why you can't  
24 because -- I mean we --

25 JOHN-5: Excuse me?

1 JUDY: I don't see why you can't understand  
2 it. We've said it a million times. We were about to  
3 come out and God told David to wait.

4 JOHN-5: Uh-huh.

5 JUDY: And if you read the scriptures, that  
6 word is quite prominent everywhere.

7 JOHN-5: Uh-huh.

8 JUDY: And, you know, God tells people to  
9 wait. Noah, I mean how long did he sit around?

10 JOHN-5: Uh-huh.

11 JUDY: I mean who believed him, you know. He  
12 was crazy, right. Nobody got on the ark. But, --

13 JOHN-5: Uh-huh.

14 JUDY: -- oh, boy, those guys died.

15 JOHN-5: Yeah.

16 JUDY: And if you look at any of the old  
17 testament stories, there's a lot of bizarre things that  
18 happened.

19 JOHN-5: Uh-huh. Yeah, I'm sure there are.

20 JUDY: And a lot of, you know, --

21 JOHN-5: Judy, I got a question for you.

22 JUDY: Yeah, you've had quite a few.

23 JOHN-5: And you sound like a gal that could  
24 probably come up with the right answers.

25 JUDY: (Laughs). I don't know. I'd like to

1 ask you a few questions.

2 JOHN-5: All right. We'll get onto that.

3 One of my -- what I'm curious about, why did you call  
4 about the milk and the chicken feed rather than David  
5 or Steve?

6 JUDY: Nicki called.

7 JOHN-5: Uh-huh.

8 JUDY: She called because she, you know, she  
9 --

10 JOHN-5: She's concerned.

11 JUDY: She wanted to call because she's got a  
12 baby that's drinking it more than --

13 JOHN-5: And, and you agreed with her, of  
14 course?

15 JUDY: And I agreed with her calling?

16 JOHN-5: Yeah.

17 JUDY: I didn't care if she wanted to call --

18 JOHN-5: Uh-huh.

19 JUDY: I think Rachel -- did you talk to  
20 anybody else, Kathy. Mostly the mothers called.

21 JOHN-5: Yeah.

22 JUDY: The ones that need --

23 JOHN-5: Rachel, too, was on.

24 JUDY: Yeah, Rachel and Nicki.

25 JOHN-5: Uh-huh.

1 JUDY: They have the younger children.

2 JOHN-5: You know, we'd be kind of curious if  
3 Dave or Steve would, would give us a call this  
4 afternoon or this evening and let us know what his  
5 plans are or anything else along that line because we  
6 haven't heard from him and we're just -- like to see  
7 what's going on.

8 JUDY: Yeah.

9 JOHN-5: So, could you pass that on?

10 JUDY: Yeah, sure, I'll tell them.

11 JOHN-5: Are they standing right by you now?

12 JUDY: No.

13 JOHN-5: Is anybody around you right now?

14 JUDY: Is anybody around me? Pablo's around  
15 here.

16 JOHN-5: Pablo Cohen?

17 JUDY: Yeah. He's kinda busy, though.

18 JOHN-5: He -- all right, you had some  
19 questions for me. What are they?

20 JUDY: Oh, I'm just kidding you.

21 JOHN-5: Oh.

22 JUDY: I mean like, you know, who's your God  
23 and how do you serve him, you know?

24 JOHN-5: No, I don't get involved in that  
25 stuff and you know that.

1 JUDY: Hey, you guys sure go -- go for it  
2 with us.

3 JOHN-5: No. Well, we're sort of curious --  
4 you're a very unusual situation. We have a relatively  
5 mundane life here.

6 JUDY: Yeah. We're definitely a --

7 JOHN-5: And --

8 JUDY: -- small remnant.

9 JOHN-5: Yeah. So, how long do you --  
10 yourself, now, how long do you plan to stay in there?

11 JUDY: How long do I plan to stay here? I'll  
12 go out tomorrow if God says.

13 JOHN-5: Okay. Now, if -- let's look at it  
14 this way. Supposing God tells you to come out and for  
15 some reason or another David doesn't get the same  
16 message. Will you then come out?

17 JUDY: I'll be pretty surprised 'cause God  
18 really had -- God has never told me anything verbally  
19 but you know what is really unreal? When Steve and I  
20 were in Hawaii --

21 JOHN-5: Uh-huh.

22 JUDY: -- and Steve had come to California --  
23 no, he hadn't yet. No, he didn't.

24 JOHN-5: Uh-huh.

25 JUDY: Another friend had --

1                   JOHN-5: Uh-huh.

2                   JUDY: -- come to California and met David.

3                   And I never met him. But I actually had a dream where

4                   I saw him in my dream before I met him or before Steve

5                   met him.

6                   JOHN-5: You, you actually saw David in --

7                   JUDY: Yes.

8                   JOHN-5: -- a dream?

9                   JUDY: In a dream. It was just like a slide,

10                  you know.

11                  JOHN-5: Uh-huh.

12                  JUDY: It wasn't a whole long story or

13                  anything. It was just like a slide clipping. And I

14                  saw him and I knew that it was him.

15                  JOHN-5: Uh-huh.

16                  JUDY: And it was really frightening.

17                  JOHN-5: Really unusual things like --

18                  JUDY: It is. It's -- I mean it's never

19                  happened to me before or since and I described it to

20                  the friend. And he goes, yeah, that's him. And then

21                  when I met him -- I think I met him about three or four

22                  weeks later and --

23                  JOHN-5: Uh-huh. This was over in Hawaii?

24                  JUDY: I met him in Hawaii, yeah.

25                  JOHN-5: Right.

1 JUDY: I said, whoa, I saw you in my dream.  
2 I can't believe -- he goes, well, you, you know, don't  
3 go by your dreams. You betta, you know, check it out  
4 for yourself and see the scriptures.

5 JOHN-5: Uh-huh.

6 JUDY: So, --

7 JOHN-5: And then right from there on in you  
8 foll -- you and Steve and David came back over here?

9 JUDY: Oh, no, no, no, no. He came over  
10 there and gave us some studies and --

11 JOHN-5: Uh-huh.

12 JUDY: -- stayed for a little while and then  
13 he went back to California and we stayed there for a  
14 while. Steve would fly back and forth but I stayed, I  
15 stayed in Hawaii.

16 JOHN-5: Uh-huh. What type of work did you  
17 do, Judy?

18 JUDY: I -- the last thing I was doing was --  
19 in Hawaii, was sales. I was selling life insurance.

20 JOHN-5: Uh-huh.

21 JUDY: And I, you know, I did pretty good at  
22 that. It was fun.

23 JOHN-5: That's a rough sale over there.

24 JUDY: Hey, I did really good.

25 JOHN-5: Okay. Did you have all the islands

1 or just Oahu?

2 JUDY: Oh, I just stayed in Oahu. That would  
3 be kinda hard going around to all the islands.

4 JOHN-5: Well, you never can tell.

5 JUDY: Yeah.

6 JOHN-5: You know, they got these little  
7 territories and all that.

8 JUDY: Yeah, but I, I was always making,  
9 making the conferences and, you know, getting up there  
10 with the top newcomers.

11 JOHN-5: Yeah. Well, that's great. No, I  
12 want -- little curious, when you met David over -- what  
13 was it, at a religious get together or something?

14 JUDY: Un-ah. No. A friend had met him in  
15 California and he -- in fact, it's Marc Breault, the  
16 guy that --

17 JOHN-5: Uh-huh.

18 JUDY: -- that dropped out.

19 JOHN-5: Uh-huh.

20 JUDY: Yeah. He's the one that told us about  
21 it, about David.

22 JOHN-5: Let's see -- when you --

23 JUDY: He gave us a lot of (Indiscernible) in  
24 Hawaii.

25 JOHN-5: When you met David, you were Steve's

1 wife, huh?

2 JUDY: Uh-huh.

3 JOHN-5: Now, again, I'm trying to -- in my  
4 own mind how you went from being Steve's wife to being  
5 David's wife.

6 JUDY: Well, that's another --

7 JOHN-5: Did you go through a divorce or  
8 something or --

9 JUDY: -- long Bible study, too. I mean  
10 that's a whole -- I mean Psalm 45, Psalm -- all the  
11 Psalms. I mean --

12 JOHN-5: No, without the, the religious end  
13 of things. I'm just --

14 JUDY: No, there is, there is nothing without  
15 the religious end of things. It all has to do with  
16 religion. It all has to do with the Bible. I mean --

17 JOHN-5: Uh-huh.

18 JUDY: -- Steve and I, we were together for  
19 20 years and I, I --

20 JOHN-5: Right.

21 JUDY: -- mean I wouldn't part with him for  
22 anything. And --

23 JOHN-5: But have you parted with him now?

24 JUDY: I haven't parted with him. I --

25 JOHN-5: In other words, you're his wife

1 still?

2 JUDY: No, I'm not his wife. I'm God's wife.

3 And --

4 JOHN-5: God's wife and being -- and then  
5 David is God?

6 JUDY: I mean God -- in the scriptures he  
7 says, return to me for you are married unto me. You  
8 don't know your wife's thoughts. I don't know if  
9 you're married or not but if you were or weren't or  
10 whatever, --

11 JOHN-5: Uh-huh.

12 JUDY: -- I mean you don't know what's see  
13 thinking, you know, how she feels when she cuts her  
14 finger, you don't know what it feels like. And --

15 JOHN-5: Uh-huh.

16 JUDY: -- you don't know what she's thinking  
17 about. You, when you say something, you don't have any  
18 real direct communication. You don't know what I'm  
19 really thinking when I'm speaking. And, and being  
20 married to God is, you know, perfect. Right now I, I  
21 don't have that perfectness right now.

22 JOHN-5: No. Are you striving to be perfect?

23 JUDY: Well, of course, when --

24 JOHN-5: Okay.

25 JUDY: -- you know, God changes me. I mean

1 I'm not going to be doing it myself. God's going to  
2 have to change me.

3 JOHN-5: Now, do you want --

4 JUDY: But don't you want to be perfect?

5 JOHN-5: Oh, I don't know.

6 JUDY: I, I really can't give you a Bible  
7 study.

8 JOHN-5: Okay. I appreciate that one.

9 JUDY: (Indiscernible) but you can't separate  
10 what I'm doing from the scriptures because everything I  
11 do is because of the scriptures.

12 JOHN-5: Uh-huh.

13 JUDY: I mean Jeremiah 3 --

14 JOHN-5: Okay, that's fine. I'm not really  
15 conversing with Jeremiah 3 or any of the other --

16 JUDY: No, I know you're not. I mean Isaiah  
17 60, everything has to do with God --

18 JOHN-5: Uh-huh.

19 JUDY: -- you know, having a --

20 JOHN-5: Well, here's what we -- here's the  
21 problem I'm trying to face now in the real world that  
22 everybody else is involved in here is trying to explain  
23 away this stuff.

24 JUDY: The real world, Satan's world  
25 (Indiscernible).

1                   JOHN-5:  Maybe yes, maybe no.

2                   JUDY:  And it's wicked, isn't it?  Isn't it  
3 wicked?

4                   JOHN-5:  I'm sorry, I didn't hear your  
5 question.

6                   JUDY:  Isn't this world wicked, the way it is  
7 right now?  I mean --

8                   JOHN-5:  Well, there's some parts of it that  
9 are a little bit unusual.

10                  JUDY:  Some parts of it?

11                  JOHN-5:  Uh-huh.  So, you've got to bear that  
12 in mind.

13                  JUDY:  It (Indiscernible) I mean the movies  
14 that come out, the people on the streets.

15                  JOHN-5:  Uh-huh.

16                  JUDY:  It's dangerous.

17                  JOHN-5:  Now, Judy, what the situation is now  
18 as you look at it, you've got your responsibilities.  
19 You've got the situation there with your children as  
20 they're coming or your child, I guess.

21                  JUDY:  Uh-huh.

22                  JOHN-5:  And you're looking at that.  And a  
23 lot of people are not quite understanding all --  
24 everything you're doing.

25                  JUDY:  No, no, they don't.  They don't know

1 the scriptures. They don't know --

2 JOHN-5: Well, even those that are are  
3 concerned and --

4 JUDY: They don't know my mind.

5 JOHN-5: Well, we're not -- your mind, I  
6 understand it but is it fair for your child at this  
7 point and your other children in there? There's  
8 obviously some concern about their health and all that  
9 business and --

10 JUDY: Hey, you know what I'm worried about?  
11 If I sent her to school --

12 JOHN-5: Uh-huh.

13 JUDY: -- what happens to those kids?

14 JOHN-5: Depends on the school you send them  
15 to.

16 JUDY: Good schools, bad schools, whatever.  
17 I mean are they cared for?

18 JOHN-5: Yes, they are.

19 JUDY: I don't think so.

20 JOHN-5: I think your child would be really  
21 well cared for. Again, as I said, I speak from a  
22 little bit of insight on that.

23 JUDY: Uh-huh.

24 JOHN-5: Having a wife that's been, oh, in  
25 teaching for about 25 years --

1 JUDY: Uh-huh.

2 JOHN-5: -- and has received numerous awards  
3 for this type of thing. And she was -- well, I talked  
4 to her briefly about this and trying to have her  
5 understand what's going on. She's saying there's a lot  
6 -- there isn't a lot of sympathy out here for -- from  
7 the mothers and the children about this whole  
8 situation, about what you folks are doing to the  
9 children.

10 JUDY: What are we doing to them? I mean --

11 JOHN-5: Oh, the emotional scars, what's  
12 going on out here, putting them in the place where you  
13 got this music in the background. You've got the tanks  
14 coming around. You've got lack of food. They're not  
15 really having an ideal situation to growing up. When  
16 was the last time these children were outside in the  
17 sun?

18 JUDY: In the sun, probably a month ago.  
19 Probably that day.

20 JOHN-5: Yeah. This is not the way to do  
21 things.

22 JUDY: (Indiscernible). Yeah, well, --

23 JOHN-5: Yeah, you got to accept your  
24 responsibilities on this and also must -- and David's  
25 got to accept a little responsibility for this, too,

1 | you know, for the feeding and the clothing of these  
2 | children.

3 | JUDY: Uh-huh.

4 | JOHN-5: You can't -- now -- the question  
5 | was, well, why don't we send some stuff in? Hey, this  
6 | is David's responsibility. He's got everybody in there  
7 | and he's got this -- he's got this whole mess created.  
8 | He can put an end to it by bringing everybody out. He  
9 | can bring you out.

10 | JUDY: How do you get that he created it? He  
11 | didn't create it.

12 | JOHN-5: He didn't create it?

13 | JUDY: The ATF created it by --

14 | JOHN-5: Well, --

15 | JUDY: -- terrorizing us.

16 | JOHN-5: You know, this is something that's  
17 | going to have to be addressed in court but --

18 | JUDY: I mean they want to -- they want to  
19 | say we're guilty. I want to sue them, to tell you the  
20 | truth. They need to be -- they need to be sued. I  
21 | mean, come on, they messed up my --

22 | JOHN-5: Uh-huh.

23 | JUDY: -- finger. They killed my friend.

24 | JOHN-5: Yeah. Well, --

25 | JUDY: They messed up my baby. They're

1 putting -- like you're saying, scars --

2 JOHN-5: Emotional scars. By the way, that's  
3 another thing about David.

4 JUDY: They did it.

5 JOHN-5: What do you think about Craig  
6 Smith's statement that David is using the kids as a  
7 shield?

8 JUDY: Craig Smith is pathetic.

9 JOHN-5: Well, what do you mean by that?

10 JUDY: He's not using the kids as a shield.

11 JOHN-5: Uh-huh. That's what he's telling.

12 JUDY: There is no way. I mean I heard that  
13 over and over again, Craig Smith. I mean that guy, he  
14 is pathetic. He's saying, oh, why doesn't the -- why  
15 doesn't the FBI cut off the supplies and the, and the  
16 utilities? Oh, because they care about those kids.  
17 They wouldn't do that.

18 JOHN-5: No, there is some --

19 JUDY: What a joke. I mean you don't send us  
20 any supplies.

21 JOHN-5: There is, obviously, --

22 JUDY: And you don't -- you already have cut  
23 off our electricity and our phones and everything else  
24 so --

25 JOHN-5: Uh-huh. You realize the warrant for

1 David remains outstanding and that's not going to go  
2 away. This whole thing is not going to go away.

3 JUDY: Right.

4 JOHN-5: And the longer, Judy, you and the  
5 rest of the gang stay in there, you're going to have  
6 some more problems. Now, the problems are going to  
7 start continuing with the kids. Now, they -- you have  
8 kids running with decaying bodies. You got your --

9 JUDY: Have what?

10 JOHN-5: De -- well, don't you have some  
11 people that are deceased in there?

12 JUDY: Well, I don't know where they are  
13 but --

14 JOHN-5: Okay.

15 JUDY: -- I know they're somewhere.

16 JOHN-5: Yeah, they're somewhere. Well, this  
17 isn't the type of thing you want your kids brought up  
18 around.

19 JUDY: Well, I mean she's not going to grow  
20 up to be ten years old in here, you know.

21 JOHN-5: Well, you know, the situa --

22 JUDY: I don't think it's really going to be  
23 that much longer.

24 JOHN-5: Like when do you think this is all  
25 going to come to an end?

1 JUDY: I, I don't know. Your guess is as  
2 good as mine. But I -- it's not going to be that long.

3 JOHN-5: You know, --

4 JUDY: She's not going to grow up in here.

5 JOHN-5: Hey, this could go on for months and  
6 -- now, how is your water in there? How are things  
7 like this for the kids? Do you have enough water for  
8 these kids to bathe?

9 JUDY: Yeah.

10 JOHN-5: You know, their sanitary conditions  
11 up -- the human fecal matter, things like that. What's  
12 happening with that?

13 JUDY: They (Indiscernible) around here.

14 JOHN-5: Pardon?

15 JUDY: Yeah, they get rid of that.

16 JOHN-5: Man, but where can they get -- they  
17 can't flush it down. What do they get thrown out on  
18 the, on the ground outside?

19 JUDY: I haven't, I haven't watched what they  
20 do with it but I --

21 JOHN-5: Yeah, but --

22 JUDY: -- don't smell anything and it's not  
23 around --

24 JOHN-5: Judy, you're not a -- you're an  
25 adult person. You know that this is going to start

1 breeding disease after a while.

2 JUDY: Uh-huh.

3 JOHN-5: Wait, you know, the flies start  
4 coming and all this other business. Ah, Judy, you're  
5 going to put your kids through this?

6 JUDY: No. I (Indiscernible).

7 JOHN-5: As a mother, you got to really start  
8 thinking about this, young lady.

9 JUDY: I mean our room is very clean and  
10 sanitary and --

11 JOHN-5: Uh-huh.

12 JUDY: -- her clothes are clean and she's  
13 clean and she's --

14 JOHN-5: I have grandchildren that are your  
15 children's age and --

16 JUDY: Well, you've seen the kids on video  
17 and if you took 15 kids out of a kindergarten room,  
18 you're going to find some kids that are a lot uglier  
19 and unhealthier and --

20 JOHN-5: Uh-huh.

21 JUDY: -- dirty and skinny and, you know.

22 JOHN-5: Yeah, I know.

23 JUDY: And don't look as good as our kids.  
24 Our kids look pretty good.

25 JOHN-5: Uh-huh. Okay.

1 JUDY: Don't you think -- don't you agree  
2 with that?

3 JOHN-5: I thought your --

4 JUDY: (Indiscernible).

5 JOHN-5: I was looking at the kids. They  
6 didn't look as -- didn't look like what I thought they  
7 might look at. I thought --

8 JUDY: Right.

9 JOHN-5: -- they looked a little bit better  
10 than --

11 JUDY: Right.

12 JOHN-5: -- I anticipated.

13 JUDY: They're better than average, yeah.

14 JOHN-5: Well, you know, average, it's a  
15 little bit rough to draw an average for kids -- there  
16 aren't too many kids I can compare them to in a similar  
17 situation.

18 JUDY: I used to -- Mayanah is mine and they  
19 always wanted to -- they wanted her to do commercials  
20 for --

21 JOHN-5: Oh, really?

22 JUDY: Oh, yeah, she's, --

23 JOHN-5: Uh-huh.

24 JUDY: -- she's really a cutie.

25 JOHN-5: Uh-huh. Yeah, that's --

1 JUDY: She's a Gerber baby type.

2 JOHN-5: Well, you've got a very beautiful  
3 child there and you want to, you know, make sure that  
4 everything happens for the best for them.

5 JUDY: I do, right. I mean --

6 JOHN-5: And you're thinking along those  
7 lines --

8 JUDY: And Mayanah --

9 JOHN-5: -- and you apparently did some things  
10 that are absolutely great for the child but now, the  
11 situation here, it's -- you might want to really  
12 rethink what the situa -- what the situation is. Step  
13 back and look what you've got yourself into.

14 JUDY: Right. Well, if I, if I step back and  
15 just look at the carnal aspect of it --

16 JOHN-5: Uh-huh.

17 JUDY: -- but I cannot separate the spiritual  
18 aspect of it all.

19 JOHN-5: Uh-huh.

20 JUDY: My belief in God and his word and what  
21 he will do, I have to have trust in him just as they  
22 did during the days of the Red Sea and the Walls of  
23 Jericho and Daniel in the lion's den and Shadrach,  
24 Meshach and Abendego (ph) in the fire.

25 JOHN-5: All those guys.

1 JUDY: I mean do I want to go into the  
2 burning furnace? No, I will get burned. But did they  
3 get burned? No, they did not get burned. Do you know  
4 what I'm saying? Do I want to walk through the Red Sea  
5 and drown? No. But God opened the Red Sea and they --

6 JOHN-5: Uh-huh.

7 JUDY: -- walked through and the enemies were  
8 drown.

9 JOHN-5: Judy, we're getting into the  
10 religious thing.

11 JUDY: But I don't know if you believe the  
12 Bible or not.

13 JOHN-5: Well, I'm more concerned --

14 JUDY: But I do.

15 JOHN-5: -- with you. I'm concerned with the  
16 people that are in there and I --

17 JUDY: Right.

18 JOHN-5: -- am concerned that you folks are  
19 right in the middle of the forest. You're not stepping  
20 back and looking at exactly what's involved in there.  
21 And what --

22 JUDY: I'm stepping back and I'm looking at  
23 the word of God every day. And I'm saying I believe  
24 the word of God.

25 JOHN-5: Uh-huh.

1 JUDY: And I'm not going to sacrifice my, my  
2 fleshy desires. I mean, sure, I would love to be --  
3 have some --

4 JOHN-5: Your fleshy desires?

5 JUDY: Yeah, --

6 JOHN-5: What exactly do you mean by fleshy  
7 desires?

8 JUDY: Oh, you know, ice cream and whatever.

9 JOHN-5: Yeah, a nice thick (Indiscernible).

10 JUDY: Yeah, that's great.

11 JOHN-5: But -- so, you eat red meat or --

12 JUDY: Do I eat red meat?

13 JOHN-5: Do you eat meat or pork?

14 JUDY: I don't eat pork. I eat clean meats.

15 JOHN-5: Clean meats.

16 JUDY: Yeah.

17 JOHN-5: Okay.

18 JUDY: I was a vegetarian for about 14 years  
19 but --

20 JOHN-5: Yeah.

21 JUDY: -- then I became a carnivore. No, --

22 JOHN-5: Yeah. No, that's -- I was  
23 wondering, there's a lot of good food out here and I  
24 can imagine by this --

25 JUDY: (Laughs).

1                   JOHN-5:  -- time you're in the eyes of  
2 whatever you are eating.

3                   JUDY:  Hey, -- in the eyes.  Yeah, what do  
4 they call -- the MREs.

5                   JOHN-5:  MREs.  Those, too, I guess.

6                   JUDY:  Yeah.

7                   JOHN-5:  See, when I was in, it was all sea  
8 rations.

9                   JUDY:  Yeah.

10                  JOHN-5:  It made things a lot easier.  No,  
11 that gets pretty old after a while.

12                  JUDY:  Yeah.

13                  JOHN-5:  And by --

14                  JUDY:  I'm not here for the food, like I told  
15 you that, you know.

16                  JOHN-5:  Yeah.  It's not exactly a  
17 destination resort.

18                  JUDY:  I'm not here for the weather, the  
19 climate, the food, the atmosphere or the --

20                  JOHN-5:  The company.

21                  JUDY:  -- the beautiful building.  You know  
22 what I mean?

23                  JOHN-5:  Uh-huh.

24                  JUDY:  I mean we came here seven years ago,  
25 gave -- I, I made, made a lot money, okay.  I made

1 money and we had nice things and we gave it up to live  
2 in --

3 JOHN-5: Uh-huh.

4 JUDY: -- this little shack so we could learn  
5 the word of God, the truth about this all.

6 JOHN-5: Are you better off now than you were  
7 before?

8 JUDY: Because -- I mean whether I --

9 JOHN-5: Are you better off now, Judy, than  
10 you were before?

11 JUDY: Well, let me finish. I mean if I live  
12 to be 70 years old in a mansion and I'm a millionaire,  
13 I'm still going to die. I want eternal life. I want  
14 eternal happiness.

15 JOHN-5: Uh-huh.

16 JUDY: And I want that for everyone, not just  
17 for me because I won't be happy if somebody next to me  
18 isn't happy.

19 JOHN-5: I can understand that. You want it  
20 for everybody.

21 JUDY: I want it for everybody.

22 JOHN-5: And that's a very good concept. I  
23 like that concept but, unfortunately, can't reach  
24 everybody from where you are.

25 JUDY: Right, not today.

1                   JOHN-5: Maybe that is what --

2                   JUDY: Not today. Maybe tomorrow but not  
3 today.

4                   JOHN-5: Well, the idea is if you came on  
5 out, you can reach a hell of a lot more people than you  
6 can do it where you are right now. And maybe that's  
7 what everybody has -- this, this is what's on the or in  
8 the future for you. By staying where you are now, you  
9 guys are sort of keeping yourselves basically shut-in.  
10 There are a lot of folks out there that want to get the  
11 word.

12                   JUDY: Yeah.

13                   JOHN-5: And they can't get the word because  
14 you're not in a position to do that.

15                   JUDY: Right. Well, I'm --

16                   JOHN-5: So, the --

17                   JUDY: -- not the one to give the word and --

18                   JOHN-5: But, but you just said that you're  
19 in a position that you're -- you'd like to do that.  
20 You'd like to save everybody.

21                   JUDY: No, I'm, I'm saying I would. That's  
22 what I want for everyone. I want --

23                   JOHN-5: And I think that's very noble.

24                   JUDY: But, you know, is it my gift to give?  
25 No.

1 | JOHN-5: Sure it is.

2 JUDY: I don't think so.

3 JOHN-5: Oh, you can change the world. I  
4 remember that statement from way back when.

5 JUDY: (Laughs). All right, today.

6 | JOHN-5: And in a situation like this --

7 JUDY: Uh-huh.

8 JOHN-5: Hey, look, why don't you -- why  
9 don't you and your friends consider that? You can do a  
10 lot more good on the outside than you're doing inside  
11 there right now.

12 JUDY: I just -- where did you go to school?

13 JOHN-5: I went to school in New Jersey.

14 JUDY: In Joisey (ph).

15 JOHN-5: New Joisey, right.

16 JUDY: Not New Jersey.

17 JOHN-5: Right.

18 JUDY: All right. So, where -- where?

19 JOEN-5: No, let's not -- let's get back to  
20 the situation here where you can get out there and do a  
21 hell of a lot --

22 JUDY: (Indiscernible).

23 JOHN-5: -- more good on the outside than you  
24 are now.

25 JUDY: Before, before I -- no, I've, I've

1 | been spiritual since I was 12 years old.

2 |           JOHN-5: Well?

3 |           JUDY: I didn't have any direction. I didn't  
4 | know how to find God or how to --

5 |           JOHN-5: Uh-huh.

6 |           JUDY: -- find -- I didn't know how to put  
7 | the scriptures together. They didn't mean anything to  
8 | me.

9 |           JOHN-5: And what you can do, is the people  
10 | on the outside, you can bring this message to them.  
11 | You can do a hell of a lot more.

12 |           JUDY: No, no, no. My -- wait, I want to  
13 | find out something. I did, I thought that, you know, I  
14 | would be good material for the FBI because, you know, I  
15 | have a very suspicious mind and --

16 |           JOHN-5: That's not exactly one of the pride  
17 | --

18 |           JUDY: -- other things.

19 |           JOHN-5: -- requirements.

20 |           JUDY: But where do you have -- what -- how  
21 | much schooling do you need to be in the FBI?

22 |           JOHN-5: Well, let me see. What we do need  
23 | is -- we'll talk about the FBI later. I think we're --

24 |           JUDY: No, I really, I really --

25 |           JOHN-5: -- on to something right now. I

1 | think we're on to the fact that you're in a position  
2 | and I think you want to do good for people. I think  
3 | you want to do good for a lot of folks out there who  
4 | haven't heard the word.

5 | JUDY: (Indiscernible).

6 | JOHN-5: And you are in a position to come on  
7 | out and help a lot of people.

8 | JUDY: -- or do you go to school for it?

9 | JOHN-5: Huh? Now, why don't you think about  
10 | that?

11 | JUDY: The FBI trains you, right?

12 | JOHN-5: Judy, why don't you think about  
13 | that? Why don't you -- your friends think about that?

14 | JUDY: We (Indiscernible) all the time.

15 | JOHN-5: This is something that's -- now,  
16 | you're all here and you huddle in your little group  
17 | here and it's not doing the greater population any  
18 | good. You gotta get the -- you gotta think about what  
19 | -- the gift that you're given here, Judy, --

20 | JUDY: Yeah.

21 | JOHN-5: -- you've been given a gift to go  
22 | out and work amongst people. And this is what the --

23 | JUDY: (Laughs).

24 | JOHN-5: -- whole thing is all about.

25 | JUDY: I know. People in prison need Bible

1 studies.

2 JOHN-5: Oh, sure, they have the Bible  
3 missions. I know, I know of a couple of churches in  
4 California that do that.

5 JUDY: Uh-huh.

6 JOHN-5: Bible mission, as I recall, refer to  
7 them.

8 JUDY: Yeah, right.

9 JOHN-5: So, anyhow, on this type of --  
10 you're not, you're not thinking, Judy. Come out, kid.

11 JUDY: No, I think every day.

12 JOHN-5: Well, think about this now. You  
13 have a situation -- you have a gift. You like people.  
14 You want to do things for them.

15 JUDY: I mean, yeah, I've always had jobs  
16 where I work around people. I love people.

17 JOHN-5: Right, see. And then you've done  
18 things for them before. You've got a track record for  
19 this.

20 JUDY: Yeah.

21 JOHN-5: But by sitting in there, by putting  
22 your family through all these problems, that I'm a  
23 pessimist --

24 JUDY: Yeah, my mother would much rather see  
25 me in prison somewhere.

1                   JOHN-5: No, I'm sure not. That's not the  
2 case.

3                   JUDY: (Laughs).

4                   JOHN-5: She dearly would like to see them  
5 bounce on out. So, why don't you give that some  
6 thought? Now, that's -- how are your friends?

7                   JUDY: Okay. I'll think about it. Now, --

8                   JOHN-5: Do you --

9                   JUDY: -- tell me, where do you go to school  
10 at?

11                   JOHN-5: -- do you fear of going to jail?

12                   JUDY: Pardon me?

13                   JOHN-5: Do you fear going to jail?

14                   JUDY: Do I fear going to jail?

15                   JOHN-5: Yeah.

16                   JUDY: No, I think it would be kind of an  
17 interesting experience. I mean I've never been  
18 surrounded by tanks before and I've never been --

19                   JOHN-5: Right.

20                   JUDY: -- shot up before.

21                   JOHN-5: I would --

22                   JUDY: And you really don't know what it's  
23 like until --

1 (Tape #192)

2  
3 JOHN-5: Not exactly a house. They --  
4 remember, the houses over there are all most straw and  
5 palm and all this type of thing. They weren't exactly  
6 what you had -- you're sitting in over there.

7 JUDY: So, you were in the Marines before you  
8 were in the FBI?

9 JOHN-5: That's correct.

10 JUDY: Really?

11 JOHN-5: Uh-hum. Got the scars and marks to  
12 prove it, too.

13 JUDY: Hum.

14 JOHN-5: But that's neither here nor there.  
15 The situation is with you guys and you gotta, gotta let  
16 this sink in, Judy, you're sitting out there and you're  
17 -- you got a very gift, you're, you're, you're strong,  
18 you're motivated and you want to do the right thing for  
19 people and you want to do the right thing for God.

20 JUDY: Right.

21 JOHN-5: Now, there are a lot of people --

22 JUDY: That -- I've got to save myself before  
23 I can save anybody else.

24 JOHN-5: -- out there that you can probably  
25 and go and help.

JUDY: I have got to do what God wants me to

1 do.

2 JOHN-5: Right. Now, you say that God  
3 doesn't talk to you?

4 JUDY: I didn't say that.

5 JOHN-5: Well, --

6 JUDY: No, I did not say that. God does talk  
7 to him.

8 JOHN-5: My, my question was before, what if  
9 God tells you to come out and he hasn't got around to  
10 dialing up David yet, would you come out?

11 JUDY: Well, that's where I got into the  
12 whole thing about the dream. God has never talked to  
13 me. He only showed me that one little clipping.

14 JOHN-5: Uh-huh.

15 JUDY: And I, I don't really know of God  
16 talking to me other than through David. You know, if  
17 God says something to him and he tells --

18 JOHN-5: Uh-huh. So, you rely on all the  
19 messages being fast forwarded over -- to be --

20 JUDY: Well, I believe he's the Son of God.  
21 He reveals the --

22 JOHN-5: David is the Son of God?

23 JUDY: Right.

24 JOHN-5: Uh-huh.

25 JUDY: He is --

JOHN-5: Is that Jesus Christ?

1 JUDY: Well, you know, I mean that's kind of  
2 a trick answer, too, because I'm, --

3 JOHN-5: Well, --

4 JUDY: -- I'm the daughter of God and, you  
5 know. Jamie just walked by me and he's the Son of God,  
6 too, you know. Psalm 82, check it out.

7 JOHN-5: Well, okay, whatever.

8 JUDY: So, we're all Sons of God whether, you  
9 know, --

10 JOHN-5: Uh-huh.

11 JUDY: -- I mean we're his children, right?

12 JOHN-5: Uh-huh.

13 JUDY: And although it says in Revelation  
14 that no man can open the book or lose the Seals.

15 JOHN-5: Uh-huh. Oh, here we go with that  
16 stuff again.

17 JUDY: That's the Lamb, okay, and he does, he  
18 --

19 JOHN-5: Uh-huh.

20 JUDY: -- opens the book. He harmonizes the  
21 book. He puts every scripture, every verse all  
22 together and I can read it now. And I'm going, yeah,  
23 yeah, okay, this is good and --

24 JOHN-5: Okay. So, you sort of tap dance  
25 through the Bible and pulls these various quotes  
together --

1 JUDY: Right.

2 JOHN-5: And it makes sense to you, huh?

3 JUDY: Exactly.

4 JOHN-5: Uh-huh. Okay.

5 JUDY: I mean I was a Seventh Day Adventist  
6 and I thought this is great --

7 JOHN-5: Where, up there in La Verne?

8 JUDY: Pardon me?

9 JOHN-5: Were you up there the same time in  
10 California?

11 JUDY: Yeah.

12 JOHN-5: Uh-huh.

13 JUDY: I lived there for a while.

14 JOHN-5: Yeah. Whereabouts?

15 JUDY: La Verne.

16 JOHN-5: La Verne, okay.

17 JUDY: I lived there for a couple of --

18 JOHN-5: Do you go over to Loma Linda, the  
19 hospital there?

20 JUDY: I think maybe once but I didn't really  
21 -- I just -- I didn't -- I don't think I really --

22 JOHN-5: You know, the Seventh Day Adventists  
23 are really famous for helping people and for getting  
24 the job done and --

25 JUDY: Oh, yeah, that's why I love them so  
much.

1 JOHN-5: 'Cause I had about eight or nine  
2 physicals at Loma Linda Hospital --

3 JUDY: Uh-huh.

4 JOHN-5: -- when I was with --

5 JUDY: Oh, man, that's a lot of physicals.

6 JOHN-5: Well, that's one every year.

7 JUDY: How old are you now? No.

8 JOHN-5: No. So, what happens on that  
9 situation, I became -- I thought the Seventh Day  
10 Adventist were just great people.

11 JUDY: Yeah. I mean --

12 JOHN-5: And they reached out and I had  
13 physicals given to me by fellows that were  
14 missionaries, --

15 JUDY: Uh-huh.

16 JOHN-5: -- had come back from Africa and  
17 some places in South America.

18 JUDY: Right. Right.

19 JOHN-5: And by and large, these folks would  
20 just go out of their way to make things right for  
21 people.

22 JUDY: Right, uh-huh.

23 JOHN-5: And in situations like this, your  
24 position like you have now --

25 JUDY: Uh-huh.

JOHN-5: -- is in the position where you can

1 go out and help people and do the right thing.

2 JUDY: Oh, I'm not following you there.

3 JOHN-5: No, not following me? All right.

4 You're a Seven -- you're religious, right?

5 JUDY: Right.

6 JOHN-5: You love people?

7 JUDY: I'm not religious. I believe the

8 Bible. I believe --

9 JOHN-5: Okay. Now, you don't --

10 JUDY: -- in it but it's a bit different. I

11 don't know what religious means really.

12 JOHN-5: Okay. But you have a love for your

13 fellow man, right?

14 JUDY: Yeah.

15 JOHN-5: And woman, in this case?

16 JUDY: Yeah.

17 JOHN-5: All right. Now, you don't -- you

18 have a message to bring, correct?

19 JUDY: Yeah.

20 JOHN-5: And your message is about God,

21 correct?

22 JUDY: Yeah.

23 JOHN-5: Okay.

24 JUDY: (Laughs).

25 JOHN-5: Now, as long as we're following this  
reason.

1 JUDY: Yeah.

2 JOHN-5: Now, here you've got -- you --

3 JUDY: I mean there's a lot more involved  
4 than just, you know, --

5 JOHN-5: Right.

6 JUDY: -- little password going on right now.

7 JOHN-5: I can understand that. You're in  
8 the -- right now, you are in a position or in a place  
9 where you're not doing a whole heck of a lot of good  
10 for the most people that are out there, correct?

11 JUDY: Well, the only good that I can see in  
12 it right now is they can see that I believe in  
13 something that is putting my life in jeopardy and I'm  
14 being persecuted for it. And I'm not budging because I  
15 believe God is talking to David and I believe that  
16 David is the Son of God. And, so, in a way,  
17 indirectly, their, their, their ears are perked up.  
18 They're wondering what in the heck is going on with  
19 this cult, you know. Why are they like this? You  
20 know, and so eventually they're going to, you know, be  
21 able to hear my side of the story.

22 JOHN-5: Yeah. This is what we -- we want to  
23 hear your side of the story. We want you to be able to  
24 come on out.

25 JUDY: Uh-huh.

JOHN-5: We -- 'cause there are a lot of

1 other people --  
2 JUDY: Oh, I think it's wonderful.  
3 JOHN-5: Judy --  
4 JUDY: But when? The time is God's time, not  
5 my time.  
6 JOHN-5: Oh, Judy. God's time, you know, --  
7 JUDY: Right.  
8 JOHN-5: -- he's, he's got a lot on his mind  
9 these days.  
10 JUDY: (Laughs) I'm sure he does.  
11 JOHN-5: Uh-huh.  
12 JUDY: Yeah.  
13 JOHN-5: Now, what, what we're trying to have  
14 you come to grips with the fact is that, number one,  
15 you've got a lot of kids in there. You've got  
16 yourself.  
17 JUDY: Uh-huh.  
18 JOHN-5: You've got people --  
19 JUDY: Who -- who's in charge of the music?  
20 JOHN-5: Huh?  
21 JUDY: Who's in charge of the music?  
22 JOHN-5: Who's in charge of the music?  
23 JUDY: Yeah.  
24 JOHN-5: I don't know who the deejay is  
25 tonight. That's -- it just sort of racks around there.  
But, Judy, if you had the opportunity, --

1 JUDY: But I mean you don't -- don't --

2 JOHN-5: -- would you come out?

3 JUDY: You don't know who does the music?

4 JOHN-5: Judy, would you -- if you had the  
5 opportunity, would you come out?

6 JUDY: If I had the opportunity -- what, what  
7 do you mean? Opportunity from who, from you guys, from  
8 -- from who?

9 JOHN-5: No, no, us. No, our guys outside --

10 JUDY: (Indiscernible) your guys have given  
11 me the --

12 JOHN-5: -- the guys around there want you to  
13 come out.

14 JUDY: I know. You, you want me to come out  
15 so they can --

16 JOHN-5: No, but would you come out, Judy?

17 JUDY: -- frisk me to see if I'm carry a  
18 weapon, what?

19 JOHN-5: No, no, you're not going to be  
20 carrying a weapon. You not going to do anything like  
21 that. Judy, what we'd like you to do is you get  
22 together a few of these mothers that are very concerned  
23 about milk, about their kids. And this is, apparently,  
24 some more underlying reasons.

25 JUDY: Yeah.

JOHN-5: Pick them all up and come on down.

1 JUDY: Come on down.

2 JOHN-5: Absolutely, because the situation as  
3 it is now, it's not going to get any better for them  
4 inside there. It's not going to get any better for  
5 you.

6 JUDY: Well, I don't (Indiscernible) I  
7 believe in the Bible and just --

8 JOHN-5: Oh, Judy, Judy.

9 JUDY: No, no, I have to wait.

10 JOHN-5: You have to wait?

11 JUDY: God said wait. I'm waiting.

12 JOHN-5: Are you going to get a higher place  
13 in heaven or something like that? In the meantime the  
14 kids get beat up and you're -- emotionally and --

15 JUDY: I'd love to tell you.

16 JOHN-5: You realize these --

17 JUDY: I do know the answer to that question  
18 but I won't tell you.

19 JOHN-5: Oh, mercifully, huh? No. Judy, on  
20 a situation like this, it's, it's not going to do any  
21 good for you to hang around in there. It's not for  
22 your, shall we say, your taste.

23 JUDY: Well, you know what, I, I really don't  
24 like it either but I'm waiting because I believe in  
25 God.

JOHN-5: Well, come out. If you don't like

1 | it -- hey, you can wait outside. You know, there's,  
2 | there's --

3 | JUDY: Oh, I (Indiscernible).

4 | JOHN-5: Did God tell you you have to wait in  
5 | there, in a cesspool? No, you can come on out.

6 | JUDY: I'd like to come out and walk around  
7 | in handcuffs and shackles on my legs.

8 | JOHN-5: The guys at the gate are willing to  
9 | help you out. Say again?

10 | JUDY: I can come out in handcuffs and  
11 | shackles on my legs.

12 | JOHN-5: Uh-huh.

13 | JUDY: I mean what do they think, Kathy  
14 | Schroeder's going to beat up somebody, you know?

15 | JOHN-5: No. I don't think so.

16 | JUDY: I don't think so either.

17 | JOHN-5: We think that you're using your head  
18 | and all that sort of business.

19 | JUDY: Oh.

20 | JOHN-5: And that you need to -- I think  
21 | what's happening, you sort of lost sight of what  
22 | exactly's going on out there or in there, I should say.

23 | JUDY: Oh, they're in there somewhere.

24 | JOHN-5: Yeah, it's, it's gotten to the point  
25 | now where, you know, everything is becoming  
counterproductive. The folks on the outside that might

1 | have championed your cause, been sympathetic, but at --  
2 | -- very rarely -- as a matter of fact, next to noth--  
3 | nobody is sympathetic to your cause in there.

4 | JUDY: Well, because you guys keep changing  
5 | your story and making it sound like we've got a  
6 | methamphetamine lab in here and we ambushed you and,  
7 | you know, all these lies you're coming up with.

8 | JOHN-5: Oh, no, no.

9 | JUDY: I mean and that doesn't make me want  
10 | to come out.

11 | JOHN-5: We're not coming up with any lies,  
12 | kiddo. We're telling you what's going on in there.

13 | JUDY: We did not ambush you. You guys came  
14 | here and --

15 | JOHN-5: Remember, Judy, the rules, we don't  
16 | talk about the incident on February 28th.

17 | JUDY: We don't talk about it?

18 | JOHN-5: We don't talk about ATF and --

19 | JUDY: Well, they sure talked about it in the  
20 | press conferences.

21 | JOHN-5: -- we don't talk about religion any.

22 | JUDY: They talk about it on the radio but we  
23 | can't talk about it?

24 | JOHN-5: Between us, no.

25 | JUDY: You, you won't be able to talk about  
it or --

1 JOHN-5: We don't want to get involved.

2 JUDY: -- you might get fired or, or --

3 JOHN-5: No, no, I'm too old for that.

4 That's what they give me for being one of the oldest  
5 living agents.

6 JUDY: Hey, John, --

7 JOHN-5: Go ahead.

8 JUDY; -- all the lies they come up with and  
9 the stories they can conjure up, wouldn't there be  
10 trouble if they turned on you, wouldn't you be scared?  
11 I mean those guys will take lives and cover it up. I'd  
12 be scared.

13 JOHN-5: Mr. Hoover and I used to have an  
14 understanding about that. That, that will never  
15 happen.

16 JUDY: No, but I mean I'm sure they have done  
17 it to their own people.

18 JOHN-5: No, I don't think so.

19 JUDY: I know they can do that.

20 JOHN-5: Hey, look, is David or Steve around?  
21 Huh, Judy?

22 JUDY: Are they around?

23 JOHN-5: Yeah. I'm sure they haven't gone  
24 down for a beer or something like that.

25 JUDY: Well, I think they went to get some  
ice cream.

1                   JOHN-5: Yeah. Look, what we'd like to do --  
2 if David or Steve would like to let me say talk about  
3 the progress of this thing or basically or --

4                   JUDY: Are they supposed to talk to you?

5                   JOHN-5: -- or a situation report. Why don't  
6 you have them -- why don't you tell them about it and  
7 have them give me a call back say about 8:00 or so?

8                   JUDY: About 8:00 or so. Okay. So, the  
9 answer is, no, on the milk and, no, on the chicken  
10 food, huh?

11                  JOHN-5: And that's, that's the way it is  
12 right now.

13                  JUDY: Uh-huh.

14                  JOHN-5: It's not our idea. It seems that  
15 those sorts of issues can be discussed after David and  
16 his attorney get their matters resolved. So, David and  
17 his attorney have to get their -- get the situation  
18 resolved. Then we can start talking about cold milk in  
19 there and chicken feed and all this other business.

20                  JUDY: Uh-huh.

21                  JOHN-5: That's, that's the word from on  
22 high.

23                  JUDY: On high.

24                  JOHN-5: Uh-huh.

25                  JUDY: Not that high, though.

                  JOHN-5: Well, anyhow, if David or Steve want

1 to get back to us -- why don't you just basically talk  
2 about the progress so far.

3 JUDY: Okay. Well, just for my own  
4 curiosity, I was just wondering how much schooling do  
5 you have to have to be in the FBI and where do you go?

6 JOHN-5: How much what?

7 JUDY: Schooling.

8 JOHN-5: Schooling? Normally, it's an  
9 undergraduate degree. There's five different ways,  
10 much like the five -- well, something like five Seals,  
11 I guess. But what it is is -- is primarily you have to  
12 be either an attorney or an accountant. You have to  
13 speak a language. You have to, oh, basically be  
14 something like a computer operator, an engineer, a  
15 chemist, biologist, physicist or --

16 JUDY: Uh-huh.

17 JOHN-5: -- you have an undergraduate degree  
18 in three, three years of what they call executive  
19 experience, officer in the military, something along  
20 that line, --

21 JUDY: Uh-huh.

22 JOHN-5: -- teachers, etc.

23 JUDY: Uh-huh.

24 JOHN-5: So, that's basically how it's done.

25 JUDY: And then they train you for how long?

JOHN-5: I believe the school is 16 funfilled

1 weeks in Quantico.

2 JUDY: Really?

3 JOHN-5: Uh-huh.

4 JUDY: Hum.

5 JOHN-5: But anyhow, that's neither here nor  
6 there. Let's sort of concentrate on this other stuff,  
7 Judy.

8 JUDY: Uh-huh.

9 JOHN-5: It's -- now, as I said, you're there  
10 in the spot. You've got a lot going for you if you  
11 come on out. It's not -- you're not enhancing your  
12 position in the world by staying in that place.

13 JUDY: Uh-huh. Well, I'm not trying to do  
14 that.

15 JOHN-5: You can wait for the message from  
16 God or whoever for about what he wants you to do on the  
17 outside as far -- I think he would want you to get out  
18 of there. I don't think he'd want to see you hang out  
19 in there.

20 JUDY: See, your -- this is your opinion.  
21 You don't know.

22 JOHN-5: Do you think a God would want you to  
23 hang in there? Think -- take a step back and think  
24 about that. Look around you. Do you think he'd want  
25 -- wants anybody to hang out in there under those  
conditions with kids? Now, come on, Judy.

1 JUDY: I mean did he -- did the people like,  
2 you know, walking for 40, 40 years out of Egypt?

3 JOHN-5: Wandering you mean?

4 JUDY: Yeah, wandering.

5 JOHN-5: Well, you know, the -- they had a  
6 little bit better situation wandering around --

7 JUDY: They did?

8 JOHN-5: -- than you guys got where you are  
9 right now. Hey, think about it.

10 JUDY: They ate an (Indiscernible). That's  
11 all they ate.

12 JOHN-5: Well, look what -- you've got -- you  
13 got a good chance of coming down --

14 JUDY: (Indiscernible).

15 JOHN-5: -- with some first class serious  
16 diseases in there. And David's got this stuff where  
17 he's got you guys in there and it's an impossible  
18 situation.

19 JUDY: Well, to stay here and live here  
20 forever, yeah. We don't plan on doing that.

21 JOHN-5: Yeah. Okay. Now, do we understand,  
22 Judy, about contacting David and Steve?

23 JUDY: Yeah, I'll, I'll mention it to them.

24 JOHN-5: Okay. Next thing -- talk it over  
25 with the gals.

JUDY: Uh-huh.

1           JOHN-5: Hey, you know, there's things that  
2 we talked about. We're talking about the situation,  
3 that you guys can do a lot better with yourselves on  
4 the outside than -- not only for yourselves but for the  
5 children and everybody else. And it's best to give it  
6 a shot and come on out now. The milk's out here, good  
7 healthy care. And I think you could probably use a  
8 good meal, too.

9           JUDY: Oh, I don't know, I think I eat too  
10 much.

11           JOHN-5: No, not you, Judy. Let's see, is  
12 your hair still brown?

13           JUDY: No, it's probably gray --

14           JOHN-5: Is it, is it white by now? Is --

15           JUDY: It always -- I've had gray hair since  
16 I was 16.

17           JOHN-5: Yeah, I know how that goes. I've got  
18 a similar situation.

19           JUDY: Yeah.

20           JOHN-5: But I want you to give yourself some  
21 -- start thinking about this because this isn't the way  
22 to go. And it's not going to get any better. It's  
23 going to get worse.

24           JUDY: Yeah, I don't think it'll last too  
25 much longer myself.

          JOHN-5: Well, I don't know, Judy. You know,

1 | it depends. It's -- I'd like to see it come out one  
2 | way or other. It might, it might end a lot faster than  
3 | you think, too.

4 | JUDY: Uh-huh.

5 | JOHN-5: And, but this is the best thing. Do  
6 | the best thing for yourself and your children.

7 | JUDY: Uh-huh.

8 | JOHN-5: And the other ladies can do the same  
9 | thing, what's best for them and their children. Come  
10 | on out 'cause there's a life out here.

11 | JUDY: Now, what, what was -- you just said,  
12 | it might end a lot faster than I think?

13 | JOHN-5: Yeah.

14 | JUDY: What does that mean?

15 | JOHN-5: Well, you know, you never can tell.  
16 | Something might come along and they decide they have to  
17 | -- this thing might end faster than we both think. You  
18 | just think about that yourself.

19 | JUDY: Well, I don't know what you mean. I  
20 | mean, like I said, communication is pretty bad here, on  
21 | earth.

22 | JOHN-5: Uh-huh.

23 | JUDY: I, I don't know what your mind is  
24 | thinking.

25 | JOHN-5: Uh-huh. Well, you never can tell.  
There are decisions being made all the time about how

1 to resolve this thing. And I'm hoping maybe David and  
2 Steve will get together with their attorney --

3 JUDY: Uh-huh.

4 JOHN-5: -- or attorneys, decide to come on  
5 out a little bit faster than we think --

6 JUDY: Uh-huh.

7 JOHN-5: -- or other things might happen.

8 JUDY: Such as?

9 JOHN-5: Well, you never can tell. Maybe you  
10 gals will all get together and say you've had enough of  
11 this silliness and you're going to come out.

12 JUDY: Uh-huh.

13 JOHN-5: Life is, life is --

14 JUDY: Precious.

15 JOHN-5: -- the pits when you're doing what  
16 you guys are doing. And this is not a way that -- this  
17 is not a fun way to go.

18 JUDY: Yeah.

19 JOHN-5: And you know that and I know that.

20 JUDY: Uh-huh.

21 JOHN-5: And just think back, hey, at one  
22 time there is a better way. I've enjoyed myself and  
23 I've loved God and I honored him in other ways other  
24 than doing where I am right now. And this ain't the  
25 way to do it. This isn't the way to go. You know it  
and I know it. Let that sink in there, kiddo.

1 JUDY: Okay.

2 JOHN-5: Okay, Judy?

3 JUDY: Thanks for your time.

4 JOHN-5: All right. Get ahold of those folks  
5 and have them give us a call back around 8:00, okay?

6 JUDY: Okay.

7 JOHN-5: Thank you, Judy.

8 JUDY: Bye.

9 JOHN-5: Bye-bye.

10 \* \* \* \*

11 JOHN-5: Hello, who's this?

12 STEVE: This is Steve. Who am I speaking to?

13 JOHN-5: Hey, Steve, John O'Neil, better  
14 known as John-5.

15 STEVE: John O'Neil. You're number five,  
16 that's right.

17 JOHN-5: And how's everything going tonight?

18 STEVE: I guess okay. I just -- someone just  
19 came and told me -- they asked that I or David would  
20 call back or something. So, --

21 JOHN-5: Yes.

22 STEVE: And then, I was just saying, I just  
23 stopped in. I was just -- someone just called me and  
24 said that David wanted to see me. I went up to see  
25 what he wanted and he --

JOHN-5: Uh-huh.

1               STEVE:  -- he was on his side.  And I says,  
2 well, what can I do for you?  And he says to me, well,  
3 call the guys and, and remind them that it's our  
4 Sabbath day and ask them if they could respect that.  
5 He was talking --

6               JOHN-5:  I see.

7               STEVE:  -- he was talking about them sounds  
8 and the noises.

9               JOHN-5:  I see.

10              STEVE:  I says, I'll pass that on.

11              JOHN-5:  Okay.  We'll -- it's your Sabbath  
12 and you're concerned about the sounds and the noises  
13 and everything else, is that correct?

14              STEVE:  Yeah.

15              JOHN-5:  Steve, you know, I gather you met  
16 with your attorney?

17              STEVE:  I did.

18              JOHN-5:  Okay.  Can you tell me what's going  
19 on now?

20              STEVE:  You, apparently, didn't talk with  
21 John-3 because I talked to him probably about a half  
22 hour I would guess --

23              JOHN-5:  Okay.

24              STEVE:  -- about that and details about -- a  
25 little bit about what I could or what I perceive from  
it all and --

1 JOHN-5: Uh-huh.

2 STEVE: -- and, you know, like I didn't mind  
3 talking to him earlier but, you know, it's the Sabbath  
4 now so we, we don't talk business or anything like that  
5 on, on -- at this time.

6 JOHN-5: I see.

7 STEVE: So, I mean I'd talk to you about  
8 religion but you --

9 JOHN-5: Uh-huh.

10 STEVE: -- probably don't want to talk about  
11 that or about the Bible.

12 JOHN-5: Yeah. Like -- you know, you can  
13 understand that. We're trying to resolve this  
14 situation as you well, well know from our various  
15 conversations.

16 STEVE: Right. Right. Well, what happened,  
17 what happened -- well, I'll just quickly say that --

18 JOHN-5: Okay. Why don't you summarize it.

19 STEVE: Well, yeah, what happened was, you  
20 know, like his attorney, of course, was more with  
21 himself. So, it did not help me and there's others  
22 that want to understand more of what was going on. So,  
23 it was good that Zimmerman came and I, I had a lot of  
24 questions answered.

25 JOHN-5: Okay.

STEVE: His attorney, though, instead of

1 coming back to work out the few more details, he, he  
2 mainly has been extremely concerned about the children.  
3 So, he's been trying to work that out from what I  
4 understand. And --

5 JOHN-5: Uh-huh.

6 STEVE: -- let's see. And then his attorney  
7 said he had to be gone today from what, from what he,  
8 he told me. He had some kind of a case or cases he had  
9 to take care of.

10 JOHN-5: Uh-huh.

11 STEVE: And then, of course, it's the  
12 weekend. So, he -- I know they got a lot done from  
13 what --

14 JOHN-5: Right.

15 STEVE: -- what he tells me. And there was a  
16 discussion about time.

17 JOHN-5: Right.

18 STEVE: And I, I still don't -- I went to him  
19 today after I talked with John-3 and asked him --

20 JOHN-5: Uh-huh.

21 STEVE: -- a little bit about it. And he  
22 said, well, that's been shown to him, he himself. He  
23 said it makes him nervous --

24 JOHN-5: Right.

25 STEVE: -- in that he's asked his God -- on  
numerous times lately, he told me this this afternoon

1 | and he's getting one word, wait, wait, wait, and he  
2 | says --

3 |               JOHN-5: God is telling him wait, wait, wait?

4 |               STEVE: Yeah. Well, this has happened to him  
5 | in the past. Long before this incident happened, when  
6 | I knew him in the past, there were a couple of things  
7 | that -- see, he's -- like even when I first him, --

8 |               JOHN-5: Uh-huh.

9 |               STEVE: I thought, man, this guy's got a lot  
10 | of knowledge about the Bible. I says, --

11 |               JOHN-5: Okay.

12 |               STEVE: -- how about if I pay your way to  
13 | Hawaii and you share this with some of my friends. And  
14 | he said to me, I don't do anything without God telling  
15 | me or without --

16 |               JOHN-5: Okay. But getting back to the  
17 | situation about the issue at hand.

18 |               STEVE: Yeah.

19 |               JOHN-5: Now, what happened there as far as,  
20 | you know, you met with the attorney and then David got  
21 | a message?

22 |               STEVE: What do you mean he got a message?

23 |               JOHN-5: To come out or not to come out.

24 |               STEVE: No. In fact, he asked about the --  
25 | if you, if you talk with John-3, I gave him a lot of  
   | details and he actually -- you know, the attorney said,

1 | can you give me a time. And I was kind of glad that --

2 |           JOHN-5: Uh-huh.

3 |           STEVE: -- he was wanting specifics, too,  
4 | because, you know, all of us -- I've never had any God  
5 | or anybody talk to me. I mean, --

6 |           JOHN-5: Right.

7 |           STEVE: -- you know.

8 |           JOHN-5: I under -- I know how that goes,  
9 | Steve.

10 |           STEVE: Well, yeah. So, anyway, in the  
11 | process, then, he says, I really will. He said he  
12 | looked at Dick -- and this is what I hear -- and he  
13 | says, I, I, I will. And he said it only makes sense  
14 | and --

15 |           JOHN-5: Right.

16 |           STEVE: -- and he did. And he called me in  
17 | after I talked with John-3 later. It was probably  
18 | about, I don't know, 11:30, 12:00, I think.

19 |           JOHN-5: Okay.

20 |           STEVE: And I says, so, what's happening?  
21 | And he said to me -- he, he looked out and he says, I  
22 | see the face of God everywhere with the men -- the FBI  
23 | agents and the -- that are doing that and I mean  
24 | everywhere. He says, how can you ever hate anybody.  
25 | And I said, well, --

          JOHN-5: That's true.

1 STEVE: And I said to him, well, you can't.

2 And I said, I don't either. And --

3 JOHN-5: Uh-huh.

4 STEVE: -- he said that and then he went on  
5 to say, he says, the -- you know, the hardest thing has  
6 ever been for me since I -- since '85 when all this was  
7 shown to me about the Bible, he says, the hardest thing  
8 is when I want to know major things or what to do, I  
9 get either this word "trust" or the word "wait".

10 JOHN-5: Uh-huh.

11 STEVE: And he said, and that's what it was  
12 again. He says -- and he almost said -- he went like  
13 this, wait, wait, wait. And he said -- then I says,  
14 yeah, well, I know what that's about, I said because I  
15 took a concordance once and looked up the word wait in  
16 the Bible and it was everywhere.

17 JOHN-5: Uh-huh.

18 STEVE: And I said, if there was a hard  
19 virtue or something hard to handle, there's, there's no  
20 question it's gotta be that and --

21 JOHN-5: So, what we're looking at, Steve, is  
22 basically that there has been no sign or anything else  
23 to come out? It doesn't look like --

24 STEVE: Well, he, he said that, you know, a  
25 couple of prophecies have been shown to him in a new  
way and he's hoping that -- like, like he didn't want

1 to come in --

2 JOHN-5: Like, like what? What do you mean?

3 STEVE: Well, you know, like with this whole  
4 Passover thing. Long before this incident happened,  
5 that's --

6 JOHN-5: When is Passover? That's another  
7 thing.

8 STEVE: I, I'm not -- you know, I was -- I  
9 forgot to actually ask him but I've always thought it  
10 was April 7th.

11 JOHN-5: Yeah.

12 STEVE: I've always thought it was April 7th.

13 And --

14 JOHN-5: I think that's -- now, is this the  
15 Jewish version of Passover?

16 STEVE: No, I don't believe -- I think they  
17 go by a different time. We go by the first -- like you  
18 count 14 days from the first sliver of the beginning of  
19 the new moon. I mean you -- when you first see just a  
20 little bit of a sliver, that is the very first.

21 JOHN-5: Okay.

22 STEVE: Fourteen days from that then is, is  
23 Passover.

24 JOHN-5: Okay.

25 STEVE: And, so, when I mentioned that to  
him, he said that -- well, he, he brought in the Bible

1 | again but it's still not real clear to me.

2 |           JOHN-5: Okay. So, it's a little bit --  
3 | shall we say foggy right now, --

4 |           STEVE: Right.

5 |           JOHN-5: -- the exact calendar date?

6 |           STEVE: Exac -- well, to me anyway and, and  
7 | I'm not -- I didn't really -- I wasn't clear about his  
8 | answer because he's not -- see, this is the first time  
9 | I've ever seen him where he's so lacking energy, no, --

10 |           JOHN-5: Uh-huh.

11 |           STEVE: -- no iron in the blood, no -- I mean  
12 | --

13 |           JOHN-5: Right.

14 |           STEVE: I don't know -- to tell you the  
15 | truth, it makes it hard, of course, you know. I mean  
16 | --

17 |           JOHN-5: Uh-huh.

18 |           STEVE: -- there's many things I've wanted to  
19 | discuss with him and he's --

20 |           JOHN-5: Okay.

21 |           STEVE: -- been so weak.

22 |           JOHN-5: So, basically, you guys haven't put  
23 | your heads together or David hasn't come up with a time  
24 | that he feels that you folks would be doing the right  
25 | thing in coming on out?

          STEVE: Well, you know, in honesty, I know

1 | the guy, you know, for a fact -- I'm tell -- I'll you  
2 | the -- no question about it. I mean I heard what the  
3 | FBI spokesperson said on the press today.

4 |           JOHN-5: Uh-huh.

5 |           STEVE: And from his perspective, that might  
6 | be so but it is not so. I mean the guy is -- I mean he  
7 | would like -- he even told the attorney. I happened to  
8 | come in and --

9 |           JOHN-5: Right.

10 |           STEVE: -- I was allowed to sit there for a  
11 | moment. And he even said to the guy, I'd like to come  
12 | out today, right now with you.

13 |           JOHN-5: Uh-huh.

14 |           STEVE: But he says, he says, you -- I don't  
15 | know how to help you understand but he says, I fear  
16 | this God that showed me the things he did back in '85  
17 | and took me every step of the way since then. He says,  
18 | you've got to remember I had dyslexia. I was a  
19 | studder. I was a D/F student.

20 |           JOHN-5: Uh-huh.

21 |           STEVE: He says, all of a sudden, over night,  
22 | he says, check me out, he says, check out my past, he  
23 | says, check my mother, check the teachers. You'll see  
24 | I'm not ex--, I'm not kidding, I'm not --

25 |           JOHN-5: Things turned around for him, right?

          STEVE: Yeah. He says, just over night. And

1 it.

2 STEVE: Yeah.

3 JOHN-5: That's just not going to go away.

4 STEVE: Yeah. You see, the only problem,  
5 John, has only been -- and I know it's hard for you  
6 guys to understand -- it's always been the spiritual  
7 aspect. You know, if that wasn't involved at all, --

8 JOHN-5: Uh-huh.

9 STEVE: I mean there is no way one would have  
10 sat here a day even.

11 JOHN-5: Uh-huh.

12 STEVE: It's just that I've got this  
13 conviction, I -- I'm -- see, I really -- it's hard to  
14 take someone's years of experience based upon something  
15 you've clearly seen --

16 JOHN-5: Uh-huh.

17 STEVE: -- and just chuck it out the window.  
18 It's really hard.

19 JOHN-5: Uh-huh.

20 STEVE: So, I mean I've had to wrestle with  
21 this myself even before this incident happened. I  
22 mean, no --

23 JOHN-5: Yeah.

24 STEVE: -- one wants to come and live in  
25 Wacko, Texas, believe me.

JOHN-5: (Laughs)

1 STEVE: When you've lived in Hawaii --

2 JOHN-5: Uh-huh.

3 STEVE: -- and you come to a place like this  
4 -- it's a daily decision. It's not like something --

5 JOHN-5: Yeah.

6 STEVE: -- you get to this cult, you're  
7 brainwashed. And, no, --

8 JOHN-5: You're realizing, of course, this is  
9 not going to go away?

10 STEVE: Well, yeah, of course. Every --

11 JOHN-5: And as a result, you've go to  
12 work --

13 STEVE: -- body knows that.

14 JOHN-5: -- on doing the right thing to clear  
15 it up.

16 STEVE: Oh, yeah, everybody knows that.

17 JOHN-5: And you're not doing yourself any  
18 good by hanging out in there.

19 STEVE: And we realize that, too. I mean  
20 even in talking with the attorneys, we told them --  
21 even before they got to say that to me, John, I said  
22 that to them. I says, you gotta realize I've always  
23 been one that has always wanted to do the right thing,  
24 do -- using wisdom, getting things clear. I, I've been  
25 one that --

JOHN-5: Uh-huh, all right.

1 STEVE: -- if, if something's going wrong,  
2 I'd like to go right back to the person, get the thing  
3 done right away and get it -- get on.

4 JOHN-5: Okay. And your other situation here  
5 is that obviously your -- what is that?

6 STEVE: That's, of course, the sounds that  
7 they're playing right now.

8 JOHN-5: Oh, that sissing sound?

9 STEVE: Yeah. It's -- they got all -- I mean  
10 all sorts of weird things there that they're --

11 JOHN-5: Yeah.

12 STEVE: -- playing all through the night and  
13 day.

14 JOHN-5: Steve, how can you handle being in  
15 this place day in and day out, hearing all the stuff  
16 coming in there, looking --

17 STEVE: Well, --

18 JOHN-5: -- around, looking at the kids, the  
19 whole business? I --

20 STEVE: I'll tell you the bottom line, John,  
21 is -- I know it's hard for you to believe but the  
22 bottom line is these people -- whatever that means to  
23 you, we fear God first, that there's -- okay, I've got  
24 to go in front of a human judicial system, a man, a man  
25 that of the world.

JOHN-5: Uh-huh.

1               STEVE: But at the same time, there's a  
2 greater judicial --

3               JOHN-5: Judicial, right.

4               STEVE: -- yeah. Don't mind me.

5               JOHN-5: That, too.

6               STEVE: I'm quite tired today.

7               JOHN-5: I can understand.

8               STEVE: Anyway, Revelation Chapter 4 and 5  
9 shows how all men are going to come into this.

10              JOHN-5: Uh-huh.

11              STEVE: So, if I don't do clearly as God has  
12 laid out in the final days -- I mean I'm more concerned  
13 about that than I am this.

14              JOHN-5: Okay.

15              STEVE: See, that's the thing. And not that  
16 I, I can't -- I'm not going to be shirking any duties.

17              JOHN-5: Right, I understand what you're  
18 saying. Speaking of --

19              STEVE: Yeah.

20              JOHN-5: -- shirking duty, I got a question  
21 --

22              STEVE: You guy -- must be telephone  
23 problems.

24              JOHN-5: Oh, good grief. How is it that  
25 Rachel called in asking -- Rachel and Nicole called in  
asking for milk and other items and you didn't?

1                   STEVE: I don't know. I guess -- well, see,  
2 a couple hours back apparently I was walking down the  
3 corridor in the building here and someone said  
4 something about they wanted to call up and ask about  
5 milk. And I didn't know anything about it but then I  
6 learned that these 19 pints or whatever they were that  
7 came in, apparently they didn't drink them all or use  
8 them with the children right away.

9                   JOHN-5: Right.

10                  STEVE: They wanted to save them for a day or  
11 two and without having ice, I don't know how many went  
12 bad but that was the first I heard about it 'cause I  
13 don't even drink milk. Neither do the other adults.  
14 None of them do.

15                  JOHN-5: Yeah, that's -- I can understand  
16 that.

17                  STEVE: So, apparently, one or two of them  
18 then mentioned -- they asked me about chicken feed.  
19 And I says, well, I said, look, if you people are going  
20 to -- if you want to ask them about milk, I says, I'm  
21 going to tell you the truth, I don't want to be  
22 involved in (Indiscernible).

23                  JOHN-5: Okay.

24                  STEVE: And then they mention about chicken  
25 feed. I said, well, that, also, if you want to, you  
can. And so that's when they --

1 JOHN-5: Yeah.

2 STEVE: -- decided to do so.

3 JOHN-5: Yeah. I was just curious about  
4 that. I was wondering what, what your thinking was in  
5 having the gals call 'cause you normally do the  
6 calling.

7 STEVE: Right. Well, see, I didn't even want  
8 to -- at this point of time, I'm tired of that kind of  
9 thing and I don't -- I mean if they want to, fine, but  
10 for me --

11 JOHN-5: Uh-huh.

12 STEVE: -- I just said, at this point of time  
13 I don't see that it's so extremely necessary.

14 JOHN-5: Okay.

15 STEVE: Not being, you know, having a child  
16 that absolutely needs milk. I mean there's, you know,  
17 there's babies and so forth.

18 JOHN-5: Uh-huh.

19 STEVE: I told them maybe it can have -- make  
20 a difference if you did or if you really need it, maybe  
21 can express or explain your needs or something.

22 JOHN-5: Uh-huh. You know, the health in  
23 general is what we're concerned about as we have been  
24 for quite a while, not only for everybody but for the  
25 kids in there 'cause --

STEVE: Right.

1 JOHN-5: -- they're truly the innocents in  
2 this thing.

3 STEVE: Well, they -- honestly, they're --

4 JOHN-5: They haven't got too much choice in  
5 this.

6 STEVE: -- they're not bad. They're okay.  
7 Remember when I did the videotape?

8 JOHN-5: Yeah.

9 STEVE: I don't know if you could notice but  
10 they all were pretty happy. None are thin and  
11 (Indiscernible).

12 JOHN-5: Yeah, that's, that's open to  
13 interpretation but they -- but granted they weren't as  
14 bad as they could have been.

15 STEVE: They've got a regimen of bagpipe  
16 players --

17 JOHN-5: The Scotch, the Scotch Highlanders  
18 are marching by now.

19 STEVE: Yeah, that's it.

20 JOHN-5: By the --

21 STEVE: I love bagpipes.

22 JOHN-5: Yeah, they're, they're great. I  
23 enjoy them, too. That's one of my --

24 STEVE: Okay.

25 JOHN-5: That goes back to my heritage, I  
guess.

1               STEVE: Ask, ask if they have any crickets or  
2 whippoorwills.

3               JOHN-5: Uh-huh, yeah. But getting back to  
4 the kids' situation, it's not going to get any better  
5 for them in there and it's kinda -- we look about this  
6 and now we're talking about no problems or probably --  
7 I don't know, you're going to be feeding these guys  
8 your version of K rations or whatever else is in there.  
9 This is not the kind of food you want to give kids.

10              STEVE: No, but even, even talking with the  
11 attorneys, even --

12              JOHN-5: Uh-hum.

13              STEVE: -- speaking with them, we want -- we  
14 showed them -- they know clearly that we want to come  
15 out and the only --

16              JOHN-5: Uh-huh.

17              STEVE: -- aspect of this whole thing that's  
18 left is making sure we're not doing anything to offend  
19 the God that we've, we've believed in, that we've  
20 worshiped, that we've been together, understanding the  
21 prophecies, what God's going to do with, with this  
22 world and why, what we need to know, and knowledge --

23              JOHN-5: Uh-huh.

24              STEVE: -- is something that is needful  
25 always. And that's, --

              JOHN-5: Okay.

1 STEVE: -- that's our main concern. That,  
2 that seems -- of course, you know, that's, that's the  
3 whole crux of the matter.

4 JOHN-5: Yeah, that situation with the kids  
5 is just something else. You know, developmentally  
6 impairing your child by having them in there.

7 STEVE: Well, well, we believe that God is --  
8 well, you know, I mean we -- we're right here  
9 monitoring it ourselves and I can tell you for a fact  
10 that --

11 JOHN-5: But you don't have the where for  
12 all, Steve, to --

13 STEVE: Pardon?

14 JOHN-5: You don't have the where for all.  
15 We're talking about food, we're talking about milk,  
16 we're talking about general sanitary conditions. You  
17 just don't -- it just isn't there.

18 STEVE: Well, what are you going to do when  
19 -- if you look in the Bible, God took Israel through  
20 the Sinai Peninsula --

21 JOHN-5: You going to ask me what I'm going  
22 to do.

23 STEVE: -- 40 years in the desert.

24 JOHN-5: Steve, you know what I would do?

25 STEVE: And they didn't have any toilets or  
--

1 JOHN-5: Steve, Steve, you and I have chewed  
2 on that before.

3 STEVE: Have we really? You know what --  
4 John, excuse me but --

5 JOHN-5: You're hurting my feelings here now.

6 STEVE: Hey, listen, I actually forget. I  
7 mean when John-5, you know, I --

8 JOHN-5: It gets, it gets -- keep your --  
9 both balls in the air. But you're asking me what I  
10 would do in a case like that? That was the question.  
11 I would come on out. I'd say, hey, fun's fun. We've  
12 -- we've had our experience but there are people out  
13 there that want to hear our message and I can't get to  
14 them from where I am now. I would come on out and I  
15 would make my case known outside.

16 STEVE: John, are you going to be around  
17 tomorrow night?

18 JOHN-5: Sure.

19 STEVE: When the sun goes down?

20 JOHN-5: Absolutely. By the way, just one  
21 fast --

22 STEVE: Sure.

23 JOHN-5: A couple of fast ones here. Do you  
24 feel you made any progress with your attorney?

25 STEVE: Positively, positively did. And I --

JOHN-5: How well would you say the dialogue

1 | went?

2 |           STEVE: Is John-3 around at all right now?

3 |           JOHN-5: No.

4 |           STEVE: He's not. Because I was hoping that  
5 | he could have passed on to you -- I did talk to him for  
6 | a period of time and --

7 |           JOHN-5: Uh-huh.

8 |           STEVE: -- told him quite a bit.

9 |           JOHN-5: Okay.

10 |           STEVE: But, no, it went well. And I'm  
11 | satisfied and I think that he can more than take --  
12 | handle the matters and --

13 |           JOHN-5: Uh-hum.

14 |           STEVE: -- some of them, you know, --

15 |           JOHN-5: Okay. So, do you see anymore  
16 | roadblocks are coming out?

17 |           STEVE: No, I never did. In fact, I knew  
18 | that even if I came out that I'd be represented okay.  
19 | So, for me --

20 |           JOHN-5: Uh-huh.

21 |           STEVE: -- there was never a problem. For  
22 | me, like everyone else, is making sure we don't offend  
23 | the God that we've always -- you know, --

24 |           JOHN-5: Uh-huh.

25 |           STEVE: -- that we've looked to, we've looked  
at the Bible and --

1 JOHN-5: I'm sure that God's not going to be  
2 offended by you folks coming out and getting a better  
3 life for everybody that's in there.

4 STEVE: Well, that's what we tried to explain  
5 even to the attorneys because they're anxious to get  
6 the thing into the courtroom and get right on it.

7 JOHN-5: Uh-huh.

8 STEVE: And I said to them, boy, believe me,  
9 I agree with you. But I --

10 JOHN-5: Uh-huh.

11 STEVE: We keep on talking about this  
12 judicial system in heaven.

13 JOHN-5: Yeah, right, exactly.

14 STEVE: So, see, that's the main thing. And,  
15 of course, nobody wants to really hear about it.

16 JOHN-5: In a way I can understand that but,  
17 unfortunately, we're looking at an entirely different  
18 angle here.

19 STEVE: I, I realize that.

20 JOHN-5: We're looking at it at plateau, the  
21 more -- what we consider reality here. And the reality  
22 is that --

23 STEVE: Well, see, that's our reality, too,  
24 though, John. That's what -- I don't know -- there's  
25 -- well, I'm almost lost for words. It takes time to  
develop the picture but --

1 JOHN-5: Uh-huh.

2 STEVE: -- I think that with your own  
3 rationale and just hearing and seeing the connections,  
4 I think you would see something there. Whether you'd  
5 buy it or not, that's, you know, it's something else.

6 JOHN-5: No, I see what you guys are into. I  
7 can understand your beliefs and all this. But it gets  
8 to a point where you reach diminishing returns both on  
9 a, an ecclesiastical level and on a --

10 STEVE: (Indiscernible).

11 JOHN-5: -- reality level. And here your  
12 reality is to come on through. There's just -- you  
13 know, you're creating your own reality in there and  
14 it's not the type of thing most people are sympathetic  
15 with.

16 STEVE: No, I realize that but I've got to  
17 first honor God and put God first before man. I mean  
18 that's --

19 JOHN-5: Well, you are honoring him by living  
20 and bringing your word out. That's what we're looking  
21 at.

22 STEVE: No, that's not what I -- if you want  
23 to, I'll start quoting the scriptures --

24 JOHN-5: Oh, good grief, no.

25 STEVE: No, no, but, see, you're giving an  
interpretational opinion, a theory. You and I can

1 | theorize all day but I've got chapters to back from the  
2 | prophets, what they say the details will be in the  
3 | final days.

4 |               JOHN-5: Uh-huh.

5 |               STEVE: That's happening now.

6 |               JOHN-5: Uh-huh.

7 |               STEVE: Ultimately one day, if the book is  
8 | true, there will be a final days of earth's history.

9 |               JOHN-5: Okay.

10 |              STEVE: There's -- 6000 years have gone by of  
11 | knowing --

12 |              JOHN-5: Uh-hum.

13 |              STEVE: -- human history. Man's not done so  
14 | well, John, if you haven't noticed.

15 |              JOHN-5: Well, it, it probably could be  
16 | better. And you can probably do a lot for making  
17 | things better, you and crowd coming, coming on out and  
18 | giving your message.

19 |              STEVE: The best -- I want to make sure --

20 |              JOHN-5: Because what you're doing there,  
21 | guy, it sounds like you might have --

22 |              STEVE: I want to make sure --

23 |              JOHN-5: -- or whether things are going to be  
24 | a little bit better from your living, hanging out.

25 |              STEVE: But, you know, life -- I really don't  
-- you know, obviously, John, a guy wouldn't leave

1 | Hawaii to come here if I'm worried about this world.

2 | You understand?

3 |           JOHN-5: Well, you never can tell.

4 |           STEVE: Seriously, I mean I would never have  
5 | ever made such a move here.

6 |           JOHN-5: Uh-huh.

7 |           STEVE: But being that I've seen something  
8 | here, I'm looking for better things. We're subject to  
9 | death. We're subject to disease.

10 |           JOHN-5: That's true. I'm not arguing that.

11 |           STEVE: Do you have children?

12 |           JOHN-5: Hum?

13 |           STEVE: Do you have children?

14 |           JOHN-5: Yes, I do.

15 |           STEVE: You know, the --

16 |           JOHN-5: I'm a grandfather.

17 |           STEVE: Well, that's what -- okay -- I mean  
18 | here no matter what, they could come down with AIDS,  
19 | disease, --

20 |           JOHN-5: Uh-huh.

21 |           STEVE: -- you could lose them to a car  
22 | accident, yourself, --

23 |           JOHN-5: Right.

24 |           STEVE: -- and you could lose your wife. I  
25 | mean what's, what's --

          JOHN-5: Uh-huh.

1 STEVE: -- so great about this world? Most  
2 people are happy to feed their face, sit behind a T.V.,  
3 --

4 JOHN-5: Uh-huh.

5 STEVE: -- going to a few parties here and  
6 there, gain a greater respect in life's position--

7 JOHN-5: But there's a little bit more into  
8 life than that, Steve, as you are well aware. And I  
9 think you and your crowd have realized that.

10 STEVE: No, I tell you the truth, we are a  
11 small group out of almost 6 billion people in this  
12 world that literally, totally, truly put God first.

13 JOHN-5: Uh-huh.

14 STEVE: Totally, truly, completely do.

15 JOHN-5: Okay.

16 STEVE: And we're ones that will actually sit  
17 down and challenge anybody in this world. Those that  
18 say they want to see the things of the book, we'll sit  
19 down and lay it out for them. They can ask questions  
20 anywhere they want and we'll sit down and --

21 JOHN-5: Okay.

22 STEVE: -- show answers.

23 JOHN-5: As I mentioned before when you and I  
24 talked, I'm not going to be able -- I'm not in a  
25 position where I can sit down and, you know, tap dance  
through the Bible and come out with various quotes to

1 | represent my statements here. But, hey, there's one  
2 | thing I want to bring to your attention so we don't  
3 | lose sight of things.

4 |           There's still an arrest warrant and a search  
5 | warrant out for that compound. And it was issued by a  
6 | federal judge. And sooner or later that's going to  
7 | have to be executed in there.

8 |           STEVE: Uh-huh.

9 |           JOHN-5: So, these are things in reality. We  
10 | can talk about the others till we're blue in the face  
11 | --

12 |           STEVE: Well, you know, if you don't mind,  
13 | you know, --

14 |           JOHN-5: -- but we have to deal with the  
15 | things of this earth.

16 |           STEVE: John, but I can't -- I don't want to  
17 | do that right now if you, if you --

18 |           JOHN-5: Uh-huh.

19 |           STEVE: -- understand because --

20 |           JOHN-5: Can you tell me why you don't want  
21 | to do it right now 'cause --

22 |           STEVE: It's the Sabbath.

23 |           JOHN-5: Oh, I understand that, okay. Right.

24 |           STEVE: See, I mean, you know, I mean that's  
25 | the way -- if you look -- just take a look at the  
fourth commandment in Exodus 20 and, you know, it's --

1 JOHN-5: Uh-huh.

2 STEVE: -- very clear.

3 JOHN-5: Right.

4 STEVE: Even though the world keeps the first  
5 day of the week which is unbiblical --

6 JOHN-5: Sunday, right.

7 STEVE: Yeah, the venerable day of the sun.

8 JOHN-5: Let's see, the Jewish --

9 STEVE: The Sabbath, the Sabbath was actually  
10 made for man. It was -- it's a family day --

11 JOHN-5: Uh-huh.

12 STEVE: -- where the whole family gets  
13 together and --

14 JOHN-5: Uh-huh.

15 STEVE: -- Constantine 321 A.D. change it from  
16 Sunday or from Sabbath to Sunday. That's where the  
17 change came.

18 JOHN-5: Right.

19 STEVE: So, I mean, but, you know, we keep  
20 the day holy. We talk about the Bible, the truth, --

21 JOHN-5: Uh-huh.

22 STEVE: -- and then we try to keep our minds  
23 uplifted in the manner.

24 JOHN-5: And I can understand it. And I can  
25 make thing -- keeping your mind coming on the right  
track, you might want to start considering the idea of

1 everything that's gone on here. This thing isn't going  
2 to end. The best way for you to do it is to come on  
3 out. And you've got -- we've done everything that  
4 we've --

5 STEVE: Yeah, I --

6 JOHN-5: -- mentioned. We've bent over  
7 backwards, more so than normally we would do in cases  
8 like this to make things right for you. And we would  
9 --

10 STEVE TO OTHERS: John-5.

11 JOHN-5: Say --

12 STEVE: Someone -- somebody was asking me who  
13 I was speaking with.

14 JOHN-5: Oh, I see.

15 STEVE TO OTHERS: John O'Neil.

16 JOHN-5: Right.

17 STEVE: Yeah.

18 JOHN-5: Now, you said more -- on more than  
19 one occasion if the Bible is true, then we are in the  
20 final days.

21 STEVE: We are in the final days.

22 JOHN-5: Does this mean the Bible may not be  
23 true?

24 STEVE: Well, the Bible is -- for me, the  
25 Bible is -- holds a weight of evidence of all the  
sources of information I've ever heard or looked at in

1 the world, whether it's -- it doesn't matter if it's  
2 Hagel (ph), Cont (ph) --

3 JOHN-5: Uh-huh.

4 STEVE: -- eastern philosophers, historians.  
5 There's more consistent logical answers for me from  
6 that book than any other source. And I've never been  
7 able to refute the history laid out in the book as in  
8 Daniel 2, Daniel 7. It prophecized empires like  
9 Babylon falling to the Medes and Persians --

10 JOHN-5: Uh-huh.

11 STEVE: -- to the Grecians to the Romans, out  
12 of the ruins of the Roman empire --

13 JOHN-5; God, you've spent a lot of time on  
14 that, Steve. Good grief.

15 STEVE: Well, you know, a lot --

16 JOHN-5: If you had studied something else, I  
17 can imagine you'd be emperor of the world now.

18 STEVE: Well, --

19 JOHN-5: If you, if you put that in -- got an  
20 MBA or a doctorate in business or something along that  
21 line.

22 STEVE: It wasn't supposed to be --

23 JOHN-5: And that kind of devotion, Steve, I  
24 could see you would just be a captain of industry.

25 STEVE: Anyway, you know, it comes down to  
looking at the Bible. It talks about -- statements are

1 | made by God about the future and how can you know --

2 |           JOHN-5: Uh-huh.

3 |           STEVE: -- that there's -- God is true or real  
4 | or if this is a figment of someone's imagination?  
5 | Well, it's possible, of course, John, but the reason at  
6 | one time -- the reason I believe in the Bible is  
7 | because those --

8 |           JOHN-5: Uh-huh.

9 |           STEVE: -- things that were prophetic about  
10 | these world empires have now become history.

11 |           JOHN-5: Uh-huh.

12 |           STEVE: So, I'm basing the same kind of  
13 | strength and confidence on those statements, also on  
14 | the statements of the future. That's why I put so much  
15 | into it.

16 |           JOHN-5: Uh-huh.

17 |           STEVE: It's -- it still speaks about the  
18 | nations of this world and what's going to happen but  
19 | there's never been a man, a scholar, a theologian, that  
20 | has had the ability to pull these different pieces of  
21 | the puzzle together.

22 |           JOHN-5: Yeah. I appreciate what you're  
23 | saying about the religious end of things and I have no  
24 | doubt that you have faith in the Bible.

25 |           STEVE: But actually it's political, it's  
socialistic, it's educational, it's -- see, it's always

1 different aspects, not only one.

2 JOHN-5: Well, if it's educational -- and it  
3 ain't -- you know, it deal's in practicality, too, I  
4 can imagine?

5 STEVE: Uh-huh.

6 JOHN-5: Practicality at this point would be  
7 for you to take stock of the situation and follow the  
8 Bible and come on out.

9 STEVE: But I need to show you what the Bible  
10 says about this very incident, this very event that's  
11 taking place.

12 JOHN-5: Uh-huh.

13 STEVE: It's spoken of in the Book of Nahum.

14 JOHN-5: Uh-huh.

15 STEVE: And if you pick the time, you would  
16 find out that it actually speaks of chariots with  
17 flaming torches which are actually tanks which are on  
18 the outside of this building.

19 JOHN-5: Uh-huh.

20 STEVE: And it goes on into a lot of details  
21 in Chapter 1 and 2.

22 JOHN-5: Right.

23 STEVE: It really does.

24 JOHN-5: Right.

25 STEVE: And I know it would be hard for you  
to see or decipher without also bring in a number of

1 | other testimonies of other prophets.

2 |           JOHN-5: No, I can understand what you're  
3 | saying. Again, I've dabbled here and I've -- in the  
4 | book. I've studied it from time to time, not to the  
5 | degree that you have. And I'm not going to get into  
6 | something like that, like I mentioned. I'm still --  
7 | perhaps when you come out -- when you come on out and  
8 | come on over, we can sit down, we can chat about this.  
9 | And I'm --

10 |           STEVE: John, where did you tell me your home  
11 | was again, what state?

12 |           JOHN-5: Well, when we -- when you come on  
13 | out and we all get together, then we can kind of sit  
14 | down and discuss this thing.

15 |           STEVE: Where you -- what kind of --

16 |           JOHN-5: This is what I'm kind of curious  
17 | about because -- you understand this, guy, 'cause  
18 | we're, we're right here and there's, there's no real  
19 | harm or anything else going to be happening along this  
20 | line. It's all, you know, for your best interests that  
21 | we're doing all this stuff. Otherwise, if the  
22 | situation were in a position where we would be less  
23 | than understanding, this thing wouldn't have lasted  
24 | this long but we're trying to do the right thing for  
25 | you and, hopefully, that you're going to be able to  
   | show some faith. And now that we've basically come

1 | around and --

2 |           STEVE: I don't --

3 |           JOHN-5: -- asked for just about -- given you  
4 | everything you've asked for.

5 |           STEVE: Oh, no, that's not true but let's not  
6 | get into that. The whole bottom line is this. I have  
7 | respect for the people that I've been dealing with.

8 |           JOHN-5: Uh-huh.

9 |           STEVE: I don't have a problem really there.  
10 | I mean there are times that it gets frustrating, of  
11 | course. You know, one might get tired and you might  
12 | get a little irritable. I have.

13 |           JOHN-5: No, you won't.

14 |           STEVE: At the same time, being awake  
15 | sometimes 22 hours out of a day, it sometimes -- it  
16 | gets hard to handle after a while and so many issues,  
17 | not only yourselves, but here and --

18 |           JOHN-5: Uh-huh.

19 |           STEVE: -- be in between it all.

20 |           JOHN-5: It all boils in the ear at the same  
21 | time, Steve.

22 |           STEVE: And being 100% innocent like --

23 |           JOHN-5: Uh-huh.

24 |           STEVE: -- those here, I mean being in that  
25 | kind of a situation does get to be hard.

          JOHN-5: Yeah, I kind of -- I mean I'm amazed

1 at your performance 'cause you have talked, as you  
2 pointed out, on the phone a lot and then trying to keep  
3 everything going in there. This takes a remarkable  
4 person.

5 STEVE: Well, --

6 JOHN-5: And that's why I'm a little bit  
7 curious occasionally that I don't think you guys  
8 realize the situation you're in 'cause you're right in  
9 the middle of the forest.

10 STEVE: I do. You see, I really do believe  
11 in, you know, just doing as you and I are talking about  
12 but, again, the bottom thing is this book, the God of  
13 that book.

14 JOHN-5: Now, how can you sleep with all that  
15 noise, by the way?

16 STEVE: Oh, that doesn't bother me.

17 JOHN-5: It doesn't bother you?

18 STEVE: No.

19 JOHN-5: How do you handle it?

20 STEVE: You get used to it. You -- a person  
21 actually gets used to that sort of thing.

22 JOHN-5: Uh-huh. Well, how about the kids,  
23 do they get used to it?

24 STEVE: Yeah. I'll tell you the truth, they  
25 do.

JOHN-5: Yeah, 'cause a couple of them look

1 | like they're a little tired.

2 |           STEVE: I'll be honest with you, if you want  
3 | to try out some new sounds or louder, whatever, you  
4 | know, there's always -- look, if you fear God, if you  
5 | literally fear God, what is man going to be able to do  
6 | to affect you? I mean seriously. 'Cause I --

7 |           JOHN-5: Why would anyone want to fear God?

8 |           STEVE: Why would anyone want to? Because it  
9 | says like this, because God will bring into judgment --  
10 | take a look at Ecclesiastes 12 --

11 |           JOHN-5: Well, okay, I wanted a short quick  
12 | answer, not anything --

13 |           STEVE: -- 12, 13 and 14.

14 |           JOHN-5: Uh-huh.

15 |           STEVE: You'll find out that every prophet  
16 | and every apostle of the Bible talks about fear --  
17 | learning to fear God because that's the beginning of  
18 | wisdom. It's the beginning of life.

19 |           JOHN-5: Uh-huh.

20 |           STEVE: It keeps you sober and straight and  
21 | looking at the issues of why you're here, why not get  
22 | your priorities straight. It has everything to do with  
23 | that concept of wisdom, life.

24 |           JOHN-5: Uh-huh.

25 |           STEVE: So, that's why. And every -- all the  
statements in the Bible go around that fear in God.

1 JOHN-5: Well, you know, --

2 STEVE: So, I mean and I do, I do fear God.  
3 That's why I'm in the fear I'm in right now.

4 JOHN-5: Now, God owns you, is that right?

5 STEVE: Pardon?

6 JOHN-5: God owns you?

7 STEVE: Yes, he does.

8 JOHN-5: All right. He owns your body, he  
9 owns your soul, correct?

10 STEVE: Yes.

11 JOHN-5: And it's -- and it is --

12 STEVE: John, would you like to speak with  
13 David?

14 JOHN-5: Sure, go ahead.

15 STEVE: Okay, just a minute.

16 (Pause)

17 DAVID: Hello, John.

18 JOHN-5: Hello, David, how are ya?

19 DAVID: Pretty good.

20 JOHN-5: What kind of a night are you having  
21 so far?

22 DAVID: Ah Shabbat.

23 JOHN-5: Ah, it's getting kind of rough out  
24 there from time -- I understand they were playing  
25 bagpipe music out there not too long ago.

DAVID: Oh, it's a variety of different

1 | things.

2 |           JOHN-5: Yeah. David, how are every -- how  
3 | is everything going with your attorney? Are you happy  
4 | with this?

5 |           DAVID: Oh, yeah.

6 |           JOHN-5: Things moving along?

7 |           DAVID: Yeah, he's, he's quite happy, too.

8 |           JOHN-5: Great. Have you answered or have  
9 | you had answered all your questions that you have in  
10 | the back of your mind regarding this situation?

11 |           DAVID: Well, I already knew the answers.  
12 | It's just the techniques of being able -- excuse me,  
13 | one of these little metal buggies is going by --

14 |           JOHN-5: Oh, yeah, it's all part of your tax  
15 | dollar.

16 |           DAVID: (Sigh).

17 |           JOHN-5: Go ahead. Now, you were mentioning  
18 | about your attorney.

19 |           DAVID: In regards to the attorney, like I  
20 | was saying, what has to be established is the procedure  
21 | in regards to dealing with this on a legal position.

22 |           JOHN-5: Uh-huh.

23 |           DAVID: And it's bigger than what most people  
24 | realize. It has roots in something more than what  
25 | people realize and he had to be informed and, and we  
went over and reviewed some things. And --

1 JOHN-5: Okay.

2 DAVID: -- you know, he's, he's very thorough  
3 and very competent in his position and --

4 JOHN-5: Right.

5 DAVID: -- he realizes that we're very  
6 thorough and very competent in our position.

7 JOHN-5: Okay.

8 DAVID: And bringing that two together is  
9 going to be an awesome outcome.

10 JOHN-5: All right. The situation, as far as  
11 the outcome is concerned, when do you view that you'll  
12 be coming on out?

13 DAVID: I thought Steve said you wanted to  
14 talk about some things in regards to the prophetic  
15 reality.

16 JOHN-5: (laughs) Oh, well.

17 DAVID: Did you, did you pull one over on  
18 him?

19 JOHN-5: No, I wouldn't do something like  
20 that. I'm not that kind.

21 DAVID: Well, you're talking about the  
22 attorney. The attorney --

23 JOHN-5: The reality that I'm talking about,  
24 David, --

25 DAVID: -- the attorney asked me in regards  
to time. And I says, well, as, as I stated before, I

1 | said, you know, time is the most important thing of  
2 | all.

3 |           JOHN-5: Uh-huh.

4 |           DAVID: And I explained to --

5 |           JOHN-5: Absolutely.

6 |           DAVID: I explained to him that there is a  
7 | time involved, just as, just as everything else. I  
8 | explained to him about our discussions with the, you  
9 | know, the agents that had come over before that, I had  
10 | given Bible studies to, you know.

11 |           JOHN-5: Yeah. That's why I was talking to  
12 | Steve about. I'm interested in this type of thing.  
13 | When, when you guys come out --

14 |           DAVID: (Indiscernible).

15 |           JOHN-5: By the way, when is Passover? Have  
16 | we figured that out yet?

17 |           DAVID: Okay. The Rosh -- 'cause here's,  
18 | here's the way you determine Passover in the actual  
19 | lunar calendar, all right?

20 |           JOHN-5: Go ahead.

21 |           DAVID: Okay. The new moon, the beginning of  
22 | each moon, the Rosh Kadesh, the head of the month.

23 |           JOHN-5: Say that again. I'm trying to  
24 | understand.

25 |           DAVID: Okay. Rosh Kadesh --

          JOHN-5: Being an Irish guy I have a little

1 | problem with some of that stuff.

2 |           DAVID: Okay. Okay. You know, the head of  
3 | the month --

4 |           JOHN-5: Okay.

5 |           DAVID: This, this goes according to the, to  
6 | the Biblical time reckonings, assembly of the stars for  
7 | signs and seasons as Genesis tells us, okay?

8 |           JOHN-5: Go ahead.

9 |           DAVID: So, an ordination of the ceremonial  
10 | law which revolves around Christ and the sanctuary, you  
11 | know, the, the judicial system of the universe. Man is  
12 | given implicit times where the judgments take place.  
13 | And one of the, the greatest judgments of man is based  
14 | upon man's reasoning to believe, to believe in a higher  
15 | authority.

16 |           JOHN-5: All right. I'm listening to it.

17 |           DAVID: Okay. So, what happens is is that  
18 | from the 15th day of the first month, a big -- what  
19 | happens is is a judiciary takes place in heaven. It's  
20 | called the Passover. It was on the 16th day at even  
21 | 'cause God's reckoning is from even to even, sundown to  
22 | sundown is a day.

23 |           JOHN-5: All right.

24 |           DAVID: Not, not twelve midnight. That's  
25 | Gregorian time. That's man time.

          JOHN-5: Okay. I'm -- where -- for my

1 | purpose, what days are you going to talk about as far  
2 | as Passover? When, when would it be?

3 |           DAVID: Well, call up a rabbi.

4 |           JOHN-5: Uh-huh.

5 |           DAVID: The whole Jewish nation will be  
6 | keeping it.

7 |           JOHN-5: Okay. So, you're going to be in  
8 | sync with the Jewish nation?

9 |           DAVID: Exactly.

10 |           JOHN-5: The Hebrew Passover is your  
11 | Passover?

12 |           DAVID: Exact-- we're Jewish.

13 |           JOHN-5: Okay.

14 |           DAVID: Our religion is Judaism.

15 |           JOHN-5: Okay. What --

16 |           DAVID: As a particular. The only difference  
17 | is is that what, what, what Judaism fails to understand  
18 | is the covenants of Messiah. They fail to understand  
19 | the Ashua (Phonetic), you know. They fail to -- they  
20 | fail to catch that aspect of it.

21 |           JOHN-5: Uh-huh.

22 |           DAVID: Whereas Christianity fails to  
23 | understand that, that all that Messiah did away with  
24 | was the condemnation of levitical law.

25 |           JOHN-5: Okay, David, what can we expect, any  
   | sort of activity before or after Passover from you

1 folks?

2           DAVID: Well, we're hoping to have  
3 discussions with the attorney and stuff like that.

4           JOHN-5: Are you planning on coming out  
5 before or after Passover?

6           DAVID: First of all, the, the attorney, the  
7 attorney -- well, after Passover, naturally.

8           JOHN-5: It's going to be after Passover?  
9 Okay.

10          DAVID: The attorney -- well, look, --

11          JOHN-5: See, we --

12          DAVID: Got any questions about the Seven  
13 Seals, about -- what the purpose of the Seven Seals  
14 are?

15          JOHN-5: I don't think so.

16          DAVID: Why not?

17          JOHN-5: I will when I come out but not now.

18          DAVID: (Laughs).

19          JOHN-5: It's one of --
