SUBJECT: JAMES WALTER McCORD, JR.; ET AL

DATE: 10/5/72

card On 10/4/72 JAMES BARTLEY, 1727 Harper Street, Rocky Mount, N. C., advised that prior to his retirement from the U. S. Air Force in August 1971 he was asked by Air Force officials if he desired the Air Force to assist him in obtaining civilian employment after leaving military service. He indicated to them he would like a position as a Security Guard. He was informed that information concerning him would be sent to some unidentified data processing center in Ohio and processed electronically to determine if his qualifications could be matched with available job openings. After his retirement and before Christmas 1971 his wife received a telephone call at their home in Rocky Mount, N. C., and the caller asked that BARTLEY call him at the Holiday Inn.

Upon his return he did call this man, whose name he does not recall at the Holiday Inn. The man asked him if he was still interested in employment. BARTLEY replied that he was not interested because he already had a job in Rocky Mount. With that the conversation terminated and he does not know the nature of the job the man had to offer or the firm or people he represented. BARTLEY has no knowledge of the subjects of this case or the incident involved.

no cards On 10/4/72 the parents of WILLIAM LESLIE EDWARDS were located at 407 North Tarboro Street, Wilson, N. C. They advised that WILLIAM LESLIE EDWARDS lives in Clayton, N. C., works in the Post Office in Raleigh and has an inside job.

The foregoing information was telephonically furnished to SA MULHOLLAND in Raleigh 10/4/72 with necessary background data.

INTERCEPTION OF COMMUNICATIONS, MIDENT-
MIREP, June 17, 1972

Re ASAC memo dated 6/22/72.

On 6/23/72, STEVE FORTE made available TWA Passenger records to SC DONALD J. BUSH and IC JAMES W. WRIGHT at Passenger Records Section and Ticket Analysis Section, TWA, 112th and I-29, Kansas City, Missouri, in effort to determine if GEORGE F. LEONARD had been a passenger on any TWA flight from Kansas City, Missouri, to Washington, D.C., from 5/21/72, to 5/26/72. A check of TWA flights 184, 342, 402, 428, 440, and 482 for the above period failed to disclose any passenger by name of LEONARD using ticket issued by TWA. No record is maintained of any passengers on above flights who may have used tickets issued by other airlines.

The North American Airline Directory disclosed the only airlines having direct flights from Kansas City, Missouri, to Washington, D.C. are TWA and United Airlines, which is headquartered in Chicago, Illinois.

She was given a summons ordering her to appear November 15, 1972 before United States District Court for the District of Columbia. She was given this summons at her place of employment, the law firm office of MORTON B. JACKSON, 1901 Avenue of the Stars, Century City. She advised that Mr. JACKSON was in San Bernardino for the day but would probably be in the office the morning of October 26, 1972.

1Date of transcription 11/1/72

CAROL HOLMES, Manager, Virginia Brady's Answering Service, Marina Del Rey, California, advised that on October 24, 1972, she was contacted by an individual identifying himself as TOM GALLAGHER; an attorney, working in one of the California United States Senator's Offices in Los Angeles. He presented her with a facsimile copy of a congressional subpoena requesting the answering service to produce all of the messages in its possession for DONALD SEGRETTI. She advised that this subpoena was dated October 20, 1972, and signed by EDWARD KENNEDY who issued the subpoena in his capacity as Chairman of the Senate Sub-Committee on Administrative Practices and Procedures. Mr. GALLAGHER displayed his identification to Mrs. HOLMES and as she recalls it indicated that he was assigned to the headquarters of Senator TUNNEY.

He copied the messages she made available to him, but did not take them. She was advised that she would be subpoenaed later to appear before the Sub-Committee and bring the original messages with her.

He asked whether SEGRETTI had been known to the answering service by any other name. He was advised that SEGRETTI had only been known by that name. He asked if the answering service had a client by the name of SIMMONS, and she advised him that this answering service did not have a client by that name.

Mrs. HOLMES advised that DONALD SEGRETTI last called the answering service to pick up his messages on October 16, 1972. She noted that this was unusual because in the past he had always called for his messages on a daily basis, even when doing so required that he call long distance.

On 1/17/73, ELAINE JOHNSON, Stewardess, American Airlines, telephonically contacted the writer and inquired as to whether or not her testimony will be needed at the ongoing "Watergate Trial".

The writer advised Miss JOHNSON that he had no information as to whether or not in fact she would be called to testify at the trial. However, if her testimony were needed, she would be, in effect, called by Chief Government Prosecutor EARL SILBERT.

In addition, she made inquiries as to whether the individual that was traveling with E. HOWARD HUNT on her flight in September 1971, was G. GORDON LIDDY. JOHNSON was advised it was generally believed that the individual traveling with E. HOWARD HUNT on that American Airlines flight was G. GORDON LIDDY.

JOHNSON stated that if she had any further questions, she would contact SILBERT in Washington, D. C.

At 9:10 AM on 6/18/72, Supervisor JOHN RUHL, WFO, telephonically requested efforts be made through appropriate sources in the telephone company to determine if a phone call was made about 3:00 AM, 6/17/72 from the home of subject BARKER to Attorney MICHAEL DOUGLAS CADDY in Washington, D. C. RUHL noted that the newspapers carried an account of instant matter which quotes him as saying that BARKER'S wife called him at 3:00 AM because her husband told her to call CADDY at that time if she had not heard from him (her husband) by that time as it would indicate that he was probably in trouble.

At 9:50 AM the writer located [REDACTED] and requested the above information. [REDACTED] said that BAKER'S home phone, 443-1495, which is listed to BERNARD L. BAKER, 5229 NW 4th St., is in an exchange area that has been completely computerized so that it will be impossible to determine if a call was made to Washington, DC, sometime Monday or Tuesday, at the earliest. [REDACTED] was furnished with the home phone number of Attorney MICHAEL DOUGLAS CADDY as 202-659-2732 to assist in his computer request.

[REDACTED] agreed to notify the # 4 Desk of this office, the results of his inquiry.

At 10:05 AM Supervisor RUHL was told that we may not have the results of the inquiry until sometime Tuesday, 6/20/72.

This is to record that on a.m. of 6/21/72 Attorney ALBERT CARRICARTE, partner of Attorney MIKE SUAREZ, telephonically contacted the writer to express the appreciation of both these attorneys for the manner in which FBI investigation has been conducted in Miami, especially in view of the fact that SUAREZ, as president of Ameritas Inc., has undergone considerable embarrassment through inquiries from numerous representatives of the media. This resulted from the use of letterhead stationery of Ameritas Inc., in making reservations for BARKER, ET AL, at the Watergate Apartments, Washington, D.C., for the period 5/26-29/72.

CARRICARTE advised, after Bureau Agents completed interview of SUAREZ on 6/20/72, SUAREZ was more upset over use of Ameritas stationery mentioned above which prompted SUAREZ to personally contact Mrs. CLARA BARKER, subject's wife, and ask her point blank who wrote that letter. According to CARRICARTE, Mrs. BARKER admitted that she had written that letter and had signed a fictitious name to it.

Adm.

CARRICARTE said SUAREZ felt that because of his legal representation of BARKER Associates Realty Company and of BARKER himself, these admissions of Mrs. BARKER could possibly be considered privileged information which might be unethical for SUAREZ himself to furnish to the FBI. For that reason, SUAREZ had requested CARRICARTE to relay the above to SA PRUE C. CLINKSCALES.

In an effort to obtain a list of the Florida Committee to Re-Elect President NIXON, inquiry was made of CARRICARTE as to whether or not such a list is available in his office. CARRICARTE said he is not involved in politics; did not know if SUAREZ was a member of such committee; or

whether SUAREZ had such a list. CARRICARTE agreed to locate SUAREZ, latter not then in his office, and have SUAREZ contact the writer regarding such list.

card At 10:45 a.m., SUAREZ telephonically advised SA CLINKSCALES that he does not have a list of the Florida Committee mentioned above and that he himself is not a member of that committee. SUAREZ volunteered that the following three individuals are known members of the Florida Committee to Re-Elect President NIXON, the first considered second in importance to C. G. "BEBE" ROBOZO:

EDGARDO BUTARI, telephone 373-5065

ARTURO HEVIA, telephone 226-2843, recently appointed Latin American Coordinator for the Republican Party

MANUEL CASANOVA (no telephone number available) who is in charge of collection of funds from Latin Americans for the Republican Party.

Although SUAREZ volunteered to make efforts to obtain a list of the Florida Committee to Re-Elect President NIXON, he was informed this would not be necessary if such activity might possibly lead to further embarrassment for him and such a list would undoubtedly be made available to this office from other sources.

Investigation at
Juanito's Centro Vasco Restaurant
2235 S. W. 8th Street

The following people were located and interviewed
by SA EDWIN L. SWEET on 6/29/72, at the above restaurant:

no card
BENJAMIN FERNANDEZ, Chief Accountant and an Assistant
Manager, was first contacted because of his excellent reputation
in the Cuban community. His father, BENJAMIN FERNANDEZ, was
a long-time president of the Centro Asturiano (Asturian Center)
in Havana, Cuba, and was twice president of the Cuban Senate.
He died in Miami about two years ago.

Mr. FERNANDEZ stated he recalled no such meeting
as that described in the article by MARTIN WALDRON in the
"New York Times", dateline at Miami 6/27/72. It will be noted
the article states "At 3:30 yesterday afternoon in Juanito's
Centro Vasco ... a cluster of dark mysterious looking men
huddled over syrupy Cuban coffee and brandy". Mr. FERNANDEZ
immediately noted that when Cubans drink after a meal, they
drink. If they drink coffee they do not drink liquor.

no card
He called the maitre d', who was on at the time of
the interview and who was also on duty on the afternoon of the
26th. He is HENRY RACHAR. RACHAR stated there is a change in
the shift and all the waiters go off duty at 3:00 P.M. There
was no table with a "cluster of dark mysterious looking men"
after that time as he would have had to wait on them personally.
He stated they might have been in the bar.

CARLOS SORDO was the bartender on duty at the time of these interviews and he was on duty at 3:00 P.M. on the afternoon in question. He stated that since all the waiters went off duty at 3:00 P.M. he would have had to go out from behind the bar and wait on any tables in the barroom area. He stated on the afternoon in question he had no customers at the table and did not go out from behind the bar at any time after the waiters went off duty.

None of the individuals interviewed were personally acquainted with those mentioned in connection with this case. All of them knew FRANK FIORINI by name and BENJAMIN FERNANDEZ stated he had seen him one time years ago when FERNANDEZ first came into exile in Miami.

The fortunate selection of 3:30 P.M. by MARTIN WALDRON made it easy to prove that at least the time, probably the site, and perhaps the entire story written by him is simply a "detective fairy tale". Certainly anyone meeting in the Centro Vasco after 3:00 P.M. would have been remembered by one of the three individuals interviewed.

He advised that the reasons for his furnishing this information was the fact that he himself is a democrat, he does not believe that in this country this type of thing should not happen to a legitimate political party and that this type of operation should be directed solely against subversive type groups.

SIMPSON advised that his son, O. D. SIMPSON, JR., 29 years of age, is presently deeply in love with one CONNIE CUDD, approximately 27-29 years of age, who has been employed with the committee to re-elect the President in Washington, D.C.. She has been employed since the committee was formed and is believed to be most recently employed in MC CORD's office. SIMPSON advised that his son has related to him information which CUDD previously related to SIMPSON, JR. This information is that BEBE ROBOZO was the person who put up the money for the operation at the Democratic Headquarters and that also one GRADY GORE, a restaurateur in Washington, D.C., and a member of the prominent GORE family of Virginia, is supposedly involved in some unspecified way. SIMPSON stated that he has no way of knowing the validity of this information but is passing it on to the FBI for evaluation.

Concerning the report that BUTTARI has liquidated GIBERGA by using his influence with REBOZO, MANOLO GIBERGA stated: "I have great respect and consideration for Mr. BEBE REBOZO, and I am certain that he, being so interested in the reelection of President Nixon, would never lend himself to a maneuver meant to liquidate a Cuban who holds the highest position in Republican Party circles under President Nixon, and who, for over a year and a half, not only received no salary, but also contributed generously to the funds of the Republican Party."

"Just a short time ago," said GIBERGA, "I received the highest distinction given by the Republican Party - the Eisenhower medal - presented at the meeting in Chicago. This was given to me for my services to the Party and my Cuban compatriots."

"The only discrepancy which might exist, in my judgment, is that I fight for the liberation of Cuba before anything else. I do not know if the others are silent because they are moulting, like canaries."

that bank in February, 1972, with initial deposit of \$500. No further activity in this account other than interest accrued.

Preliminary inquiry among bank employees could recall no one recalling the issuance of the \$25,000 cashiers check which had been signed by Bank Officer THOMAS P. MONAHAN.

card On July 11, 1972, MARGE SNOW, Collection Department, First Bank and Trust Company, Boca Raton, advised she recalled handling the transaction concerning the \$25,000 cashiers check issued to KENNETH DAHLBERG. She was unable to recall circumstances surrounding the issuance of the check. A review of her teller's tape for that date disclosed proceeds to purchase check were not in the form of another check, nor was any account at the bank debited for a like amount of \$25,000. She was of the opinion that cashiers check was purchased by cash.

Efforts are continuing to resolve this matter.

GARY JONES, Vice-President, First Bank and Trust Company, advised that DAHLBERG was a member of the Board of Directors at the American National Bank of Ft. Lauderdale, Florida, and a member of the Board of Directors at the Sunrise Bank, Ft. Lauderdale.

It is suggested that the above two banks at Ft. Lauderdale be contacted to determine if KENNETH DAHLBERG has an account in either bank, and if so, whether or not withdrawals in the amount of \$25,000 may have been made on or before April 20, 1972, in an effort to further locate the source of these funds. *05/24*

It is to be noted that Miami files reflect that DAHLBERG was the subject of a Special Inquiry matter in December, 1969.

Dear Bob:

Regarding telephone call from WAYNE A. FRANKENFIELD *Today*
As I understand it you are looking for 320 other persons contacted
in connection with instant matter. Our figure of three (3) tallies
with the total number interviewed from whom positive information
was obtained and who ^{were} ~~was~~ set forth in various communications.

There were an additional seven (7) who were contacted
in an effort to locate the aforementioned three (3) persons which
I do not think would go into your total figure, however, a memo
identifying them is enclosed.

Good luck.

4- interviews, no cards.

For information purposes, on 6/17/72, SAs ANGELO J. LANO & PETER J. PAUL responded to 2nd District HQ per a telephone call to the office wherein Captain ROBERT MUNROE, 2nd District HQ, had earlier advised that (5) men were arrested at the Watergate Hotel.

card Upon arrival at the Precinct, we first met with Deputy Chief CHARLES WRIGHT who informed us that the (5) men were arrested inside the DNCH, 2660 Va. Avenue, NW, WDC. Chief WRIGHT said he thinks the men were planting a Bomb. In any case, he said shortly after their arrest, he contacted AUSA CHARLES WORK, Superior Court, who immediately came to the Precinct. This would have been around 4 or 5 am. Dets. RICHARD HAMILTON and CARLTON VEASEY of the BURGLARY squad also responded as it was learned from items in the possession of the subjects that were staying in the Watergate Hotel.

no card Captain MUNROE then escorted PETER PAUL & I to the room where the evidence was. We saw Officer LARRY MUNCEY of the Mobile Crime LAB. MUNCEY told me he was just beginning to process the recovered items and take major prints of the subjects. He said all the gear was stored in the back of the room/ We went to the back and began looking at the supposed "bomb." PAUL & I then observed a small panel with numerous transistors. We saw wires which LARRY LANVILLE, of the bomb squad said he cut because he thought it was bomb. He said he went back to the DNCH to look around, but did not find anything that would operate from this device. He said he did not know what the device actually was that was inside the ARI smoke detector.

We then asked permission to look at the AWOL bag. We saw several cameras and a bag of 35 mm film. On the very bottom of the bag, wrapped in tissue paper, were three black items. We pulled them out to get a closer look. We immediately noticed them to be telephone tapping devices. We replaced the items and went to talk with AUSA CHARLES WORK. We told WORK that the devices in the bag were telephone tapping devices and more than likely the device in the Smoke detector was a "bug"; but we would like to check it out first, with our lab. WORK agreed and said he wanted to know right away so he could have some search warrants prepared.

no card Officer DENNIS CANHAM came back and we talked again with Chief WRIGHT. CANHAM had the Walkie Talkies taken from the subjects, checked out and he learned that the FCC said it was a Government Frequency. Chief WRIGHT agreed to let us take them to the Lab for examination and in hopes of being able to determine who was assigned the frequencies.

SA PETER PAUL went back to the office with the items and met with SUPERVISOR ERNEST BELTER who confirmed our suspicions. BELTER then notified SAC KUNKEL.

no card I was still at the Precinct with the Police officials & AUSA WORK. He had already begun processing papers for a search warrant. We went back to talk to the (5) subjects, but none of them wanted to talk to me or AUSA WORK. CARL SCHOLOFFER was still in the cell block area. He came out and handed me a yellow note book with a key attached to it. He said FRANK CARTER tried to pass it to RAÛUL GODOY. The book was missing a page as there was remnants of a page having been torn out. On the outside of the book was a piece of tape with a key under it. I turned the item over to LARRY MUNCEY.

card
no card PETER PAUL called back and told me what BELTER had said. I then told CHUCK WORK and CHIEF WRIGHT. We agreed to keep the matter silent and make no announcement. Captain MUNROE came back and said that a DOUGLAS CADDY, an attorney was there trying to see the subjects. Nobody could figure out how CADDY knew of the arrest. SCHOFFLER and JOHN BARRETT said the (5) did not make a call. We met with CADDY and asked him how he knew of the arrest. He said nothing except that he was there to represent the (5). We then figured someone was acting as a lookout and got away. We figured that we had better secure the Hotel rooms. Chief WRIGHT said that was already being done.

no card CADDY went in to talk to the (5). When he came out, we asked him who they were and what their names were. He said he was representing them and that we had their names. Shortly after CADDY's arrival, another attorney came in and identified himself as JOSEPH RAFFERTY. RAFFERTY said he was called by CADDY as CADDY is not a criminal lawyer. He said he would talk to the (5) and get their true names if we already didn't have them.

Chief WRIGHT advised he wanted the fingerprint cards checked quickly through FBI Ident. I told him that was already being handled and if RAFFERTY doesn't come up with the true names, maybe Ident will.

RAFFERTY came out and identified the persons as VALDEZ being EUGENIO R. MARTINEZ, 4444 N. MERIDIAN AVE., MM, FLA. GODOY, being VIRGILIO GONZALEZ, 930 NW 23 Ave., MM, FLA. FRANK CARTER, being BERNARD L. BARKER, 5229 N.W. 4th Miami, Fla. HAMILTON, being FRANK STURGIS 2515 NW, 122 St, Miami, Fla. EDWARD MARTIN, NYC being EDWARD WARREN.

RAFFERTY said he would not allow anyone to talk to his clients. He then left with CADDY and said he would meet WORK at Superior Court.

no card We continued to work on the Search warrant affidavits. About noon, SA STUKEY joined LANO and traveled to DNCH where we met with SGT. PAUL LEEPER and STANLEY GREIGG, Deputy card Chairman, DNC.

no card PAUL LEEPER showed us the area of the arrest. EARL CONNOR of the Telephone Security office was enroute according to STUKEY. LEEPER said some items were disturbed, like a ceiling tile was pushed up out of place, screws were loosened on a telephone junction box and the air conditioning vent was pushed up. After talking with SGT. LEEPER we received information that the search warrants were enroute. We then went to the Hotel where we met ROBERT DENNEL, Deputy Chief WRIGHT, JOHN BARRETT, CARL SCHOEFLER, LARRY LANVILLE, GERRY PANGBURN from WFO and PETER PAUL arrived. SCHOEFLER had one search warrant and RICHARD HAMILTON had the second. They were rooms 214 & 314. We stayed and assisted in the search being careful not to take any items that would be considered possible evidence away from the MPD.

SGT. DENNEL located \$3,566.58 mostly in new \$100.00 bills in the drawer. some of the serial numbers fell in line with those found on the persons when they were arrested. In room 214, SA STUKEY located an envelope which contained a check with name E. HOWARD HUNT. Check made out to Lakewood country Club, Glen Mill Road, Maryland.

(3) 233

We called in the names and that of HUNT to the office to have them check it in indices. We took the serial numbers of the Walkie talkies and the serial numbers of the bills back to the office. We advised AUSA WORK that it was an apparent IOC case and we would be in touch with the U.S. District Court about the matter. That being the court handling Title 18 of the US. Code.

When we arrived back at the office around 4:30pm, we furnished all the info developed at that time to the SAC. Calls were placed to Miami Fla to obtain background data. MPD called and said they were able to trace the Walkie Talkies to a THOMAS MC CUIN, Havertown, Pa. We called Philadelphia and got them moving to check it out. Who owned them? Who owned the frequency?

SA PAUL received a call from MPD Intelligence Division and was advised that EDWARD MARTIN was truly JAMES W. MC CORD, JR., Security Officer for the Committee to Re elect the President, 1701 PA., AVENUE, WDC. A pretext call was made to that location and it was ascertained that MC CORD was in fact the Security officer but that he was not there at the time.

card
Indices showed E. HOWARD HUNT, JR. was employed as White House Consultant in 1971. Supervisor RUHL had arrived earlier and he contacted SA GEORGE SAUNDERS and negotiated to contact ALEX BUTTERFIELD, White House. BUTTERFIELD later told RUHL that all he could determine was THAT HUNT was used as a consultant by the White House on highly sensitive confidential matters about nine months ago. To his knowledge, ~~KANE~~ HUNT has not been used since.

(On 6/19/72, we learned that White House records showed, HUNT was paid for services as late as 3/29/72. Records showed he worked directly for CHARLES COLSON, Special Counsel to the President.)

After preparing a teletype for Alexandria, Miami, New York and Philadelphia, a call was received by the writer from USA HAROLD TITUS. He said AUSA WORK had been keeping him posted on the events until the subjects were transported to superior court for charges. X USA TITUS said that he had called in EARL SILBERT to handle the case since it has been determined through the Bureau that the crime appears to be one of attempting to place or remove electronic eavesdropping equipment. He expressed concern over the involvement of MC CORD and I told him that the pretext call verified the employment. I told him we were now going to attempt to interview HUNT and explained his role in the matter as of the time of the search warrant.

Mr. TITUS said he would check back with the writer later in the evening. I assured him that we had several leads to run out and would appreciate his later call.

Supervisor RUHL spoke to the Philadelphia office who had located MC CUEN, THOMAS who was a sales representative for BELL & HOWELL. They learned MC CORD bought the walkie-talkies and two others, plus some other gear. They said they were sending down a teletype.

and SA PAUL AND STUKEY went out to HUNT's home after I called him and explained that the FBI would like to talk with him for a few minutes this evening. He said he would be home and would await the arrival of the Agents.

About an hour later, SAs PAUL AND STUKEY radioed back that HUNT would not talk to them. Admitted being employee at White House and that the check was his, but wanted to consult with a lawyer.

Additional SAs arrived and were sent to the Committee to assist in any details to be handled there. After that they were to go to the MPD headquarters and note anything of importance from the evidence recovered for lead purposes.

About 9:00pm, USA TITUS called back. I told him about the HUNT interview and the Philadelphia lead. He told me that Assistant Attorney General HENRY PETERSEN would be calling me and TITUS wanted me to give him a first hand run down. A minute later Mr PETERSEN called and I gave him what we learned from the finding of the electronic devices through the negative interview of HUNT. He desired that if any new information be developed, he be called by 10:45am, 6/18/72 because he wanted to tell the AG by 11:00 just what had been developed by the Bureau. This instruction was relayed to the Bureau in the next telephone call and followed in a teletype.
