[redacted] explained that he decided to forward the letter addressed to REVEREND BILLY GRAHAM to the FBI due to its threatening nature.

b6 -6  
b7C -6

[redacted] related that REVEREND GRAHAM has absolutely nothing to do with the National Center on Child Abuse and Neglect. [redacted] added that he could not recall having received any similiar letters directed toward REVEREND GRAHAM or anyone else.

From : SA [redacted]

Subject: UNSUB, Aka.

[redacted]  
BILLY GRAHAM,

EXTORTION  
OO: CHARLOTTE

Re Charlotte memo of SA [redacted] 10/20/93.

On 3/8/94, [redacted]

[redacted] home telephone number [redacted] was contacted and advised of the identity of the interviewing agent and thereafter provided the following information:

She is [redacted] years of age, and since the age of 12 years old, she was "saved" and has been a very devout, serious Southern Baptist since that time. In the past, she has made donations to the Reverend BILLY GRAHAM and believes she made such a donation sometime in 1993 in the amount of approximately \$10.00. Her contribution was negligible because she supports numerous other church causes and other evangelists. She would like to contribute more money to Reverend GRAHAM's crusade but is not in a financial position to do so.

She was shown a gift type form with her name printed on it to her Post Office address in Durham, North Carolina, which form contained the phrase, "I bill God fearing people for pleasure, kill! kill!" She advised the writing on this document was certainly not hers and she had no idea of who possibly would have obtained her form and returned it to Dr. GRAHAM. She noted that she and her husband have had difficulty with mail being stolen from their mailbox and on several occasions the mailbox has actually been vandalized and/or destroyed. She thought that such a communication to Dr. GRAHAM was insulting, particularly because she is such an admirer of his. She had absolutely no idea of who may have obtained her mail and returned it to Dr. GRAHAM.

Prior to closing a case, it is the responsibility of the case agent to dispose of seized/recovered/contributed property when there is no further need for retention. Wherever there is reasonable doubt regarding the need for retention, the USA/AUSA should be consulted and the contact recorded in the case file.

Certain case files will be marked for "Permanent Retention" and will eventually be transferred to the National Archives and Record Service. In such instances, only those evidentiary and non-evidentiary exhibits, regardless of size, that are documentary in nature, generated by and considered FBI records, i.e., Agents' interview notes, photographs, work papers, ledgers, journals, etc., are to be preserved as part of the case file. Documentary materials, i.e., records of private enterprises, original or copies, contributed, seized or subpoenaed should be returned to the rightful owner when the investigative or administrative purpose for which they are obtained has been satisfied. Dear Mr. Graham,

I watched your telethon, and I believe what you say is 100% full of donkey shit! You are lucky that I was not one of those people, because you would not have left that stadium alive. I believe that all you do is portray yourself as GOD, and persuade everyone to believe in YOU. If you really did believe in the lord, you would not go on TV, and preach YOUR word. YOU know nothing about GOD, and HIS word. YOU are the one that will be going to HELL, and not the rest of us because we believe in GOD, and not BILLY FUCKING GRAHAM. I hope as YOU read this letter and feel frightened, because you don't know when you might possibly be eating YOUR "LAST SUPPER."

Sincerely,

*One really pissed off Niger*

One really pissed off niger!

P.S. If I ever see you in person I will personally kill, and toss your fucked up mangled corpse on the fucking ground and cut you up with the carving knife that we only use on bullshit thanksgiving, and then put you in tiny green hefty bags, and take you on a permanent vacation.

Enclosed for the Boston Division are copies of mailing envelope and letter to Evangelist BILLY GRAHAM at Minneapolis, Minnesota.

For information of the Boston Division, Evangelist GRAHAM receives numerous pieces of mail through his headquarters in Minneapolis, Minnesota. He has received threats in the past, which have all been referred to the Charlotte Division, Asheville, N. C., Resident Agency. The enclosure is probably the worst threat against GRAHAM in the Charlotte Division Case Agent's memory.

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription May 27, 1988

T. W. WILSON, Post Office Box 877, Montreat, North Carolina, 28757, a Special Assistant to Evangelist BILLY GRAHAM, was telephonically contacted concerning a transmittal envelope and letter he sent to the FEDERAL BUREAU OF INVESTIGATION (FBI), Asheville, North Carolina, on May 9, 1988. The letter concerned a threat to BILLY GRAHAM and had been sent to Minneapolis, Minnesota.

WILSON advised that he received this particular piece of correspondence, which was postmarked at Cincinnati, Ohio, March 17, 1988, through the Minneapolis, Minnesota, Headquarters of BILLY GRAHAM. He advised that when a communication is determined to be threatening to BILLY GRAHAM, it is mailed to him in Montreat, North Carolina, since he is personally in charge of Mr. GRAHAM's personal security. He advised that in accordance with previously established procedures, he thereafter mailed it to the Asheville, North Carolina, Office of the FBI.

Mr. WILSON advised he touched the correspondence, but stated he could not name anyone else in the GRAHAM offices who did, because it probably came through four or five offices in Minneapolis, Minnesota, alone, prior to arriving at his office in Montreat, North Carolina.

WILSON, a white male, advised he has been fingerprinted in the past, and gave his date of birth as June 30, 1918.

1 established policy for years, as set by a prior SAC of the  
2 Charlotte Division in accordance with WILSON and the GRAHAM

forwarded to Cincinnati.

4 Also, for the information of Cincinnati, local  
5 authorities, i.e. Police Department, Montreat, N. C.; Buncombe  
6 County Sheriff's Office, Asheville, N. C., are routinely  
advised of threats received against BILLY GRAHAM, as was done

7 Review of this threat indicates possible bodily harm.  
8 Therefore, the matter was not discussed with the Postmaster at

and the letter probably passed through numerous offices before

Re Bureau letter to Charlotte, dated 7/7/88.

For information of the file, by letter dated 5/6/88, officials of the BILLY GRAHAM ASSOCIATION in Montreat, North Carolina, received a threatening letter addressed to BILLY GRAHAM of Minneapolis, Minnesota, indicating that he would possibly be killed if he were to appear in Cincinnati, Ohio.

Investigation conducted within the Charlotte and Cincinnati Divisions have been negative to date in effort to identify origin of this letter or unsub responsible for this writing this communication.

Appropriate examination of threatening communication by the FBI laboratory, Washington, D.C. Identification Division has determined that the envelope in which the letter was mailed and the accompanying handwritten message were not identified in the anonymous letter file and no water marks or indented writing found on the above specimens. Laboratory examination did reveal however, that indented writing did appear on the handwritten message, but was not readable.

In view of the above and until such time as further evidence or information is received which would identify unsub in this matter, no further investigation being conducted and it is recommended that this case be closed administratively.

WMFO and Boston, in 3/88, sent leads to Baltimore, Md., concerning extortion letters to individuals in Boston, Massachusetts and WDC, who received threatening letters from individuals identifying themselves as People Against the System (PATS). In each of these letters were specific threats to kill the individuals and the writing appeared to be identical in each letter. Each of the six envelopes was postmarked Baltimore, Maryland on either March 6, 8, or 10, 1988 and shows a Pitney-Bowes meter number of 2801701. The Baltimore Division contacted [redacted] b6 -3,5,6 b7C -3,5,6 [redacted] Baltimore, Maryland, and determined that postage meter number 2801701 was issued to Maryland Province Curia, 5704 Roland Ave., Baltimore, Md. Contact with the Jesuit Fathers and Brothers Provincial Residents, located at that address, determined that the Provincial Residents at that address was in possession of postage meter 1281701. Interviews of the residents by Baltimore Agent determined that [redacted] who resides at the residence, had information concerning the extortion. [redacted] was interviewed and shown envelopes and copies of letters sent to Boston, Massachusetts and WDC. [redacted] stated he recognized the handwriting in these letters as [redacted] further explained that [redacted] saw an article written by [redacted] in a magazine several years ago and has corresponded with [redacted] since that time. In 3/88, [redacted] received several letters from [redacted] and inside the envelope were other smaller letters and the letter received from [redacted] asked [redacted] to mail these letters to them, therefore, [redacted] directed these letters in his outgoing mail and were apparently franked, using the residence's postage meter. This apparently is true also of the letter mailed to W. GRAHAM in Minneapolis, Minnesota.

The Boston Division has identified [redacted] as [redacted] W/M, DOB [redacted] 5'7", 160 lbs., [redacted] for violation of parole while serving a sentence for [redacted] has FBI number [redacted] The letters mailed to Boston and WDC are presently being examined by the FBI Laboratory and Identification Division. Re Charlotte airtel to Minneapolis dated 5/4/88, and  
Minneapolis letter to Charlotte dated 5/11/88.

The process of how captioned letter reached the  
Charlotte Division is set forth in paragraph 2 of referenced  
Charlotte airtel to Minneapolis dated 5/4/88.

In view of this, with Charlotte Division receiving the  
letter from GRAHAM's assistant at the Crusade Montreat, N. C.,  
Office, who received the letter from GRAHAM's headquarters at  
1300 Harmon Place, Minneapolis, Minnesota, where the letter was  
received through the mail, the GRAHAM crusade team believes W.  
GRAHAM is BILLY GRAHAM, the Evangelist. Charlotte Division  
believes likewise.

Therefore, the letter was forwarded to the Minneapolis  
Division by referenced Charlotte airtel.

# THE INTEGRATIONIST

## 'Segregation Is Morally Wrong'

By **JOHN D. ORR, Jr.**  
Member of the U.S. House of Representatives

As a Southerner who believes in gradual integration, I am annoyed by those who categorize all Southerners who believe in the maintenance of segregation as rabble-rousers and bigots. We have our bigots and our rabble-rousers but they are by no means unique to our section of the country; neither are they typical of the great masses of decent law-abiding people who live south of the Mason-Dixon line.

Secondly, I am annoyed by those who characterize the problem as exclusively Southern. Discrimination on the basis of national origin, color or religion is practiced in all sections of our country. Ask a Mexican in San Antonio or Albuquerque, a Chinese or Japanese in San Francisco, a Jew in any small Midwestern town, a Puerto Rican in New York, a Catholic anywhere with national political ambition. All of them have suffered the sting of discrimination.

This is not to condone the attitude of Southerners who wish to maintain segregation but simply to point out that most of us would do well to remember the Biblical admonition, "Let him who is without sin cast the first stone."

### 'Morally Wrong'

I believe the maintenance of segregation is morally wrong and is repugnant to democratic principles. I believe the Supreme Court decisions of May 17, 1954, which outlawed compulsory segregation in our public schools, to be sound as a matter of law and right as a matter of ethics.

Segregation is largely responsible for the economic retardation of the South. Segregation has given the Communists a more effective propaganda weapon than Russia's Sputnik. Segregation has caused a large segment of our population to be poorly educated and thus has caused a depression of the living standards of all. Our wage rates are lower, our disease rates are higher. Every facet of our life has been adversely affected by the artificial barrier we have created and maintained.

I believe, as a follower of Jefferson, that the government which governs least governs best, and that in the government closest to the people should reside most governmental power. Therefore, I favor home rule for cities and counties, and I favor States' rights.

However, those who raise the doctrine of States' rights as a cover for their prejudices pervert the doctrine. For the most part the Federal Government has not usurped the rights of the States, the States have abandoned these rights by failing to recognize that with every right there is a corresponding obligation to all of the people.

### Constructive Work Needed

Right now, in the South, if our leaders would devote their time, energy and talent to discovering a means of working out a positive, though gradual, plan of abolishing compulsory segregation, we would not be faced with the prospect of our children learning more about bayonets than about their ABCs.

We could develop our own plan of living under the law instead of in defiance of it. We could assert our States' rights and still comply with the law of the land. We could avoid the violence and bloodshed which all of us abhor. But too many high Southern officials are predicting, and thus inviting, violence.

Fortunately, some new leaders are rising in the South. These men recognize that it is the function of public officials to lead, not to follow — to help mold public opinion, not to melt under the

heat of white supremacist demagoguery.

When Florida's Governor, Le Roy Collins, made the simple proclamation that "the decisions of the Supreme Court of the United States are the law of the land and Florida is a land of the law," many Floridians were helped to face up to the fact that desegregation is inevitable. His calm and moderate approach will help avert violence in Florida.

Many members of Florida's Legislature are following Gov. Collins leadership. As a result, the most radical racist legislation failed to pass during the last session.

Moreover, there appears to be a definite cracking of the solid Southern senatorial block. Five Senators (Smathers of Florida, Johnson and Yarborough of Texas and Kefauver and Gore of Tennessee) in the spirit of honorable compromise, voted for the civil rights bill with the jury trial amendment.

#### Clements Is Courageous

Governor Clements has demonstrated firm and courageous leadership despite the beating bigots imported from New Jersey and elsewhere to cause trouble in Tennessee.

Rev. Billy Graham of North Carolina is teaching to millions that segregation offends against the concept of the brotherhood of man.

These men and many others like them are helping to dissipate the genuine fear in the hearts of many decent, law-abiding Southerners.

Fear is the basis for most Southern resistance. This fear has been regenerated every election year since Reconstruction by inept and boisterous politicians who would rather run against the Negro than put their records or capabilities in issue. The latest example of the use of this time-tested Southern political formula is the use of the National Guard by Governor Faubus. This may have been calculated to divert the attention of the people of Arkansas from Faubus' record of imposing new taxes.

Happily, this technique has been abandoned by the new Southern moderates and fortunately these men are in the ascendancy.

#### No Overnight Matter

I do not believe compulsory segregation can be eliminated overnight, and no amount of decisions, edicts or bayonets can accomplish this result.

The only difference that I can detect between my view and the view of the so-called moderate is that the moderate recognizes the decisions of the Supreme Court to be the law of the land but doesn't like them; I do, because, I believe, that through them the court has recognized the immorality of compulsory segregation.

The task of eliminating the emotional fear that pervades the South and of replacing it with a rational respect for law and order will require patient and deliberate leadership.

Perhaps more officials will follow the lead of Gov. Collins; perhaps more clergymen will follow the inspiration of Billy Graham. Perhaps all of us should reflect upon the words of Gibran in the "Prophet":

"And if it is a fear you would dispel, ~~the secret of~~ that fear is in your heart, and not in the hand of the feared."

## S. C. Governor Renews Graham Rally Protest

COLUMBIA, S. C. (AP) — South Carolina's Gov. George Bell Timmerman Jr. said Wednesday that an appearance by evangelist Billy Graham on state house property would violate the age-old legal doctrine of separation of state and the church.

This is the second time that Timmerman has publicly criticized Graham's scheduled appearance on the state house grounds Sunday.

About ten days ago the governor said such an appearance might hurt the cause of racial segregation.

The U.S. and state constitutional requirement that the church and state remain separate "is well-

known as a distinguishing feature of our system of government and is one of the recognized essentials of religious freedom," Timmerman said in his Wednesday statement.

"Yet, in apparent defiance of this well-known principle of law," he went on, "an integrated Army detachment has erected Army property in front of the approach to the south steps of the state house in preparation for the Graham rally."

Soldiers from nearby Ft. Jackson Tuesday worked on erecting a dais from which the Charlotte, N.C., born evangelist will preach next Sunday.

## Graham Sees Relations of Races Worse

NEW YORK Sept. 27 (AP).—Evangelist Billy Graham says most of the South's Negro and white ministers agree that "race relations are worse now than they were two years ago."

And, said Mr. Graham, most of the clergymen "confessed that the church is doing far too little about it."

Writing in the current issue of Life magazine, Mr. Graham said he came to that conclusion after discussing integration with Southern ministers of all denominations.

The evangelist said he also believed that the majority of Southern clergymen do not hold extremist views on the integration issue.

"Most of them feel," he wrote, "that segregation should be ended now on buses, in railroad and bus stations, hotels and in restaurants."

"However, most of them feel it is far too early to implement school integration in some sections of the Deep South."

"They seem to feel that the day will come when both races will be psychologically and spiritually ready for it, but that the time has not come yet."

While many "misconceptions" about integration exist, Mr. Graham said, there are many real "difficulties" to be solved.

# Texas Rangers Called Bullies for Bigotry

THE AMSTERDAM NEWS castigates the Texas Rangers for becoming the "agents of a particular kind of law—the law of the southern white bigot who is fighting the law of the land." Inspirations for the editorial came from the charge that Rangers were used to harass Negro school children who had applied for admission to "white" schools in Texas. The editor recalls that Rangers, under orders from Gov.

Allan Shivers, defied a federal court order, by standing at "white" school in Mansfield "and ordered the little Negro children to go to a Negro school." "Texas may be proud of these bullies," continued the editor, "who go around picking on little children. But . . . the rest of the nation is not." (The Amsterdam News, a Republican newspaper, skipped the fact that President Eisenhower refused to back up the Federal court order when it was defied by his supporter, Shivers.)

THE PITTSBURGH COURIER grudgingly admires Adlai Stevenson's statement in Little Rock, Ark., endorsing the Supreme Court's desegregation rulings and asking that "we accept that decision as law-abiding citizens." The Courier chides Stevenson for having refused to "make his position clear" from the start of the campaign and for lacking the issue when he campaigned through the South for the nomination. With its heart pledged to Ike, the Courier is rankly suspicious of (Stevenson's) campaign speeches which may say what should have been said all along.

In another editorial the Courier retorts to Dr. Frank C. J. McGurk's claims that Negroes do not possess an ability to learn equal to that of whites. Reminding of the strides made by Negroes since the Civil War, the editorial cites the fact that nearly 100 percent (of Negroes) have learned to read and write, acquire skills, property and bank accounts, and to fight for the rights guaranteed by the

Constitution." And what of the South?

"Despite the great lapse of time since the Southern states rebelled," the editorial remarks acidly, ". . . we find that southern whites have not learned what freedom means and are still fighting against Constitutional rights and guarantees for all.

"The gauge of intelligence is the ability to change in a changing environment, and by that standard even such whites as Dr. McGurk seem unable to learn."

THE BALTIMORE AFRO-AMERICAN says the findings of southern Protestant Church leaders on attitudes toward segregation among their number constitutes a "frightful indictment of Dixie." The Afro singled out for special comment the report of Evangelist Billy Graham who informed that a majority of white southern ministers favored ending segregation on buses, hotels, railroads and restaurants at once, but wanted delay school integration until "both races will be psychologically and spiritually ready for it." "If what Graham report is true," continued the editorial, the white Protestant church in the South is in a bad way.

"How hypocritical can men who profess to be followers of Jesus Christ be?" asked the editor.

THE CHICAGO DEFENDER applauds Fisk University president Dr. Charles S. Johnson for pointing out in a recent N. Y. Times magazine article that the "Southern way of life" constitutes the "greatest present danger to American democracy." The Defender editorial reemphasized Dr. Johnson's contention that in holding down 10 million Negro citizens, the South was the nation's, and its own, "worst enemy." By retarding productivity and impoverishing the southern economy, the editorial continued, southern rulers were making it impossible to enlarge the economy, expand purchasing power in the "undeveloped markets at home." The editorial quotes Dr.

Johnson on a theme which was once a tenet of capitalism which is violated throughout the South:

"We cannot escape the fact that the Negro minority market alone, even when held down by unequal opportunity and limited education to one half its potential, is equal to the total wealth of Canada or to our total foreign exports."

Defender columnists advises Negro newspapers to assign feature writers to do installment biographies of white stars like Marilyn Monroe. "In that way we could find out how integrated is integration at the top level of fame," Hughes' argues. White writers, he says, are not backward about "collaborating with us."

THE NORFOLK JOURNAL AND GUIDE in a curve-throwing mood for the Republican Presidential team, enters a lineup composed of the nine Supreme Court Justices against an assortment of Dixiecrat Senators. The election campaign is re-labelled the "Civil Rights World Series," featuring a game between "Constitution All-Stars (champion) vs. "Southern Manifesto Wild-Cats. The program is an eight-page job, issued a supplement, indicating that many thousands of extra copies were printed. So election tally clerks should not be surprised at ballots bearing the names of the Supreme Court Justices or others with the names of miscellaneous U. S. Senators from southern states, depending upon the point of view of the voters. Because, as the publicity job says in red ink: "You can't tell the players without a program—or can you?"

Editorially the J and G takes mild slap at Rep. William Dawson for calling attention to the illegality of the anti-Negro hearings conducted in Washington by Rep. James C. Davis (D-Ga) after the harm had been done. The Davis hearings, the editorial charges, could only further incite mob action in the South. . . .

**To Help Combat Bias**

# Says Ike Should Tour South's Troubled Areas

By TED M. HOFMANN

ITHACA, N. Y.—President Eisenhower should embark on a personal tour of troubled areas in the South as one step toward relieving racial tensions, a New York minister advocated in a speech at Cornell University during a two-day-series of seminars on race relations.

Addressing students and faculty members at the main session in Martha Van Rensselaer Auditorium, the Rev. George Lawrence, executive chairman of "In Friendship," outlined a broad program for "Direct Action in the South Today."

He proposed that the Federal Government appoint "mediators" such as Dr. Omer Carmichael, superintendent of Louisville, Ky., public schools; Evangelist Billy Graham, and other Southerners acceptable to both whites and Negroes, to conciliate belligerent groups in the South.

RELIGIOUS denominations and the National Council of Churches should intensify their educational programs among Southern congregations, the Rev. Lawrence asserted, to help find a common ground for understanding in racial disputes.

He pointed out that many denominations are already moving in this direction.

Having recently returned from a 5,000-mile tour investigating Southern trouble spots, the Rev. Mr. Lawrence reported that "organized economic boycott and reprisal have become a sinister weapon of those

who fight to keep change from becoming reality."

"Thousands of innocent people have lost their jobs merely because they hold membership in the NAACP. The segregationists do not limit themselves to legal ways and means," he stressed, "but when constitutional methods fail, they resort to violence and terror."

Appealing for economic aid, the Rev. Mr. Lawrence called on "all Americans of goodwill to send immediate financial assistance to courageous Negro and white leaders on the fighting front of democracy in the South. He announced that an emergency fund for this purpose has been established by "In Friendship," located at 122 East 57th St., New York City.

## Race Problem Solution In Heart, Graham Says

GARDEN CITY, N. Y., Sept. 25 (AP).— Everywhere in the world there are race problems, says Evangelist Billy Graham. And everywhere, he maintains, the real solution lies not in laws but in the individual human heart.

The 38-year-old North Carolinian, who has carried his evangelistic message to many parts of the earth, said last night he found race relations a problem everywhere he has traveled.

"I've seen them wherever I've been," he told 10,000 people at the Roosevelt Field shopping center in this Long Island community. "They are wherever people look different and talk different."

He added, "I honestly don't think any of us here can point a self-righteous finger at Little Rock."

The Southern Baptist minister, whose New York crusade meetings in Madison Square Garden and elsewhere in the city drew a total audience of more than 2 million persons, began a short speaking tour of suburban New York areas with last night's service.

At a news conference before the service, Mr. Graham was asked about the Little Rock situation.

"This is a time for prayer and love and charity," he said. "The gospel of Christ is the answer . . . You can't legislate morals . . . This has got to come from the heart."

Mr. Graham said he has considered making a special broadcast to plead for calmness and a lessening of racial tension in the South, but no definite plans have been made. Mrs. Oveta Culp Hobby, former Secretary of Health, Education and Welfare, made the suggestion.

In any case, he said, he plans to discuss the subject this week in his regular Sunday broadcast. He indicated, however, he would avoid going into the situation specifically but added:

"I do endorse obedience to the law. It is the law and we are to obey it. There are thousands of devout Christians in the South who do not agree with the law but who intend to obey it."

# 3 ~~Graham Visits Moscow Church and University~~

Associated Press Radiophoto

The Rev. Dr. Billy Graham, right, attending service Sunday in Moscow Baptist church

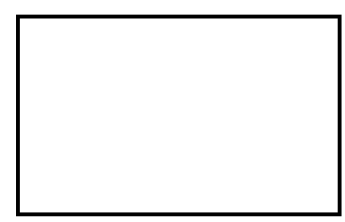

Special to The New York Times.  
**MOSCOW, June 15**—The Rev. Dr. Billy Graham had tea today with Moscow University students and inspected the Lenin Stadium but did no preaching.  
 Russian students at Moscow University told the evangelist about their work and one said he did not believe in God. However, the conversation centered on educational rather than religious topics.

Dr. Graham familiarized himself with the work of the students and their curriculum.  
 Dr. Graham attended a mass at Zagorsk monastery, the seat of the Russian Orthodox Church, forty miles north of Moscow.  
 He also inspected the Soviet agricultural and industrial exposition, which opens tomorrow, and visited the

American Exhibition site. Dr. Graham spent considerable time at Lenin Stadium, which is similar to the large arenas where he has often preached.  
 "It is one of the most impressive stadiums in the world," he said.  
 The evangelist dined with Moscow Baptist leaders at the Moscow Baptist Church and will leave Moscow tomorrow.

## TELL 'EM ABOUT THE ENEMY 9

Endorsed by the President, a movement to which we wish nationwide success is getting under way this weekend in Washington.

It is spearheaded by the new Committee on American Education and Communism—Harvard Prof. William Yandell Elliott, chairman.

William Yandell Elliott

The idea is to set up courses of instruction on Communism in high schools and colleges all over the country, so that American young people can learn the nature of their worst enemy.

The plan was worked out sometime ago by the Rev. Dr. Charles Wesley Lowry (Episcopalian) and a group of distinguished Catholics, Jews and Protestants, including the Rev. Dr. John S. Cronin, Henry Ford II, Rabbi Norman Gerstenfeld, the Rev. Dr.

Billy Graham, ex-President Herbert Hoover, Judge Joseph M. Proskauer, and George Shuster.

As Dr. Lowry says, "the strength of Communism is not mainly economic or political or military. Its strength . . . is as a creed, a world view, a gospel, a faith and a hope."

To alert our young people to the viciousness of the perverted religion that is Communism, we need to have its principles explained to them. The schools can't get started on this job too soon to suit us.

# Teaching of Communism In High School, College

WE CAN think of no better subject for U. S. school curricula than the proposal to teach American youth the facts of life about communism.

The movement, spearheaded by the new committee on American education and communism, is designed to establish courses of instruction on Red fascism in high schools and colleges across the nation so that our young people can learn its evils.

The plan has the wholehearted endorsement of President Eisenhower who appealed to schools to give students the hard facts of communism so they could "discriminate between truth and falsehood."

Ike told the committee:

"As the new school year opens, our teachers are presented with a matchless opportunity to teach the truth freely.

## Bumpy Roads Ahead

"Competition for men's minds begins when they are students... this is when they must be taught to discriminate between the American form of government and the Soviet form.

"When they have all the facts, I am confident they will make the correct choice, as they have for the last 181 years."

As viewed from here, however, the committee will have a bumpy road ahead in selling their project to school boards and college faculties.

No American institution has been so deeply infiltrated by the Reds as our educational system.

For, long ago, the Russians realized that in order to make the Communist conspiracy effective in this country, they had to brain-wash our youngsters; and, first, they had to capture some of our teachers—and did.

So, already we can hear the whoop and holler which pinko teachers and campus collectivists well set up when the effort is

made to introduce the study of communism in our halls of learning.

And this brings us to the calculated risk involved in this plan.

The risk can be eliminated if the teachers chosen to undertake instruction in communism and the material they will use are scrupulously screened before the operation gets going.

The way it shapes up now we are confident this can and will be done.

The committee backing the program of classroom education on the Communist menace is composed of some of our most eminent citizens, lay and clergy.

Chairman is Dr. William Yandell Elliott, political science professor at Harvard.

Others include the Rev. Dr. Wesley Lowry, the Rev. Dr. John S. Cronin, Rabbi Norman Gerstenfeld, the Rev. Dr. Billy Graham, Herbert Hoover, Henry Ford II, Judge Joseph R. Proskauer and George Shuster.

## Only Was to Stamp Menace

If the attempt to add the subject of communism to school curricula is successful, the study of Red totalitarianism should not be confined to the semantics of ideological debate.

Recommended texts should include the catalog of Stalin's crimes which Communist Boss Khrushchev recently gave the world, along with the report on the crimes of Khrushchev, Bulganin, Voroshilov, Molotov, Malenkov, Mikoyan and the rest of the present Kremlin hierarchy, just released by Freedom House.

Alerting our youth to the truly diabolical nature of communism is the only way to stamp out its menace in this country.

You can argue Marxism from now until doomsday and wind up with a Mexican standoff.

If the attempt to add the subject of communism to school curricula is successful, the study of Red totalitarianism should not be confined to the semantics of ideological debate.

**Recommended Reading**

Must reading for all students of the Communist cabal on the home front is "Trial by Treason," a report prepared by the House Un-American Activities Committee on the Red campaign in defense of atomic spies Ethel and Julius Rosenberg and Morton Sobell.

Thoroughly documented it is a fascinating and revealing expose of how Communist plotters weave their intrigue in the U. S. with the assistance of misguided dupes and fellow travelers.

Recommended texts should also include the catalogue of Stalin's crimes which Communist boss Khrushchey recently gave the world, along with the report on the crimes of Khrushchey, Bulganin, Voroshilov, Molotov, Malenkov, Mikoyan and the rest of the present Kremlin hierarchy just released by Freedom House.

Reference previous memoranda to you concerning captioned matter. You will recall that this committee was organized in September, 1956, and is headed by Dr. William Yandell Elliott, Harvard Professor. Its announced purpose is to develop means of educating high school and college students about communism and totalitarianism. Dr. Charles Wesley Lowry, Chairman of the Foundation for Religious Action in the Social and Civil Order (FRASCO) which is sponsoring this committee, said earlier this month that the committee had received a grant of \$12,500 from the Richardson Foundation of New York to help finance its work.

Bureau files reflect no investigation or derogatory information concerning Dr. Lowry, FRASCO, or the Richardson Foundation. Rev. Lowry, an Episcopal Minister, and former Rector of All Saints Church, Chevy Chase, Maryland, resigned in 1953 to devote his time to lecturing and writing about communism. In April, 1954, he was the recipient of a letter from the Director commending him on remarks he made in a sermon. (62-100907-58)

Dr. Edward Elson, National Presbyterian Church, is co-chairman of FRASCO and members of the advisory council among others are: Henry Ford, II, Rev. Billy Graham, Gordon Gray, Herbert Hoover, George Meany, & Dr. Joseph R. Sizoo. (94-46946)

Bureau files reveal the Richardson Foundation was established by H. Smith Richardson and family, who control the Vick Chemical Company. Richardson has contributed large sums to the America First Committee which advocated a strong isolationist policy in the early 1940's. He also contributed \$4,000 to Nazi group "Women United" in 1946. According to former Assistant Director, Tracy, who worked on a study at George Washington University with funds made available by the Foundation, Mr. Richardson is interested in making funds available to educate the public against communism. Mr. Tracy has advised the Bureau that Richardson "hates the Fund for the Republic." (94-49939-3)

## The Washington Merry-Go-Round

# Nixon Is Linked to Billy Graham

By Jack Anderson

While Drew Pearson is taking a brief vacation his column is being written by his associate, Jack Anderson.

Vice President Nixon is so anxious to disassociate himself from the anti-Catholic hatchet work in the presidential campaign that he has warned his workers not to discuss the religious issue even with friends and relatives.

Yet from sources close to Nixon, this column has learned that indirectly he is encouraging evangelist Billy Graham to speak out on the religious issue. Approaches reportedly have been made through wealthy Texans who have contributed heavily to Graham's Christian crusades.

Nixon personally sat in the same box with Graham's father-in-law, Dr. L. Nelson Bell, the last time the evangelist spoke in Washington several weeks ago. Bell returned to Washington only last week to participate in a closed-door Protestant conference on the Catholic question.

He assured this column, however, that the Vice President never mentioned the religious issue during their visit together.

By a curious coincidence, re-

Anderson

porters discovered Billy Graham's former traveling partner, the Rev. Jess Moody, now of the Owensboro Ky., First Baptist Church, in GOP National Chairman Thruston Morton's office the other day.

What the reporters didn't know, however, was that Moody came to Washington in response to a call from Vice President Nixon's office. The first call came from William Stover, a Nixon aide, during the Republican convention. Two subsequent calls finally brought Moody to Washington where he visited both Stover and Morton.

The distinguished preacher insisted to this column that he did not come to discuss the religious issue but to offer other suggestions.

### Reported Private Talk

He reported to Stover on a private talk with Kentucky's Democratic Governor Bert Combs who, Moody said, confined to him that the Democrats are in trouble in Kentucky over the religious and race issues. Otherwise, Moody claimed he didn't mention religious.

If Billy Graham's name came up," he added, "it was dropped in 10 seconds, and I don't remember it."

Moody also insisted that Nixon's office didn't pay for his trip. He stayed in the Texas Gas Transmission Company's private suite at the fashionable Shoreham Hotel.

Like Dr. Bell the Rev. Moody has preached and written discreetly about the Catholic issue in the presidential campaign. Neither is regarded as an anti-Catholic bigot. Moody even serves on a committee for better Baptist-Catholic understanding.

Meanwhile, Texas millionaire Carr Collins is still pressuring prominent Texas Baptists to jump on the Nixon bandwagon. Collins sparked the drive in Texas against Catholic candidate Al Smith in 1928 and is now organizing the campaign against Catholic candidate Jack Kennedy.

Collins is a heavy contributor to Howard Payne (Baptist) College whose president, Guy Newman, is now a leading light in the "Texans for Nixon" movement. Yet in the past, Newman has been an ardent supporter of Sen. Lyndon Johnson who happens to be running on the Democratic ticket against Nixon.

Collins also is a heavy contributor to Baylor University whose president, W. R. White, and executive vice president, Abner McCall, so far have resisted Collins' persuasion that they endorse Nixon.

Whether the religious issue will hurt Kennedy or backfire against Nixon, it has come to haunt the 1960 campaign and won't go away.

that they had talked to a Congressman before their ~~defec-~~ tion, several Congressmen nervously peeked into their appointment books to see whether Bernon Mitchell and William Martin had ever dropped in.

Oregon's blunt-spoken Congressman Charlie Porter even telephoned the National Security Agency to ask whether he was supposed to be the man.

Dr. Louis Tordello, the deputy director, assured Porter it was another Congressman. As they talked, a steady beep, beep, beep could be heard in the background.

"If I were the malicious type," interrupted Porter, "I would say you apparently are taking more care with your telephone than with some of your employees. Are you recording this conversation?"

"Oh, no, Mr. Congressman," responded Dr. Tordello. "I was asked the same question the other day by Secretary Douglas (Under Secretary of Defense). We have some security phones. Those noises you hear let our people know they are talking on nonsecurity phones."

Note — The Congressman visited by Mitchell and Martin turned out to be Ohio's Wayne Hays who recalled that two men had stopped by about 18 months ago to complain about American espionage flights.

SUBJECT:

For record purposes, Dr. Kenneth Wells, head of the Freedom Foundation at Valley Forge, came by to see me on January 5th. He stated the awards this year will surpass anything of previous years so far as the Freedom Foundation is concerned; that the Award Committee, consisting of twelve Supreme Court Justices, had just completed sitting for three weeks and screened 9 1/2 tons of material. He pointed out that in the past four years since the Freedom Foundation came into being, 400 awards have been made involving a million and one-half dollars. They have money in the bank and the Foundation is now becoming firmly entrenched. Sixty-five per cent of the awards go to schools. He told me in confidence that the two top awards will be made on February 22nd and would go to Reverend Billy Graham, the Evangelist, who has received no recognition, and the other award would go to 7 priests connected with St. John's College at Brooklyn for their two-volume work on the spiritual conception of freedom. This work is presently unpublished and Wells states it is the finest thing of its type he has ever seen. One thousand dollars would go for this award and Wells has already raised \$10,000 to go for publishing this two-volume work. He hopes to get more and eventually have this work published and put in every library in the country. *PC* *PC*

Wells again wanted to invite the Director to make the awards, which will be done on February 22nd. I told him the Director could not do it this year in view of other commitments, perhaps someday he could. He then wondered about inviting Herbert Hoover, Jr. I told him I thought this would not be a bad idea. In a subsequent letter he tells me he has invited "Herb." *PC* *D.C.*

# \$5000 Freedoms Award Given Today

The largest individual award ever made by Freedoms Foundation—a special honor medal and \$5000 in cash—will be presented today to a nationally known figure at the organization's eighth annual ceremonies at Valley Forge.

The new award, known as "The George Washington Award," will feature the Washington's Birthday program at which the foundation will recognize outstanding patriotic and good citizenship activities by distributing honor medals and cash totaling \$100,000.

**IDENTITY A SECRET**  
 Dr. Kenneth D. Wells, president of the foundation, said the recipient of the George Washington Award, who will not be identified until the presentation, will be the keynote speaker at the ceremonies, to be held at the foundation's National Headquarters.

The principal award will be presented to "the individual who has made the most significant contribution to a better understanding of the American Way of Life during 1956," Dr. Wells said.

"Although this recipient will not be identified until the ceremonies," he added, "I feel that Americans everywhere will agree that his work through the years in behalf of freedom merits for him this unique distinction."

## 20 OTHER AWARDS

Twenty other top awards will be presented, as well as numerous smaller ones in various classes. The ceremonies will be attended by prominent persons from all parts of the United States.

Presentation ceremonies will begin at 1:45 P. M.

In addition to its regular awards, the Foundation will make others in a special category, for letters

on freedom by members of the armed services.

The Department of Defense is flying a selected group of 10 service men and women to Valley Forge from stations here and abroad to receive the awards.

## FORMER RECIPIENTS

Recipients of past awards include President Eisenhower; Vice President Richard M. Nixon; Bishop Fulton J. Sheen; Billy Graham, evangelist; Cecil B. DeMille, motion picture producer and director; Robert Montgomery, screen and television actor; Gen. Omar N. Bradley; Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff, and the Rev. Dr. Norman Vincent Peale.

Freedoms Foundation at Valley Forge was founded in 1949 to recognize, through awards, individuals, organizations and schools for their work in helping to bring

about a better understanding of the American way of life. Since 1949, it has presented awards exceeding \$750,000.

Funds for the awards have been contributed by other foundations, companies and individuals. Freedoms Foundation is a non-profit, non-political and non-sectarian organization.

DETAILS:

This investigation is based upon the following article which appeared in the Friday, April 25, 1969 edition of the "Washington Daily News":

"A NATIONWIDE student fast is being proposed for May 15 by a new fund-raising group called 'Americans for Biafran Relief', which will distribute food and supplies to victims of the Nigerian civil war. Among the founders are Sen. EDWARD KENNEDY, D-Mass., evangelist BILLY GRAHAM and newscaster FULTON LEWIS III." *William Franklin Graham*

The 1969-1970 telephone directory for Manhattan, New York City, contains a listing for "Americans For Biafran Relief" in care of Cancirco, 777 United Nations (UN) Plaza, telephone number 661-3767. A telephone call by a Special Agent of the Federal Bureau of Investigation (FBI) to this telephone number determined that it has been changed to 889-1644. *FLA*

On July 31, 1969, a pretext telephone call was made by a Special Agent (SA) of the FBI to telephone number 889-1644. An unidentified woman advised that the "Americans For Biafran Relief" subscribed to this telephone number and that the organization is presently quartered in the Graybar Building, with an address of 420 Lexington Avenue, New York City. This unidentified woman stated that Cancirco is a cancer research organization which permitted the Americans for Biafran Relief to utilize some of their space until this organization could establish itself in more permanent quarters.

She advised he had been pointed out to her at [REDACTED] and she wanted to know what side the Iowa militia (of which his is a National Contact) would be on if the government was overthrown. [REDACTED] stated he replied they would be on the side of the constitutional government, to which she asked if he meant the "common law government." [REDACTED] stated he was not quite sure what she meant, but replied, "Well, yeah, I guess so."

[REDACTED] then went on to tell [REDACTED] about something called [REDACTED] which she said was going to begin forming at the end of March or the first part of April but that the key event was going to be on April 19. He stated that she advised the scenario would be that the people would think it was the end of the world or a "rapture" but that she did not want him to believe anything he heard about this rapture or resurrection. He stated that he recalled her mentioning that the Reverend BILLY GRAHAM was going to be involved in the key event and that somehow his participation would verify her information.

[REDACTED] was asked if she asked him to do anything and he replied no. Title: GREATER ST. LOUIS BILLY GRAHAM CRUSADE  
OCTOBER 14 - 17, 1999  
ST. LOUIS, MISSOURI

SPECIAL EVENTS MANAGEMENT

Synopsis: Lead set for [REDACTED] to designate captioned event a special events readiness level.

Details: On October 14 through 17, 1999, St. Louis, Missouri will be the host The Greater St. Louis Billy Graham Crusade. Based upon previous crusades, approximately 200,000 to 250,000 people will attend this four-day event. At this time, the crusade does not expect any representatives from the White House, Federal government agencies, or any of the 50 states, U.S. Commonwealths or territories. The lead agency for security is the St. Louis Metropolitan Police Department with coordination between various local and federal law enforcement agencies.

A search of ACS found no references to the 100 or 300 classifications for Billy Graham, Reverend Billy Graham or the Billy Graham Evangelical Crusade, except for a 1995 event in San Juan, Puerto Rico. In June 1999, a Billy Graham Crusade occurred in Indianapolis, Indiana.

THE SIXTH ~~ALL~~-CHRISTIAN PEACE ASSEMBLY  
PRAGUE, CZECHOSLOVAKIA - JULY 2-9, 1984

This communication is classified "~~Secret~~" in its entirety.

NY T-1, a highly reliable source, provided the following information:

The two principal Soviet sponsored international propaganda events planned for 1985 are the ~~World Festival of Youth and Students~~, to be held in ~~Moscow, USSR~~, under the joint sponsorship of the ~~World Federation of Democratic Youth~~ and the ~~International Union of Students~~, and the Sixth All-Christian Peace Assembly to be held in Prague, ~~Czechoslovakia~~, by the Christian Peace Conference. This communication deals with the latter event.

The All-Christian Peace Assembly (ACPA) ~~is~~ the religious equivalent of the periodic world assemblies of the ~~World Peace Council~~ and has similar objectives. The aim in this case is to extend and enhance the influence of the ~~Soviet Union~~ within international religious and church circles, to mobilize a significant segment of religious opinion in support of Soviet foreign policy, to enable the Soviet Union and its Warsaw Pact allies to present themselves to Christian in a favorable light and to enhance the position, prestige and influence of the ~~Soviet Union's~~ principal religious front organization, the ~~Christian Peace Conference (CPC)~~, within the international "peace" movement and the world religious community.

*Czech*  
The ACPA will be held in Prague's Palace of Culture, which was also the location of the World Peace Council's "World Assembly for Peace and Life Against Nuclear War" in June 1983. Most of the cost of holding the ACPA in the Palace of Culture will be absorbed by the Czechoslovak government, as was the case with the 1983 World Peace Council assembly. The CPC expects that the ACPA will attract about six hundred to seven hundred participants from around the world. There will be an additional one hundred to two hundred observers and representatives of the press. The delegates will be nominated by the various regional committees of CPC which exist in most countries. The United States (US) delegation should number twenty-five to fifty, half nominated by the CPC affiliated organization in the US - Christians Associated for Relationships with Eastern Europe (CAREE). The rest of the US delegation will be composed of various Christians active in the "peace" movement, the nuclear freeze campaign, opposition to US policy in Latin America and other leftist causes.

The CPC, founded in 1958 to conduct Soviet "peace" propaganda among the world's Christians, holds its All-Christian Assemblies every five to seven years. The Assemblies are always held in Prague where the CPC was founded and has its headquarters. The last ACPA took place from June 21-27, 1978, and had more than seven hundred participants from eighty-six countries, including about thirty from the US. Most of the Americans were academics and officials of the main-line protestant denominations belonging to the National Council of Churches, with which CPC's US affiliate CAREE has a formal relationship. The US delegation to the 1985 ACPA could include some prominent persons such as Reverends Billy Graham and [redacted] as CPC plans to invite both. (No invitation issued to date) It is expected that about forty percent of the participants will come from the USSR and Eastern Europe with the other sixty percent coming from Western Europe, North America and the so-called "third world". Those participants who can do so will pay their own expenses or their local CPC regional committees will sponsor them. Other participants will have their expenses covered by CPC. CPC affiliated churches and regional committees in communist countries, especially the Russian Orthodox Church in the USSR, will serve as funding conduits to finance the ACPA. A good part of the local costs in Czechoslovakia will be absorbed by the government of that country. Thus the actual costs of the ACPA will be obscured.

b6 -7  
b7C -7

The ACPA will elect (or re-elect) the leading officers and governing bodies of the CPC who will serve until the next such assembly. These include the President, Vice Presidents and the members of the Working Committee and the Continuations Committee which are the two leading organs of CPC. The new Working Committee will meet at the end of the ACPA to appoint (or re-appoint) the

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 1/12/81

George Wilson, Executive Vice President, Billy Graham Evangelistic Association, 1300 Harmon Place, Minneapolis, Minnesota, telephone 338-0500, was contacted at his place of employment, furnished with the official identity of the interviewing Agent and with the nature of the interview. Wilson subsequently furnished the following information:

The Billy Graham Evangelistic Association on January 5, 1981, received a letter addressed to Mr. William Franklin Graham. Graham is identical to the Evangelist Billy Graham, and the Minneapolis based Billy Graham Evangelistic Association is the national headquarters for Graham's organization. Occasionally Wilson's office does receive threatening type letters but they are somewhat of a rarity. This particular letter was of some concern to Wilson, in that it implied threats to Graham and other individuals. Because Graham and one of the other individuals mentioned in the letter, Frank Sinatra, are both involved in the January 20, 1981, inauguration ceremonies of President Elect Reagan in Washington, Wilson advised that he reported the receipt of this letter to the U.S. Secret Service in Minneapolis, as well as the FBI.

The name Charles Otto Fox is unknown to Wilson and the Billy Graham Evangelistic Association.

Wilson pointed out that because the letter was addressed to William Franklin Graham, the writer may possibly be from the southern part of the U.S., in that it is a common term of address in that part of the country. Graham was born in Charlotte, North Carolina, and currently resides in Asheville, North Carolina.

The two page letter was handwritten on the reverse side of a photocopy of two different articles which appeared in Life magazine with handwritten notations on April 26, 1943, and May 24, 1943.

# ASPARAGUS AND THE DUKE

Windsor visits his Bahamian subjects at New Jersey c

While his Duchess went shopping in New York last week, the Duke of Windsor, in his capacity as Governor General of the Bahama Islands, dropped in on some of his subjects at Swedesboro, N. J. The 214 Bahamian Negroes, recently imported to help with U. S. crops, sang *God Save the King* twice as the Duke toured the Farm Security Administration camp. They told the former King that they did not care for the strange food or the stranger climate, but did like the higher wages. Then the Duke doffed his bowler hat and smart topcoat, walked stiffly through the muddy fields where he learned how to cut asparagus and how to pose (left). He even brought some stalks home to the Duchess and the Waldorf-Astoria.

Windsor strikes a Hamlet-like pose with two fine bunches of freshly picked asparagus. He took asparagus back to New York with directions for preparing.

## BAHAMIANS ARRIVE

In Washington last week the Senate passed a bill appropriating \$26,100,000 to establish a "land army" to help in the production and harvesting of this year's crops. In Miami new recruits for this wartime farm army were arriving by plane and ship from the Bahama Islands. The Bahamian Negroes, enlisted in Nassau by the U. S. Agricultural Labor Administration, were immediately settled in huge migratory workers' camps among the Everglades and put to work picking Florida's ripe bean and sugar-cane crops.

While the Bahamians, zoot-suited in the latest Har-

lem fashion, were pouring into Miami at the rate of 175 a day, labor officials charged that 300 U. S. farm families recently brought from the mid-South to Florida were being returned to their homes. Nevertheless, the Department of Agriculture is going ahead with plans to import as many as 5,000 Bahamians and later 10,000 Jamaicans on a for-the-duration basis. During the last war, too, several thousand Bahamian Negroes were temporarily moved in to supplement the nation's draft-depleted labor supply. Many of them decided to remain, and immigration officials are still chasing them.

Immigration officials record vital statistics on the migrants, take their fingerprints, give them identification cards which must be carried at all times. Many of these Negro workers were

until recently employed in building a nearly completed U.S. air base in the Bahamas. Hard-pressed Florida farmers have contracted for the importation of more than 5,000 Bahamians.

Quote: from His Maines Register 3/28/75  
on Learning And Teaching.  
if you think differently About Anything  
I've said, let me know I'd enjoy  
learning from you.

Now For Doctors

Job 13:4 But ye are forgers of lies  
ye are all physicians of no Value.

For now ye are sitting, ye see my  
Casting down - And all afraid  
Malpractice prove Job 13:4

Jeremiah 50:36 A Sward is upon the hairs  
is there no physician there?

Why then is not the health of ~~my~~  
the Daughters of my people recovered

Jer 8:22

In Vain shalt thou use many Medicines  
for thou shalt not be Cured.

Jer. 46:11

For I'm the Lord that healeth thee  
who healeth all thy Diseases Psalms 103:3  
Exodus 15:26 - 23:25

FBI 18-cv-01885-926

And I'll take Sickness away from you

to hear a bunch of Doctors talk  
 every one is either Crazy or mental  
 ill — We don't think too much  
 of Doctors when they to can not  
 learn the truth from a lie

And as for as people being mental ill  
 There is such thing  
 As a mental ill person —

All Doctors - psychiatry - psychologist  
 and science.

Need their heads examine by  
 A Veterinary psychologist  
~~that~~

A mental ill person God say to  
 Obey

I'll bring evil upon this people,  
 even the fruit of thoughts.

Because they have not hearkened  
 unto ~~me~~ my words nor to my law,  
 But rejected it Jer 6:19

So what do you get out of learning  
 and teaching nothing

Because people can not teach or learn  
 the different between the truth and  
 A lie or Honest and dishonest  
 you might be a Doctor

But I'll put my education above yours  
any old day.

Education without brains you  
don't have nothing but a education

People don't need education — as much  
as they need a few brains  
No such people as Communist  
People is not mental ill

Job 13:4 says Doctors is all  
liars Malpractice prove Job 13:4  
Because Doctors is so mental ill  
they can not tell the different  
between the truth and a lie  
Honest from dishonest

Crime And Wars can be won  
in your own back yard.

Doctors And ~~San~~ Science  
is not that smart to know how  
my people are destroyed for the lack of  
knowledge. Because they have rejected  
knowledge I'll also reject this Hosea 4:6  
So I hope you enjoy learning  
from me.

Dear [Redacted]

b6 -1  
b7C -1

I have reviewed this matter concerning the threat to all lawmakers, judges, Presidents and what have you on the threat to kill. While I can't be for certain, this writing and the method of expressing himself appears to me to be the same person who has written this kind of information before, perhaps within the last six months. It is obviously a mental aberration and would appear to me that there is nothing here that could demand a further investigation, for there is so little to go on.

It appears that these are threats and, unless further indications of seriousness come forth, I do not see any continuing investigation necessary.

Yours truly,

said that this letter was received by her office and was not actually seen by Dr. GRAHAM since he is not in the State at this time. She stated that the letter was received by Mr. T. W. WILSON and immediately forwarded to the FBI, Charlotte, N. C., Headquarters.

Since this letter does not contain a threat to kill Dr. BILLY GRAHAM and is different in wording from the letter received at FBI Headquarters, but the contents and meaning appear to be the same, it is not being forwarded to the FBI Laboratory for examination but instead is being forwarded to Office of Origin.

[redacted] stated that a similar letter was received by Dr. GRAHAM at Montreat, N. C., apparently written by the same person, on 1/25/75, which bore the same postmark as the enclosed letter. She stated that this letter did not contain a threat to kill Dr. GRAHAM, but described him merely as an "old phony preacher."

On 3/12/75, Chief of Police, Montreat, N. C., advised of the receipt of alleged threatening letter to Dr. GRAHAM, as well as Chief Deputy Sheriff [redacted] Buncombe County Sheriff's Office, the office that covers Montreat, N. C.

## FEDERAL BUREAU OF INVESTIGATION

Date 3/27/75

Mr. WILLIAM C. HANSON, Federal Judge, U. S. District Court, Southern District of Iowa (SDI), Des Moines, Iowa, was contacted by Special Agent (SA) [REDACTED] Federal Bureau of Investigation (FBI), relative to an anonymous letter possibly received by him or or about March 1, 1975, which letter begins with wording "Warning" "To who it concerns" "Time has come to tell the U. S. law-makers;" which letter ends with wording "Any one runing for President will be kill;" and which letter is dated March 1, 1975.

SA [REDACTED] displayed to Judge HANSON a copy of the above-described letter, which copy was addressed to the FBI, Washington, D.C.

Judge HANSON, after reviewing the copy of the letter, stated that it is his recollection he received a similar letter, and possibly the same letter, on or shortly after March 1, 1975, at his office in Des Moines, Iowa. He considered it very possible that the letter he received was exactly the same as the copy displayed to him and further stated that he very possibly actually received the original of the letter as he recalls possibly having observed some red pencil markings on the letter received by him.

Judge HANSON stated that he did not pay close attention to the letter until he arrived in Kansas City, Missouri, where he again reviewed the letter. He advised that he frequently receives letters from individuals who are, to him, apparently unstable and he seldom becomes concerned about the letters, but recalls that he was slightly concerned about the above-described letter in that it threatened not only his life, but the lives of numerous other individuals.

Judge HANSON, even though he believed the individual who wrote the letter to be mentally unbalanced, decided, in view of the threats to other individuals, to turn the letter over to [REDACTED] Security Officer, U. S. District Court, Kansas City, Missouri.

b6 -5  
b7C -5

[REDACTED] Judge HANSON has no idea of the disposition made of the letter, but he has no objection to turning the letter over to the FBI for any examinations deemed appropriate.

b6 -5

Judge HANSON has no further information relative to the letter, relative to any previous letters apparently written by the same individual, or relative to anyone else receiving copies of the above-described letter.

Date of transcription 3/21/75I

[redacted] Billy Graham Evangelistic Association, Post Office Box 937, Montreat, North Carolina, telephone number 669-6421, said that this office was in receipt of a letter dated March 1, 1975, addressed "To who it concerns." This letter was signed by "The Real Christian Pentecost Holy Rollers Religious Group." She said that the original of this letter was forwarded by her to the FBI Office at Charlotte, North Carolina; however, she maintained a copy of this letter which is being maintained in the Billy Graham Association file.

b6 -6  
b7C -6

She said that many such letters are received by Dr. BILLY GRAHAM, some of which he is familiar with, but in this instance, since he is conducting a crusade at Norfolk, Virginia, he has not seen this letter at this time.

[redacted] said that a similar letter was received, dated January 25, 1975, addressed "To who it concerns," and signed by the same organization, which letter in itself did not contain any type of a physical threat to Dr. BILLY GRAHAM. She made a copy of this letter available, which is being maintained as a part of this file, inasmuch as the writer of the letter dated January 25, 1975, is probably identical to the writer of the letter dated March 1, 1975, which does contain a threat to not only Dr. BILLY GRAHAM but to President FORD and others.

In view of the fact that there were no threats, the Metropolitan Police Department (MPD) and the Capitol Police were not notified.

Dear [redacted]

Reference is made to a communication from your  
office dated September 28, 1976, regarding [redacted]  
[redacted]

Per your request, the original of [redacted]  
letter to your office dated September 20, 1976, is returned  
herewith.

For your information, during early 1975 this and  
numerous other FBI offices conducted investigation regarding  
a possible violation of Title 18, Section 876, United States  
Code, which involved a number of letters containing threats  
directed toward President Gerald Ford, unnamed candidates  
for President, Reverend Billy Graham, members of Congress,  
the Iowa Bureau of Criminal Investigation, FBI, Central  
Intelligence Agency, and others. Investigation by the FBI  
was discontinued on March 25, 1976, upon receipt of an  
opinion from the United States Attorney, Des Moines, Iowa,  
who declined prosecution.

[redacted] Des  
Moines, Iowa, was contacted in connection with that investi-  
gation on March 24, 1975.

Very truly yours,

EDWARD J. KRUPINSKY

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 3/21/75

[redacted] Billy  
Graham Evangelistic Association, Post Office Box 937,  
Montreat, North Carolina, telephone number 669-6421,  
said that this office was in receipt of a letter dated  
March 1, 1975, addressed "To who it concerns." This  
letter was signed by "The Real Christian Pentecost Holy  
Rollers Religious Group." She said that the original  
of this letter was forwarded by her to the FBI Office at  
Charlotte, North Carolina; however, she maintained a copy  
of this letter which is being maintained in the Billy  
Graham Association file.

b6 -6  
b7C -6

She said that many such letters are received  
by Dr. BILLY GRAHAM, some of which he is familiar with,  
but in this instance, since he is conducting a crusade  
at Norfolk, Virginia, he has not seen this letter at this  
time.

[redacted] said that a similar letter was  
received, dated January 25, 1975, addressed "To who it  
concerns," and signed by the same organization, which  
letter in itself did not contain any type of a physical  
threat to Dr. BILLY GRAHAM. She made a copy of this  
letter available, which is being maintained as a part  
of this file, inasmuch as the writer of the letter dated  
January 25, 1975, is probably identical to the writer of  
the letter dated March 1, 1975, which does contain a  
threat to not only Dr. BILLY GRAHAM but to President FORD  
and others.

LEVISON stated that only eight pledges were received at the affair. He indicated that MARTIN LUTHER KING, JR. had opposed the affair and LEVISON now concurred with KING that it was a waste of time and effort to hold big affairs.

NY T-11

February 11, 1966

On February 14, 1966, STANLEY LEVISON and ADELE KANTER were in contact and LEVISON advised her of what transpired at the emergency SCLC financial meeting held in Atlanta on February 12, 1966. LEVISON stated the meeting was a very good one, financial difficulties of SCLC were squarely handled. LEVISON indicated he suggested the program of SCLC be curtailed and this suggestion drew the ire of MARTIN LUTHER KING, JR. In elaborating on some of the things acted upon at the meeting, LEVISON said HARRY BELAFONTE was recently in Europe to set up SCLC benefits in Sweden, Norway and Paris. LEVISON stated the benefit for Sweden would be fantastic. The Prime Minister would be the Chairman, the Post Office in Sweden would handle the affair and the National Treasury would handle the money. LEVISON stated the Swedish banks were paying the expenses and SCLC expected to net \$200,000.00.

LEVISON mentioned that CLARENCE JONES had attended the emergency financial meeting and announced that SCLC had received only \$25,000.00 from the Teamsters Union although officials had previously promised much more.

In considering other means to raise funds, LEVISON stated CHAUNCEY ESKRIDGE, Legal Advisor to SCLC, suggested a radio program for MARTIN LUTHER KING. LEVISON stated that he disagreed with the idea but over his objection it was agreed that advisors to Evangelist Doctor Billy Graham would be used to get the project off the ground. An emergency approach would be used to churches and labor unions to obtain more

money and \$30,000.00 would be borrowed to help clear bills. LEVISON indicated the SCLC Reserve Fund contained about \$34,000.00 plus another reserve fund which they did not want to touch. In addition, he stated there were stocks in a well known mutual fund amounting to \$100,000.00. LEVISON indicated SCLC expected to raise money in Chicago and trade unions in Chicago expected to raise between \$50,000.00 and \$100,000.00.

LEVISON stated that at the meeting, a proposal of his was accepted which was that SCLC should pinpoint the areas in which it expects to raise money and then appoint one person to be the supervisor in charge of that area. He stated that he received the responsibility for supervising ~~AL~~ DUCKETT, a public relations man in New York City, who handles promotional work for SCLC. LEVISON stated that the noted singer, BILLY ECKSTINE was desirous of a five city tour to raise money for SCLC under the direction of AL DUCKETT. LEVISON stated he would supervise the money DUCKETT spent on the arrangements for this tour.

NY T-11

February 14, 1966

On February 14, 1966, MARTIN LUTHER KING, JR. and STANLEY LEVISON were in contact and discussed a telegram which LEVISON had prepared for sending to Trade Unions emphasizing SCLC voter registration drives in Alabama and SCLC's "assault on slums" in Chicago and asking for help. KING suggested the telegram make a direct appeal for funds rather than asking for help in general. The telegram was written by LEVISON who indicated the telegram was being sent by KING. LEVISON stated he had selected approximately 15 to 20 unions which would receive the telegram.

12 June 1958

The Director,  
Federal Bureau of Investigation  
Washington, D. C.

Dear Sir:

At the suggestion of the Special Agent in Charge, Washington Field Office, FBI, I am writing to inform you concerning the association of my wife and myself with the Christian organization, International Students Incorporated, 2627 Connecticut Avenue, Washington 8, D. C. This group whose Trustees and ~~Advisors are staffed by outstanding Christian leaders of the~~ United States, including Billy Graham and [redacted] is dedicated to winning foreign students to Christ from all nations and sending them back to their native lands as His ambassadors.

b6 -7  
b7C -7

For your information and record there are enclosed herewith two folders, "International Students" and "5 Movements in ONE, The Story of ISI". The particular branch of the organization with which my wife and I are cooperating is the Fellowship of Overseas College and University Students (abbreviated FOCUS). The visitor from abroad and the American family are linked together in order that we may witness to them for Christ. As noted in the folder, "When a government official from Argentina was introduced to FOCUS he said, 'This is better than the United Nations.'" Another said, "The friendships I have formed through FOCUS have changed my entire outlook toward America and toward Christianity. I hope to use my influence to change the attitude of my government toward outsiders."

In recent months ISI has referred to [redacted] in this country as exchange students from India where I served briefly during the war. We feel that we have formed life-long friendships as a result of this experience. We sincerely pray that our testimony will be fruitful. Our friends include a Sikh, a Moslem, a Hindu and an Indian Christian. Several of them wear their native dress while in the United States. It is possible that this may cause comment or misunderstanding by our neighbors. We feel that this communication will aid in favorably resolving any complaints you may receive concerning the matter. We sincerely believe that ISI is engaged in a most commendable work. Regardless of an individual's background or political beliefs, if he can be brought to Christ he will make his beneficial contribution to the world and will not be a problem to the security of this nation. His influence for good will be increased beyond all measure. We would appreciate an acknowledgment to this letter.

WINNING FOREIGN STUDENTS TO CHRIST

2627 Connecticut Avenue, Washington 8, D. C.

is a **MISSIONARY** movement, reaching men for Christ from all nations and sending them back to their native lands as His ambassadors. Priority is given to those from lands closed to missionaries. Through them all nations can be evangelized in this generation.

is **CHURCH CENTERED**, in that its aim and purpose is to relate foreign students to local churches while they are in America and to help them establish indigenous national churches when they return to their homelands.

is a **WORK OF FAITH**. Having no endowment, this non-profit, interdenominational, evangelical Christian organization by faith assumes the support of a score of Christian workers who are winning foreign students to Christ. All are dependent upon the voluntary contributions of God's people in order to continue. Books are audited and a financial statement published annually. Gifts are deductible for income tax purposes.

Since its inception in 1953, International Students, Inc. has expanded rapidly. At the beginning of the third fiscal year, June 1, 1955, there were 20 workers on the staff and Contact Centers were being maintained in San Francisco, Chicago, Philadelphia and Washington. Overseas personnel were active in Egypt, Lebanon (Syria), Formosa and Korea. Students who have come to Christ have returned to evangelize their own people on dozens of foreign mission fields.

The goal of this movement is the evangelization of all nations in this generation. Through returning international student lay missionaries it can be done.

During its relatively short period of rapid growth, the organization has crystallized into four departments.

**CHAIN OF FRIENDSHIP:** Non-Christian students are brought into contact with Christian families in America through the Fellowship of Overseas College and University Students (F.O.C.U.S.) which is sponsored by I.S.I. Through friendships thus formed the families have an opportunity to share Christ with guests from afar.

**CELL GROUPS:** When Spanish speaking students come to Christ, staff man Samuel Ruiz binds them together into an association so that they may learn to pray and study the Scriptures in their own language. Similar cells have been developed for Japanese, Korean, Chinese and Formosan students.

**SUPPLY LINES:** O. K. Hyoungh returned to Korea to become dean of a university and to start a Christian Student Center. International Students sent books, clothing, and funds. Dr. Wei Sia returned to Formosa burdened to serve the Lord as a Christian surgeon. He is setting up a sanatorium to fight the T.B. epidemic and win souls. I.S.I. is sending medicine, funds and equipment. These men all are self-supporting. None are supported by funds from America. None return to America on furlough. But I.S.I. channels supplies to them.

**LAY MISSIONARIES:** Doors may close to conventional missionaries, but they are open to exchange students. Spiritual young men from America are being sent to foreign universities as lay missionaries through a movement known as A.C.R.O.S.S. (American Citizens Residing Overseas for Study and Service). Maurice Hanna went first to the American University of Beirut, Lebanon. Next, John Bjorklund went as a student missionary to Cairo, Egypt. A dozen others are in the process of going.

83-1719 5-26-82

On February 11, 1966, a confidential source, who has furnished reliable information in the past, furnished information which disclosed that Stanley Levison and Adele Kanter (Director of the Southern Christian Leadership Conference, SCLC office in New York City) were in contact on that date regarding SCLC operational matters. In that regard, they discussed the recent fund raising affair which was held by the SCLC at the Riverside Church, New York City on January 2, 1966.

Levison said that as a consequence of the poor reception on the part of the ministers who attended the function, it has been decided that in the future, contacts will be made on an individual basis rather than on a mass basis. In pointing out just how disappointing the Riverside results were, Levison said only eight pledges were received.

MEMBER OF SUBJECT ORGANIZATION  
[redacted] (Church fund-raiser for the SCLC), Levison said, spent two months making plans for the Riverside Church function, although Martin Luther King (President of the SCLC)

King, Levison said, in remarking on [redacted] statement, said when he was returning from the Liuzzo funeral, [redacted] (President of the Teamsters) and [redacted] of the Teamsters, told him they would raise a very large sum for the SCLC. [redacted]

U.S.A.

Levison said [redacted] is a very close friend of one of the top attorneys of the Teamsters Union, Sidney Cohn (Phonetic), therefore, he should try to tread his way and see if he can get something going in order to get the funds promised. [redacted]

~~MEMBER OF SUBJECT ORGANIZATION~~

U.S.A. In considering other means to raise funds, Levison said Chauncey Eskridge (Attorney and legal adviser to the SCLC) came up with the idea of a radio program for King. The program as envisioned by Eskridge, would be for ten minutes on Sunday mornings, and "they" would sell two spots before and after, get a sponsor and make an appeal on the air to Negroes. Levison said he disagreed wholeheartedly with the idea, however, over his opposition, it was agreed that Dr. Billy Graham's (noted evangelist) experts would help them get the project off the ground. [redacted]

U.S.A.

In order to cover back bills of the SCLC, Levison said it was agreed that an emergency approach would be made to churches and labor unions. In addition, according to Levison, \$30,000 will be borrowed to help clear the bills. [redacted]

The reserve fund, according to Levison, contains about \$34,000 plus another reserve which they don't want to touch. In addition, there are stocks in a well known mutual fund amounting to \$100,000. Levison said if necessary, they could borrow on them in order to pay off the bills. [redacted]

Relet from the Bureau's representative in Heidelberg dated 12-3-53,  
regarding the above-captioned organization.

This is to advise that the information contained therein regarding  
collaborators residing in England was made available to [redacted] and Mr. D. L.  
Stewart of that organization has now provided this office with the following self-  
explanatory report, which is classified "~~SECRET~~" (S)

b7D -6

"We can confirm that Anthony Francis Xavier BARON, of Pageant  
Place, Framlingham, Suffolk, is the sponsor of this organization, whose  
main activities are as described in your report. (S) (U)

"It is true that BARON, as suggested in your report, maintains  
links with neo-Nazi individuals in Germany, notably Wolfgang SARG of  
Oldenburg (with whom, however, he has recently quarrelled) and Karl  
SMETS of Koblenz. Through SMETS he has established contact with the  
Stahlhelm ex-servicemen's organization, whose support he has been  
attempting to win, so far without conspicuous success, for his own  
National Socialist and anti-Semitic propaganda. (S) (U)

"BARON's 'organization' in this country consists of little  
more than himself, his German secretary Elisabeth SCHNITZLER, and his  
brothers. He is regarded by MOSLEY and the Union Movement as belong-  
ing to the 'lunatic fringe' of neo-Fascism, and he enjoys no backing  
of any importance whatever. We do not, therefore, propose to attach  
much significance to the list of 'collaborators' included in your re-  
port. We think it highly likely that these names form part of a  
mailing-list for NATINFORM propaganda. Such a list would be compiled  
by BARON from names he had heard in Conservative circles as being  
'right-wing' in sympathy. We think it most unlikely that the majority  
of these individuals would be in any way impressed by NATINFORM propa-  
ganda. The last name in the list 'Canterbury, Kent' is that of a city,  
not a person, and cannot therefore be identified with any 'Chief of
